

Independence Day Celebration

Mode: Offline

Date: 14 August 2023

No. of Participants: 50

Our Enactus SSCBS team celebrated Independence Day at a DUSIB shelter in CP with great enthusiasm. We painted the Indian flag on the children's cheeks, symbolizing our pride in our nation. Together, we sang the National song and National anthem, fostering a sense of unity and patriotism. Our primary goal was to instill a spirit of nationalism in the children, teaching them the importance of love and respect for our country. The event was a heartfelt tribute to our nation's freedom struggle and a reminder of the values we hold dear.

Seeing the children embrace the spirit of patriotism was truly inspiring, and we hope to continue nurturing this love for our country in future generations.
