- **Date:** 28th November 2024
- **Venue:** Shaheed Sukhdev College of Business Studies, University of Delhi
- **Topic:** *Is EVM Justifiable?*

---

### Overview of the Event

The Electoral Literacy Club (ELC) of Shaheed Sukhdev College of Business Studies (SSCBS), University of Delhi, successfully hosted an intellectually stimulating **Debating Competition** on the highly relevant topic “*Is EVM Justifiable?*” on **28th November 2024**.

The event brought together a diverse group of students who displayed exceptional **research**, **logical reasoning**, and **oratory skills**. Participants debated both in favour of and against the use of **Electronic Voting Machines (EVMs)**, providing a balanced and comprehensive examination of one of the most debated aspects of India’s electoral process.

This competition served as an effective platform to **foster electoral awareness**, **enhance critical thinking**, and **encourage civic engagement** among the student community.

---

### Importance of the Electoral Literacy Club (ELC)

The Electoral Literacy Club at SSCBS plays a vital role in promoting a culture of **informed and responsible citizenship**. Its key contributions include:

1. **Promoting Electoral Awareness:**

The ELC aims to familiarise students with the significance of their participation in democratic processes and the functioning of the electoral system in India.

2. **Encouraging Informed Citizenship:**  
By educating students about electoral laws, reforms, and procedures, the club enables them to become informed and vigilant citizens.
  3. **Enhancing Analytical Skills:**  
Activities such as debates, discussions, and quizzes organised by the ELC encourage students to think critically about issues of national importance.
  4. **Building Leadership and Engagement:**  
The club nurtures leadership by involving students in the planning and execution of voter awareness campaigns, workshops, and interactive sessions.
- 

## Debate Highlights

- The debate was conducted in a **formal setting**, supported by a **professional multimedia presentation** to aid the audience's understanding.
  - Participants debated key issues related to the topic, presenting well-researched arguments on themes such as:
    - **Security and reliability** of EVMs in the Indian context.
    - **Transparency and public trust** in the electoral process.
    - The **advantages of technological advancement** versus **traditional paper ballot systems**.
    - **Comparative global perspectives** on electronic voting technologies.
  - The session was notably **interactive**, with the audience actively engaging through thought-provoking questions and observations, making it a dynamic and insightful learning experience.
- 

## Conclusion

The Debating Competition was not just a showcase of public speaking talent but also a **valuable educational experience** that deepened students' understanding of **democratic processes** and the **role of technology in elections**.

The debate highlighted the **complexities and implications** of using EVMs in a democracy as vast and diverse as India. By exploring both sides of the argument, students were able to appreciate the importance of **public trust, transparency, and technological evolution** in sustaining electoral integrity.

Through such initiatives, the **Electoral Literacy Club at SSCBS** continues to fulfil its mission of building a community of **informed, engaged, and responsible young voters**, thereby strengthening the foundations of Indian democracy.
