## Summary of the event:

An event named E-symposium was conducted on 11th Jan on the topic innovation. Here the speakers inculcate the desire to innovate amongst every individual who attended the meeting. A long discussion took place on how innovation needs to include the home values, because that is the driving force of all our actions. Then they discussed the importance of sustainable innovations in today's not so clean environment. Every innovation we make should be made by taking care of the environmental resources.
