

Annual Report 2020-2021

Girl Up Ruhi

Our college has demonstrated a steadfast commitment to promoting gender inclusion, neutrality, and equality, which we believe are fundamental principles of a liberal society. These values are not only upheld but actively championed through a diverse array of programs and events organized by various student-led organizations.

Girl Up Ruhi recently spearheaded a webinar focused on Women Empowerment, providing a platform for dialogue and empowerment for women on campus. Meanwhile, **Kartavya** took tangible steps toward ensuring Durga Safety through an impactful workshop aimed at raising awareness and implementing practical safety measures.

Moreover, our college community has shown solidarity and support for survivors of acid attacks through a deeply moving webinar, highlighting their resilience and the need for societal change.

Rotaract has taken on the challenge of making menstruation a sustainable process through their innovative project, addressing a crucial aspect of women's health and hygiene.

Additionally, the **Queer Straight Alliance** has been instrumental in fostering understanding and acceptance through a series of live sessions and projects, promoting inclusivity and celebrating diversity within our campus community. Their podcasts serve as an important platform for amplifying voices and sparking meaningful conversations on LGBTQ+ issues.

These initiatives collectively underscore our college's dedication to creating an environment where all individuals, regardless of gender identity or expression, feel valued, respected, and empowered to thrive. Through ongoing collaboration and advocacy, we strive to uphold these principles and continue making meaningful strides toward a more inclusive and equitable society.
