

## **Financial Modeling and Algo Trading (FMAT)**

### **Batch – III (2018)**

#### **Shaheed Sukhdev College of Business Studies and BSE Institute Ltd.**

**Shaheed Sukhdev College of Business Studies (SSCBS)** is proud to announce its third batch of skill development course on '**Financial Modeling and Algo Trading (FMAT)**' in association with **BSE Institute Ltd (BSEIL)**, an arm of the **Bombay Stock Exchange (BSE)**. The course has been especially designed to equip students with specialized skills needed to work with the ever increasing challenges of the financial markets and develop them into holistically knowledgeable, skilled and competent financial professionals.

The course would help develop competencies in vital areas of management and finance such as risk management, valuation modeling, project finance, algo trading, financial statement modeling and data mining amongst others.

A strong practical approach including case discussions, hands-on practice, and live (Algo) trading using specialized software's and research orientation are some of the key highlights of this course.

The College of Business Studies and BSE Institute both are known for their quality in house faculty and contact resources from industry.

The college invites registrations and admissions from interested students for the batch of FMAT 2018.
