

CBS MUN - The Model United Nation Society of SSCBS

About us -

The Model United Nations Society of Shaheed Sukhdev College of Business Studies (CBS). Our society is dedicated to fostering a deep understanding of global affairs, enhancing negotiation skills, and promoting intercultural awareness among our members.

In our society, students embark on a diplomatic journey through realistic UN committee simulations, where they address crucial international issues and develop essential diplomacy skills. Through our flagship conferences, DUMUN and CBSMUN, we provide a valuable platform for students to showcase their talents, broaden their horizons, and make a positive impact on the world.

In addition to our conferences, we organize a series of webinars aimed at fostering holistic development and providing insights into various aspects of global diplomacy and business.

Furthermore, our society takes pride in offering valuable corporate exposure through diverse live projects in collaboration with prominent industry players in analytics and consulting. This hands-on experience equips our members with practical skills and prepares them for success in the professional world.

We welcome individuals who are passionate about international relations, diplomacy, and leadership to join our community and become part of a journey towards personal growth, global awareness, and impactful contributions to society

Key Activities

- A Memorandum of Understanding (MOU) has been officially signed to facilitate cross-delegation and information sharing between Ramanujan College (Delhi University) and our organization. Ramanujan College, renowned for its extensive reach, boasts over **500** registrations. In line with this collaboration, we have committed to sending more than 10 delegates to participate in various competitions organized by the college.

- **Expert Speaker Sessions:**

In conjunction with our commitment to educational outreach, we envision organising periodic speaker sessions featuring experts from various fields. These sessions provided the students under our care with exposure to diverse career paths and valuable insights into different professions.
