## Other Information

Nucleus adapted well to the challenges faced due to the COVID-19 pandemic, conducted 13 in-house Knowledge Sharing Sessions in the term along with 2 internal competitions. This year also saw a significant increase in the reach and engagement through **The Nucleus Instagram and LinkedIn page**, a medium through which we share interesting content related to Data Analytics twice a week.

The **society blog** under the name- 'The Analytics Bay', also witnessed growth in terms of increased engagement with the articles. The blogs are written by the society members with a detailed explanation of topics related to the field of Data Analytics. The society also presented insightful visualizations on India's HDI as well as economic indicators to commemorate the **74<sup>th</sup> Independence Day** witnessing a great response from the audience. Apart from that, Nucleus received **3 live project opportunities** from companies namely Finvengers, Strategy Wanted and NeenOpal which helped its members in gaining more practical knowledge.
