818: Cultural event of NEC SSCBS

Over 45+ members organized the NE Cell cultural event (818) during the college annual fest (Crescendo). The event, which featured diverse food stalls and captivating cultural performances, drew an impressive footfall of over 1,000+ attendees. Through strategic planning and effective team coordination, we successfully generated substantial revenue that significantly contributed to the success of the fest.

Donation Drive for the victims of Sikkim and Manipur,

From December 7-9th, 2023, we organized a highly successful donation drive in collaboration with three NGOs, achieving significant donor participation. The drive focused on collecting essential items, including stationery, blankets, sanitary pads, and first aid supplies. A total of 6 boxes were dispatched: 4 to Manipur, with 2 boxes each supporting 2 NGOs, and 2 boxes to Sikkim. This initiative not only demonstrated our ability to coordinate large-scale philanthropic efforts but also highlighted our commitment to social responsibility and community support. The drive's success is a testament to our strong organizational skills, effective teamwork, and dedication to making a positive impact.

Movie Screening

We organized two movie screenings where we premiered two short movies. Through this, we aimed to promote Northeast Cinema and to encourage cultural exchange of ideas and spark positive dialogue about Northeast India amongst the audience's own circles. we feature a film called 'Pahuna:The Little Visitors', a Sikkimese movie directed by Paakhi A. tyrewala and produced by Priyanka Chopra on 22nd September, 2023 with an objective to foster cross-cultural communication, and ignite constructive discourse on Northeast India within the audience's own social circles.
