

ELC SSCBS - REPORT

ELECTRONIC VOTING MACHINE USAGE AWARENESS:

The Electoral Literacy Club of SSCBS organized an awareness session on 27 February 2024 for the proper usage of the Electronic Voting Machine.

Students of the college, most of whom are first time voters, were allowed to vote on a simulation machine. The machine was brought on campus by the District Election Officer, North West Delhi.

A session was conducted and students were given a detailed demonstration on how to use the machine and how to make sure that the vote is transferred correctly. We learnt the importance of using the machine properly.

Explanation was provided bilingually in Hindi and English to ensure clarity in understanding. There was also a doubt clearing session for proper communication.

The event saw enthusiastic participation from the students and was a grand success.
