

# **Kronos - The Tech Society of SSCBS**

## **SESSION 2019-20**

### **ACTIVITIES UNDERTAKEN IN THIS ACADEMIC SESSION**

#### **Number of Inter-college competitions attended by the society members: 15**

Team Kronos SSCBS participated in 15 competitions bagging podium finishes in 5 competitions from institutions such as Maharaja Agarasen Institute of Technology, Thaapar Institute of Engineering and Technology, BMS College of Engineering, KMV, Apeejay Satya University, Maharaja Surajmal Institute.

#### **Number of seminars organized by the society: 5**

##### **1. Workshop on Python Language Coding Ninjas**

A leading programming and software training institute conducted a hands-on workshop on Python programming language for beginners and intermediates in our college, in association with Kronos. It came out to be quite successful, with students later on asking for more such workshops to be conducted in the future in the feedback forms.

##### **2. Workshop on Competitive Programming Coding Blocks**

Another pioneer programming and software training institute collaborated with Kronos to conduct a workshop on Competitive Programming, followed by a quiz on the same. This workshop witnessed participation from all years. The workshop taught the students the basics of competitive programming, how to start learning for it and what the career prospects in this field are.

##### **3. Local Hack Day Partnering with Xencov Kronos**

The Tech Society of SSCBS partnering with Xencov organized the Major League Hacking Local hack day at Xencov's office wherein the event witnessed participation from student developers and working professionals alike, creating a great learning environment for young enthusiastic developers coming from across Delhi NCR.

##### **4. Py-Delhi Meetup**

PyDelhi is a volunteer-driven organization of Pythonistas, enthusiasts, entrepreneurs, researchers, students and many more with a primary interest in the programming language, Python. They conduct bi-weekly meet-ups, Dev-Sprint, seminars, workshops on different topics related but not limited to Python and its applications. Individuals from all age groups from Delhi-NCR join our meetup to learn, collaborate and meet others.

##### **5. Microsoft Workshop on using Azure**

6. ZEIT now workshop on next.js
7. Hackerone workshop on the topic how to become a bounty hunter
8. Dream AR workshop with
9. Kotlin India meetup @CBS

**Number of fest organised: 1**
