Donation Drive with Pehchaan

Mode: Offline

Date: 20 October, 2024

Number of Participants: 60-80

Pehchaan The Street School focuses on providing Pehchaan – an identity to underprivileged children by providing them with education. Educating underprivileged children and availing them with resources enough to become economically independent.

Enactus SSCBS recently organized a Books and Stationery Collection Drive on campus, donating the collected items in collaboration with Pehchaan during their event "Pehchaan ki Diwali" near Venus Public School, Mukherjee Nagar. This vibrant event brought together numerous slum children, featuring competitions in dancing, drawing, and painting to celebrate the spirit of Diwali.

Young volunteers played a crucial role, teaching the children dance and painting, and sharing moral values. The atmosphere was filled with festive energy as gifts like notebooks, stationery, bags, and food were distributed as Diwali presents. Everyone engaged wholeheartedly with the children, making the day memorable and joyful.
