

THE LITERARY SOCIETY OF SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES

ABOUT THE LITERARY SOCIETY

The Literary Society and the editorial board of the college aims to foster the love of our college students for literature and provide them with the opportunities to explore the same through national events, creative workshops, interactive sessions and competitions. We seek to provide sanctuary to all the creative souls of our college who wish to create art and explore the quirks of the written word.

As the college's editorial board, we design and publish the annual college magazine, ***Quadrangle***, that captures the memories of the years that went by and features the creative pieces, achievements and culture of our college. We also maintain a society blog that features articles, poems, book reviews, stories and op-eds by 50+ students across the country.
