Faculty Coordinators: Ms. Saumya Jain (Convener), Mr. Neeraj Kumar, Mr. Amit Kumar, Dr. Narander Nigam & Mr. Ravi Yadav

Attendance per day: 60+

The SDP was organized by SSCBS in coordination with BSE Stock Exchange Forum. The resource persons for the same were Dr Aditya Srinivas & Mr Kaushal K Maan. The first day was dedicated to basics of investing, types of investments, details about E KYC, different places where one can invest with advantages and disadvantages of each. importance of having in depth knowledge before investing in stock market especially for students was also discussed. The topic for the second day was mutual funds. The rotation, and structure including sponsors, board of trustees, asset management committee & S.I.P was discussed. The topic for the third session was Fundamental Analysis wherein Economic analysis with GDP growth, interest and inflation rates, exchange rates, etc. were discussed. Industry analysis and company analysis were also discussed along with real life case study. The last day was devoted to monetary policy and its implications, role of central banks, impact of interest rates on the economy, various money controlling measures, difference between interest rates and inflation rates. All the sessions had doubt clearing rounds at the end. The students appreciated the holistic coverage of working of stock market and its relevance for their field of study. Overall, the program can be concluded as a success. The SDP ended with vote of thanks for the chair.

(Saumya Jain - Convener)
