Message from the Principal

I am honored to present the 37th Annual Report of our college, a testimony to another remarkable year of achievements and growth.

Having started our journey as the first college in the University of Delhi to offer a degree programme in Business Studies, now named Bachelor of Management Studies, we have come a long way, overcoming challenges, learning with new experiences, and creating history. Our mantra - perseverance, and commitment to quality – has brought us laurels, and we are recognized as the best undergraduate college by India Today yet again in June 2024, making it 5 times in a row. The College is graded 'A+' by the National Accreditation Assessment Council. Today, SSCBS offers, three professional undergraduate (honors) programs, namely Bachelor of Management Studies, Bachelor of Business Administration (Financial Investment Analysis), and Bachelor of Science in Computer Science, a postgraduate programme in Cyber Security and Law, and other certification courses namely Data Analytics and Business Intelligence, Digital Marketing, Financial Modeling and Algo Trading, NSE Academy Certified Capital Market Professional, and Applied FinTech.

The placement cell of the college is dedicated to getting the best job opportunities for the students. We also have a government-supported incubation center to extend infrastructure and seed funding to innovative new ideas. On the placements front, this year, we witnessed an influx of reputed companies, leading to successful student placements. We focused on bringing firms for diverse roles including consulting, private equity, investment banking, FMCG, venture capitalist, data analytics, and trading. 81 companies visited the campus this year, making 235 offers with the highest CTC offer of an impressive 28 LPA and the average CTC stood at 10.88 LPA. We are proud to have prominent recruiters like Boston Consulting Group, AB InBev, Bain Capability Network, D.E Shaw Group, LEK, McKinsey Knowledge Centre, Wells Fargo, Xander, and Alvarez and Marsal, reflecting the recognition and value of our institution. 51 students received offers for higher education from prestigious institutions after successfully passing highly competitive exams like the CAT. We focus on getting quality summer internships for students. Dalberg offered the highest stipend at 95K per month. McKinsey and AB InBev provided 75K, and Nation with NaMo provided 50K per month.

Our students have been winning accolades at both global and national levels. This year, our students secured podium finishes at prestigious international and national level case competitions while competing against some of the world's best universities, including Harvard, MIT, Stanford, NUS, and Hong Kong University. A few to mention are the Global Microfinance Case Competition by The Melbourne Microfinance Initiative; the HSBC/HKU Global Case Competition by HSBC; and National Winners at BRAINWARS by Bain and Co. One of our students received an 80,000 JPY scholarship at the Global

Entrepreneurship Mindset Programme – of Kansai University of International Studies, Kobe Japan.

Besides instilling leadership and entrepreneurial skills in our students, we nurture them into responsible citizens and compassionate humans. Many student societies are engaged in outreach and extension activities wherein they identify and contribute to alleviating social and environmental problems. We also care for our student's overall well-being and empathize with the youth who have been impacted socially, emotionally, and mentally. Resonating with the need of the hour, we have appointed a counselor, a practicing clinical psychologist, to care for the emotional and psychological aspects of our students' health.

Looking ahead, we remain committed to our mission of providing quality education and fostering an environment where creativity and collaboration thrive.

Thank you for your continued support and enthusiasm.

Shaheed Sukhdev Thapar

Freedom Fighter (15th May 1907 - 23rd March 1931)

Biography

Sukhdev Thapar was an Indian freedom fighter. Born in Ludhiana Sukhdev, since his childhood, was a witness to several atrocities that the Imperial British Raj had inflicted on India, which led him to become a freedom fighter. Sukhdev, along with other renowned freedom fighters, started the Naujawan Bharat Sabha gearing the youth to join the freedom struggle. He is best remembered for his involvement in the Lahore Conspiracy Case (18th December 1928) and its aftermath that shook the foundation of the British Government. After the Central Assembly Hall bombings in Delhi (8th April 1929) Sukhdev and his associates were arrested and hanged on 23rd March 1931. Sukhdev Thapar became a martyr at a young age of 24 years to pay homage and tribute to the three brave freedom fighters namely, Shri Sukhdev Thapar, Shri Shivram Rajguru and Shri Bhagat Singh, the National Social Scheme of Shaheed Sukhdev College of Business Studies celebrated Shaheed Diwas on 23rd March, 2022

When someone sacrifices themselves for their nation, they always leave behind an unforgettable legacy. Commemorating the courage and indelible impression of the three heroes, every year 23rd March is observed as Shaheed Diwas.

About the College

Shaheed Sukhdev College of Business Studies (SSCBS) is one of the premier institutions of the University of Delhi, imparting path-breaking education in the fields of Management and Information Technology. It was established in August 1987 by the Government of the National Capital Territory of Delhi (GNCTD) on the initiation of University Grants Commission (UGC) and the Ministry of Human Resources and Development, Government of India (MHRD).

At present, the college offers three full-time graduate programs under its three departments - Departments of Management Studies (DMS) and Department of Computer Science (DCS) leading to the award of Bachelor of Management Studies, Bachelor of Business Administration (Financial Investment Analysis) and B.Sc. (H) Computer Science.

The college also offers a post graduate diploma course in Cyber Security and Law. The college emphasizes an interactive mode of education, supported with innovative teaching methodologies. It is designed to stimulate inquiring minds and provide significant exposure to the realities of business processes and challenges. Industry interaction is achieved through guest lectures, industrial tours, industry-based project work, live projects, internships and summer training. The strength of the college lies in its highly qualified faculty having industrial experience, dynamic students, supportive non-teaching staff, illustrious alumni and a supportive and encouraging governing body.

The college supports about 45 student societies working in diverse areas including strengthening students' skills in various domains (such as marketing, finance, technology and entrepreneurship), social outreach, mental and emotional health, environment etc.

The high standards of excellence give SSCBS the phenomenal and undeniable edge we are recognized for. These standards are endlessly pushed beyond the horizon. At SSCBS, we are never content. The inverse correlation between our satisfaction and our progress is an acknowledged and appointed theory at SSCBS. This is the SSCBS difference.

What sets SSCBS apart from other colleges is our recognition that every student is different. We strive to identify and maintain that 'difference'. We constantly endeavor to create opportunities for skill development in different areas of interest, and to cater to the diverse needs of the students. The fact that SSCBS doesn't believe in a one-size-fits-all policy is evident in its placement process, where companies from as many as fifteen sectors, including consulting, insurance, knowledge services, real estate, media, investment banking, PR, IT, shipping, and financial services recruited students.

The curriculum and the college atmosphere promote inquisition, innovation, leadership and team-spirit. Apart from possessing a clear understanding of the fundamentals of management as well as a considerable degree of corporate exposure, our students are resourceful, versatile and enthusiastic. It is this marked difference that has helped the college set new benchmarks with every placement season.

Programs

Bachelor of Management Studies

Head of the Department: Dr Nidhi Kesari

Bachelor of Management Studies (BMS) is an under-graduate programme imparting education in management. The duration of the course is three years. Under New Education Policy (NEP) 2020, the students will have the flexibility of completing the course in four years as well. The course was originally known as Bachelor of Business Studies (BBS), when it was first introduced by University of Delhi in 1987. The course allows students to obtain the knowledge and skills needed to assume management positions in a wide range of organizations. Students are also motivated to go for summer internships to gain practical insight from industry which makes their course content more meaningful.

Bachelor of Science (H) Computer Science

Head of the Department: Dr. Shikha Gupta

The computer science department at Shaheed Sukhdev college of Business Studies has the objective of imparting quality education in the field of Computer Science. With the rapidly evolving technology and the continuous need for innovation, the college offers modern facilities for teaching, learning and research. The B.Sc. (H) Computer Science programme is designed to develop analytical & computational thinking, and problem-solving skills. The programme provides rigorous foundations of the concepts of Computer Science and its applications.

Bachelor of Business Administration (Financial Investment Analysis) BBA(FIA)

Head of the Department: Dr. Anuja Mathur

Bachelor of Business Administration (Financial Investment Analysis) is a core finance course, exposes you to all important concepts from Financial management to derivatives, from statistics to economics which are the basis for going forward and making a career in this field. The programme is focused to create financial expertise to contribute to emerging India. This programme is a true value addition in professional education in the field of finance at an early stage of under graduation.

Post Graduate Diploma in Cyber Security and Law (PGDCSL)

Programme Coordinator: Dr. Anamika Gupta

Post Graduate Diploma in Cyber Security and Law (PGDCSL) programme is an advanced Penetration Testing & Information Security Training Engineering Program: The course provides an intensive training which will empower an individual with practical knowledge in a simplified and easily graspable manner. In the course, students will learn how hackers break into the systems, network, mobiles and website so as to make them aware of the possible loopholes and therefore, making them proficient in reverse-penetration.

Certification Courses

- Data analytics & business intelligence (125 hours)
- Digital Marketing (100 hours)
- Financial modeling & Algo trading (160 hours)
- NSE Academy Certified Capital Market Professional (100 hours)
- FinTech (60 Hours)
- Business Intelligence, Data Visualization & Automation (75 hours)

Student Enrollment

This year the admission process to BMS and BBA (FIA) Programs was done through Common University Entrance Test (CUET) in an online mode. The students seeking admission to BMS and BBA(FIA) programs were required to appear in one language from List A, Mathematics/Applied Mathematics, and General Test. The end selection was based on the rank computed from the CUET scores obtained from the above-mentioned combination of subjects. The written entrance test was conducted by the National Testing Agency (NTA). Overall, 294 students were admitted in BMS and 146 students in BBA (FIA).

The admission to B. Sc. (H) Computer Science was conducted through Central University Entrance Test (CUET) online for the academic session 2023-24. The students seeking admission to B.Sc. (H) Computer Science was required to appear in one language from List A, Mathematics, and two other subjects (one from list B1). The selection was based on the rank computed from the CUET scores obtained from the above-mentioned combination of subjects. After allotment of the students to college, the Admissions committee verified all the documents online and completed the admission process. In total, 66 students were admitted to the B. Sc. (H) Computer Science course.

Admission to PGDCSL requires a Bachelors or above in Science or Technology with following papers: Programming, Networking, Database management, Operating Systems, and Data Structure. The admissions are based on the merit drawn based on the marks obtained in eligible degrees. Altogether, 32 students were admitted in PGDCSL

Major Highlights

IQAC (Internal Quality Assurance Cell)

The Internal Quality Assurance Cell (IQAC) is an integral part of the learning environment of SSCBS. Constituted under the aegis of the National Assessment and Accreditation Council (NAAC) requirements, the IQAC includes representatives of all stakeholders, viz., Administration, Faculty, Students, Alumni and Recruiters; who work together to enhance the learning environment in the college.

Diverse opinions add to the perspectives of the IQAC. In 2023-24, the IQAC was ably supplemented by the viewpoints of multi-talented individuals including Prof. Kavita Sharma (as Management nominee); Dr. Meenu (as Parent representative); Dr. Pushpender Kumar (as Alumnus of SSCBS); and Vikas Goyal (as Industry/ Employer).

Additionally, as part of various initiatives, IQAC and SSCBS invites eminent resource persons from the industry and academia who share their insights and experiences to help raise the academic and operational processes and standards of the college.

In order to help provide a platform for all stakeholders to interact effectively, the IQAC regularly holds formal meetings with all the stakeholders to help to decide upon and take action on a Road Map to improve the quality of college functioning and to take stock of the progress made on various aspects of the road map.

Though the IQAC is involved with almost all aspects of the college, it has taken some special actions during 2023-24 with the aim of improving the academic and operational activities in the college.

1. Mentoring, Counselling and related

SSCBS IQAC strongly believes that a healthy mind is imperative for the modern student. In addition to ongoing programs (viz. mentorship sessions, faculty mentors for students and a dedicated counsellor etc.) to help students cope with the various stresses that they face, this year saw the launch of a student run initiative, Makes Sense that aims to provide more mentoring support for the students, this time by connecting them with professional counsellors via online mechanisms. This helps reduce hesitancy in the minds of the students to approach and avail of counselling services.

We have a professional counsellor Ms. Anisha Batra (M. Phil Clinical Psychology, registered with the Rehabilitation Council of India), with whom the students may book an appointment for seeking consultation. This is to help students develop healthy coping mechanisms for handling complexities of college life and enable them to timely address mental health issues like stress and anxiety. On a deeper level, this measure is to help students gain self-esteem and confidence. In 2023-24, 41 students benefitted from the counselling services.

Additionally, under the aegis of the CDC (the college placement cell) more initiatives to help strengthen the capabilities of the students have been undertaken. Connecting current students with alumni extra support by the Placement Officer and the CDC faculty in-charges have given more opportunities and avenues for students to share their problems and seek impactful support and guidance.

Overall, these initiatives helped to reduce stress levels in the students which in turn helped improve their mindset and quality of learning.

2. Workshops, Training and related

The SSCBS IQAC supports the thought that in a VUCA world, multi-faceted training is essential. While the students learn about academic concepts in class, supporting them with real-world challenges and applications is key.

The IQAC has always encouraged training and capability sessions for the students. Many of these sessions are held under the banner of the CDC and help students improve their skills and hone their personality. In the past year many workshops were organized by the CDC in association with corporate trainers covering capability building themes such as CV building, acing interview and working on personality development.

Rounding off the wholesome development agenda, many workshops were conducted to support the mental health of the students, including The Breath Workshop (20 Oct. 2023), FDP on Mental Health Awareness (11 Mar. 2024) and Ethics and Governance (11 Mar. 2024).

Enthusiastic participation by the students and faculty members in such workshops was heart-warming for the organisers.

3. Smooth functioning of NEP and Continuous Assessment:

It is a matter of pride for all SSCBS stakeholders that with their support, NEP implementation has happened smoothly across all courses. Furthermore, through innovative use of processes, sensitization and automation, the Continuous Assessment mechanism under NEP has been operating in both letter and spirit, providing transparent scoring and regular assessment support for the teachers and students alike.

Throughout the year, the IQAC has led and overlooked many initiatives that have been designed to help improve the quality of learning within the college; and with the unstinted support of all stakeholders, these IQAC initiatives have grown and hopefully will continue to grow in quality, quantity and stature within the SSCBS fraternity and the larger DU community; providing a richer and more wholesome learning environment for all SSCBS stakeholders.

NIRF

The National Institutional Ranking Framework (NIRF) was approved by the MHRD and launched by the Honourable Minister of Human Resource Development on 29th September 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations arrived at by a Core Committee, set up by MHRD, to identify the broad parameters for ranking various universities and institutions. Shaheed Sukhdev College of Business Studies has been ranked in the top 100 in the NIRF ranking 2023 (College).

India Today

Rankings of professional and academic institutions, though existing for many decades, have taken even greater importance in today's complex and dynamic environment. In the spirit of transparency and accountability towards the stakeholders, it is **pertinent to separate** the wheat from the chaff and bring **the best professional institutions in the country** out of almost 50,000 colleges and institutes spread across the length and breadth of the country.

Though receding in public memory, the pandemic has been a great disruptor and many institutions have adopted "blended learning" practices. Keeping in mind the current trends towards the online education system, the ranking and surveys have taken even greater importance to determine the best colleges in the country with respect to the broad parameters of "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception". Rankings and accreditations attempt to set the benchmark for tracking institutes that provide the best education in India, making the lives of millions of students easier.

Shaheed Sukhdev College of Business Studies has been ranked first, for the fifth consecutive year in the India Today Group-MDRA Best Colleges ranking 2024 (BBA stream), conducted by the country's most prestigious and largest-circulated weekly news magazine India Today. India Today Group has been conducting the most authentic college ranking surveys for the past two decades and in this year's issue, the colleges were ranked keeping in mind the situation created in the education sector due to this global pandemic.

Open Magazine

The Open Magazine BBA Ranking is an annual ranking of the top BBA colleges in India. The ranking is based on a number of factors, including academic excellence, placement record, faculty strength, and infrastructure.

Shaheed Sukhdev College of Business Studies (SSCBS) has been ranked first, for the second consecutive year in the Open Magazine BBA Ranking 2023. The college has been consistently ranked among the top BBA colleges in India for its excellent academic standards, industry-oriented curriculum, and placement opportunities

Case Competitions

This year our students were able to secure podium finishes at prestigious international and national level case competitions while competing against some of the world's best universities, including the likes of Harvard, MIT, Stanford, NUS, Hong Kong University and so on.

The achievements include -

1. Global Winner at Global Microfinance Case Competition by University of Melbourne

2. Global Second Runner Up at Global Microfinance Case Competition by University of Melbourne

Infrastructure

Our campus is spread over 5 acres with the latest amenities. A split-level 500+ seater auditorium supported with 4 well-equipped seminar halls are for events. 35 air-conditioned classrooms, all equipped with the latest AV equipment, focus on learning and enhance quality of interaction. A two-level well stocked library provides an opportunity for studying, while an amphitheater exists for student activities. There are air-conditioned hostel rooms, cafeteria-cum-mess area, administrative and common use areas and faculty rooms. A large underground parking lot, residential accommodation for faculty/staff members, an in-house STP plant, and a weather station are also present.

There are six computer labs, exclusive examination rooms, nine dedicated tutorial rooms, separate faculty rooms, an entire floor with an in-house incubation Centre and a placement cell. We also have a separate alumni relations cell.

Monitored CCTV cameras, gated security systems and well displayed and maintained fire and safety systems ensure safety, while ramps, lifts and other systems ensure that students/faculty with all manner of physical capabilities can access the facilities comfortably. The rooftop solar plant and solar water heaters support our environmental commitments in tandem with energy efficient building materials and tactics.

Facilities for Sports and Cultural Activities

The college accords high importance to the physical well-being and cultural expression of the students. The half-acre playground is well used by the students to partake in a wide-range of outdoor sports like football, cricket, volleyball, kabaddi, etc. Indoor sports facilities support sporting activities such as table tennis, carrom and chess. The college grounds also have a fully-equipped open gymnasium.

One end of the college grounds hosts a huge open-air stage that is used for practices of cultural events. It becomes the centerpiece of large open-air events, noticeably Crescendo, the annual cultural fest of the college. The grounds also play host to numerous other significant events such as Alumni meets, food fests and such like.

Akash Ganga, the college auditorium is fully air-conditioned, seats more than 500 people and is set up to conduct a variety of cultural events, conferences and discussions. More focused activities can make use of any of the 4 similarly equipped but slightly smaller (at approximately 100 seats) seminar rooms. At the other end, a garlanded bust of our namesake, Shaheed Sukhdev Thapar and the gaily fluttering national flag provide a touch of poignancy and help to channelize our efforts for greater national good.

Library as a Learning Resource

Library is spread over two floors covering an area of approx. 1161 sq.m. and has designated space for reading rooms for 218 students and a research section for faculty members.

Total number of new titles added in the collection- 1117

Total number of books in the library- 25,464

Total number of magazines and journals of national and international repute-56

Total number of newspapers- 14

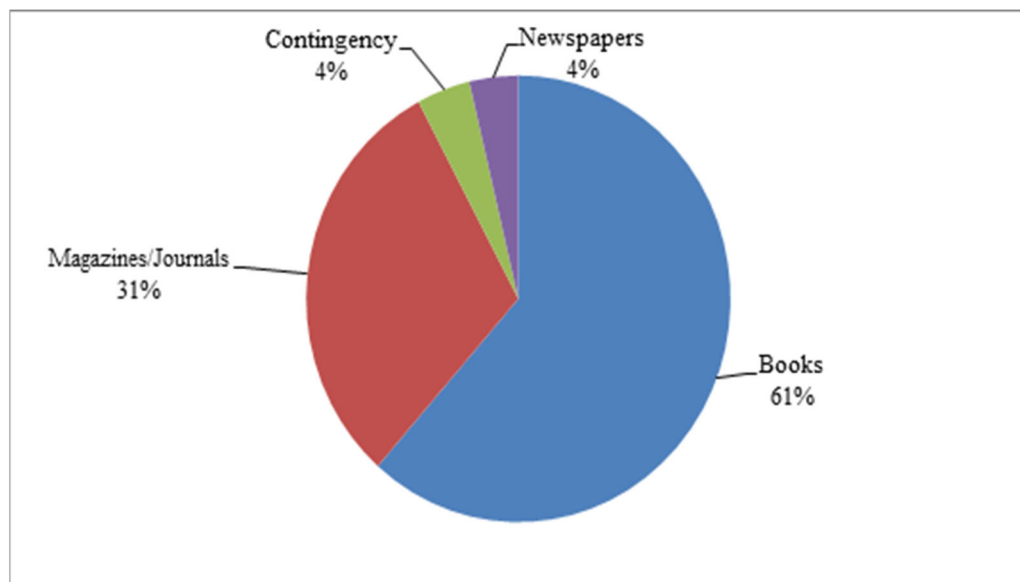

Library has spent total amount of Rs. 8,69,164/- on the purchase of the following resources:

Books Rs. 5,34,751/-

Magazines/ Journals: Rs. 2,66, 621/-

Newspapers: 32,288/-

Contingency Rs. 35,504/-

Library has institutional membership of **NLIST** (National Library and Information Services Infrastructure for Scholarly Content) and **DELNET** and students are encouraged to access and make use of e-books and e-journals accessible through them. Library shares digital resources in the form of online magazine, journals and newspapers clippings along with the useful links to the articles with the users.

All college library activities such as circulation, technical processing, serial control and system administration are automated using the cloud based **Open-Source Solution i.e. KOHA version 23.05.05.000**. It provides easy access to the library catalogue (OPAC) from anywhere anytime. It enables students, faculty and staff members to check the status of the library resources and also maintains transparency in all the transactions by providing access to their personal accounts. In addition, Library is providing the online renewal facility for the students using the following link <http://sscbs.bestbookbuddies.com/>. We are one of the leading college libraries of University of Delhi using KOHA Open Source Integrated library management software shifted from LIBTEK DOS based library software since May 2014.

The library verifies its stock every year using the bar-code technology. Library has created and regularly updating its portal, <https://sites.google.com/sscbsdu.ac.in/sscbslibrary/home> which assimilates useful resources and serves as a gateway to easy access to a wide variety of resources like Web based OPAC (Online Public Access Catalogue), E-Resources, Rare Books, Syllabus, Question Papers and Annual Reports along with the Blog etc. Question Papers are arranged Paper-wise under its Semester & Year-wise under each programme to provide one-point easy access to the students and faculty. It has QR Code for the Library Website for fast access through smart devices

Number per day usage of the library was calculated considering the physical footfalls of approx. 136 students per day and login data for online access to e-resources ((NLIST, DELNET, OPAC, and Library Website) by teachers and students is approx.46 students per day.

Apart from the print resources, teaching and research is also supported by accessing the large number of electronic resources (e-journals, e-books and databases) accessible through IP- based and Remote Access

facility of DU eLibrary. It also provides access to eShodhSindhu resources accessible through DULS. Awareness of online resources such as Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB), Internet Archives, eShodhganga and National Digital Library with the faculty members and students were shared. IRNIS Instance has been created for faculty research publications to showcase their citations and H - index.

Library Internship was given to five interns for the period of one month to make them learn the functionality of the library services.

IT Infrastructure

The college has six well-equipped modern computer laboratories, two for the BMS students, two for the B.Sc. (H) Computer Science students, one for the BFIA students and one for PGDCSL students. The College maintains and upgrades its IT infrastructure on a regular basis with the help of trained and experienced professionals. The continuous upgrades in IT infrastructure help and support in maintaining the college academics, administration, examinations and research related activities.

The college has in total 215 computers which include 189 computers available for academic purposes. All computer laboratories are equipped with LCD projectors to facilitate teaching and presentations. The college also has 25 printers which are available for students, teaching and non-teaching staff for academic and administrative purposes. Two internet connections, one from Delhi University with a speed of 100Mbps and another from MTNL with a speed of 1000 Mbps, are available through LAN and Wi-Fi in the whole campus (Classrooms, Labs, Library, Placement & SIF Area, Hostels, Canteen & Mess Area, Staff rooms, Administrative Offices, Accounts Section, Auditorium, Seminar Halls etc.). Wi-Fi facility is made available through 133 Access Points (APs) centrally managed by one Wireless Controller (Zone Director). To control the overall network in the campus the college has installed 01 Nos NMS (Base NMS- 25 Devices / 250 Thin APS), 03 Nos Servers HP ProLiant DL380 Gen 9 Server with Windows Server Data Center Edition and for internet security it has also installed 01 Nos UTM (Fortigate FG1200D) with Fortiguard (IPS & Application Control, Antivirus, Web Filtering). The college has access to many licensed and open source software such as Dev C++, CPUSim 4.0, MS Excel, TORA, Ubuntu, Anaconda, Mathematica / Scilab, Eclips, Turbo Assembler, NetBeans, Prolog, Xamp, Notepad++, Oracle, Android Studio, SPSS, Capital Line, Microsoft Office (professional edition), E views, Windows Server 2016 Datacenter Edition, MySQL, Visual Studio, Google GSuite for Education, Tally, Adobe Acrobat Pro which are used by students from all three departments of the college. These software are also updated as per the changing need of the academic curriculum. The college, through its website, provides a platform for students to view their attendance on a real time basis and internal assessment at the end of each semester.

For better connectivity in the campus the college also has an intercom facility (EPABX) which is a private telephone network used by college teaching and nonteaching staff for easy and effective communication. The college also ensures safety of all individuals in the campus with the help of CCTV surveillance through 138 cameras including PTZ (rotating) on the different floors, library, labs, canteen & mess, open area & ground, lifts, entry and exit gates, hostels, auditorium, parking etc.

College Website

The SSCBS website, accessible at <https://sscbs.du.ac.in/>, showcases an outstanding design concept coupled with visually captivating content. Developed in-house using an open-source platform, the website seamlessly integrates with an internally built Enterprise Resource Planning (ERP) system while adhering to the General Data Protection Regulation (GDPR) guidelines regarding the usage of cookies. Moreover, the website ensures failover protection through automated backups and boasts robust security measures with the implementation of Sucuri, a server hardening software.

Upon visiting the website, users are greeted by a strategically designed landing page that presents the college's recent achievements in a full-width format, igniting curiosity and engagement. With a unique design featuring colors inspired by the college's logo, the website enhances brand visibility. The website's content is optimized for search engines, ensuring minimal loading times and delivering an excellent mobile browsing experience.

The user-friendly interface of the SSCBS website organizes primary tabs into detailed drop-down menus, facilitating hassle-free navigation and search. All information is systematically and aesthetically arranged, creating an intuitive browsing experience. Student-centric resources are readily available, including dedicated micro-sites for the library, career development, alumni network, college newsletter, and the SSCBS Innovation and Incubation Foundation (SIIF). The website also provides well-structured information on rankings and accreditations.

Setting itself apart, the multilingual SSCBS website offers users an immersive virtual tour of the college. Furthermore, it features text-to-speech functionality, allowing users to listen to the content. Visitors can subscribe to notifications and explore a dynamic timeline that presents the college's rich history.

Transparency is a core value at SSCBS, and the college diligently adheres to all applicable rules and guidelines. The website serves as a comprehensive repository of information related to admissions, regularly updated to provide the latest details. Internal assessment guidelines, academic calendars, timetables, syllabi, previous year papers, credit structures, and other essential information are readily available on the website.

SSCBS employs a robust ERP system that ensures streamlined management and accessibility for students, teachers, departments, and the library. The ERP system maintains accurate records of internal assessments, with each student having a unique login to access their assessment and attendance details. All the attendances are captured online which enables to generate reports student wise and faculty wise. Additionally, the ERP facilitates feedback collection, analysis, and subsequent actions. Anonymous faculty feedback, as well as posted internal assessments, are conveniently accessible to students and faculty members through the ERP system.

The Shaheed Sukhdev College of Business Studies website stands as a testament to the college's commitment to excellence, user experience, and transparency. With its visually appealing design, rich content, and extensive functionality, the website exemplifies the college's dedication to providing a seamless online experience for students, faculty, and visitors alike.

Alumni Engagement

The Alumni Relations and Outreach Cell (AROC) is the Official Alumni Engagement and Networking Cell of Shaheed Sukhdev College of Business Studies, University of Delhi. The Cell plays an integral role in connecting our Alumni to the brand that holds memories of a lifetime.

Major Achievements

- Organized Alumni Meet which drew more than 250 alumni from various batches, and provided them with a platform to reunite with old friends and acquaintances. Alumni from the first batch of graduates in 1990 to the most current graduates in 2023 were present to network and share their stories. Recognized Alumni from all the batches were also present to witness the event.
- Alumni meet was a special event that left a lasting impression on all the attendees. This year's theme - '**Roads Less Traveled**', struck a chord with the guests. After the graduation ceremony, it was time to shine the spotlight on our outstanding alumni, who chose unconventional career paths and made it big on the *roads less traveled*.

Teachers-in-charge - Dr. Sonika Thakral (Convener), Mrs. Kishori Ravi Shankar, Dr. Neeraj K Sehrawat, Dr. Ramesh Kumar and Mr. Deepak Tiwari (Placement officer).

Extension and Outreach Activities

SSCBS stands by the motto "We rise by lifting others". The goal of all outreach activities undertaken at SSCBS is to identify major social problems affecting people's lives and take steps to overcome them. Various activities for the betterment and uplift of society are undertaken through the societies of the college.

GirlUp Ruhi, SSCBS, initiated impactful endeavors in 2023-24. A significant event was the Breast Cancer Awareness session led by Dr. Vandhana Rajgopal, engaging around 100 students. Discussions centered on symptoms, early detection, and treatment options, complemented by a live demonstration promoting inclusivity. Another noteworthy initiative was a CUET-UG Awareness Session at a local boys' school, attended by approximately 100 students. Detailed guidance on exam essentials and a dedicated doubt resolution session aimed to empower aspiring students. Additionally, GirlUp Ruhi hosted a compelling Women's Day Speaker Session featuring Ms. Ismini Panagopoulou and Ms. Poonam Agarwal. Their insights on workplace challenges and empowerment resonated with attendees. Beyond these, GirlUp Ruhi organized the Pride Palette Event celebrating Pride Month, fostering inclusivity. A Women's Day Board Activity encouraged attendees to share about their ideal women, promoting gratitude and gender equality. These initiatives underscore GirlUp Ruhi's dedication to empowerment, awareness, inclusivity, and gender equality, nurturing a supportive community at Shaheed Sukhdev College Business Studies.

Enactus, a student-run organization empowering communities through social entrepreneurship, impressed in various competitions (2023-24). They tackled B-plan challenges at StartupGala (SRCC) and Nirmaan (Sri Venkateswara) presenting projects like 'Kaagazi' (focus area not mentioned). Competitions like Pitch Perfect (FMS) and Prarambh (NSUT) demanded presentations highlighting the problem, solution, financial projections, and social impact of their ventures. Enactus also thrived in pitching existing projects. Events like IgniteX (XLRI) and C2P Social Entrepreneurship Summit (SRCC) tested their ability to explain project feasibility, scalability, and business models to a panel. They even championed 'Kaagazi' at Aavishkaran (BVP) and Envision (SGGSCC). Enactus' adaptability extended to sustainability-focused competitions. Eco Showdown (ARSD) and Race to Revival (LSR) required crafting sustainable business ideas within a tight timeframe, incorporating them into sales pitches with auctions. Enactus even developed a sustainability-focused marketing campaign for a project in Entrigue (CVS). These competitions undeniably showcase Enactus' diverse project portfolio and their remarkable talent in tailoring presentations to various competition formats.

Shaheed Sukhdev College of Business Studies (SSCBS) social services arm, Kartavya, along with the National Service Scheme (NSS) unit, works relentlessly to empower underprivileged communities (2023-24). Project Saksham focuses on financial independence for underprivileged youth of all ages by equipping them with knowledge about careers (all fields), essential skills, and government support programs. Project Furry cares for stray animals (dogs, cows, cats, rabbits) by providing food, shelter, and medical attention, serving hundreds of animals in need. They've also championed gender equality through Project Muskan, conducting workshops on Durga Puja safety, mental health, and menstrual hygiene. Kartavya's dedication extends beyond immediate needs. In 2023-24, they organized successful donation drives for clothes and food, directly impacting countless individuals. Recognizing the importance of practical education, Kartavya has partnered with various industries, benefiting students by bridging the gap between

academics and real-world careers. This impactful collaboration has exposed students to current industry trends and practical skills. Additionally, Kartavya has fostered international connections by establishing partnerships with esteemed foreign universities, promoting knowledge exchange and cultural enrichment. Eco Club SSCBS at Shaheed Sukhdev College Business Studies is dedicated to promoting sustainability through various initiatives such as tree plantation, waste management, and educational seminars. They collaborate with local organizations, organize clean-up drives, and encourage participation in environmental competitions, fostering an eco-conscious mindset among students.

In 2023-24, the club achieved significant milestones by conducting a cleanliness drive at the Ridge Reserve Forest in Collaboration with 'There is No Earth B', installing of Green Wall at the college campus with 70+ plants, and Japanese Park Cleanliness Drive, collecting 35 kilograms of waste.

Various other major events to be noted were, a visit to Bharte Kadam NGO during Diwali to raise awareness regarding, the cleanliness drive at Sanjay Van, clearing over 15 kilograms of waste, showcasing the impact of community engagement in environmental preservation, visit Amrit Udyan, offering rich learning experiences in biodiversity and conservation, reinforcing environmental awareness among members. Eco Club SSCBS also conducted an environmental session with the CEO of SustainEco on environmental preservation, featuring dynamic exchanges and discussions on influential environmental movements like the Chipko Aandolan.

These initiatives and events demonstrate Eco Club SSCBS's commitment to sustainability, community engagement, and environmental education, fostering a greener and cleaner future.

Firstly, in collaboration with CRY, CDF, SSCBS successfully conducted a Live Project addressing cybersecurity concerns among government school students. Through interactive workshops, they were able to educate over 500 students on cyber scams and preventive measures, fostering digital literacy and a sense of responsibility. Additionally, value-adding speaker sessions have been conducted, including the one featuring Mr. Vikash Dhar, an experienced entrepreneur and banker, who shared insights on entrepreneurship and bank insurance, inspiring attendees to explore new avenues in business and finance.

Furthermore, CDF and SSCBS set up a stall under Viti'23 offering a relaxing atmosphere with interactive games and homemade treats, fostering community connections and providing attendees with moments of respite and enjoyment. Moreover, CDF also has undertaken regular visits to local NGOs focused on the upliftment of the children through computer skills training and recreational activities, fostering joy and empowerment among participants.

Lastly, the ongoing Project Utsav aims to support the potter community by providing income opportunities through collaborations with campus facilities and local cafes, enabling them to sell their handmade products online and offline. These initiatives reflect CDF's commitment to community engagement, empowerment, and fostering meaningful connections both within and beyond the college campus.

Throughout the past year, the Rotaract Club actively served the community through a multitude of initiatives. In May 2023, they partnered with the Rotary Club of Faridabad Midtown to host a Blood Drive, collecting 12 vital blood units. This life-saving effort highlighted the community's commitment to supporting healthcare. July saw a multifaceted Community Service Programme in Rohini, where we addressed essential issues like dental hygiene, menstrual health, and water conservation. By distributing dental kits, facilitating pad donations, and promoting water-saving techniques, they fostered holistic well-being and raised awareness about these crucial matters.

Demonstrating the power of collective action, another Blood Donation Drive was held near Janyug Apartments, resulting in the collection of approximately 12 blood units. This event solidified the community spirit of Rotaract and the importance of voluntary blood donation in saving lives.

Environmental stewardship was a key focus as well. Project Greenovation, spearheaded by the Rotaract Club of GL Bajaj, aimed to combat pollution and promote a greener future. Through a three-day Plantation Donation Drive, the community united to plant saplings across households, fostering a culture of sustainability and collective responsibility for the planet.

Empowering individuals was another facet of the Rotaract Club's efforts. Project Aadmaraksha, organized by the Rotaract Club of Delhi Vibrance, offered a self-defense workshop at the Delhi School of Professional Studies and Research. This initiative equipped attendees with practical skills to enhance personal safety, fostering a sense of empowerment within the community.

The North East Cell of the college organized a movie screening on September 22, 2023, which continued to foster cross-cultural communication and constructive discourse on Northeast India. In response to the needs of our community, it conducted a Donation Drive for Manipur and Sikkim victims from December 7-9, 2023, demonstrating commitment to socioeconomic diversity and support. The Northeast Cell Fest held on April 30 - May 1, 2024, included various stall setups, further promoting the rich cultural heritage. These initiatives collectively create a supportive and inclusive atmosphere, encouraging mutual respect and appreciation of diverse backgrounds.

<p>We are delighted to announce that we have organized a comprehensive Web Development workshop spanning over 10 sessions with 50+ participants, a CSS Tailwind Designing Workshop with 30+ participants, a session on Learning Basic gen AI models with Hugging Face, Python, and Transformers, along with an enriching session on GitHub for 2nd and 3rd years.</p> <p>These workshops provided participants with in-depth knowledge and hands-on experience in web development, enabling them to create responsive and aesthetically pleasing websites using CSS Tailwind.</p> <p>The AI model session introduced participants to the basics of generative AI, teaching them how to implement models using Hugging Face, Python, and Transformers.</p> <p>The GitHub session was particularly beneficial for 2nd and 3rd-year students, helping them understand version control and collaborative coding.</p> <p>Overall, these sessions equipped participants with practical skills and insights, preparing them for future projects and enhancing their technical proficiency</p>	<p>We successfully organized two innovative events: Ideagem 1.0 on March 29th and Code Twist 2.0 on May 1st. Ideagem was an ideathon where participants presented solutions to any problem under a given theme, integrating the tech stack provided within three hours, testing their creativity and innovation. Code Twist comprised three rounds, starting with "Brand Intellect," a logo-guessing challenge.</p> <p>In Round 2, "Tech Teasers," participants faced tech-related questions requiring deep subject knowledge. The final round was a technical challenge designed to assess problem-solving capabilities with a unique twist.</p> <p>We received 430+ registrations for Ideagem 1.0 and Code Twist, with 80+ participants actively engaging in the competitions. Collaborating with esteemed brands such as iCreate, Devfolio, .xyz, Polygon, Replit, Coding Ninjas, and others ensured the events were well-supported and successful. These partnerships significantly enhanced the quality and impact of our events</p>

5. Other Initiatives

- Organized other competitions such as **Polyglot**- Language Shifter Challenge, **Design Dash** - Website Designing Competition and **ACM Insiders 1.0** - Coding Challenge.
- Organized an online competitive programming challenge Code **Mystique 1.0** with multiple rounds and online treasure hunt as the final round.

strategic management, motivating students to pursue innovation and excellence in their careers. This event was a significant opportunity for our students to learn from a seasoned executive and gain practical perspectives on succeeding in the IT industry.

- **Knowledge Sharing Sessions:** To nurture essential industry skills among our incoming student members, AROC is dedicated to conducting Knowledge Sharing Sessions (KSS). Throughout the academic year 2023-24, we facilitated three comprehensive KSS events, each delving into diverse subjects crucial for professional development. These sessions encompassed in-depth explorations of topics such as case problem analysis, Power BI, and Canva.

graced the occasion.

The Silver Jubilee batch (1999 batch) was spotlighted during the event, making the Alumni Meet special and memorable for them. **This batch reciprocated with the beautiful gesture of presenting 10 laptops for needy students**, furthering the culture of giving back to the institution.

The event also hosted **the graduation ceremony** for the class of 2023. A distinguished panel of alumni from our college conferred the degrees upon the graduates.

5. Other Initiatives

- This year, we successfully onboarded over 300 alumni onto **Almashines**, the official Alumni Engagement Portal of SSCBS. Our alumni network spans a wide range of fields including Investment Banking, Consulting, Analytics, and Venture Capital. Many of our alumni are excelling in prestigious companies such as JP Morgan, Goldman Sachs, McKinsey, and more.

	<ul style="list-style-type: none">• We organized our annual fest Prodigy on 18th and 19th of April, 2024. Hosting participants from various schools all across India which turned out to be a huge success. The Preliminary round was the online quiz round which was held on 12th of April, 2024. Approximately 110 schools registered and out of these 81 schools qualified for the first round, Simulation. Our simulation was based on a heist theme. There was an active participation from the students who were keen to learn new things. After the completion of first round 36 teams qualified for the next round, Mockstock. This round was based on the valuation and stock prices of various companies. Our last and final round, Case Competition began with the qualifying 6 teams. Our last round witnessed the presence of our esteemed judges, CA Parag Gupta and Mr. Anindya Longvah, who guided the students.• We in collaboration with Grandeur and Synergy organised a case competition, Case Chronicles. It was held on 1st of May

	2024 as a part of our annual college fest 'Crescendo'. It received participation from various colleges including IIMs, SRCC, etc. We witnessed an interactive session.

- The Local **NGO Visit** was a deeply enriching experience that allowed volunteers to connect with the community and make a meaningful impact on the lives of children. Stepping into the NGO, volunteers brought with them a sense of purpose and compassion, ready to uplift the spirits of the children and offer them valuable opportunities for growth and learning. Through engaging activities and hands-on sessions, such as teaching basic computer skills using programs like MS Paint, volunteers created a supportive and nurturing environment where children could explore their creativity and develop new skills.
- The Live Project with **CRY: Child Rights and You** was a concerted effort to address the growing concern about cybersecurity among students in government schools. Through a series of interactive workshops, we engaged with over 500 students across multiple schools, empowering them with essential knowledge and skills to navigate the digital landscape safely. The workshops covered topics such as identifying cyber threats, protecting personal information online, and responding to cyber incidents. The project not only fostered digital literacy but also instilled a sense of responsibility among students to safeguard themselves and their peers against online threats, contributing to the overall well-being of the community.
- In conjunction with our commitment to educational outreach, we envision organizing periodic speaker sessions featuring experts from various fields. These sessions would provide the students under your care with exposure to diverse career paths and valuable insights into different professions.
- **Project Utsav:** This is our ongoing project aimed at improving lives and eliminating the problems faced by the potter's community. We have already collaborated with the canteen, the Amul booth on campus, and nearby cafes. CDF SSCBS is looking forward to providing support to the potter community by providing them with income opportunities. We would engage with them, get beautiful and customized pots and cups, and then support them in selling them through online and offline channels.

<p>We are proud to claim that we have organized an awareness session on 27 February 2024 for the proper usage of the Electronic Voting Machine. Students of the college, most of whom are first time voters, were allowed to vote on a simulation machine. The machine was brought on campus by the District Election Officer, North West Delhi. A session was conducted and students were given a detailed demonstration on how to use the machine and how to make sure that the vote is transferred correctly. We learnt the importance of using the machine properly. Explanation was provided bilingually in Hindi and English to ensure clarity in understanding. There was also a doubt clearing session for proper communication. The event saw enthusiastic participation from the students and was a grand success. organized an online speaker session on “How to Prepare for Consulting Interviews”.</p>	<ul style="list-style-type: none"> • The ELC celebrated National Voter's Day on 25th January, 2024, within the college premises. National Voter's Day commemorates the foundation day of the Election Commission of India and is dedicated to promoting voter awareness and participation. The ELC conducted a range of activities and programs on this day to underscore the significance of voting and educate students about the electoral process which included: • Online Slogan Writing Competition: the ELC hosted Slogan Writing Competitions to encourage students to craft impactful and concise slogans that advocate for voter awareness and participation. This activity not only sparks creativity but also challenges participants to think critically about the significance of their role as voters in a democratic society

	<ul style="list-style-type: none"> ● Online Poster Making Competition: the ELC organized Poster Making Competitions where students can visually express their thoughts and ideas about democracy and civic engagement. These visually appealing posters convey important messages about voting, democracy, and civic responsibility, making complex concepts accessible and engaging.

5. Other Initiatives

- **Research project: Skyware** - Skyware and FMA India, SSCBS collaborated and our members were given the opportunity to work as Market Research Interns with them. During the internship, our team worked on the project titled "IoT and AI-based In-Flight Infotainment System." We collectively excelled in both primary and secondary market research. We skillfully conducted surveys and interviews, alongside thoroughly analyzing existing reports and databases. Our meticulous approach and keen analytical skills provided invaluable insights for the company's strategic decisions.
- **Valuation and Marketing:** Mr. Arpit Chundawat, the founder of Meteor Venture, and FMA India collaborated and the members of FMA India, SSCBS were provided with an internship opportunity with the Startup. Meteor Ventures ushers the entrepreneurial journey of people towards success with meticulously devised services by their highly resourceful team and conglomerate of selected industry experts and leaders. The internship consisted of four verticals – Business Valuation, Business Development, Marketing, Alliances. It was a 3-month LP whereby the members gained insights and experience into real world business work.
- **Research Project: KRG Consultants** - FMA India conducted comprehensive primary research on the Indian edible oil sector and specifically on Gujarat Ambuja Exports Limited to identify trends, challenges, and opportunities for potential investors. We also prepared an equity research report on the same encompassing financial performance, industry positioning, and growth prospects, providing valuable insights for potential investors.

- **FMA India**, SSCBS have announced the opening of their annual chapter establishment process for the academic year 2024-25 with several institutions and on our social media pages to become a part of our institutions in the near future. Our past collaborations with IIFT, Kakinada and CVS, which have led to the establishment of a new branch for the Chapter in those institutions, have proven to be highly beneficial and successful. These partnerships have facilitated networking opportunities for students and enabled them to connect with peers from other esteemed colleges. The latest chapter expansion being at Sri Guru Gobind Singh College of Commerce (SGGSCC), University of Delhi.
- FMA India in association with **FMA International**, Florida (headquarters) has published two research reports. The report has been published and shared among the FMA community comprising 175+ chapters across the USA, Australia, UAE, etc. The report has also been acknowledged by **Shanon Tompkins**, Global Director of FMA International.
- **EV Market Landscape in India:** The research report on India's electric vehicle (EV) market landscape provides a comprehensive overview, offering insights into various aspects of the industry. From government policies to sustainability initiatives, the report aims to provide valuable insights for readers. As India progresses towards a greener future, understanding the complexities of the EV market becomes increasingly important. Through this report, FMA India aims to offer insights to navigate the EV industry landscape and contribute to sustainable transportation efforts.
- **Impacts of AI in the stock market:** AI has revolutionized stock market analysis. It empowers real-time analysis of vast datasets, enabling predictive modelling and capturing market fluctuations. This enhances forecasting accuracy and streamlines investment processes through automation and improved decision-making. AI fosters the development of new financial tools, increasing efficiency and potentially leading to higher Compound Annual Growth Rates (CAGR). However, for complete reliability and to prevent exploitation, AI in finance requires further development. A report by FMA India explores advancements in AI, challenges faced by the entry of AI in stock market, solutions and future of AI, a case study and the new approach of AI in this evolving sector.
- **Organized a full-fledged case competition in collaboration with CVS FMA India** In collaboration with CVS, organized a B-plan competition on March 21, 2024, featuring judges **CA Rishabh Jain, Chahal Verma & Harshit Bansal**. The event attracted enthusiastic participation and showcased innovative business ideas. Winners received prizes and recognition, echoing the success of previous events and leaving a lasting impact on participants.
- **Finstrat Fusion Competition**
This competition was conducted especially for first-year students of SSCBS in August, 2023. Participants were tasked with a final case wherein they were required to strategically allocate funds and make investments aimed at maximizing their overall profit. Mode of conducting and submission was online.
- **Financial literacy**
The primary objective of our initiative is to foster financial literacy among students. In pursuit of this goal, our team launched an innovative project called Friday Finance (Blog

Series), with the aim of disseminating financial knowledge throughout the entire community. Through engaging posts on a wide range of complex and trending finance-related topics, we strive to make financial concepts accessible to all. To date, the society has produced 18 insightful articles covering various theories, presented through interactive posts and visually appealing graphics. These topics include, but are not limited to, Green Bonds, the Impact of the Israel-Palestine conflict on the Global Economy, Catastrophe Bonds, Digital Currency (E-Rupee), Sovereign Gold, Stages of the Stock Market, and Hedging strategies. Through this initiative, we are empowering individuals with the tools and knowledge needed to navigate the complexities of the financial world effectively. The number of initiatives launched for the promotion of financial literacy by FMA India has impacted 60,000+ students through Friday Finance and informative LinkedIn posts.

- **Peer learning**

To inculcate the culture of peer-to-peer learning and equip all the members of FMA India with industry-needed skills, the society has organized various Knowledge Sharing Sessions covering topics including but not limited to MS Excel, Portfolio Optimization and Risk Management, LinkedIn, and CV Building, Financial Crisis, Internships reach outs and communication skills etc. This initiative has contributed to 50+ achievements in various national & international competitions.

<p>Professional Workshop in Collaboration with TSC</p> <p>A transformative workshop was facilitated by the society in collaboration with the professional theatre group Third Space Collective. This intensive 8-week programme was meticulously structured to encompass four fundamental aspects of theatre: writing, directing, acting, and production. Each was dedicated to honing skills in one of these areas, ensuring a comprehensive development for all participants. Deep engagement in theoretical learning and practical exercises was undertaken by members under the guidance of experienced professionals from Third Space Collectively. Technical proficiency was cultivated by the workshop, and creative exploration and a collaborative spirit were fostered among our members. By the end of the program, two compelling theatre pieces had been collectively produced by the participants, showcasing their newfound abilities and teamwork. Individual growth was enhanced by this initiative, and our society's commitment to nurturing diverse talents within the realm of performing arts was strengthened.</p> <p>Introductory Workshop</p> <p>Incoming first-year students were introduced to the vibrant world of theatre through engaging introductory workshops facilitated by our society. were designed to familiarize newcomers with various aspects of theatrical expression, including acting techniques, improvisation games, and the collaborative dynamics essential to stagecraft.

Workshops providing a supportive environment for participants to explore their creative potential and develop foundational skills in theatre were led by members of our society. Through immersion in interactive exercises and group activities, practical insights were gained by students, and a sense of camaraderie and community within the society was cultivated.

The introductory workshops were facilitated in a way that exemplified the society's commitment to nurturing a passion for the performing arts from the outset of students' college journeys. This approach set the stage for ongoing involvement and personal growth throughout their time at the college.

Orientation Theatre Workshop

A month-long workshop led by experienced members of our society was organised to nurture new talents. The workshop provided valuable training and exposure to the world of theatre.

The workshop included two levels.

- An intermediate level on physical theatre was offered to first-year students, focusing on expression through body movements and culminating in nine self-devised short story performances.
- Beginner-level sessions on theatre fundamentals, including acting techniques, stagecraft, and collaboration were also provided.

Activities were undertaken by participants to enhance their physical expressiveness, creativity, and understanding of theatre as a collaborative art form. To build the strong bonds within the society, the workshop

Reprise: Annual Closing Fest 2024

The Annual Closing Fest, celebrating the culmination of theatre productions for the year, was held at the AkashGanga Auditorium on April 24, 2024. During this event, the final presentations and screenings of the year's plays were showcased. The event ensured that the exploration, creativity, and collective vision poured into creating the plays were duly honored. Esteemed alums of Fourth Wall graced the occasion, adding significance by honoring the past of the society and inspiring current members to continue pushing boundaries.

The three productions for the year 2023-24 were:

1. Dance like a Man: Delves into the obsession and deceit within a distinguished family of classical dancers.
2. Chidiyon Ka Pinjra: Explores the yearning for freedom amidst betrayal and survival.
3. Saari Raat: Questions what happens when the line separating everything from everything else blurs.

The culmination of months of hard work, rehearsals, and artistic collaboration was represented by these productions, leaving an unforgettable mark on the theatrical landscape. A final opportunity to experience their magic was offered by the closing fest. More than a farewell, the annual closing fest served as a celebration of storytelling, collaboration, and the transformative impact of theatre. As the AkashGanga Auditorium was gathered in by us to bid farewell to another year of theatrical excellence, memories created, lessons learned, and bonds forged on and off the stage were cherished.

position as one of the largest theatre festivals in the region. Held on March 20th and 21st, the preliminary event showcased performances by 20 teams from the DU Circuit. The presence of distinguished theatre personalities Vivek Tyagi and Karan Khanna added prestige to the occasion, setting the stage for remarkable performances that ran from 9 am to 5 pm each day.

The success of Raasa 2024 was bolstered by the support of sponsors including Orro Beauty, Edorna Perfumes, and Shades of Jewels, exemplifying the positive collaboration between the arts and corporate sectors. Coinciding with Crescendo'24, the Annual Cultural Fest of the college, the final event was held on April 30, 2024, at the AkashGanga Auditorium from 9 am to 6 pm. Six teams, selected from the initial pool of 53 entries, were given the opportunity to showcase their talents on this prestigious platform. High standards for hospitality and appreciation of theatre excellence were established by Raasa 2024, solidifying its status as the benchmark event within the DU Theatre Circuit. The festival served as a celebration of theatre and fostered a sense of community and mutual respect among participants and spectators alike.

5. Other Initiatives

- **PROJECT MUSKAAN**

Kartavya, under its initiative Project Muskaan, aims to educate society about the need to take every step to break the stereotypes and work towards building a world where everyone is equal. It aims to develop a society devoid of stereotypes, miseries and old shackles of community, and develop a spirit of pluralism and brotherhood. It aims to raise individuals from senses to consciousness.

- **DURGA SAFETY WORKSHOP** - It was a power-packed workshop with Durga India covering all the aspects of self-defense, power dynamics and legal aspects. It taught the women of our college the art of overcoming their fear and protecting themselves against anything unacceptable in terms of social conduct.
- **HEARING THE UNHEARD** - It was a series which presented the stories of women who broke all stereotypes, killing the old notion around "gender equality" and inspiring the youth.

- **SPEAKER SESSION** - A session on mental and menstrual health of women was organised in which the speaker was Niharika Sharma, an International Development Professional working with communities and young adults on solutions regarding mental and menstrual health.
- **PRIDE MONTH** - A pride parade and movie screening were organised to celebrate pride month and promote social inclusivity, gender equality and queer rights.

- **PROJECT CHETNA**

During the COVID-19 pandemic, it was seen that the mental health of people was deteriorating very much. And to address this grave situation, Kartavya launched Project Chetna, an initiative to discuss mental health issues and help people cope with them. Following were the parts of Project Chetna: -

- **WE STAND AGAINST TROLLING** - was started, in which social media influencers and enthusiasts shared their personal experiences on how they deal with derogatory comments and trolls. Influencers such as Aviral Gupta (model who featured in 3rd season of Love School- a reality show), Nishant Parmar (a social media influencer and content creator) and Ayushee Ghoshal (an entertainer and a social media influencer) were a part of this series.
- **IT'S OK TO TALK** - It was an anonymous platform that was created under Project Chetna where mental health concerns, thoughts, questions, issues, and confessions were addressed. We were delighted to have speakers like Charvi Jain (psychologist, psychotherapist and entrepreneur) and Niharika Srivastava (Counselling Psychologist with 3+ years of experience).
- **YOU ARE NOT ALONE** - It is seen that people having mental health issues often feel that they are alone, and nobody would understand their situation. However, that is not the truth, and so Kartavya came up with a series called "You Are Not Alone", wherein we shared success stories against mental illness of famous celebrities. We covered stories of Deepika Padukone, Varun Dhawan, Lady Gaga and many others.
- **WEBINARS** - Various webinars were also conducted under Project Chetna, where psychologists addressed topics related to mental health and brought awareness among students. We were delighted to have renowned personalities like Dakshiani Bhan (mental health professional), Anuradha Seth (director of Good Mental Health RCI), Himani Kulkarni (Founder of Chaubara: A mental health India) and Niharika Srivastava (International Development Professional) on board for the speaker sessions.

- **PROJECT FURRY**

Last year during Vivante'23, Kartavya launched its new project, i.e., Project Furry to promote animal welfare. The purpose of this initiative is to provide comfort, shelter, food and nutrition to stray and unadopted animals. Till now, the following activities have taken place under the project: -

- **ANIMAL SHELTER VISIT** - For the launch of our new project, we went to Friendicoes NGO, Barakhamba Road to spend some time with our little four-limbed friends.
- **PUBLIC AWARENESS POSTS** - Through Kartavya's social media handles, we try to spread awareness about Do's and Don'ts related to animals, educating people about how to take care of and help animals.

● **PROJECT SAKSHAM**

This year during Vivante'23, Kartavya launched another new project, i.e., Project Saksham. The project aims to promote awareness about education, careers, skills, and government sponsorships and policies, among others through providing support to individuals of all ages, from children to young adults and beyond to unlock their potential for a brighter future.

A speaker session was conducted by Ms. Riya Ahuja, Co-founder at FinOak, where she provided valuable guidance about startups, internships and placements to our college students. She shared personal triumphs, accompanied by practical steps and real-world scenarios, providing the audience with inspiration to achieve their aspirations.

● **PROJECT SAMMAAN**

Under Project Sammaan, we recently conducted a food donation drive in the college from 27th February to 3rd March, 2023 in order to collect food for the elderly residents of Davo - an old age home. The purpose of the drive was to raise awareness about the needs of the elderly and encourage students to give back to their community. We were able to collect more than 230 KGs of food items that helped improve the lives of the elderly residents of the old age home.

● **PROJECT KILKARI**

Under Project Kilkari, we collaborated with Scope for Change, a non-profit NGO that works for social causes such as women empowerment, health, environment and education. Under the collaboration, every Saturday 4-5 members of our society visit the NGO and take classes of NGO children. Till now, we have done 17 visits and have covered various topics such as basic grammar, basic mathematics, basic finance, leadership and teamwork skills, MS Excel, MS PowerPoint, Canva, creative art, etc.

<p>We are proud to claim that we have organized a variety of engaging activities, starting with a "Doodle Board" event that sparked creativity among participants. This was followed by Rangoli and Face Painting sessions at VITI, where traditional art forms were celebrated. A notable collaboration with GirUp Ruhi led to the creation of a special board for Women's Day, honoring the achievements of women. The festivities continued with decoration assistance for Bollywood Day, adding a vibrant and festive atmosphere to the celebration. Additionally, beautiful Rangoli designs were crafted for Convergence and AROC, highlighting the cultural and artistic heritage. These activities not only promoted creativity and collaboration but also fostered a sense of community and cultural appreciation.</p>	<p>We organized our "Alla Prima" on 30th April – 1st May, was a vibrant art fest that captivated participants and attendees alike. The event featured the "Kaleidoscope" painting exhibition, displaying a wide range of artistic talents and styles. Several engaging competitions were held, including "Metamorphosis of Crafting," an offline event that challenged participants to create unique crafts, and "Mythosmashup", an online character redesign competition. The fest also included "Brushstrokes of Change", an offline poster-making competition focused on social and environmental themes, and "Shades of Grey", an offline charcoal painting contest showcasing the medium's beauty and complexity. With total prizes worth 20K and discount coupons from sponsors, "Alla Prima" provided a rewarding experience for all. The fest successfully celebrated creativity, innovation, and the transformative power of art, leaving a lasting impression on the community.</p>

- **Knowledge Sharing Sessions:** Nucleus, proudly being the only Analytics Society of the college, takes up KSS on various industry-standard applications encompassing MS Excel, Python, Power BI, Tableau, and Alteryx among multiple others. These KSS are unique in the college, given the fact that they are based on in-demand and industry-accepted Analytics Tools. Alteryx is one such unique software that was learned by members of Nucleus as a part of the society (considering its gaining recognition in the corporate world), compared to many other societies of the college.
- **Intra Soc Competitions:** After successfully learning new software, the students are provided with a practical competition prepared by their peers to help them reinforce their technical skills and strengthen the application of important concepts involved in a particular software. This initiative by the society is also something that sets it apart from most of the societies in the college.
- **Live Projects:** The society also shares an excellent long-standing relationship with the corporate sector and has collaborated with firms to take up live projects, conducted speaker sessions both within the private and public sector domains. In the past, we have worked with firms like Delhi International Airport, Coal India Ltd, EY, SBI, EXL, etc. This year, we had newer partnerships with firms such as:
 - **Inspirito:** Team Nucleus performed an EIC on more than 75 countries for India Procure preparing them to enter the global market, by locating the threats and opportunities.
 - **Chatman (Brance):** Played a pivotal role in elevating their product, contribute expertise interesting, analysis, comprehensive solutions.
 - **Havish M Consulting:** Engagement in 7 different projects covering vast solutions. Identified problems existing in multiple domains and curating analytical solutions for the same.

These projects have significantly helped the students in gaining a practical experience of how Data Analytics is used in corporations and provided them a first-hand experience by Strengthening the knowledge of the Analytics Tools they have been provided with.

<p>On February 9th, 2024, our society hosted "Palentine", a festive event at our college celebrating love and friendship. The event featured three engaging activities aimed at fostering connections and spreading joy. At the "Secret Admirer" station, attendees anonymously sent over 100 heartfelt messages to their loved ones, later distributed on hard paper by our team. Our stall offered interactive games, including the "Pulse Pair Challenge", testing participants' knowledge of each other, alongside a message board for attendees to share sentiments. The highlight was the lively "Pulse Pair Challenge", a dynamic dance competition where participants showcased their agility and teamwork. The three main activities—Secret Admirer, stall activities, and Pulse Pair Challenge—ensured there was something for everyone to enjoy. "Palentine" was a resounding success, with enthusiastic participation and genuine connections formed among attendees. We set up stalls with interactive games and enticing prizes, creating a lively and inclusive atmosphere. Additionally, we featured a Queer Wall of Expression, displaying significant events, news, and happenings related to the LGBTQIA+ community from 2000 to the present, both locally and globally. This wall highlighted the community's significance and attracted many visitors who took pictures with it. On the first day of the fest, we also organized Equivarse 1.0, a case competition that drew participants from various DU colleges, adding an intellectually stimulating component to our celebrations.</p>

Over 200 people actively participated in the event, which radiated fervor and excitement. The event was successfully handled by the committed Rotaract volunteers, who also saw to its effective implementation. The chance to experience simulated period cramps was given to the participants, and for the majority of them, it was very unpleasant and terrible. They were able to relate to the difficulties women undergo during menstruation because to this first-hand experience. The occasion acted as a moving homage to women, honoring their fortitude and resiliency in facing monthly discomfort. The purpose of "Dard-e-disco" was to dispel taboos and bring attention to period discomfort. The gathering promoted a more tolerant and understanding community by providing a secure environment for candid discussion.</p>

5. **Other Initiatives**

- **Dog Collar Activity:** This initiative focused on enhancing the safety of street dogs, who are often invisible to drivers after dark, leading to frequent and tragic accidents. Volunteers were trained to gently and effectively place the reflective collars on the dogs, while giving them treats, ensuring their comfort and safety.
- **Project Bachpan:** Rotaract SSCBS collaborated with Hamaraa Mission Dignity which is an NGO that focuses on providing basic education and healthcare services to underprivileged children. Under this collab we wanted to educate children about Republic Day in a fun way. Various activities were conducted like flag drawing, quizzes on Republic Day, flag distribution and singing and dancing with talented kids.
- **Trans Shelter Visit:** This project aimed at spending time with Transgender people at Mitr Trust in Dabri, New Delhi. many of whom are orphans. Our team went to meet

them. We played games like antakshari. The day went great with long discussions regarding their childhood life. Many of them to our surprise were running businesses.

- **Children's shelter visit:** This initiative focused on promoting creative learning during our visit to an NGO. (Don Bosco Ashalayam, Dwarka). The donated books and materials were distributed among the children to support their educational needs. A drawing competition was organized where children could express themselves, an origami session was held where children created beautiful paper wonders, we cut a cake and gave gifts to the children.
- **Food Donation Drive:** Rotaract District organized a food donation drive on 25th January, 2024. Members of Rotaract, SSCBS went to the site and took part in the drive, distributing food packets including biscuits and flour to the homeless.
- **Cloth Donation Drive:** A mega clothing drive was organized where members distributed donated clothes to people living in the Peeragarhi Slums.
- **Vikas - Shubhakshika NGO visit:** Project VIKAS concentrated on the children's creativity in addition to their basic education and literacy. Along with teaching them to write their names in English, we also taught them how to do it in a gorgeous, creative way that encompasses a range of colors and styles. We also provided them with the necessary stationery to encourage their creativity and inspired them to broaden their horizons by allowing them to sketch whatever they want. We also requested that they attempt to create the Rotaract SSCBS logo. They also asked to be allowed to dance to whatever music they wanted. We saw some fantastic, energetic performances. We gave out rewards for every outstanding achievement, along with some toffees.
- **Jagruiti:** The SSCBS Rotaract Club organised a very educational and influential menstruation workshop for underprivileged women in a local slum as part of Project Jagruiti. The session dispelled myths and promoted candid conversation to eradicate the taboo and shame around menstruation. Free menstruation products were distributed to attendees as part of the session's pad distribution component. Additional keynote addresses focused on promoting understanding of the menstrual cycle, hygiene management, and possible health hazards linked to inappropriate menstrual habits.
- **Pavitra:** The Rotaract Club of SSCBS organized a community service programme focused on distributing dental kits, sanitary pad donations, and promoting water conservation. The event was held at a Rohini, where a committed group of volunteers engaged with attendees, spread knowledge about dental care, and gave approximately forty individuals vital dental kits. More than 15 individuals received dental kits as part of this programme, which included mouthwash, toothpaste, toothbrushes, and dental floss. Sanitary pads were also given to those in need, demonstrating their wise recognition of the need of menstruation hygiene.
- **Ahaan:** Project Ahaan was organised by the SSCBS Rotaract Club to promote environmental awareness and serve as a symbol of such concerns. It also highlighted harmoniously collaborating and imparting knowledge on responsible coexistence by initiating a tree plantation drive. They made a deliberate decision to begin at home, where they cleaned their surroundings and their dwellings. Like the Chipko Movement, the human-environment symbiotic link was the real highlight of the day at this event.

- **Pratirakshan:** The Rotaract Club of SSCBS formed a dedicated team to conduct a workshop in the Madrasi slum of Pitampura, Delhi, aimed at raising awareness about the dangers of stagnant water, particularly with the upcoming rainy season.
- **Kriti:** Project Kriti celebrated and supported Indian handloom and weavers under the themes of community service and economic development. The initiative encouraged people to wear traditional clothing made by local weavers, ensuring fair prices and increased demand for their products. The project honored the artisans' craftsmanship and heritage, creating a sense of recognition and appreciation, while also promoting eco-friendly handloom products, contributing to environmental conservation.
- **Vardi:** Project Vardi was an initiative to honor the "harbingers of peace" in our community-dedicated law enforcement officials. We aimed to recognize their unwavering commitment to public safety and to enhance the community's understanding of their vital role. The initiative focused on bridging the gap between the police and the public by fostering dialogue and mutual respect.
- **Plantation Drive:** The plantation drive was a refreshing and environmentally conscious activity aimed at enhancing the local green cover. The participants spread out to plant various native trees and shrubs. By raising awareness and encouraging sustainable practices, the drive contributed to a healthier, more resilient environment for future generations.

- **P Knowledge Sharing Sessions:** Synergy regularly conducts Knowledge Sharing Sessions to ease the college life of first-year students. Topics include the Capital Asset Pricing Model (CAPM), valuation, cost of capital, and CV building. The CAPM session focused on calculating the estimated return of assets using Beta, Risk-Free Return, Return on Market, and Estimated Risk Premium. The valuation session covered Discounted Cash Flow (DCF) and other basic finance topics like the time value of money and cost of equity. The cost of capital session centered on the Weighted Average Cost of Capital (WACC). Additionally, sessions on resume building, internship reach-outs, and case strategy were provided, equipping students with essential skills for future opportunities.
- **Ongoing Projects FY 23-24:** Synergy played a pivotal role in several ongoing projects. For Medulance, a health-tech startup, Synergy developed a Go-To-Market strategy for a CPR education initiative, curated a comprehensive dataset for network expansion,

and created a captivating pitch deck that garnered acclaim and facilitated impactful collaborations with leading corporates. They also assisted an MSME Strategy Consultant by developing an innovative and compelling pitch deck and seamlessly coordinating project activities, which helped a sustainable startup secure vital funding and reinforce its reputation for excellence and efficiency.

- **Projects Completed:** Synergy collaborated with MagicBillion, an international talent mobility company, to devise a comprehensive Go-To-Market strategy targeting university and college students across India. MagicBillion, which has successfully placed over 3,500 candidates abroad and maintains a 100% visa success rate, benefited from Synergy's groundwork for a nationwide outreach program. This initiative aimed to tap into the vast cohort of promising undergraduates and postgraduates across the country, helping MagicBillion bridge the gap between global employers and Indian youth.
