### **What we do?**

We are the NSS unit of SSCBS, a student-run fraternity that aims to foster the feelings of social service among the students and provides them with a platform where they can make a difference to the society. We have been working rigorously on a plethora of humane activities like literacy drives, community healthcare, and women empowerment. We stay true to our motto 'Not Me But You'. The aim of the organization is to produce socially responsible managers and work for the all-round development of the nation.

### **Key Achievements in 2023-24**

#### **Donation Drives**

NSS SSCBS continually strives to bring light into the lives of underprivileged sections of society who require assistance. Thus, it organizes donation drives each year, making a positive difference in many people's lives.

This year, NSS SSCBS, in collaboration with Kartavya- The Social Service Forum of SSCBS, conducted a clothes donation drive during the Annual Philanthropic Fest Vivante'23 to give old clothes an opportunity to be reused and a textbook donation drive to cultivate a sense of cooperation within our community. We also conducted a food donation drive to collect food items for the elderly residents of Davo - an old age home. NSS volunteers set up a collection point near the college ground and encouraged students, faculty, and staff to donate non-perishable food items such as rice, flour, lentils, pasta, salt, and cooking oil.

NSS feels that there is no better exercise for the heart than reaching down and helping people up, thus they cordially invite everyone to come forward and donate as much as possible.

#### **Cleanliness Drive**

We conducted the SSCBS Cleanliness Drive at Japanese Park , Sector-10, Rohini, as part of the 'Swachhata Hi Seva Campaign'. The volunteers came together to make collective efforts to keep

our surroundings clean and pledged to regularly engage in activities related to cleanliness and sanitation.

### **Blood Donation Camp**

We have also organized a blood donation camp within the college premises. The event aimed to encourage students and faculty to contribute to the noble cause of blood donation. With meticulous planning and execution, the camp successfully gathered significant participation, fostering a sense of social responsibility among the college community. Such initiatives exemplify the commitment of SSCBS towards humanitarian endeavors.

### **Project Samman**

Project Samman, led by NSS SSCBS, is a diverse effort which includes food drives, companionship programs, healthcare checkups, skill development programmes, environment care, mental health awareness campaigns, digital literacy programme for the elderly and needy people and cultural exchanges through engaging activities between volunteers and the elderly people. It aims to improve senior citizen's lives, connect generations, and engage the community. From giving food to promoting sustainable living and aiding with technology, Project Samman nurtures well-being, understanding, and empowerment, making society kinder and more connected.
