Initiative: Stationery Collection Drive

Mode: Offline

Date: 18 October 2024

Location: SSCBS College Campus

Number of Participants: 150 - 200

Enactus SSCBS successfully organized a collection drive aimed at gathering stationery and books from college students to support children in marginalized communities.

To boost engagement, the drive included interactive games such as bottle flip, guess the movie, fly over et cetera, creating a vibrant and supportive atmosphere that encouraged more students to get involved. Additionally, a Wall of Wishes board allowed college students to write heartfelt messages for the kids, adding a personal touch that resonated with donors and fostered a stronger connection to the cause.

This thoughtful drive not only led to significant donations but also inspired a sense of community and shared goodwill, making it a memorable Diwali experience for everyone involved.
