1. Career in Networking

Insightful session featuring Mr. Vineet Gautam, Product Architect at Ciena, as he shares his extensive expertise in Networking Technologies. With over 15 years of experience in solution building and R&D management, Mr. Gautam is a distinguished alumnus of Shaheed Sukhdev College of Business Studies. During this webinar, scheduled for August 27, 2021, from 5 to 7 P.M. on G-Meet, attendees will gain valuable insights into IGP, IP-MPLS, MP-BGP, and SR technologies. Don't miss this opportunity to learn from a seasoned professional and broaden your understanding of cutting-edge networking solutions.

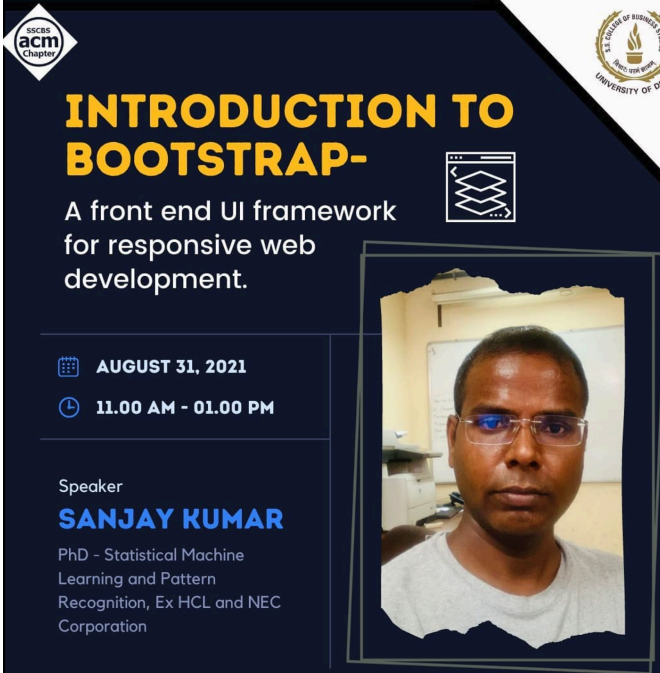

2. Targeting Your Dream Company

We had a highly informative session on August 31, 2021, with Ms. Megha Gupta, Software Development Engineer at Amazon, Bangalore, titled "Targeting your dream company." Ms. Gupta, an MCA graduate from Delhi University, drew from her firsthand experience to provide valuable insights into the process of targeting and securing positions at top-tier companies. Her expertise and practical tips proved invaluable for attendees seeking to navigate the competitive landscape of job applications and interviews. Held from 1:30 to 2:30 pm, the session equipped participants with actionable strategies to pursue their career aspirations effectively.

3. Introduction to Bootstrap

We had an enriching webinar session on August 31, 2021, with Mr. Sanjay Kumar, where he conducted a hands-on workshop on Bootstrap - A front-end UI framework for responsive web development. Mr. Kumar, with his extensive background as a Software Engineer at HCL Technologies Ltd and NEC Corporation, shared valuable insights into this essential tool for modern web development. His expertise in Statistical Machine Learning and Pattern Recognition added depth to the discussion, offering attendees a comprehensive understanding of Bootstrap's applications and benefits. The session, held from 11:00 am to 1:00 pm, provided attendees with practical knowledge and skills to enhance their web development projects. Access the recording of the webinar
