HEALTH CHECK-UP CAMP

Event Report: Health Checkup Camp

Organized by: NSS SSCBS

In Collaboration with: House of Clove

Date: 11th and 12th February 2025

Time: 9:00 AM to 5:00 PM

Venue: Seminar Hall, 5th Floor, SSCBS Campus

On 11th and 12th February 2025, NSS SSCBS, in collaboration with House of Clove, organized a comprehensive Health Checkup Camp aimed at promoting physical well-being and preventive healthcare awareness within the college community. The two-day initiative provided an accessible platform for students, faculty, and staff to receive professional medical consultations and diagnostics, free of cost.

The camp offered a wide range of health services including dental, eye, hair, and skin checkups, as well as critical lab tests such as Blood Pressure (BP), Random Blood Sugar (RBS), Bone Mineral Density (BMD)/Pulmonary Function Test (PFT), Electrocardiogram (ECG), and Complete Blood Count (CBC)/Cholesterol levels. Participants also benefitted from one-on-one consultations with general physicians and received personalized diet recommendations.

The event saw enthusiastic participation across both days, reflecting a growing awareness of preventive health practices. NSS volunteers played a crucial role in managing registrations, guiding attendees through different checkup stations, and coordinating with healthcare professionals to ensure a smooth and efficient flow.

The Health Checkup Camp underscored NSS SSCBS's commitment to fostering holistic well-being and social responsibility. Through this initiative, NSS SSCBS successfully reinforced the importance of regular health monitoring, early diagnosis, and lifestyle awareness in creating a healthier community.
