ANNUAL REPORT 2024-25

Contents

About Shaheed Sukhdev Thapar

Freedom Fighter (15ᵗʰ May 1907 - 23ʳᵈ March 1931)

Shaheed Sukhdev Thapar was a prominent Indian revolutionary who dedicated his life to the struggle against British colonial rule. Born in Ludhiana, Punjab, he grew up witnessing the injustices and oppression of the British Raj, which deeply influenced his resolve to fight for India's independence. A close associate of Bhagat Singh and Shivaram Rajguru, Sukhdev co-founded the *Naujawan Bharat Sabha* to inspire and mobilize the youth toward the freedom movement.

As a senior member of the *Hindustan Socialist Republican Association (HSRA)*, he played a key role in organizing revolutionary activities across Punjab. He is best remembered for his involvement in the *Lahore Conspiracy Case* of 1928, linked to the assassination of British officer J.P. Saunders in retaliation for the death of Lala Lajpat Rai. Following the *Central Assembly Hall bombings* in Delhi on 8 April 1929, Sukhdev was arrested along with Bhagat Singh and Rajguru.

After a high-profile trial, the three were sentenced to death and executed on 23 March 1931 in Lahore Central Jail. Sukhdev was only 23 years old. His sacrifice, along with his comrades, is commemorated annually on **Shaheedi Diwas** (23 March), honoring their courage, patriotism, and enduring legacy in India's freedom struggle.

Vision, Mission and Objectives

VISION

To create a center of excellence for learning, dedicated to meet the aspirations of society.

MISSION

To explore new frontiers of knowledge so as to nurture value driven, socially.

OBJECTIVES

To provide a learning and teaching environment for preparing responsive and ethical managers, technocrats, entrepreneurs, and researchers.

To develop and enhance the decision-making skills and administrative competence of our students and teachers through innovative and cutting-edge education and research.

To establish linkages between industry and academia for fostering leadership in quality education, research, and consultancy.
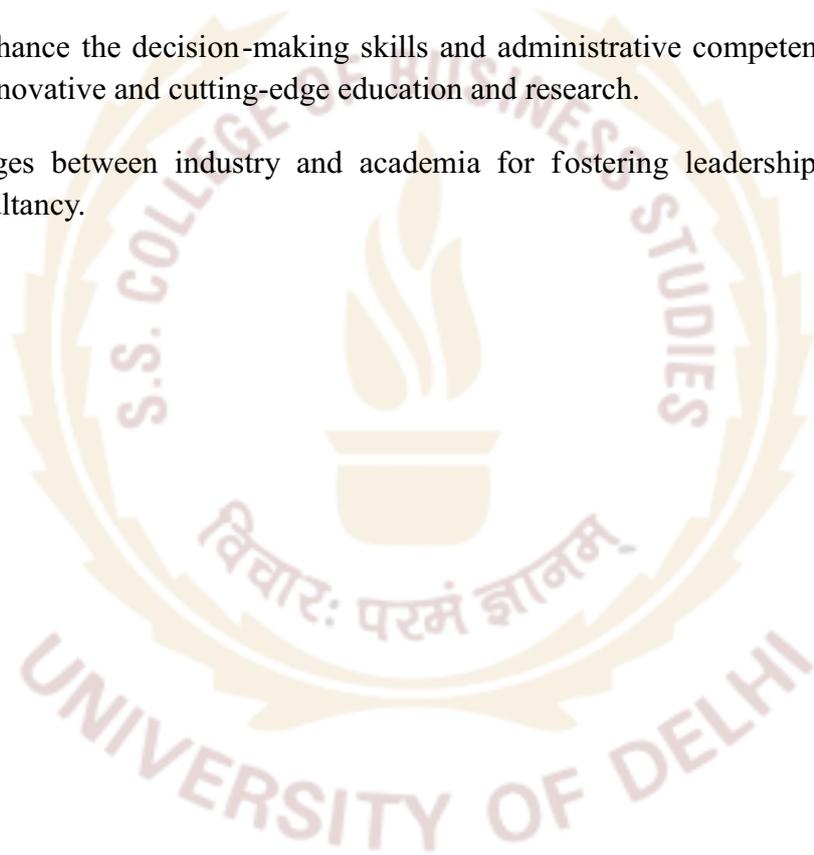

About the College

Shaheed Sukhdev College of Business Studies (SSCBS) is one of the premier institutions of the University of Delhi, imparting path-breaking education in the fields of Management and Information Technology. It was established in August 1987 by the Government of the National Capital Territory of Delhi (GNCTD) on the initiation of University Grants Commission (UGC) and the Ministry of Human Resources and Development, Government of India (MHRD).

At present, the college offers three full-time graduate programs under its three departments - Departments of Management Studies (DMS) and Department of Computer Science (DCS) leading to the award of Bachelor of Management Studies, Bachelor of Business Administration (Financial Investment Analysis) and B.Sc. (H) Computer Science.

The college also offers a post graduate diploma course in Cyber Security and Law. The college emphasizes an interactive mode of education, supported with innovative teaching methodologies. It is designed to stimulate inquiring minds and provide significant exposure to the realities of business processes and challenges. Industry interaction is achieved through guest lectures, industrial tours, industry-based project work, live projects, internships and summer training. The strength of the college lies in its highly qualified faculty having industrial experience, dynamic students, supportive non-teaching staff, illustrious alumni and a supportive and encouraging governing body.

The college supports about 47 student societies working in diverse areas including strengthening students' skills in various domains (such as marketing, finance, technology and entrepreneurship), social outreach, mental and emotional health, environment etc.

The high standards of excellence give SSCBS the phenomenal and undeniable edge we are recognized for. These standards are endlessly pushed beyond the horizon. At SSCBS, we are never content. The inverse correlation between our satisfaction and our progress is an acknowledged and appointed theory at SSCBS. This is the SSCBS difference.

What sets SSCBS apart from other colleges is our recognition that every student is different. We strive to identify and maintain that _difference'. We constantly endeavor to create opportunities for skill development in different areas of interest, and to cater to the diverse needs of the students. The fact that SSCBS doesn't believe in a one-size-fits-all policy is evident in its placement process, where companies from as many as fifteen sectors, including consulting, insurance, knowledge services, real estate, media, investment banking, PR, IT, shipping, and financial services recruited students.

The curriculum and the college atmosphere promote inquisition, innovation, leadership and team- spirit. Apart from possessing a clear understanding of the fundamentals of management as well as a considerable degree of corporate exposure, our students are resourceful, versatile and enthusiastic. It is this marked difference that has helped the college set new benchmarks with every placement season.

MESSAGES

Prof. Gunjan Gupta , Chairperson
Professor - in - Charge: Campus Law Centre, University of Delhi

It gives me immense pride and joy to share this message on the release of the Annual Report 2024–25, a moment that reflects the values, achievements, and aspirations of one of the finest institutions under the University of Delhi. Each milestone in this report is the outcome of dedicated teaching, learning, research, mentoring, and entrepreneurial spirit by our students and faculty. It stands as a testament to the intellect, creativity, and commitment that define SSCBS.

I extend heartfelt congratulations to our Principal, Dr. Poonam Verma, whose visionary leadership has steered SSCBS from strength to strength, balancing academic rigour with holistic development. My appreciation also goes to the faculty, administration, and students, whose teamwork and dedication continue to uphold the College's unique identity.

SSCBS has always believed that management education is not just about producing professionals but shaping ethical leaders and responsible citizens. Our alumni, excelling across industries worldwide, are living proof of this legacy. On behalf of the Governing Body, I congratulate the entire SSCBS community for carrying forward the College's reputation as a beacon of knowledge, values, and innovation.

Prof. Anupam Jha, Treasurer
Professor - in - Charge: Law Centre-II

It is with great pride that I share this message on the release of the Annual Report 2024–25. The report captures the achievements and aspirations of SSCBS and reflects the dedication, innovation, and values that continue to define the College as one of the leading institutions under the University of Delhi.
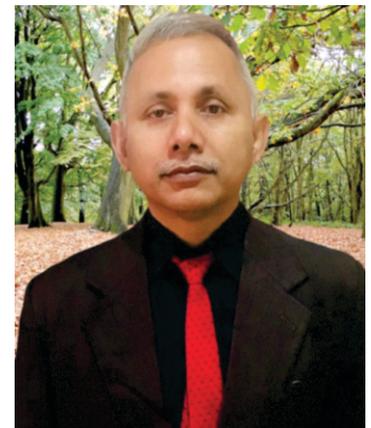

At SSCBS, management education is not just about professional success but also about nurturing ethical leaders and responsible citizens. The accomplishments of our alumni across the globe stand as a testament to this legacy.

On behalf of the Governing Body, I congratulate the entire SSCBS community for upholding the College's reputation as a beacon of knowledge, values, and innovation, and wish continued success in the years ahead.

Prof. Poonam Verma, Principal

It gives me immense pleasure to present the 38th Annual Report of Shaheed Sukhdev College of Business Studies, marking yet another milestone in our journey of excellence and growth. From being the first college in the University of Delhi to introduce Business Studies—now offered as the Bachelor of Management Studies (BMS)—SSCBS has consistently nurtured a legacy of innovation, resilience, and academic distinction.

Our pursuit of excellence has once again been nationally recognized, with India Today ranking SSCBS as the Best Undergraduate College in June 2025 for the sixth consecutive year, alongside our prestigious _A+' NAAC grade.

At present, SSCBS offers three undergraduate honoursprogrammes—BMS, BBA (Financial Investment Analysis), and B.Sc. (Computer Science)—as well as a postgraduate programme in Cyber Security and Law. In addition, industry-driven certification courses in Analytics, Digital Marketing, Financial Modeling, Capital Markets, Wealth Planning, and FinTech equip our students with future -ready skills.

The SSCBS Innovation and Incubation Foundation (SIIF) continues to be a vital contributor to India's startup ecosystem. In 2024–25 alone, SIIF funded ₹20 million across 11 sta rtups and mentored 15 promising ideas. Collectively, these ventures generated revenues of ₹6.8 million, reflecting the entrepreneurial zeal of our students.Placements remain one of our strongest pillars. This year, 77 recruiters made over 220 offers. The highest CTC touched ₹28 LPA, with the average at ₹11.49 LPA.

Recruiters included leading firms such as BCG, McKinsey, Bain, Accenture, D.E. Shaw, AB InBev, and Maruti. More than 70 students secured admissions to premier global universities, while internships with stipends of up to ₹95,000 per month further enhanced industry exposure.Our students also brought laurels on the global stage—emerging winners in case competitions hosted by Harvard, MIT, Stanford, NUS, and HKU, and representing India at the Global Entrepreneurship Mindset Programme in Japan.
Beyond academics, SSCBS remains deeply committed to shaping socially responsible leaders. Our societies actively contribute to social and environmental causes, while student well-being is supported by the presence of a dedicated clinical psychologist on campus.

As we look to the future, SSCBS will continue to uphold its mission of delivering quality education in an environment that fosters creativity, collaboration, and compassion. I thank our faculty, staff, stud ents, alumni, and well-wishers for their continued trust and support in this remarkable journey.

Governance

The Governing Body serves as the supreme decision-making authority of the college and functions as its Executive entity. It is responsible for holding, managing, and administering the college's property and funds, along with any other financial resources entrusted to the college for specific purposes.

Institutional Excellence

SSCBS is ranked No. 1 in the India Today–MDRA Best Colleges 2025 (BBA stream) for the sixth consecutive year and figures in the NIRF 2024 (College category) Top-150; the college also holds a NAAC A+ grade.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) is a vital component of SSCBS, established in line with the requirements of the National Assessment and Accreditation Council (NAAC) . It comprises representatives from all key stakeholder groups—Administration, Faculty, Students, Alumni, and Recruiters—who collaborate to continuously enhance the college's learning environment.

The diversity of perspectives within the IQAC enriches its decision-making. In 2024–25, the cell benefited from the expertise of distinguished members, including Prof. Anupam Jha (Management Nominee), Ms. Sonia Misti (Parent Representative), Dr. Pushpender Kumar (Alumnus), and Mr. Vikas Goyal (Industry Representative).

As part of its initiatives, IQAC and SSCBS regularly invite eminent industry leaders and academicians to share insights that help strengthen academic and operational standards. Over the past year, two formal meetings with all stakeholders were held to review progress and refine the Road Map for institutional improvement.

While IQAC contributes to almost every aspect of college functioning, in 2024–25 it undertook several focused initiatives:

- Expanding Student Workshops: In collaboration with the Career Development Centre (CDC), IQAC organized skill-building sessions on interview preparation, advanced Excel, data analytics, and case study analysis, led by alumni CXOs and renowned experts.
- Streamlining Summer Internships: Strengthened policies, structured processes, and rigorous evaluation have enhanced the effectiveness of internships, ensuring students gain maximum corporate exposure.
- Improving Access to Knowledge Resources: A notable achievement was securing a full subscription to the Harvard Business Review catalog, providing world-class articles, case studies, and simulations. The library further expanded access through online databases, additional books and journals, and advanced digital management tools.
- Enhancing Mentorship and Counselling: Recognizing the growing stress among students, IQAC partnered with internal and external stakeholders to expand mentorship and counselling services, promoting well-being and personal growth.

Through these initiatives, IQAC continues to drive academic excellence and operational efficiency, reinforcing SSCBS's commitment to holistic student development.

Programs and Curriculum

Bachelor of Management Studies (BMS).

A 4-year program aligned with NEP 2020, offering multiple entry/exit options, strong core coverage (Financial Accounting, Marketing, Business Economics, Organisational Behaviour, Quantitative Techniques, Strategic Management, Business Law), electives by interest, and a capstone in Year 4 (Research Dissertation, Entrepreneurship Project, or

Academic Project). Emphasis on experiential learning through case studies, internships, industry visits, workshops, and simulations.

Head of Department: Dr. Anuja Mathur.

Bachelor of Business Administration (Financial Investment Analysis) BBA(FIA)

BBA (FIA)] is a specialized honours program with a strong emphasis on research and analytical rigor, designed to develop foundational expertise in finance. Pedagogical Practices and Academic Support

Teaching connects classroom learning to real business contexts through guest lectures, industrial tours, industry-based projects, live projects, internships, and summer training. The model is enabled by qualified faculty with industry experience, motivated students, supportive staff, engaged alumni, and a strong Governing Body.

Library as a Learning Resource
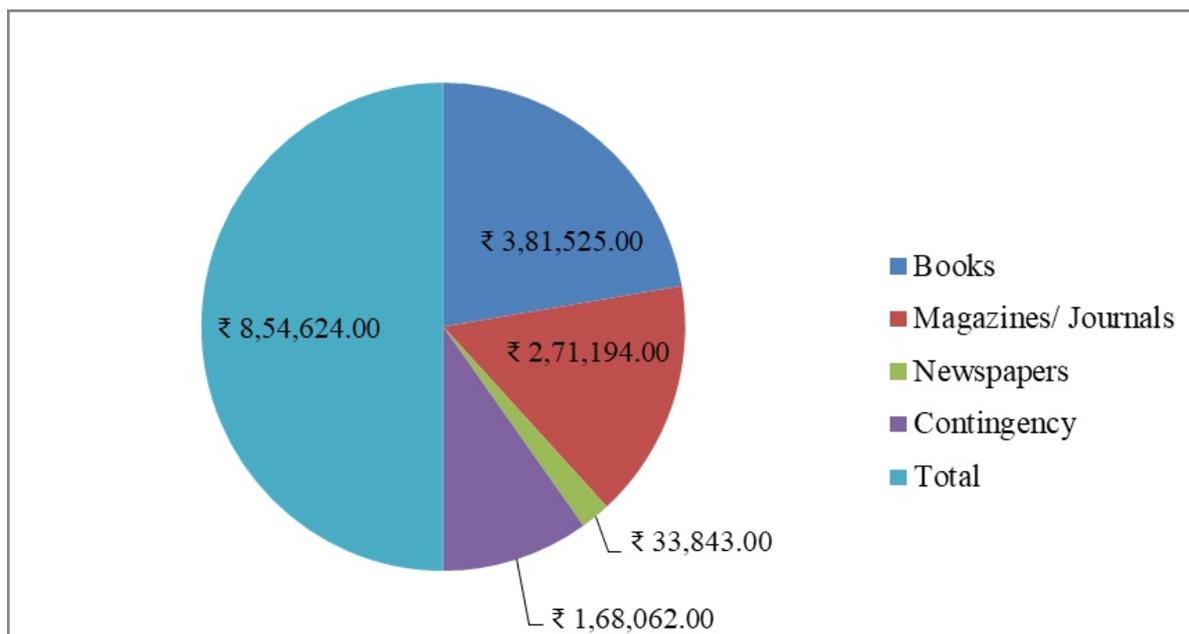

The library has two floors (1161 sq m.) with seating for 218 and a faculty research section; 637 new titles; 26,101 total books; 56 magazines/journals and 14 newspapers and an average daily usage - 118 physical footfalls and 123 e-accesses.

The library has institutional membership of NLIST (National Library and Information Services Infrastructure for Scholarly Content) and DELNET, and students are encouraged to access and make use of e-books and e-journals by organising the library orientation programs. The library shares digital resources in the form of online magazines, journals and newspaper clippings along with useful links to the articles with the users.

Automation on KOHA 24.05.03.000 with Online Public Access Catalogue (OPAC), personal account access, online renewals for the students .It enables students, faculty and staff members to check the status of the library resources and also maintains transparency in all the transactions by providing access to their personal accounts. We are one of the leading college libraries of the University of Delhi, using KOHA Open Source Integrated library management software, shifted from LIBTEK DOS-based library software since May 2014.

Apart from the print resources, teaching and research are also supported by accessing the large number of electronic resources (e-journals, e-books and databases) accessible through IP-based and Remote Access of DU eLibrary, eShodhSindhu, and ONOS ejournals of 30 publishers.

Awareness of online resources such as the Directory of Open Access Journals (DOAJ), the Directory of Open Access Books (DOAB), the Internet Archive, eShodhganga and the National Digital Library was shared with the faculty members and students. IRNIS Instance has been created for faculty research publications to showcase their citations and H-index.

A Library Internship was given to five interns for a period of one month to teach them the functionality of the library services.

IT Infrastructure & Digital Pedagogy

The college has five computer labs; 206 computers (189 academic), 25 printers; campus-wide LAN/Wi-Fi with DU 100 Mbps and MTNL 1000 Mbps; 133 access points; servers and licensed/open-source software stack across all departments. The continuous upgrades in IT infrastructure help and support in maintaining the college academics, administration, examinations and research-related activities.

All computer laboratories are equipped with LCD projectors to facilitate teaching and presentations. 25 printers are available for students, teaching and non-teaching staff for academic and administrative purposes. Two internet connections, one from Delhi University with a speed of 100Mbps and another from MTNL with a speed of 1000 Mbps, are available through LAN and Wi-Fi in the whole campus (Classrooms, Labs, Library, Placement & SIIF Area, Hostels, Canteen & Mess Area, Staff rooms, Administrative Offices, Accounts Section, Auditorium, Seminar Halls, etc.). Wi-Fi facility is made available through 133 Access Points (APs), centrally managed by one Wireless Controller (Zone Director). To control the overall network in the campus the college has installed 01 Nos NMS (Base NMS- 25 Devices / 250 Thin APS), 03 Nos Servers HP ProLiant DL380 Gen 9 Server with Windows Server Data Center Edition and for internet security it has also installed 01 Nos UTM (Fortigate FG1200D) with Fortiguard (IPS & Application Control, Antivirus, Web Filtering). The college has access to many licensed and open source software such as Dev C++, CPUSim 4.0, MS Excel, TORA, Ubuntu, Anaconda, Mathematica / Scilab, Eclips, Turbo Assembler, NetBeans, Prolog, Xamp, Notepad++, Oracle, Android Studio, SPSS, Capital Line, Microsoft Office (professional edition), E views, Windows Server 2016 Datacenter Edition, MySQL, Visual Studio, Google GSuite for Education, Tally, Adobe Acrobat Pro which are used by students from all three departments of the college. These softwares are also updated as per the changing needs of the academic curriculum. The college, through its website, provides a platform for students to view their attendance on a real-time basis and internal assessment at the end of each semester.

For better connectivity in the campus, the college also has an intercom facility (EPABX,) which is a private telephone network used by college teaching and nonteaching staff for easy and effective communication. The college also ensures the safety of all individuals on the campus with the help of CCTV surveillance through 138 cameras, including PTZ (rotating) on the different floors, library, labs, canteen & mess, open area & ground, lifts, entry and exit gates, hostels, auditorium, parking, etc.

Website and ERP

The SSCBS website, accessible at https://sscbs.du.ac.in/, showcases an outstanding design concept coupled with visually captivating content. Developed in-house using an open-source platform, the website seamlessly integrates with an internally built Enterprise Resource Planning (ERP) system while adhering to the General Data Protection Regulation (GDPR) guidelines regarding the usage of cookies. Moreover, the website ensures failover protection through automated backups and boasts robust security measures with the implementation of Sucuri, a server hardening software.Upon visiting the website, users are greeted by a strategically designed landing page that presents the college's recent

achievements in a full-width format, igniting curiosity and engagement. With a unique design featuring colours inspired by the college's logo, the website enhances brand visibility. The website's content is optimised for search engines, ensuring minimal loading times and delivering an excellent mobile browsing experience.

The user-friendly interface of the SSCBS website organises primary tabs into detailed drop-down menus, facilitating hassle-free navigation and search. All information is systematically and aesthetically arranged, creating an intuitive browsing experience. Student-centric resources are readily available, including dedicated micro-sites for the library, career development, alumni network, college newsletter, and the SSCBS Innovation and Incubation Foundation (SIIF). The website also provides well-structured information on rankings and accreditations. Setting itself apart, the multilingual SSCBS website offers users an immersive virtual tour of the college. Furthermore, it features text-to-speech functionality, allowing users to listen to the content. Visitors can subscribe to notifications and explore a dynamic timeline that presents the college's rich history.

Transparency is a core value at SSCBS, and the college diligently adheres to all applicable rules and guidelines. The website serves as a comprehensive repository of information related to admissions, regularly updated to provide the latest details. Internal assessment guidelines, academic calendars, time-tables, syllabi, previous year papers, credit structures, and other essential information are readily available on the website.

SSCBS employs a robust ERP system that ensures streamlined management and accessibility for students, teachers, departments, and the library. The ERP system maintains accurate records of internal assessments, with each student having a unique login to access their assessment and attendance details. All the attendances are captured online, which enables the generation of reports student-wise and faculty-wise. Additionally, the ERP facilitates feedback collection, analysis, and subsequent actions. Anonymous faculty feedback, as well as posted internal assessments, are conveniently accessible to students and faculty members through the ERP system.

The Shaheed Sukhdev College of Business Studies website stands as a testament to the college's commitment to excellence, user experience, and transparency. With its visually appealing design, rich content, and extensive functionality, the website exemplifies the college's dedication to providing a seamless online experience for students, faculty, and visitors alike.

Faculty Strength and Engagement

During 2024–25, the college had 29 faculty on roll (27 permanent and 2 ad hoc), supported by 48 guest faculty across the Departments of Management Studies, Financial Studies and Computer Science. Recruitment against sanctioned posts is in progress; the department-wise sanctioned strength, positions filled, vacancies and guest engagement are provided in Annexure 1a -1c.

Faculty Transitions: Leave, Deputation, and Superannuation
During the year, five faculty members resumed duties after approved leave (four study leave and one child care leave), one faculty member was sanctioned study leave, one colleague served on deputation at the School of Open Learning, University of Delhi, and one faculty member superannuated. **Annexures 2a–2d.**

Faculty Achievements & Research Contributions

a) Peer -reviewed journal publications:

Our faculty published 36 journal articles this year, spanning AI/ML, operations and supply chains, finance and markets, ESG, information systems, and education. Highlights include papers in Journal of Cleaner Production, Economics Letters, Thunderbird International Business Review, Applied Intelligence, Computational Economics, and the International Journal of System Assurance Engineering and Management, reflecting both methodological depth and industry relevance. **Annexure – 3a**

b) **Books, chapters, and proceedings:**

This year we produced 9 scholarly outputs in this category: 6 books and 3 chapters in edited volumes and proceedings. The books range from technical texts (Python, statistical software) to management and taxation titles, while the chapters include a Springer contribution on sustainability and a chapter on fintech and DeFi, showing a healthy mix of pedagogy and research translation. **Annexure – 3b**

c) **Seminar and conference presentations:**

Faculty delivered 17 presentations across national and international forums. Venues included IIMs, IITs, Amity, Bennett University, Jaypee Business School, and the World Finance &Banking Symposium (Abu Dhabi). Topics covered ESG integration, financial inclusion, analytics, and entrepreneurship, indicating strong visibility of our research in diverse communities. **Annexure – 3c**

d) **Editorial and professional service:**

Faculties held 9 editorial and board roles, including journal editorships and board memberships with Shimur publications, Inderscience, Springer-linked journals, and the Journal of Graphic Era University. These roles strengthened our peer-review ecosystem engagement and widened our networks for collaborative scholarship. **Annexure – 3d**

e) **Research projects completed:**

The year saw completion of one funded research project under the Institute of Eminence (IoE) at the University of Delhi, focused on circularity in closed-loop supply chains. The project delivered applied insights for sustainable operations and concluded within the stated period. **Annexure – 3e**

f) **Invited talks, session chairs, and academic contributions:**

Faculty undertook 31 activities as resource persons, session chairs, advisors, or curriculum developers. This includes talks and chairs at international and national conferences, executive and government trainings (NHPC, C-DAC, Delhi Government officials), advisory board service, and curriculum work with NIOS. The breadth shows sustained outreach and knowledge transfer. **Annexure – 3f**

g) Faculty development and training attended:

Faculty completed 13 FDPs/refreshers/workshops, including UGC-MMTTC refresher courses, IoE short-term programs, and capacity-building workshops at TERI, CPDHE, and SSCBS. Focus areas ranged from mathematical sciences and business studies to IKS, case method pedagogy, and publisher-led teaching resources. **Annexure – 3g**

Several non-teaching staff members participated in training programmes and workshops during the year to enhance their skills and professional development. Annexure – 4b

Beyond Classrooms

Student Societies & Leadership Development (Annexure 12-57)

SSCBS runs one of DU's most active co-curricular ecosystems with about 45 student societies across careers, culture, tech, entrepreneurship, outreach, wellness, and environment. Representative professional clubs include ACM–SSCBS, APICS–SSCBS, IFSA Network India, Synergy (Corporate Society), and the Management Interaction Cell; intellectual forums like CBS DebSoc and CBS MUN build speaking, analysis, and diplomacy; creative groups such as The Literary Society, Verve (street play), Fourth Wall Productions, and The Darkroom nurture expression.

Students also learn by running major campus events—especially the annual cultural fest Crescendo—and by serving in the Student Council.

Entrepreneurial leadership is supported by the Institution's Innovation Council (IIC) and the in-house SSCBS Innovation & Incubation Foundation (SIIF), which mentors and funds student ventures.

Community Engagement & Social Responsibility

Service and citizenship are integral to campus life. The NSS anchors extension and outreach, Enactus leads social-enterprise projects, and Rotaract coordinates community service. The Eco Club and the Financial Literacy Cell drive environmental stewardship and financial awareness across the student body. GirlUp Ruhi, the Queer Straight Alliance, and the North East Committee foster inclusion, safety, and a strong sense of belonging.

These efforts operate within a documented Extension and Outreach framework and are supported by the college's focus on wellbeing, including access to a practising clinical psychologist for student support. Together, they help students develop empathy, leadership, and accountability while strengthening our campus community.

Global Exposure & International Collaborations

The prestigious Global Entrepreneurship Program in Japan, sponsored by MEXT, Government of Japan, was attended by Dr. Kumar Bijoy and selected students — Samyaa Goyal (BMS), Parth Maniktalia (BMS), and Manav Mahajan (BBAFIA) . They represented India in a fully funded 14-day international exchange in Japan. A total of 240 thousand Japanese yen was given as a scholarship. The program brought together entrepreneurial students from around the world, including India, Japan, Australia, and the UK, for cross-cultural collaboration and immersion in global startup ecosystems.

Students compete on global stages, including podiums at the HSBC/HKU Global Case Competition and BrainWars by Bain & Co., and secure fully sponsored short-term scholarships such as Kansai University (Japan).

Internationally networked societies extend this exposure: 180 Degrees Consulting and Bridges for Enterprises offer cross-border consulting; ACM and APICS connect students to global tech and supply-chain communities; IFSA links finance enthusiasts worldwide; MUN builds multilateral negotiation skills.

Beyond societies, the pedagogy builds global readiness with guest lectures, industry visits, live projects, and internships; IQAC expanded access to world-class teaching content through

the full Harvard Business Review Publishing catalogue to strengthen case-based learning and simulations.

Campus and facilities

Infrastructure

SSCBS operates a 5-acre campus with a 500-seat auditorium, four seminar halls, and 35 air-conditioned classrooms equipped with audio-visual facilities. The two-level library, amphitheatre, hostels, cafeteria and mess, underground parking, and on-campus residential units support academic and residential life. Safety is maintained through monitored CCTV and fire-protection systems. Campus-wide accessibility is ensured through ramps and lifts, enabling all students and faculty to use the facilities comfortably.

Sustainability measures include rooftop solar and water-heating systems, an in-house Sewage Treatment Plant (STP), an air-quality monitoring station, and energy-efficient building materials and practices. Academic and administrative infrastructure comprises five computer labs, dedicated examination rooms, nine tutorial rooms, separate faculty rooms, a full floor housing the incubation centre and placement cell, and a separate alumni relations cell.

Facilities for Sports and Cultural Activities

The college places consistent emphasis on students' physical well-being and cultural expression, and treats both as integral to campus life. A half-acre playing field supports regular practice and friendly matches in football, cricket, volleyball, and kabaddi. Indoor facilities enable table tennis, carrom, and chess. A fully equipped open gym on the grounds encourages daily fitness routines for students across programmes. Usage is coordinated by the Sports Committee to ensure equitable access, with schedules shared in advance and basic first-aid available during organised activities.

Cultural activity is anchored by a large open-air stage at one end of the grounds. Student societies use it for rehearsals, auditions, workshops, and full-scale productions throughout the year. It serves as the centerpiece for Crescendo, the annual cultural festival, and supports a steady calendar of performances, competitions, and cross-college collaborations. The same venue adapts well to alumni meets, food festivals, and other community events, allowing large audiences without disrupting academic spaces.

Both sports and cultural facilities are open to all students and are planned with inclusivity in mind. Together, these spaces help students build teamwork, confidence, and leadership while strengthening the college's sense of community.

Akash Ganga, the college auditorium is fully air-conditioned, seats more than 500 people and is set up to conduct a variety of cultural events, conferences and discussions. More focused activities can make use of any of the 4 similarly equipped but slightly smaller (at approximately 100 seats) seminar rooms. At the other end, a garlanded bust of our namesake, Shaheed Sukhdev Thapar and the gaily fluttering national flag provide a touch of poignancy and help to channelize our efforts for greater national good.

Alumni Engagement

The Alumni Relations and Outreach Cell (AROC) is the official alumni engagement and networking cell of Shaheed Sukhdev College of Business Studies, University of Delhi. The Cell plays an integral role in connecting our alumni to the brand that holds memories of a lifetime.

Major Achievements

- The SSCBS Alumni Association, officially named SCOBSA (Shaheed Sukhdev College of Business Studies Alumni Association), was registered under the Societies Registration Act in 2024, marking a significant milestone in building a unified alumni network.

- The inaugural Alumni Conclave held in December 2024 brought together alumni from across decades, with a special highlight on the 25-year reunion of the Class of 2000, creating a nostalgic and inspiring space for reconnection and celebration.

- The Class of 1999 initiated a Laptop Donation Drive, contributing 27 laptops to support under-resourced students and ensure equitable access to academic resources.

- A B.Sc. student represented SSCBS on an international platform by presenting a co-authored research paper on Cyberbiosecurity at ICCWS 2025, held at William & Mary Law School, Virginia, USA. This opportunity was made possible through the personal sponsorship of alumni including Kunal Sindhwani, Aarti Sharma, Payal Arora, Hargurpal Singh, and Tarni Dev P.

- Alumni have actively contributed to student welfare through scholarships:
  - Harmit Ahluwalia instituted the Pratibha Merit Scholarship worth ₹25,000.
  - Bharat Khaitan sponsored the Shyra Scholarship, offering merit-based scholarships totaling ₹75,000.

- Alumni featured in various college events and speaker forums:
  - NeetiiMaacker and Shivansh Jindal were invited as TEDxSSCBSspeakers, delivering thought-provoking talks.
  - Nimisha Garg served as a judge for ‚Eco Logical', a case competition organized by EcoClub SSCBS during the college's annual fest, Crescendo.

- The Alumni Relations and Outreach Cell (AROC) continued its outreach efforts and strengthened alumni ties through regular communication, spotlight features, and events – all of which are documented in detail on the society's official annual report page.

College Events

Shaheedi Diwas Celebration

The 5th Shaheed Sukhdev Memorial Lecture was held on 21st March 2025 at the Akash Ganga Auditorium, SSCBS on the theme ''शहीदों की विरासत, युवाओं की शक्ति-एक विकसित भारत का निर्माण'' (**Legacy of the Martyrs, Power of the Youth- Building a Developed India**). The lecture paid tribute to Shaheed Bhagat Singh, Rajguru, and Sukhdev, honoring their indomitable spirit and sacrifice. The event resonated with patriotic fervor, urging the youth to uphold ideals of courage, justice, and selfless service.

The program commenced with the ceremonial lamp lighting, followed by **Saraswati Vandana** and the University Song of Delhi University, setting a solemn and reverent tone. Prof. Gunjan Gupta, Chairperson of the Governing Body, extended a warm welcome to the dignitaries and the audience in her address.

The event was graced by Chief Guest Shri Vijender Gupta Ji, Hon'ble Speaker of the Delhi Legislative Assembly, along with Presiding Guest Prof. Balaram Pani, Dean Colleges, University of Delhi, and special guests Prof. Anupam Jha, Treasurer, and Prof. Poonam Ver ma, Principal, SSCBS. Their presence added great value to the occasion.

The discussions and addresses revolved around themes such as **Patriotism and Youth Empowerment, Martyrs' Legacy and National Responsibility The Role of Education in Nation Building**. Prof. Balaram Pani emphasized the enduring relevance of the martyrs' ideals in shaping a just and progressive nation. Shri Vijender Gupta Ji delivered a stirring thematic address, linking historical sacrifice to modern civic responsibility and inspiring the students to dedicate themselves to the nation's development.

The event concluded with a heartfelt vote of thanks by Principal Prof. Poonam Verma, who expressed gratitude to the dignitaries, organizing committee, and participants. The program ended with the National Anthem, leaving the audience with a renewed sense of patriotism and purpose.

Orientation 2024

The Orientation Programme for the Batch of 2027/28 was held on 29th August 2024 at the Auditorium, SSCBS, marking the formal initiation of students into the vibrant academic and cultural life of Shaheed Sukhdev College of Business Studies. The programme was organized to welcome both students and their parents, provide clarity on academic processes, and offer valuable insights into the college's vision and ethos.

The event began with the ceremonial lamp lighting followed by a soulful rendition of **Saraswati Vandana**, invoking divine blessings for the academic journey ahead. This was followed by an address by Principal Prof. (Dr.) Poonam Verma, who shared the mission of SSCBS, its legacy of academic excellence, and the institution's commitment to nurturing responsible future leaders.

The academic orientation session included an introduction of faculty and departmental heads, an overview of the curriculum structure and examination system, and detailed insights into academic policies and student support mechanisms. These discussions aimed at familiarizing students with the academic framework of the college and preparing them for the journey ahead.

This was followed by an overview of career opportunities and societies at SSCBS. Students were introduced to the college's robust placement and internship ecosystem, along with the diverse range of cultural, technical, and literary societies that encourage participation beyond academics. This segment highlighted the importance of holistic development and active engagement in extracurricular activities.

The programme also featured a brief cultural segment, adding vibrancy and warmth to the occasion. The Orientation 2024 thus set the stage for a meaningful and enriching journey at SSCBS, fostering a strong sense of belonging, enthusiasm, and purpose among the new students.

Annual Day 2024

The Annual Day Celebration of SSCBS was held on 19th October at the Auditorium, SSCBS, serving as a formal occasion to reflect on the accomplishments of the academic year and to honour outstanding contributions by students and faculty. The event highlighted the spirit of excellence, innovation, and collaboration that defines the ethos of the college.

The celebration commenced with a dignified inaugural session, setting the tone for the day's proceedings. It provided an opportunity for the college community to come together and recognize

the collective achievements that have shaped the academic year.

The highlight of the event was the Annual Awards Ceremony, where students were felicitated for their accomplishments. The Academic Excellence Awards were presented to top -performing students, acknowledging their dedication and hard work. Society Awards were conferred to recognize leadership, creativity, and service in student-led initiatives, while Internship and Scholarship Recognitions celebrated professional and academic milestones of the students.

The ceremony not only recognized individual excellence but also celebrated the collaborative spirit of the institution, which continues to inspire both students and faculty members. The event reflected the college's commitment to fostering holistic growth and motivating students to pursue excellence in all fields.

The celebration concluded with a heartfelt Vote of Thanks, followed by the National Anthem and group photographs, marking a dignified close to the academic year's celebrations. The Annual Day thus reinforced the values of recognition, unity, and progress within the SSCBS community.

Fresher's Day 2024

The Freshers' Welcome 2024 for the Batch of 2027 was held on 11th November 2024 at the Auditorium, SSCBS. The celebration was a vibrant and festive occasion aimed at embracing the incoming cohort and providing them with a platform to express themselves in an inclusive atmosphere. The event created a lively environment that encouraged interaction, participation, and bonding among the new students.

The celebration commenced with an Opening Address, extending a warm welcome to the freshers and setting a joyful and engaging tone for the evening. In keeping with the theme, students arrived in traditional sarees for girls and formals for boys, adding an element of elegance and cultural charm to the occasion.

The highlight of the evening was the series of cultural performances. Dhwani, the music society, captivated the audience with soulful melodies, while Blitz, the dance society, enthralled everyone with high-energy performances. The Open Mic segment further encouraged spontaneous participation, providing freshers with a stage to showcase their creativity, talent, and candid expressions.

Post refreshments, the excitement continued with a lively DJ session, where students came together on the dance floor, celebrating both traditional beats and modern music. The energy of the evening reflected the spirit of unity and enthusiasm that SSCBS fosters among its students.

The celebration concluded with the much-anticipated Crowning Ceremony, where titles of Mr. and Ms. Fresher were awarded to students who stood out for their confidence, participation, and stage

presence. The event successfully fostered camaraderie and belonging, leaving the new batch with cherished memories and a warm welcome into the SSCBS family.

Farewell 2025

The Farewell 2025 was a heartfelt celebration organized at the SSCBS Campus to bid adieu to the graduating batch of 2025. The evening beautifully blended reflection with festivity, capturing the essence of gratitude, nostalgia, and new beginnings. The event began with a Wall of Memories and a Photo Booth, where students relived their college journey through pictures, messages, and milestones that brought back cherished moments.

The celebration continued with soulful musical tributes by Dhwani and energetic dance numbers by Blitz, setting the perfect mood for the evening. Speeches by Principal Prof. (Dr.) Poonam Verma and faculty members reflected on the journey of the students, highlighting their growth, achievements, and cherished experiences over the years. Adding to the spirit of recognition, the Achievers' Award honored all-round excellence, while Society Awards, Internship, and Scholarship recognitions celebrated leadership and academic success.

An Open Mic segment brought out poetry, singing, comedy, and dance performances, filling the air with laughter and emotions. The atmosphere then turned into a vibrant dance party with the DJ session, where students enjoyed Bollywood tracks and EDM beats together for one last time as a batch. The evening concluded with the crowning ceremony of Mr. and Ms. Farewell, honoring students who left a lasting impact on the campus community. The event came to an emotional yet joyous close, leaving the graduating batch with unforgettable memories as they stepped into the next chapter of their lives.

Extension and Outreach Activities

Livelihood and Women Empowerment Initiatives

Project Jyoti: A livelihood initiative enabling underprivileged women to set up micro candle-making enterprises was developed. Eco-friendly production and entrepreneurship were promoted in collaboration with 3–4 NGOs. The project was shortlisted as a finalist at *Changeathon* for innovation and sustainability.

Project Utsav: Support was extended to the potter community through field visits, sales facilitation, and market linkage. Approximately 300 *kulhads*were sold via campus-based partnerships, promoting traditional craftsmanship and sustainable consumption.

Health and Hygiene Awareness

Project Sanjeevta: Awareness was raised regarding disease prevention, hygiene practices, and first-aid readiness, emphasizing preventive healthcare in underserved communities.

Fortis Escorts Partnership: Free medical check-ups, ECGs, vaccinations, and basic treatments were extended to women and children in homeless shelters.

Project Chahat: Awareness on maternal and child health was promoted through digital and on-ground sessions. Sanitary napkins were distributed, and expert-led discussions were conducted on menstruation, maternal nutrition, and hygiene.

Animal Welfare and Environmental Responsibility

Project Furry: Visits to Gaushalas and awareness campaigns on animal care were carried out via social media platforms.

Dog Collar Activity: Reflective neon collars were distributed to 20 stray dogs in Rohini to enhance visibility and reduce accidents during low-light hours.

Plantation Drive: Over 40 saplings were planted at a Rajouri Garden school with the participation of more than 100 students and 16 volunteers, promoting environmental consciousness.

Education, Awareness & Skill Development

CUET-UG Awareness Session: Held at a government school in Shahbad, the session benefited 100 students by guiding them on entrance procedures, exam structure, and doubt resolution.

Project Saksham: Career guidance and information on skill development and government schemes were provided to individuals across age groups. A Wishing Wall event was also organized to help fulfill children's aspirations.

Project Nayaab: Foundational education and interactive literacy sessions were conducted for underprivileged children, supported by the distribution of study materials.

Project Unnati: Technical skill training on digital literacy, financial awareness, and soft skills was delivered to household staff to improve their employability and confidence.

Community Outreach and Welfare Activities

Visits to Educational NGOs: Road safety sessions were conducted for children, focusing on traffic rules and safe behavior.

Project Ehsaas: A decentralized food and clothing donation drive was executed across multiple neighborhoods to serve shelters and communities in need.

Project Muskaan: Children at a Rohini-based NGO participated in teddy coloring, dance, and snack distribution, creating a joyful environment**.**

Rang De: Value-based murals were painted alongside children at an NGO, combining creativity, learning, and visual engagement.

Project Udaan: A visit to a special school was conducted, involving interactive sessions and shared moments with differently-abled children

Utsav-e-Sneh: Elderly residents at a Vridhaashram were engaged in games, songs, and storytelling sessions, fostering cross-generational bonding.

Sustainability and Innovation

Project Akriti: Discarded hotel soap was recycled into new bars and distributed in low-income communities. The project reflected circular economy principles aligned with SDGs 8, 9, and 11.

Green-O-Tech Collaboration: Paper waste was collected and sent for recycling into usable products, promoting sustainable waste management.

Bisleri Association: Plastic bottles were donated for recycling into PET fabric, reinforcing responsible disposal and reuse.

Sensitization and Social Awareness

Project Sanyam: Discussions and reflective sessions were organized to foster empathy, conflict resolution, and peacebuilding.

Partnerships for Sensitization: Collaborations with NGOs enabled menstrual health, social awareness, and communication outreach in marginalized colonies.

Additional Engagements

Clothes Donation Drive: Organized on 31st March 2025 to distribute gently used clothes to underprivileged communities.

NGO Drives: Drives were conducted at Uttejana Foundation and Scope for Change, including interactive sessions on menstrual hygiene and sanitary napkin distribution.

Project Amrit: Cleanliness drives and sanitation kit distribution under WASH (Water, Sanitation, and Hygiene) were conducted to promote public hygiene awareness.

Verve Street Play - *La-Ilaaj*: Performed in Rohini to raise awareness about the corporatization of the healthcare sector.

Looking Ahead

Strategic Priorities & Future Vision

Deepen career readiness and academic enrichment. IQAC has already laid out a road map and run targeted actions this year—expanding student workshops with alumni and industry experts, tightening the summer-internship process with clear policies and evaluation, and strengthening mentorship and counselling access. We'll carry these forward as core quality priorities.

Sustain world-class learning resources. The HBP Education subscription (articles, cases, simulations and courses) runs through 2 September 2024–1 September 2025; maintaining this level of access—or an equivalent—is a priority for classroom rigour and case-based pedagogy.

Modernise digital and library infrastructure. With 206 computers, 133 campus Wi-Fi access points and layered network security already in place, our focus is to keep uptime high and expand coverage where needed. On the library side, we'll continue to scale discovery services (NLIST, DELNET, DU eLibrary/ONOS), automation tools (KOHA), and student internships that foster research skills.

Advance a greener campus. We'll build on existing rooftop solar and solar water-heating infrastructure and on student-led sustainability programs (plantation drives, the 30-Day Environment Challenge, and the annual Prakriti fest).

Scale entrepreneurship and innovation. SIIF will continue to mentor and fund early-stage ventures across HealthTech, EdTech, AgroTech, Sustainability and D2C—building on this year's footprint of 56 onboarded startups and revenue-generating success stories.

Strengthen placements and progression. With a strong recruiter base and clear CDC processes, the emphasis remains on higher-order skills for consulting, finance, analytics and tech, while continuing to support students pursuing higher education.

Broaden global exposure. We'll look to deepen international experiences, building on scholarships and short-term programs already accessed by students this year.

Commitment to Nation-Building & India's Growth

Civic purpose in action. Our annual Shaheed Sukhdev Memorial Lecture centred on patriotism, youth empowerment, and the role of education in nation-building—anchoring our values as we scale impact.

Skills that create value. Through CDC-led internships and placements, and SIIF-incubated startups that are already generating revenues and jobs, we contribute directly to productivity and employability—key levers of economic growth.

Entrepreneurship for social good. Student platforms like CII YI Yuva and NSS/Kartavya run social-innovation competitions and outreach, tying enterprise to community outcomes—another vector of long-term national development.

CBS CodeFest 1.0, hosted on March 28, 2025, at SSCBS, was a national-scale celebration of innovation, collaboration, and technical excellence. With 1,189 registrations and over 70 offline participants from 35+ colleges, the event featured 25+ impressive projects across four high-energy competitions, including design challenges, coding marathons, and technical quizzes. Supported by 54,000+ website visitors, the fest became a hub for emerging tech talent. Alongside the competitions, participants engaged in expert- led workshops and seminars that explored real-world tech challenges.	We successfully organized two innovative events: CodeTwist 3.0, organized by ACM SSCBS on April 17, 2025, brought together 197 students across the country for an electrifying three-round challenge. The event tested more than just coding—it pushed the boundaries of branding recall, tech knowledge, and problem- solving under pressure.From logo identification to a rigorous tech quiz, and finally a twist-heavy coding battle, CodeTwist 3.0 delivered unpredictability and adrenaline in equal measure. With 3 winning teams, the event rewarded adaptability, innovation, and teamwork.
CodeMystique 2.0, conducted online on November 22, 2024, was a thrilling three- stage coding competition hosted by ACM SSCBS. With over 220 participants from 85+ colleges, the event offered a unique blend of a technical quiz, a treasure hunt, and a DSA coding marathon. The hunt-themed format challenged participants to decode clues, crack ciphers, and solve algorithmic problems under pressure, encouraging both creativity and precision. The competition not only tested technical skills but also highlighted participants' problem-solving agility, with top performers earning well-deserved recognition for their innovation and coding excellence and cutting-edge trends, making CBS CodeFest 1.0 a landmark initiative in fostering future tech leaders.	ACM SSCBS organized the Design Dash: Simulation Design-A-Thon, a 24-hour intra-society challenge exclusively for our teams, focused on enhancing front- end development skills through hands- on practice. Participants were assigned creative themes and tasked with designing single-page website UIs using HTML, CSS, and Tailwind. With over 10 impressive submissions, the event served as a showcase of creativity, precision, and UI/UX sensibility. Teams translated ideas into functional, aesthetic web interfaces, pushing their design thinking and frontend capabilities to new heights.

5. **Other Initiatives**
   - Organized knowledge-sharing sessions and mentorship activities to foster peer learning and technical growth within the society.

   - Encouraged active participation in hackathons and coding competitions to enhance real-world problem-solving skills.

   - Promoted involvement in real-world projects, allowing members to apply their technical expertise and gain practical experience.

Careers in Financial Risk Management and Quantitative Finance: The event featured our distinguished alumnus, Aman Kedia, Senior Associate at JP Morgan, London, who shared his journey from SSCBS to the global finance industry. His insights into risk management, quantitative strategies and evolving industry demands provided immense value to aspiring finance professionals. The session saw enthusiastic participation from students and concluded with an interactive Q&A. Career in Finance: Mr. Sarthak Bansal, CFA, from the Batch of 2020, shared his journey from SSCBS to global platforms in finance and consulting. The session provided valuable insights into CFA preparation, consulting careers, and international business education. His candid reflections and practical advice offered students a realistic perspective on navigating the financial sector introduction to Public Policy: On 1st April, AROC, in collaboration with Lawrence, hosted an enriching speaker session with Garima Goel, Analyst at the Tony Blair Institute for Global Change. Garima shared valuable insights into how public policy shapes societies and drives change. From her experience at Sattva Consulting to her current role, she offered students a practical lens on governance, development, and impactful policy-making. Storytelling as a 21st Century Thrive	The Annual Alumni Felicitation & Communion 2025, hosted by the Alumni Relations and Outreach Cell (AROC), was themed *"Mountains Well Climbed"* — symbolizing the remarkable journeys of SSCBS alumni as they conquered milestones and overcame challenges. The evening brought together distinguished alumni, faculty, and students to celebrate alumni achievements across diverse domains. It was a heartfelt celebration of shared memories, growth, and inspiration, reaffirming the enduring bond between SSCBS and its alumni community. The Alumni Conclave 2024, held in collaboration with the newly formed SSCBS Alumni Association (SCOBSA), witnessed participation from alumni representing over 25 batches. The event was a landmark gathering that celebrated the shared legacy, success,and unity of the CBS fraternity. From rekindling old memories to exchanging professional experiences, the day-long conclave served as a powerful reminder of the vibrant and close-knit SSCBS community that thrives beyond college life.

Skill: Karan Kampani (Batch of 2015) shared how storytelling, often seen as just a soft skill, is actually a game-changer in business, helping build trust, inspire action, and leave a lasting impact.	
Filmmaking & Creative Direction: Kunwar Raj (Batch of 2020), Filmmaker & Creative Director at IBU Films & Media, shared his journey in the world of filmmaking and took us behind the lens and walked students through the creative and technical aspects of video production.	
Pursue What You Love: The session focused on the importance of aligning personal passion with professional pursuits. Drawing from personal experiences and real-life examples, Nimesh Sharma, from the batch of 2008, emphasized the value of self-awareness, courage, and intentional decision-making in crafting a fulfilling life and career. The talk resonated deeply with students, encouraging them to reflect on their aspirations beyond conventional paths.	

5. Other Initiatives
- This year, the AROC team had the opportunity to work on a live project with Atmoz, conducting market research to understand customer preferences and behavior. The project provided valuable real-world exposure, bridging the gap between classroom learning and industry practices.
- The team also participated in the Silver Jubilee Celebrations of the 2000 batch held at SSCBS, joining alumni, faculty, and students in a heartfelt gathering filled with nostalgia, recognition, and celebration of shared memories.
- To equip new student members with industry-relevant skills, AROC organized a series of Knowledge Sharing Sessions (KSS) during the academic year 2024–25. Three engaging sessions were held focusing on case problem analysis, Power BI for data visualization, and designing with Canva, fostering practical learning and peer-to-peer exchange.
- A hands-on session on Filmmaking & Creative Direction was conducted by Kunwar Raj (Batch of 2020), Creative Director at IBU Films & Media. The session featured a live shoot and an in-depth industry discussion, offering students valuable insight into the creative process and film production workflow.

We successfully hosted two impactful seminars this semester. The first was a Just-In-Talks session on Strategic & Sustainable Procurement with Ms. Rupam Jain, Senior Consultant at EY. Attended by over 100 students, the session offered an in-depth exploration of procurement strategies, cost optimization, and supply chain sustainability. Ms. Jain shared her industry experience in operations, data analytics, and optimization, giving students valuable exposure to real-world applications of classroom concepts. The session fostered engaging discussions around leadership in supply chain management, equipping attendees with actionable insights and enhancing their understanding of strategic operations in the corporate landscape. The second was a Study Abroad Seminar in collaboration with Fateh Education, aimed at raising sponsorships and guiding students on international education pathways. Mapped through prior interest surveys, the session clarified common doubts and strengthened connections between serious applicants and expert counselors	This semester, we proudly hosted two flagship events that highlighted our focus on supply chain excellence. Ascend, our annual global supply chain case competition, saw record-breaking participation from over 1500+ students across top institutions including IIMs and DU colleges. The case challenge, centered on semiconductor supply chain risks (as shown), tested strategic thinking around geopolitical disruptions and AI-driven demand surges. The event was judged by industry leaders from Nomura, McKinsey,and Bain, making it a high-impact platform for real-world problem solving. We also organized Just-In-Time Buzzinga, an engaging two-round treasure hunt exploring supply chain concepts in a gamified format. With 100+ participating teams, the event included an offline round during SSCBS's annual fest, FunQ. Combining learning with fun, it offered students a dynamic introduction to supply chain themes through quizzes, riddles, and location-based clues. Both events showcased our society's ability to merge academic rigor with interactive formats at scale.

5. Other Initiatives:

Live Projects Piramal Foundation

In partnership with the Piramal Foundation, our team undertook a high-impact project aimed at strengthening public education systems through evidence-based decision-making. We analyzed datasets from over 10,000 government schools, evaluating enrolment patterns, infrastructure availability, teacher qualifications, and student-teacher ratios. Using Excel- based statistical models across 7+ performance indicators, we categorized 100+ districts by severity of intervention needed.

The findings formed the basis of a policy brief submitted to the Chief Minister, outlining urgent reforms to increase enrolment and reduce dropout rates in underserved districts. The brief advocated for targeted resource allocation, capacity building for educators, and infrastructure upgrades in the most vulnerable regions.

Outcomes: The project deepened our understanding of education policy design, taught us how to translate raw data into actionable governance insights, and demonstrated how grassroots analytics can directly shape state-level policy decisions.

Patanjali Foods

This consulting project focused on redesigning Patanjali's national supply and distribution network to enhance efficiency, scalability, and sustainability. After conducting an extensive assessment of over

100 depots and 50+ regional operations, we identified critical inefficiencies in sourcing, warehousing, and last-mile delivery.

Through a comparative analysis with industry competitors and internal operational mapping, we developed a 3–5-year strategic roadmap to modernize the supply chain. Our recommendations emphasized the adoption of real-time inventory tracking systems, modernization of equipment and a stronger emphasis on sustainable sourcing and fleet optimization to reduce transit time and operational waste.

Outcomes: The project culminated in a comprehensive restructuring plan with the potential to significantly cut operational costs, improve delivery timelines, and enhance Patanjali's responsiveness to market demand. Team members gained hands-on exposure to high-level supply chain strategy, real-world distribution challenges, and the role of sustainability in FMCG logistics

Research Reports (May- July)

AI in Supply Chain Management

This report explored how AI and Generative AI are reshaping supply chains through enhanced forecasting, automation, and real-time decision-making. Featuring global case studies, we highlighted AI's role in improving agility and reducing operational inefficiencies.

Outcomes: Identified up to 30% improvement in forecast accuracy and 40% reduction in costs; offered a roadmap for AI integration in supply chains.

Last-Mile Delivery

Focusing on speed and customer satisfaction, this report analyzed innovative last-mile logistics models such as micro-fulfillment and crowdsourced delivery. It emphasized the link between logistics strategy and brand experience.

Outcomes: Demonstrated potential to reduce last-mile costs by 25% and improve NPS by 20 points; outlined strategies for operational excellence in urban delivery.

E-Commerce Supply Chains

We examined how leading retailers are building agile, omnichannel supply chains to meet evolving consumer demands. The report addressed integration across warehousing, inventory, and logistics in a digital-first retail environment.

Outcomes: Found up to 35% increase in fulfillment efficiency and reduced churn; provided actionable insights for e-commerce supply chain design.

Supply Chain Decoded Posts

As part of its mission to bridge theory with real-world industry insights, the society launched *Supply Chain Decoded"*, a content series that was widely appreciated by students and professionals alike—garnering over 10,000+ organic impressions across platforms. Each post dissected the supply chain strategies of global giants, offering brand-specific insights, comparative benchmarking, and innovative recommendations.

Nike

We decoded Nike's vast global supply chain, focusing on its Direct-to-Consumer (DTC) evolution, contract manufacturing network, and responsive logistics. By benchmarking against 10+ global competitors, the analysis revealed key differentiators in Nike's demand sensing and inventory flow.

Highlights: Suggested reducing lead times through regional warehousing and predictive analytics, while improving cost-efficiency through tech-enabled vendor collaboration.

Blinkit

This post unraveled the hyperlocal logistics engine powering Blinkit, analyzing its dark store model, rider network, and ERP integration across 30+ cities.

Highlights: Identified major bottlenecks in urban clusters and proposed high-impact solutions like EV-based last-mile delivery, pop-up fulfillment hubs in Tier 2 cities, and a circular resale model to drive sustainability and improve service coverage.

Coca-Cola

We took a deep dive into Coca-Cola's end-to-end procurement and sustainability initiatives, focusing on its use of AI-powered forecasting, real-time inventory systems, and eco- conscious packaging.

Highlights: Showcased the brand's shift to 100% recyclable PET bottles, reverse logistics innovations, and cost-optimization through local sourcing and predictive demand models.

The CBSMUN Society conducted a series of internal Knowledge Sharing Sessions throughout the year with the aim of enhancing members' capabilities across various domains crucial to MUN and overall development. These sessions focused on topics such as Model UN procedures, global diplomacy, public speaking, research methodologies, content development, and graphic design. Led by senior members and experienced delegates, the sessions promoted peer-to-peer learning in a collaborative and supportive environment. Public speaking and diplomacy workshops, in particular, helped members sharpen their articulation and negotiation abilities—key skills for excelling in MUN conferences.

In addition, sessions dedicated to graphic design and content creation empowered the creative team to produce impactful visual content for society events. This initiative encouraged cross-functional collaboration, enabling members to explore new interests and contribute to different aspects of the society's functioning. These forums not only equipped members with relevant skills but also fostered a strong sense of community and growth. Each participant emerged more confident— whether as a speaker, researcher, designer, or leader—both within the MUN circuit and beyond. | We hosted a Pre-Event Collaboration Theme Party to build rapport and spark creativity before the main event. Centered around the theme ―Unity in Diversity,‖ the party featured team- building games, cultural showcases, and interactive ice-breakers. Delegates connected beyond their committee roles in an informal and inclusive setting, fostering early networking and inter-delegation friendships.

We organized our flagship event, the Global Crisis Case Competition, a dynamic simulation where participants took on the roles of international stakeholders responding to complex global emergencies. The competition tested analytical thinking, diplomacy, and real-time decision-making with evolving crisis scenarios. It drew participation from premier institutions across India, encouraging strategic debate and high-level discourse on pressing global issues. |

Jamboree India Seminar: Our society collaborated with Jamboree India, a reputed institute known for coaching aspirants of GMAT, GRE, IELTS, TOEFL, and SAT. The seminar provided students with detailed insights into the structure, scoring, and timelines of international competitive exams required for higher education abroad. The session also included preparation strategies tailored to each exam, helping attendees plan their application journeys effectively. With active student participation and Q&A engagement, the seminar proved to be a valuable academic support initiative for those aspiring to study overseas.	Venture X: The Startup Investment Thesis Competition, organized by CEO DU, witnessed a phenomenal response with over 1100+ participants from prestigious institutions including IIMs and top Delhi University colleges, marking a 3x growth from the previous year. As the only Startup Investment Thesis Competition in Delhi University, it provided an exceptional platform for budding entrepreneurs and future investors to present investment strategies and problem-solving skills in real-world startup scenarios. The event also encouraged peer learning and collaboration through extensive networking opportunities. We were privileged to host a distinguished panel of judges—Mr. Ajay Gupta (Founder & CEO at iRapido), Mr. Mayank Jain (Founder & CEO at Ezyschooling), Ms. Sunanda Gupta (Co-Founder at iRapido Global), and Mr. Shivek Arora (Senior Analyst at YourNest)—whose insights added depth to the competition. The event was further supported by sponsors such as Stockedge, Metvy, Polka Pop, and Unstop, amplifying its reach and impact within the entrepreneurial ecosystem.

● Pulse Magazine, CEO DU's annual publication, offers a unique perspective into the evolving realms of entertainment, defense, and entrepreneurship. This year's edition delves into Formula 1's transformation into a global media powerhouse and India's strides in defense-tech and indigenous innovation. The startup section showcases celebrity-led ventures and bootstrapped successes that scaled without external funding, reflecting the diversity of India's entrepreneurial landscape. Adding real- world flavor, the magazine features exclusive podcast interviews with renowned founders and CEOs such as Akash Gupta (Zypp Electric), Sidhant Keshwani (Libas), Vineet Patawari (StockEdge), Deepak Kumar (OnCare), Pashmi Aggarwal (Get-A-Way Ice Creams), Ananya Maloo (Nuutjob),

and Natwar Aggarwal (Bacca Bucci), where they shared candid insights on leadership, resilience, and innovation. This edition blends research and lived experiences, making it a must-read for aspiring entrepreneurs.

- The CEO Talks Podcast featured insightful conversations with top entrepreneurs who shared their journeys, challenges, and business strategies. Akash Gupta (Zypp

  Electric) spoke on building India's EV logistics and tackling urban delivery issues. Natwar Aggarwal (Bacca Bucci) shared how innovation helped the brand grow in a competitive market. Deepak Kumar (OnCare) discussed making cancer care more accessible, while Pashmi Agarwal (Get-A-Way) spoke about disrupting the dessert space with healthy options. Ananya Maloo (Nuutjob) highlighted breaking taboos in men's hygiene, and Vineet Patwari (StockEdge) talked about making finance simple through tech. Sidhant Keshwani (Libas) shared how he scaled a family business into a leading fashion brand.

- Networking Mixer As part of our commitment to experiential learning, students participated in India's largest live startup pitching event hosted by Favcy at Bharat Mandapam, New Delhi. They contributed to live product demos of ventures like Startup Navigator, Nalanda, and Kuber, engaging with 30+ startup founders, VCs, HNIs, and CXOs. The event provided a dynamic environment to receive expert feedback, expand professional networks, and build meaningful connections in the entrepreneurial ecosystem.

- Summer Workshop 2025- It was a 3-day workshop conducted during 27th – 29th June 2025, providing an immersive learning experience designed specifically for students of Class 11th and 12th. The workshop aimed to introduce young minds to the world of business and management through interactive sessions on Excel, business simulations, and case competitions. With a strong focus on practical application and foundational skill-building, the event saw enthusiastic participation from students across multiple schools. The initiative successfully sparked curiosity and provided early exposure to real- world problem solving, analytics, and structured thinking laying a strong groundwork for their future academic and professional journeys. The event witnessed a virtual footfall of 200+ students.
- Live Projects- Our team actively contributed to Wendy's India Instagram content pipeline, working on trend analysis, creative ideation, and execution of content aligned with the brand's identity. We collaborated with brand managers and industry professionals to drive strong engagement and boost the brand's digital presence.
- Social Media Management- In order to maintain the college's social media presence on websites like Facebook, Twitter, and Instagram, Communiqué manages, curates, and produces the material. The cell makes sure that important events, college highlights, and festivals are actively covered on the college's official pages. Additionally, the cell makes sure that all questions posted on the official pages are answered promptly. Due to all of these efforts, the college's account saw an increase in outreach of more than 7,000 during the past three months.
- Collaboration with Anjan TV- We collaborated with *Anjan TV* for the shoot of *Bole Youngistan*, which witnessed the enthusiastic participation of over 100 students from within the campus.
- Confluence: LinkedIn Mixer- Crafted with a vision to facilitate organic conversations and cross-institutional collaboration, Confluence drew together some of the most enthusiastic and forward-thinking minds across Delhi. Students and society members from prestigious institutions such as Jesus and Mary College, Miranda House, Shaheed Bhagat Singh College, Deen Dayal Upadhyaya College, Keshav Mahavidyalaya, College of Vocational Studies, and a special delegation from DTU Consulting Group (Delhi Technological University), converged at SSCBS to engage, ideate, and celebrate. The mixer witnessed a footfall of 70+ individuals from various colleges within DU Circuit.
- Code resistance- Organized by the team at Communiqué, *Code Resistance* witnessed enthusiastic participation with over 150+ registrations. The event successfully combined strategic thinking, teamwork, and real-time decision-making within a simulated environment. From concept to execution, the organising team ensured a seamless and engaging experience that challenged participants to apply their analytical and problem- solving skills in a dynamic setting.

We are proud to claim that we organized a speaker session on the UPSC Civil Services Examination in collaboration with Shankar IAS Academy, featuring Mr. Syed Mahamood Akhter, a respected IAS officer. Mr. Akhter shared insights into his UPSC journey, highlighting strategies for mastering the syllabus, tackling the interview process, and managing time effectively. He emphasized the importance of mindset, discipline, and motivation in pursuing a career in civil services. The session also featured an interactive Q&A segment, where students clarified their doubts and explored the realities of public service careers. This speaker session served as an invaluable platform for aspiring civil servants, fostering interest in governance and reaffirming our commitment to delivering impactful, career-focused initiatives.	Introducing the CDF Changemakers Cup, a flagship Business Plan Competition organized by the Connecting Dreams Foundation SSCBS. This highly anticipated event was designed to foster innovation, creativity, and social entrepreneurship among students by encouraging them to craft impactful business models that go beyond profits and focus on sustainable development and community upliftment. With over 800 registrations and 50+ high-quality submissions from prestigious institutions, the competition witnessed a display of strategic thinking, problem-solving, and purpose-driven innovation. After rigorous evaluation across multiple competitive rounds, Team Riayat emerged as the winner for their socially relevant and scalable idea. Team Agni secured the second position for their unique and practical solution, while Team Nirmaan was awarded third place for their well-structured business plan. The Changemakers Cup successfully cultivated a spirit of social innovation and collaboration, empowering the next generation of changemakers to build ventures that drive meaningful impact

5. Other Initiatives

● Project Jyoti: Project Jyoti is a flagship livelihood initiative aimed at empowering underprivileged women by helping them establish candle-making micro-enterprises. The project team conducted multiple rounds of brainstorming, feasibility checks, and groundwork with 3–4 NGOs to develop a scalable model promoting eco-friendly production and sustainable women-led entrepreneurship. Recognized for its innovation and potential for impact, Project Jyoti was selected as a finalist at the Changeathon. This initiative not only

helped uplift communities but also showcased how business models can be leveraged to create social value and economic independence.

- Project Utsav: Project Utsav was designed to support the local potter community through direct sales, market linkage, and promotional activities. The team undertook on- ground field visits to understand the needs of the artisans and collaborated with the college canteen to facilitate the sale of approximately 300 kulhads. This initiative fostered traditional craftsmanship while encouraging sustainable consumption within the college ecosystem. By generating a stable source of income for the potters, Project Utsav created a meaningful and lasting social impact.

- Live Project – Meteor Ventures (LP-MV): As part of our live project series, members worked with Meteor Ventures on a dual-track assignment. The first track involved designing a UAE-based venture capital fund through comparative policy analysis, while the second focused on building a neo-banking strategy tailored for India's fintech ecosystem. This experience enhanced members' financial acumen and strategic thinking, offering real-world exposure to business structuring and innovation within the investment landscape.

- Corporate Social Responsibility (CSR) Posts: Under our content-based initiatives, the team curated a digital series analyzing CSR and ESG strategies of leading companies. This nitiative aimed to raise awareness among students about how large corporations integrate ethical practices, governance standards, and social responsibility into their core operations. The series educated viewers on sustainable business models and the long- term impact of responsible corporate behavior.

- NGO Visits & Community Outreach: Around 10 NGO visits were conducted throughout the year, where members engaged in activities such as educational workshops, field research for Project Jyoti, and donation drives. These visits allowed students to witness grassroots realities, interact with community members, and implement theory in real- world scenarios. The initiative emphasized empathy, collaboration, and social responsibility as core values of our society.

- VITI'24 Games Stall: At the college's annual Diwali celebration, VITI'24, CDF SSCBS organized an interactive and educational games stall, fully designed and managed by society members. The stall attracted strong student participation, blending entertainment with social messaging. The activity demonstrated the team's planning, creativity, and operational execution while contributing to the festive spirit of the event.

- Knowledge Sharing Sessions (KSS): Throughout the academic year, the society hosted multiple internal sessions focused on practical skills such as Excel, Canva Design, Resume Building, Case Frameworks, Guesstimates, and B-Plan Development. These sessions helped members prepare for national case competitions and live projects while promoting peer-to-peer learning and holistic growth within the team.

- Corporate pe Charcha – Podcast Series: This year, we proudly launched *Corporate pe Charcha*, a podcast initiative led by the students of CDF SSCBS. Each episode featured insightful conversations on emerging trends, corporate ethics, and innovation in business. Designed to bridge the gap between classroom learning and industry insights, the series allowed members to research, script, and produce high-quality content in an engaging and informative format.

In 2024–25, EcoClub SSCBS advanced its mission of sustainability through engaging events and strong student involvement. The Independence Day Brain Buster Quiz challenged students on environmental issues, general awareness, and current ecological trends. Additionally, a Road Safety & First Responder Workshop, held in collaboration with the Indian Road Safety Campaign and Hero MotoCorp, saw participation from 90+ students across societies, with 10+ trained facilitators from IIHMR Institute, equipping attendees with vital life-saving skills

The 30 Days Environment Challenge emerged as a standout initiative, motivating students to adopt and document eco-friendly habits over a sustained period while the Plantation drive focused on planting curry leaf plants, known for their ecological and culinary benefits contributed to a greener future.

EcoClub SSCBS organized a successful curry leaf plantation drive on October 14, 2024, promoting sustainability and environmental awareness. With 200 saplings planted by students and faculty, the event fostered teamwork, ecological responsibility, and long- term green impact. It strengthened community spirit and highlighted the importance of urban greenery and collective environmental action. | Prakriti, the annual environmental festival organized by the Eco Club of Shaheed Sukhdev College of Business Studies, reflected a strong dedication to sustainability and innovative thinking. The fest featured three key events: the Ecological 2.0 Case Competition, the EcoSankalp 2.0 B- Plan Competition, and the Planet Pioneers Quiz. Each event aimed to engage students in tackling real-world environmental issues through creative problem-solving and awareness- building.

The Ecological 2.0 Case Competition aimed to foster sustainable entrepreneurship and innovative thinking among students, with a strong emphasis on environmental preservation. Participants presented creative solutions to urgent ecological challenges, demonstrating how economic viability can go hand-in-hand with environmental responsibility. The event inspired a deeper understanding of the role young minds can play in driving impactful, eco-friendly change. |

5. Other Initiatives

● Gaushala Visit – EcoClub SSCBS organized a visit to Shri Govind Gaushala to raise awareness about animal welfare and sustainable living. Students engaged in meaningful activities such as feeding cows, interacting with caretakers, and temple visits. The experience instilled empathy and a deeper understanding of the role Gaushalas play in supporting non-productive animals and promoting compassionate living.

● Waste Segregation Challenge – As part of *Vitti 2024*, EcoClub hosted an interactive Waste Segregation Challenge that educated participants about proper waste classification. The activity encouraged students to reflect on real-world waste disposal issues, fostering environmental responsibility and teamwork in an engaging, hands-on format.

● Brain Busters Quiz – Celebrating Independence Day, EcoClub collaborated with CDF to organize the *Brain Busters Quiz*, an online event that attracted over 100 participants. The quiz seamlessly blended patriotism with environmental awareness, creating a fun and intellectually stimulating experience that promoted learning, camaraderie, and civic pride.

The Basera Volunteer Visit on August 29, 2024, saw 50–60 college students visit the Rain Basera Shelter in Connaught Place. Volunteers conducted painting activities, dance sessions, and	

interactive games, creating a joyful and inclusive environment for the children. This initiative helped instill empathy and a sense of community service among participants.

On October 18, 2024, a collection drive was conducted at Shaheed Sukhdev College of Business Studies in collaboration with Pehchaan Street Foundation. The drive received an overwhelming response with contributions from 150–180 students, including books, notebooks, and other educational materials. These items were distributed on October 20, 2024, to children near Venus Public School, benefiting 80–100 underprivileged children and reinforcing the value of educational equity.

The society set up a sustainable product stall on October 25, 2024, at Shaheed Rajguru College for Women. Products such as notebooks, diyas, stubble pots, and wall hangings were displayed to encourage environmentally conscious choices. The same day, a community visit to the refugee colony in Majnu ka Tilla was undertaken to assess the living conditions of the Pakistani Hindu community and plan empowerment-based interventions. Later, on February 2, 2025, the Basera Closing Visit marked the culmination of months of engagement at the Rain Basera Shelter. Volunteers organized storytelling, dancing, painting, and distributed chocolates to around 50–60 children

A product stall at Bennett University was set up on February 10, 2025, where more than 500 attendees engaged with our eco-friendly product range. This was followed by sustainability awareness sessions at Kendriya Vidyalaya Masjid Moth and

Government Boys Senior Secondary School on February 11 and 14, respectively. Around 40–50 students in each school were introduced to mindful paper consumption practices. On February 14, the team also conducted a Kaagazi session at Government Girls Senior Secondary School, reaching 150–200 students through interactive activities focused on paper waste management. The educational journey continued with another Kaagazi workshop on February 17, 2025, at Bal Bharti Public School in Pitampura, where 150–200 students were introduced to the importance of recycling and sustainability. On April 16, 2025, the society hosted Abhivyakt, a social business plan competition at SSCBS, attracting over 100 participants who developed business plans addressing critical social issues through innovation and sustainability. Finally, a community visit to Mansarovar Park II on July 3, 2025, aimed at identifying employment and skill-building opportunities for marginalized groups, saw the participation of 50–60 students committed to sustainable social upliftment.	

5. Other Initiatives

● We partnered with Fortis Escorts to extend free medical care to women and children at the shelters. This included general check-ups, ECG tests, vaccinations and treatment for common illnesses.

● We collaborated with TalkItOut, a counseling clinic, to address mental health issues, to provide personal counseling sessions and therapy to women.

● We partnered with Kalakar Trust, to communicate and conduct our operations with Kathputli Colony effectively and efficiently.

● We partnered with the Pratisandhi foundation to conduct sensitization sessions for the people of the Kathputli colony in order to create awareness.

● We partnered with this NGO that is committed to help children and elderly people coming from a range of backgrounds in overcoming their problems and achieve a life of dignity.

- We collaborated with them to train the women of Kathputli Colony in skills which will help them in the operations.
- Under Feeding India initiative by Zomato, we provided meals to the NGOs in order to assure that the people associated with these NGOs get nutritious food on a regular basis.

The Financial Literacy Cell organized three impactful seminars aimed at fostering financial and digital awareness among students. The first, in collaboration with NICASA–ICAI, explored the theme *"Digital Etiquettes and the Role of AI"*, where CA Ayushree Khanna highlighted AI's impact on digital communication, ethical online behavior, and cybersecurity. The second session, *"Decoding the Union Budget 2025"*, featured eminent economists and educators like Prof. R.P. Tulsian and Dr. Dharmveer, offering students a deep dive into fiscal policy, tax reforms, and economic implications. The third workshop, conducted in partnership with IEPFA and NCAER on International Women's Day, was themed *"Her Freedom, Her Future"*, focusing on financial and digital literacy for women's empowerment in building a Viksit Bharat. These sessions were interactive, well-attended, and instrumental in enhancing financial knowledge, policy awareness, and responsible digital conduct among students.	As part of SSCBS's annual cultural fest *Crescendo*, the Financial Literacy Cell, in collaboration with Kartavya – the Social Service Forum of SSCBS, organized a unique social case competition titled ***"Quest for Change."*** The competition aimed to encourage students to apply their analytical and financial skills to address pressing social issues, thereby bridging the gap between financial literacy and social responsibility. Participants were presented with real-world problem statements related to financial inclusion, women's empowerment, and sustainable development, requiring practical and innovative solutions. The event saw participation from over 50 teams across reputed universities, with finalists presenting to a panel of judges comprising faculty and social sector professionals. *Quest for Change* successfully engaged students in critical thinking and impact-driven problem-solving, reinforcing the cell's commitment to promoting socially conscious financial education. The event was widely appreciated for its relevance, structure, and contribution to a socially aware academic environment.

5. Other Initiatives

The Financial Literacy Cell actively leveraged social media to disseminate financial awareness by curating informative and research-based posts on Instagram. These posts covered a range of emerging financial topics aimed at simplifying complex concepts for the student audience. Key subjects included the speculative surge and risks associated with SME IPOs, the growing relevance and volatility of Bitcoin, and the disruptive innovation of neo-banking in the digital finance landscape. In addition to digital outreach, the Cell conducted a comprehensive questionnaire-based survey to assess the level of financial awareness among college students, gaining insights into prevalent knowledge gaps and behavioural patterns.

Furthermore, a concise and accessible Budget Booklet was prepared, summarizing key

highlights and implications of the Union Budget 2025, thereby aiding students in understanding complex fiscal policies. These initiatives collectively contributed to enhancing financial literacy both within and beyond the college community.Student Committee

FMA India, in collaboration with FMA SRCC, organised a series of enriching seminars and workshops featuring renowned industry leaders. Highlights included *Future in Finance* with Mr. Saim Fakih from CFA Institute, decoding the CFA program and career pathways in investment management. Sessions with Mr. Aswini Bajaj, Mr. Nishant Parekh, and Salman Quraishi, Head of Sales at Zerodha, provided practical knowledge on equity markets, wealth management, and fintech careers. We also hosted an insightful session on financial planning and analysis with the Regional Head of Aditya Birla and Heineken, covering corporate finance, budgeting, and performance management. These interactive events empowered students to explore diverse finance domains, build essential skills, and connect with industry veterans, aligning with FMA India's vision of experiential learning.	Bidweiser : Bidweiser 2.0, organized by FMA India SSCBS during Crescendo 2025, attracted 300+ registrations from top management and B-schools across India. The competition tested participants' practical knowledge through rounds focused on mock trading and relative valuation, offering hands-on experience in real-world finance scenarios. By simulating dynamic market conditions and valuation techniques, Bidweiser 2.0 provided valuable insights into financial markets, equity analysis, and strategic decision-making, fostering a deeper understanding of trading psychology and corporate valuations among budding finance professionals.

5. Other Initiatives

- Amazon Live Project: As part of FMA India, we undertook an Amazon Live Project spanning 12+ industries and 221+ categories, conducting in-depth market research and compiling 10,000+ data points into actionable pricing and strategy reports. We built dynamic financial models covering 25+ cost variables to optimize pricing structures, tax frameworks, and fulfillment logistics. This enabled us to identify strategic growth avenues and cost efficiencies across domestic and international e-commerce markets. The project strengthened our ability to deliver robust, data-driven solutions for global expansion.

- Equity Research Report: As part of our equity research project on L&T which received 4000+ impressions with an organic engagement rate of 99.7%, we conducted detailed financial modeling and performed an in-depth DCF valuation, projecting the company's performance based on historical trends, industry outlook, and macroeconomic factors. Our analysis covered key financial ratios, operational KPIs, and core revenue and cost drivers.

- KSS: As part of our Knowledge Sharing Sessions (KSS) series, we conducted 20+ sessions covering core finance topics, with a strong focus on fundamental and technical analysis. These sessions explored practical approaches to building valuation models, forecasting company performance using real-world data, and analysing stock market trends. We also guided members on interpreting financial statements, understanding market indicators, and applying both fundamental and technical strategies to strengthen their practical grasp of investing and financial decision-making.

- Industry Research Report: As part of our semiconductor industry research report which received 8000+ impressions and an organic engagement rate of 96.2%, we conducted an in-depth macro analysis covering global headwinds, supply chain dynamics, and Taiwan's critical role in global production. We explored challenges like geopolitical risks and supply shortages affecting the industry worldwide. The report also analyzed India's emerging opportunities in semiconductor manufacturing and policy support for domestic growth. We examined key market trends, technological advancements, and future demand drivers. This research provided participants with a comprehensive understanding of the sector's risks, opportunities, and growth potential.

- Quest Capital: As part of Quest Capital, our student-led investment fund performed in line with the markets during the correction period, providing valuable lessons in managing real-time market volatility. The fund enabled participants to learn active and live market trading, gaining hands-on experience across cash, F&O, and crypto strategies. We focused on designing practical trading rules and risk management frameworks. This initiative helped students understand market dynamics and portfolio management. It strengthened their ability to apply investment theories to real-world scenarios.

- Finstrat Fusion 2.0: As part of FinStrat Fusion, FMA's flagship recruitment competition, participants conducted fundamental analysis of any one of the three given companies. Introductory Workshop Incoming first-year students were welcomed into the dynamic world of theatre through an engaging introductory workshop organized by Fourth Wall Productions. Designed to provide a foundational understanding of performance, the workshop comprised outdoor group activities and an indoor segment titled *Glimpses of Theatre*. Participants explored essential theatrical elements through improvisation games, expressive movement exercises, and collaborative tasks that fostered creativity and confidence. The indoor session featured impactful monologue performances by existing members, offering new students a first-hand experience of the	Prologue 2024: Celebrating Emerging Talent The 9th edition of *Prologue*, the annual in-house production by Fourth Wall Productions, was celebrated on November 26, 2024. Staying true to its legacy of nurturing creativity and personal expression, the event offered members of the Organizing Committee an opportunity to step into the spotlight and explore their theatrical potential. In the lead-up to the event, the team underwent a rigorous, month-long workshop under the guidance of seasoned mentors, culminating in the performance of four original and impactful plays. The Plays: 1. *The Dumb Waiter*: A tense exploration of loyalty and fate. 2. *Ambu and Rajlakshmi*: A moving tale of sisterhood and the pull between home and the city.

emotional range and depth of stagecraft. Facilitated entirely by society members, the workshop encouraged free expression and built a safe, inclusive environment for exploration. By providing practical exposure and a supportive learning space, the initiative laid a strong foundation for sustained engagement in the performing arts and reflected the society's ongoing commitment to cultivating talent from the outset of each student's journey.

Orientation Theatre Workshop

A month-long Orientation Theatre Workshop was facilitated by experienced members of the society to nurture and train new recruits while refining the capabilities of continuing members. Structured to accommodate multiple skill levels, the workshop featured both beginner and intermediate learning tracks, ensuring an inclusive and impactful developmental experience for all participants.

3. *Ande keChhilke*: A satirical reflection on the hollowness hidden beneath society's polished exterior.
4. *It's Not You, It's Me*: A heartfelt narrative of insecurities, confession, and emotional growth.

Prologue 2024 highlighted the society's dedication to emerging talent, providing a space where self- expression, collaboration, and storytelling merged into powerful on- stage performances. It reinforced the importance of heatrical experimentation in the society's journey and celebrated the evolving creative voice of its members.

Reprise 2025: Annual Closing Fest

Held on April 28, 2025, at the AkashGanga Auditorium, *Reprise* marked the culmination of the society's appreciation and shared learning. This year saw an overwhelming response, with 53 entries from prominent college theatre societies. The preliminary rounds, held on April 1st and 2nd, featured performances by 20 shortlisted teams, evaluated by noted theatre practitioners Arjun Sahni and Padam Sharma, who offered insightful feedback that enriched the creative experience.

The festival was supported by sponsors including Eco Hand Crafted, Call of Cravings, MP Candles, and Ziyoor, highlighting strong ties between the creative and corporate worlds. The final showcase was held on April 16, 2025, during *Crescendo*, the college's Annual Cultural Fest. Six outstanding teams performed at the AkashGanga Auditorium, in front of a packed audience and acclaimed theatre artist Chinmoy Das.

Raasa 2025 stood as a benchmark in the DU theatre calendar, not only for its scale and execution but also for the sense of community, appreciation, and mutual respect it fostered. The event reaffirmed its identity as a celebration of theatre and a space where creativity thrives beyond competition.

5. Other Initiatives

● The orientation play *Laal Pencil* was conceptualized, rehearsed, and performed within a short timeframe to welcome the incoming SSCBS batch. The play not only entertained but also introduced students to the essence of theatre, cultivating a sense of connection and inclusivity from their very first day.

● A thoughtfully produced and visually engaging orientation video titled *Sukoon* was created to facilitate a smooth onboarding experience for new students. The video reflected the society's welcoming spirit and highlighted its emphasis on inclusivity, community, and creative growth.

● In collaboration with AROC during the Annual Alumni Meet, the society presented a short yet impactful excerpt from a full-length production. The performance captivated the audience and showcased the society's ability to convey powerful narratives within a limited timeframe.

● First-year members showcased their individual growth by presenting monologues at both internal and external events. These performances highlighted their transformation from passionate theatre enthusiasts to confident and skilled performers.

In the Second Semester we hosted an engaging seminar in collaboration with SIEC Education, focused on helping students explore higher education opportunities abroad. With over 100 students in attendance, the event covered a wide range of topics including study options across various countries, fields of interest, application procedures, and available scholarships. Experts from SIEC shared practical advice on preparing for international admissions, from choosing the right course to securing financial aid. The session was highly interactive and informative, especially for those considering global education pathways. It was a meaningful step towards building valuable partnerships while staying true to our goal of supporting students in their academic and professional journeys.	INVICTA 2025 was successfully conducted with an overwhelming response, witnessing over 1,400 participants from premier institutions across the country. The multi-round competition concluded with 3 winning teams who showcased exceptional strategic and analytical skills. A major highlight of the event was the final case round, where participants were tasked with crafting a strategic breakthrough for launching Dubai's first luxury casino, challenging them to apply real-world business thinking. The event was judged by an esteemed panel including professionals from EY and experienced Chartered Accountants, adding immense credibility and industry insight. We received strong support from our sponsors, including THEV Group, Unstop, GemMines, and DU Buddy, which contributed significantly to the event's success. With 25,000+ impressions on Unstop, the fest garnered substantial visibility and engagement across platforms. This edition of our fest not only celebrated innovation and strategy but also reinforced our society's commitment to delivering high-impact, industry-oriented events.

During its tenure, Kartavya conducted a diverse range of seminars, workshops, and sessions aimed at empowering students with academic guidance, career mentorship, and holistic development. A standout session was the CAT Preparation and Strategic Learning Workshop conducted by Mr. Prashant Monga, an IIT-IIM alumnus, where students received firsthand tips and strategies to ace competitive exams and understand the MBA journey. Health and wellness were also prioritized through a Full Body Check- Up Camp, organized in collaboration with Clove Dental and Whistle, encouraging preventive healthcare and wareness among students To support global education aspirations, Kartavya partnered with SEED Global Education for an insightful workshop featuring representatives from top U.S. and Canadian B-schools. Students gained clarity on international admission processes, profile building, and scholarship opportunities. The forum also organized dedicated sessions for ISB's PGP YL Program, offering valuable guidance on application strategy, interviews, and long-term career planning. The SPJIMR Connect Series further helped students explore career prospects in management and higher education.	Kartavya, the Social Service Forum and NSS Unit of SSCBS, organized two major flagship fests during the academic year — Viti'24 and Vivante'24, both of which combined celebration with social consciousness and community engagement. Viti'24, the annual Diwali fest, was a vibrant celebration filled with joy, creativity, and social connection. The event featured a wide range of activities such as mandala-making, treasure hunts, open mic performances, and fun stalls managed by local startups and students. A dedicated photo booth, festive decorations, and engaging performances by college students and NGO children added to the spirit of inclusion and festivity. Viti aimed to bridge the gap between students and the community through a shared experience of kindness, celebration, and social awareness. Vivante'25, the annual philanthropic fest held under Crescendo'25, focused on creating tangible social impact. Organized in collaboration with Shubhashiksha, it included several NGO visits where volunteers mentored and supported underprivileged children through educational activities. One of the most heartfelt initiatives was the Wishing Wall, which collected and fulfilled over 60+ wishes of children through public contributions. The fest also

Additionally, Kartavya collaborated with Drishti IAS to host an orientation session for civil services aspirants, guiding them on preparation methods, timelines, and career paths in public administration.

These enriching sessions exemplify Kartavya's commitment to fostering academic excellence, professional growth, and social responsibility among students.

featured ─Quest for Change,‖ a social case study competition in partnership with the Financial Literacy Cell, where students proposed actionable solutions to real-world social issues.

Both fests saw enthusiastic participation from students, faculty, NGOs, and external stakeholders. Through a combination of celebration, creativity, and compassion, Kartavya's events left a profound impact on the community, staying true to its mission of service and inclusivity.

5. Other Initiatives

PROJECT FURRY

During Viti'24, under Project Furry to promote animal welfare, Kartavya undertook the following activities:

- Animal Shelter Visit: We visited Shri Hari Govind Gaushala in Rohini to spend time with and distribute food to cows.
- Public Awareness Posts: Through Kartavya's social media handles, we spread awareness about the Do's and Don'ts related to animal care, educating people on how to protect and help animals.

PROJECT SAKSHAM

During Vivante'24, *Project Saksham* aimed to promote awareness about education, career opportunities, skill development, and government schemes. It provided support to individuals of all age groups - from children to young adults - helping them unlock their potential for a brighter future.

We visited Shubhashiksha Educational Society to spend time with children and understand their wishes. This led to the Wishing Wall event under Vivante'24, where we reached out to students, faculty, and others to help fulfill these children's dreams.

We proudly set up a Face Painting Stall during the Diwali Fest, VITI, organized by Kartavya, bringing students and faculty together to celebrate the festival of lights with creativity and color. This interactive activity encouraged artistic expression and added vibrancy to the festivities. Continuing our efforts to celebrate cultural traditions, intricate Rangoli designs were crafted for the Annual Award Ceremony on 19th October 2024, Convergence Event on 14th November 2024, the Hon'ble Speaker Visit on 21st March 2025, and Project CHALLAnge on 26th March 2025. These designs served as decorative highlights and symbols of unity and cultural pride. To enhance our creative skills, a Knowledge Sharing Session (KSS) on Canva was conducted via Google Meet, equipping members with practical tools for digital design and content creation. Collectively, these initiatives reflect our commitment to fostering creativity, cultural appreciation, and skill development within our team and the wider community.	Successfully organized ALLA PRIMA 2025, an art fest featuring four engaging competitions: T-shirt Painting, Charcoal Sketching, Rangoli Making, and Digital Art. The event drew enthusiastic participation, offering students a vibrant platform to explore diverse art forms, express creativity, and showcase their talent in both traditional and digital mediums. This initiative celebrated artistic expression while fostering healthy competition and collaboration. Additionally, conducted a Mandala Art Competition during the Diwali Fest VITI, organized by Kartavya on 25th October 2024. Participants created intricate mandala designs, blending cultural symbolism with personal creativity. This activity introduced a meditative and visually captivating element to the celebrations, encouraging mindfulness and appreciation of detailed art. Together, these efforts reflect our commitment to nurturing creativity, cultural engagement, and providing meaningful opportunities for students to express themselves through art, while strengthening community spirit and appreciation for traditional and contemporary artistic practices.

This year, our society organized four diverse and engaging seminars catering to students' academic, professional, and personal development. We collaborated with Procter & Gamble for a session on personal hygiene and wellness, emphasizing essential everyday practices. Another seminar focused on strategies to secure high-paying roles in top multinational companies, offering insights into career planning. We also held an informative session on studying abroad, covering key aspects of international education opportunities. Lastly, we conducted a seminar on the Cost Management and Accounting course, shedding light on the scope and career prospects in the field of finance and accounting. Each event witnessed active participation from 80-90 students and positive feedback from the attendees.	We organized our annual Flagship event _Excelsior: Alchemy of Acumen' on the 5th and 6th of March. Hosting participants from various colleges across India which turned out to be a huge success. Mark-It conducted 4 competitions under Excelsior namely, Best Manager (the management competition), Corporate Strategy (the strategy competition), Marketers (the marketing competition) and Perception Paradox (the HR, PR competition). We had 300+ participants and a footfall of 1000. We invited proficient judges who awarded the deserving candidates with prize money and other gift hampers. In our knowledge-sharing sessions, we've covered topics that help us in different areas of our work. We learned how to use Canva and Figma to create eye-catching graphics and presentations, essential for communication, design, and marketing. Our workshops on data analytics with Excel, Power BI, Python, and SQL strengthened our ability to interpret data and make informed decisions. Sessions on finance and derivatives deepened our understanding of markets and risk. We also launched MIC'd Up, our exclusive podcast series, with the pilot episode featuring Bhanu Chopra, Founder of RateGain. His journey of building a global SaaS company provided invaluable insights to our student audience, reaching 10,000+ listeners across platforms. In collaboration with Zerodha, we hosted a Personal Finance Masterclass led by Mr. Salman Quraishi, which attracted 500+ registrations and addressed 30+ student queries on wealth creation, risk management, and financial discipline.	This year, we proudly organized two of our most awaited and impactful events—TEDxSSCBS 2025 and Bid for Brilliance (under the college's annual fest, Crescendo) TEDxSSCBS 2025, themed "Beyond the Final Frontier", was hosted at the Akashganga Auditorium and brought together a stellar lineup of speakers—from IAS officers to founders and creators—who shared stories that inspired change and challenged conventional thinking. The event was brought to life by a 42-member student team handling everything from content to logistics, and left a lasting impact on the audience and digital platforms alike. Bid for Brilliance, our signature mock-auction event, returned with even more excitement. With 750+ registrations, participants bid on brands and influencers to create winning business portfolios—all within limited budgets and dynamic market shifts. The ₹6,000 prize pool and competitive format made it a thrilling experience that tested real-world business skills with a creative twist.

Power BI Workshop: A 3-day offline Power BI workshop was organized by Nucleus from 8th-11thApril 2025 open for the entire college. AI & Advanced Analytics: Providing practical insights into the power of AI and advanced analytics in transforming business intelligence by Dr. Kathrin Kind. Excel Workshop: A 2-day online workshop on Excel was conducted from 8th-9th March 2025 in collaboration with Rotary District 3011. Risk Analytics: Exploring the application of risk analytics, highlighting its role in identifying vulnerabilities and strengthening decision making by Mr. Ayush Anand. Excel at Excel: An open-house offline engagement session was organized on 11th September 2024, open to all college students exploring Excel from scratch, witnessing 250+ registrations.	The Analytics Conclave 2025: The Conclave was held between the dates 26th February and 6th March 2025. It commenced with Epsilon 6.0 - An analytics case competition and Zeta 2.0, a simulation challenge based on Excel. The Conclave witnessed participation from 2000+ candidates. The event featured enlightening speaker sessions by industry experts, offering valuable insights into the world of analytics and its applications in various domains. Viz-a-thon 3.0: Viz-a-thon 3.0, a data visualization competition was organized by Nucleus on 16th April 2025 which enabled participants to showcase their data visualization skills using Power BI, Excel, Tableau, etc. It received a participation of 120+ individuals from reputed institutes throughout the nation.

5. **Other Initiatives**

● Knowledge Sharing Sessions: Nucleus, proudly being the only Analytics Society of the college, takes up KSS on various industry-standard applications encompassing MS Excel, Python, Power BI, Tableau, and Alteryx among multiple others. These KSS are unique in the college, given the fact that they are based on in-demand and industry-accepted analytics tools. Alteryx is one such unique software that was learned by members of

Nucleus as a part of the society (considering it's gaining recognition in the corporate

world), compared to many other societies of the college.

● Intra Soc Competition: After successfully learning new tools, the students are provided with a practical competition prepared by their peers to help them reinforce their technical skills and strengthen the application of important concepts involved in a particular software. This initiative by the society is also something that sets it apart from most of the societies in the college.

● Live Projects: The society also shares an excellent long-standing relationship with the corporate sector and has collaborated with firms to take up live projects, conducted speaker sessions both within the private and public sector domains. In the past, we have worked with firms like Delhi International Airport, Coal India Ltd, EY, SBI, EXL, etc. This year, we had newer partnerships with firms such as:

● Nanobi Analytics: Focused on leveraging data-driven strategies to streamline processes, enhance decision-making capabilities, and position credit unions for sustained growth and financial stability.

● Havish M Consulting: Engagement in 5 different projects covering vast solutions. Collaborated in building dynamic Excel and Power BI dashboards addressing HR, marketing, financial, and supply chain challenges through automation, data visualization, and predictive analytics.

These projects have significantly helped the students in gaining a practical experience of how Data Analytics is used in corporations and provided them first-hand experience by Strengthening the knowledge of the Analytics Tools they have been provided with.

	We organized a wide array of high-energy events to promote sportsmanship, inclusivity, and community bonding. The CBS Cricket League (CCL) featured 8 auction-based teams, delivering thrilling cricket action over two weeks. The Women's Cricket League encouraged female participation with 4 dedicated teams showcasing skill and resilience. The CBS Football League (CFL), with 6 teams, maintained a competitive spirit through its auction model and intense gameplay. The BGMI E-Sports Tournament drew active campus engagement, spotlighting reflexes and strategic thinking in gaming. Adrenaline, our flagship sports fest, included events like chess, table tennis, and indoor games, bringing together students from all courses. Under Adrenaline, the CBS Volleyball League saw powerful performances from 6 enthusiastic teams. Staff-e-Arena, held on Teachers' Day, fostered faculty-student bonding through friendly matches in badminton, chess, and cricket. Together, these events enriched the sporting culture and fostered unity across the college.

5. **Other Initiatives**
- Celebrating Teacher's Day, we organized a series of friendly competitions including chess, UNO, badminton, table tennis, carrom, and a special cricket match. These activities fostered bonding between students and teachers, creating moments of shared enthusiasm and mutual respect within the college community.
- The CCL introduced a second women's edition this year, marking a significant step towards gender inclusivity in sports. This initiative offered women cricketers a competitive platform to showcase their talent, encouraging greater participation and recognition of female athletes.
- We organized the first-ever CBS Volleyball League, overseeing team auctions, fixtures, and seamless event execution. The league witnessed high participation and vibrant audience engagement, establishing volleyball as a key sporting event on campus.

On February 14th, 2025, our society celebrated "Palentine's Day" in collaboration with Crescendo 2025, scaling the event to new heights in both participation and impact. The centerpiece was our "Secret Admirer Campaign," which received over 200 anonymous entries filled with compliments, love notes, and kind gestures—fostering a deeper sense of connection within the CBS community. Alongside this, our compatibility games served as interactive icebreakers, sparking conversations and laughter among students. Adding to the charm of the celebration, we introduced a vibrant Wishing Board, where students penned heartfelt affirmations and compliments for their peers—creating a warm and inclusive atmosphere. A special attraction was the personalized birth chart readings, which added a unique, mystical touch and saw enthusiastic participation. From secret messages to self-discovery, the event brought together fun, friendship, and a sense of belonging, making this year's Palentine's a memorable and meaningful celebration.	As part of our annual fest, we hosted *StrategiQ*on April 22nd and 23rd, a dynamic case competition centered around SanityBot—an AI- powered mental health startup. The competition challenged participants to craft a strategic roadmap tackling real-world issues such as trust in AI therapy, accessibility, data privacy, and inclusivity across diverse user groups. The event witnessed enthusiastic participation from students across DU and beyond, bringing fresh and thoughtful perspectives to a socially relevant problem. Through *StrategiQ*, we aimed to foster critical thinking at the intersection of ethics, technology, and business. The event not only aligned with our vision of inclusive and impact-oriented problem- solving but also sparked engaging discussions on mental health innovation. It stood out as one of the most intellectually engaging highlights of the fest.

5. **Other Initiatives**

● Our event was supported by a diverse group of sponsors who played a key role in its success. *Index Fiesta* served as our Media Partner, promoting the event across WhatsApp and Instagram to help us connect with a wider audience. *We Listen Foundation* provided financial support and collaborated on a live Pride- themed project, enhancing the event's social impact. *Krazy Bakery* joined as our Gifting Sponsor, contributing snacks and giveaways, while also participating in our digital campaigns. *Lavender Expressions* offered discount vouchers and conducted a session under ―ProjecEhsaas,‖ adding both value and learning to the experience. *StartupNews.fyi* helped amplify our media presence through website listings, media passes, and WhatsApp outreach, contributing to greater visibility.

● As a new initiative this year, our team launched research-based project ideas targeting real-life challenges faced by the LGBTQIA+ community, aiming to combine academic rigor with on-ground relevance.

● Our panel of judges held a DE&I-centric discussion focused on workplace inclusion for queer individuals, unpacking systemic barriers and offering practical frameworks for fostering equity.

● Our members have contributed to various platforms including Hindu College, LSR, Sri Aurobindo College (Evening), and Pratisandhi, producing work on queer- inclusive policy design, digital strategies, media portrayal, sensory empowerment, and personal narratives.

● Former VP Mannan Morvi spoke at ―Queer Unplugged: Mental Health Edition‖ by Qonnect and Leading with Pride, discussing healing, humor, and self- compassion in queer mental wellness.

As part of our continued commitment to impactful initiatives, Rotaract SSCBS, in collaboration with Rotary District 3011, proudly hosted Project	The Rotaract Club of SSCBS hosted ―Dare‐Disco,‖ a powerful and impactful period pain simulator event that saw enthusiastic participation

CHALLANge, a flagship road safety awareness event aimed at fostering responsible citizenship through education, empathy, and action. Graced by Shri Ajay Chaudhary, Special Commissioner of Delhi Police, the event featured a powerful nukkadnatak by Sukhmanch Theatre, interactive CPR training by Rtn Dr. Atul Vaish, a mental health session by Rtn Dr. Anuj Mittal, and a high-energy road safety quiz where winners received Steelbird Helmets, a symbolic reinforcement of the day's core message: *safety starts with you*.

In addition, we continued our efforts under the Srijan and Kamakhya verticals through several sessions focused on awareness, community engagement, and grassroots outreach.

Srijan Sessions:

from over 200 individuals. The event was seamlessly executed by dedicated Rotaract volunteers, who ensured both its smooth functioning and meaningful delivery.

Participants were given the opportunity to experience simulated period cramps, a sensation that, for most, proved to be extremely intense and discomforting. This first-hand encounter helped many better understand the physical challenges women endure during menstruation, fostering a sense of empathy and awareness.

―Dare-Disco‖ served as a heartfelt tribute to the strength and resilience of women, shedding light on the often-overlooked reality of period pain. By creating a safe space for honest conversations, the event challenged long-standing taboos and encouraged a more compassionate, informed, and inclusive dialogue around menstruation.

3. Other Initiatives

● Project Muskaan: To celebrate Teddy and Chocolate Day, we visited Bharte Kadam Foundation in Rohini, engaging children in a joyful session of teddy bear coloring, fun

games, and dance activities. The event fostered connection, laughter, and creativity. We concluded with chocolate and snack distribution, bringing smiles to every child's face. The drawings gifted by the children served as cherished souvenirs, making it a warm, heartfelt, and memorable Valentine's week experience for all involved.

- Project Zaria: Rose Day was marked by a vibrant event that encouraged emotional expression and creativity. Students participated in thumb painting and shared uplifting messages through sticky notes. Beautiful satin handcrafted roses were a major highlight, appreciated by all attendees. The activity created a lively atmosphere of joy, bonding, and togetherness on campus. It reinforced the importance of spreading positivity and made for an impactful celebration during Valentine's Week, with active participation from the college community.

- Project Ehsaas: For Propose Day, we organized a decentralized food and clothes donation drive. Volunteers collected items within their own neighborhoods, reaching out to shelters and communities in need. Through donations from students, faculty, and locals, a significant amount of resources was distributed. The initiative promoted compassion and unity, addressing urgent needs while fostering social awareness. It showcased our club's commitment to grassroots action and spreading kindness through small but meaningful gestures across multiple areas.

- Project Sankalp: On Promise Day, we launched ―Promise to Your Future Self,‖ where students and teachers wrote personal goals to be returned a year later. This encouraged reflection, motivation, and accountability. Notes included names and email IDs for future reminders. Over 100 participants engaged with enthusiasm, turning aspirations into written commitments. Volunteers facilitated the activity, which left a deep impact by fostering personal growth, purpose, and long-term vision — making it a unique and heartfelt event.

- Rang De: Conducted at Bharte Kadam Foundation, this wall painting drive allowed volunteers to paint value-based educational murals alongside children. The experience included games and snack distribution, enriching the bond between volunteers and the young participants. It aimed at both visual beautification and instilling values in the children. With over 50 volunteers and 30 children participating, the initiative offered a creative, meaningful experience and served as a platform for art, education, and joyful interaction.

- Project Udaan: Volunteers visited Ignited Minds Special School and spent a heartwarming day with students who inspired everyone with their spirit and energy. We organized interactive games, shared chocolates, and exchanged smiles, making the day special and inclusive. The event aimed to spread joy and appreciation for diverse abilities. The children's participation was enthusiastic, and the volunteers left uplifted by their positivity. The visit deepened our understanding of empathy and the value of shared happiness.

- Utsav-E-Sneh: At Triveni Vridhaashram, volunteers engaged with elderly residents, listening to their stories and participating in fun games like movie dialogue guessing and singing. The activity aimed to share companionship, joy, and respect with the senior citizens. Snacks were distributed as a token of affection. The initiative fostered cross-generational bonding and empathy, leaving everyone emotionally enriched. The experience reinforced the importance of caring for and learning from the elderly in our community.

- Dog Collar Activity: In Sector 16, Rohini, volunteers distributed neon reflective collars to stray dogs to ensure their visibility during low-light conditions. Split into three teams, we successfully collared 20 dogs, enhancing their safety and reducing the risk of nighttime accidents. The initiative combined awareness with action, promoting animal welfare and compassion. Treats were used to keep the dogs calm, and the activity highlighted how

small efforts can lead to a safer and more caring environment for strays.

- Plantation Drive: At Saraswati Bal Mandir School, Rajouri Garden, we organized a plantation drive focused on environmental sustainability. With the help of 100+ school students and 16 volunteers, over 40 saplings were planted. The event included interactive sessions that educated children on the importance of trees and climate action. The presence of teachers enhanced the learning experience. This initiative inspired young minds to take responsibility for nature and strengthened our commitment to ecological preservation.

- Clothes Donation Drive: Held on 31st March 2025, this donation drive collected and distributed gently used clothing to underprivileged individuals and shelters. Items were gathered from students, faculty, and local residents, sorted and delivered by club volunteers. The initiative addressed seasonal needs and promoted a spirit of generosity and solidarity. It also encouraged responsible recycling and thoughtful giving. The drive successfully reached numerous families, making it a meaningful act of compassion and social responsibility

- Project Sanjeevta: This project focused on raising awareness around disease prevention and accessible treatment. Through informative sessions and awareness drives, volunteers addressed crucial aspects like hygiene, vaccination, and first-aid readiness. Community members were educated about lifestyle practices that promote long-term health. The initiative aimed to create a culture of preventive healthcare by encouraging proactive behavior and medical awareness, especially in underserved communities. It helped bridge gaps in basic health literacy and encouraged early care-seeking behavior.

- Project Sanyam: Project Sanyam was designed to spread awareness about peacebuilding and conflict resolution, both at a personal and community level. Through reflective activities and discussion-based outreach, participants explored the importance of empathy, communication, and non-violence. The initiative encouraged youth to understand the roots of conflict and how to approach differences with tolerance and patience. It fostered a spirit of understanding and unity, promoting peaceful coexistence as an essential pillar of sustainable development.

- Project Amrit: Under the theme of Water, Sanitation, and Hygiene (WASH), Project Amrit promoted public hygiene practices to reduce the spread of infections and ensure a healthier living environment. Volunteers led cleanliness drives, distributed sanitation kits, and hosted awareness sessions on personal hygiene, menstrual health, and clean water access. The initiative emphasized behavioral change and empowered participants with practical knowledge to maintain hygiene in daily life. It was instrumental in improving basic health outcomes in the community.

- Project Akriti: This project addressed Sustainable Development Goals (SDGs) 8, 9, and 11 by creating eco-friendly soaps from single-use hotel soap waste. The initiative focused on innovation, economic empowerment, and sustainability. Volunteers collected discarded soap, sanitized and repurposed it into usable bars, which were then distributed in underserved communities. Project Akriti not only promoted hygiene but also showcased circular economy principles, turning waste into a valuable resource while contributing to urban cleanliness and inclusive development.

- Project Unnati: Project Unnati aimed at upskilling household support staff with essential technical knowledge to improve their job opportunities and self- sufficiency. The sessions included basic digital literacy, financial awareness, and soft skills training. Volunteers engaged personally with participants to ensure hands-on learning. The project empowered individuals to move toward greater economic independence and confidence. It reinforced

the idea that skill development at every level of society contributes to a stronger, more inclusive workforce and social upliftment.

- Project Nayaab: Project Nayaab focused on providing foundational education to underprivileged children through interactive learning sessions and distribution of study materials. Volunteers conducted reading circles, storytelling activities, and supported early literacy development. The initiative aimed to improve access to basic education and spark curiosity among children with limited learning opportunities. By focusing on child-friendly engagement and consistent mentorship, the project contributed meaningfully to bridging educational inequalities and encouraged lifelong learning habits in young minds.
- Project Chahat: This project focused on maternal and child health awareness by combining digital sessions with on-ground efforts. Volunteers distributed sanitary napkins and engaged in meaningful conversations on menstruation, maternal care, and nutrition. Collaborations with medical professionals helped provide reliable health information. The initiative prioritized grassroots awareness, ensuring women and families had access to essential knowledge and hygiene materials. Project Chahat highlighted the importance of proactive health practices for both mothers and children, fostering long-term well-being.

The 2024 edition offered a calm and engaging space with puzzles, mindful movements, and calming visuals, attracting 70+ participants. Winners received Amul Doodh and diaries, reflecting strong interest in well-being initiatives. The 2025 edition saw an even larger turnout with 100+ students enjoying interactive games like the Dot Game, Compatibility Test, Water Cup Race, Ping Pong Game, and Stack Attack. These fun, stress- relieving activities promoted mindfulness, teamwork, and focus— earning widespread appreciation and cementing the event's place as a meaningful wellness initiative.

breathing techniques. A total of 14 participants actively took part in the sessions, learning effective methods to reduce stress, boost self-confidence, and develop a positive mindset. The workshop created a supportive space for personal growth, mindfulness, and inner well-being.

- Neuroplasticity Based Program:

The Sadhana society successfully conducted an innovative neuroplasticity-based program in March 2025, designed to help students transcend limitations and unlock their true potential. Rooted in cutting-edge neuroscience research, this program provided a structured, scientifically-backed approach to enhancing happiness, well-being, and overall performance. Led by Dr. Gagandeep Kaur, the sessions aimed to foster personal growth through proven interventions that promote positive mental and emotional transformation. With participation limited to just 15 dedicated students, the program ensured focused attention and impactful learning. Through 15 offline sessions, students experienced meaningful, practical strategies to thrive in both academic and personal life.

The Sadhana society organized a Mindfulness & Breath Workshop on 18th March 2025. Led by Dr. Ashok Bhatt and attended by 9 students, the session focused on effective breathing techniques to reduce stress, boost focus, and promote overall well-being.

Synergy successfully organized insightful seminars in collaboration with Career Launcher, Jaipuria Institute of Management, Jaipuria School of Business, and Financial Corridor. These sessions focused on financial literacy, MBA as a career path, international student opportunities, and the ACCA qualification. Designed for college students, the seminars provided real- world exposure to financial and academic landscapes through expert-led discussions and interactive Q&A rounds—reinforcing Synergy's mission to build corporate readiness and career awareness among the student community.	Vincenza 6.0, the annual flagship event by Synergy, was a celebration of strategic brilliance and creative thinking. It featured two power-packed competitions —Corporate Clash, a high-stakes strategy case competition, and Mark-O-Nova, a marketing challenge testing innovation and business insight. Additionally, Synergy hosted The CBS Case Study Challenge during Crescendo, SSCBS's annual fest, attracting participation from premier colleges. Furthering our vision for impact-driven business learning, Catalyst '25 was organized in collaboration with The Impact Project, focusing on socially responsible problem-solving. These initiatives reinforced Synergy's commitment to experiential learning, corporate exposure, and fostering future business leaders.

5. **Other Initiatives**

- **Knowledge Sharing Sessions:**
Synergy consistently conducts Knowledge Sharing Sessions to support first-year students in their academic and professional journey. Sessions begin with basics like Canva and Excel, and gradually progress to topics such as internship reach-outs, corporate communication, and fundamentals of finance—ensuring holistic development from the start.

- **Industry Research Reports:**
Synergy published detailed industry research reports covering sectors like Cosmetics, Automobile, Aviation, and Real Estate. These reports delivered actionable insights, emerging trends, and strategic recommendations, reflecting our dedication to high-quality research and sectoral expertise.

- **Peer Connect – The CUET Mentorship Initiative:**
Synergy hosted *Peer Connect*, an online webinar tailored for 12th passouts preparing for CUET. The session featured peer-led insights, preparation tips, and motivational guidance to help aspirants tackle the exam with confidence and direction.

- **Students' Run Investment Fund:**
  Synergy proudly launched its student-managed Investment Fund, offering hands-on experience in stock market analysis, portfolio building, and real-time decision- making. This initiative cultivates financial literacy, critical thinking, and teamwork among students.

- **Synergy Strategy Challenge:**
  To welcome and challenge freshers, Synergy launched the *Synergy Strategy Challenge*, a direct PI-based case competition designed to spark early interest in business strategy and real-world problem-solving.

- **Live Projects:**
  Synergy facilitated impactful live projects in collaboration with Meteor Ventures, Zypp Electric, and Sustain Labs Paris. Students engaged in real-time business challenges, gaining practical insights and meaningful exposure to corporate environments.

This year, Darkroom successfully conducted 4 Photo Walks and 8 Knowledge Sharing Sessions (KSS) to help its Organizing Committee members develop a stronger creative perspective and technical foundation. These initiatives encouraged members to explore photography in diverse settings and improve their skills through shared learning and regular practice. To provide exposure beyond college boundaries, we also hosted an interactive session in collaboration with G Studio, where students gained hands- on insight into filmmaking and video editing directly from industry professionals. Such opportunities aim to bridge the gap between passion and practice, allowing members to understand the real-world application of their creative interests. Darkroom continues to provide a space where students can explore marketing and visual content skills including Graphic Design, Video Editing, Motion Graphics, Content Writing, Filmmaking, and Photography. Through sessions and collaborations, the focus has remained on offering both creative freedom and practical knowledge, equipping members with tools to express, communicate, and think visually in an ever- evolving creative landscape.	The Darkroom, the visual arts society of SSCBS, organised its annual flagship event Cynosure'25 as part of Crescendo. The event featured four competitions — Online Short Filmmaking, Poster Making, On-the-Spot Photography, and On-the-Spot Photo Story. Open to both mobile and DSLR users, the competitions received enthusiastic participation from students across various colleges and universities. An Art Gallery was also curated, showcasing selected photographs captured by Darkroom members over the year. A key addition this time was the "Wall of CBS", a creative display of portraits featuring students from across the college, which added a personal and interactive element to the exhibition. The gallery saw a strong turnout and was appreciated for its quality and visual impact. Cynosure'25 reflected the society's aim to blend creativity with community, and the positive feedback from participants and visitors alike reinforced the value of student- led visual storytelling at SSCBS.

5. Other Initiatives

- Covered many events organized by different societies, some of which HackCBS, VITI annual Diwali Fest, AROC's Annual meet of Alums.
- Organized a Photo Exhibition on the Occasion of VITI – Cultural Fest of SSCBS and created a Photo booth to attract the students.
- Regularly allotted theme based photography tasks to CC and OC team for Upgrading photography skills.

Creative Writing Workshop – We organized an engaging and enriching workshop focused on enhancing students' creative writing and critical thinking abilities. The session featured modules on poetry appreciation, storytelling techniques, and critical reading practices. Participants delved into the use of imagery, tone, and structure in literary works, while also taking part in interactive writing exercises that encouraged expression and experimentation. The workshop promoted thoughtful dialogue, peer feedback, and collaborative learning. It was well-received by attendees and emphasized the importance of continuous creative development, helping participants grow both as writers and as critical thinkers.	―Bibliotheca'25‖ – We hosted our flagship annual literary festival *Bibliotheca'25* on campus, drawing participation from over 500 students and 400+ poets, storytellers, writers, and literary enthusiasts from colleges across India. Widely regarded as one of the most awaited fests in the DU circuit, Bibliotheca offered a dynamic space for creativity and community engagement. The fest featured a range of exciting events: • *Hearsay – A Library of Humans*: An impactful speaker session featuring Sharifa Malik (Urdu poet), Bhavika (TEDx speaker), and Shivam Vats (teacher), who shared moving life stories. • *Khwaab*: A trilingual poetry slam celebrating expression in English, Hindi, and Urdu. • *Book Bumble*: A literary-themed blind dating event bringing together book lovers. • *Mirage*: A series of themed online writing contests that tested creativity under constraints. • *Quantum Quest*: An interactive and thrilling treasure hunt across campus. The campus buzzed with vibrant stalls from publishing houses and charity bookstores, adding to the literary charm. Bibliotheca'25 was a resounding success and a true celebration of storytelling, poetry, and shared imagination.

5. Other Initiatives

- We are set to publish *Quadrangle'25*, our annual college magazine and yearbook, by the end of June. With the theme *Eunoia* and a retro design, it will feature literary works and accomplishments of students, faculty, and societies, along with independently planned society, class, and faculty photos . Held an outing to the *National Museum* on 8th February, offering students a rich cultural and educational experience through exhibits on Indian and world history.

- Continued to grow our online presence on *Instagram*, *Facebook*, *LinkedIn*, and our *blog website*, sharing creative content, event promotions, and member achievements.

- Instagram reached 1.8k+ followers and 24.8k+ monthly reach through engaging reels and posts.

- Our blog attracted over 100 regular monthly readers for poems, articles, and recaps. LinkedIn grew to 190+ followers, boosting formal outreach and alumni engagement.

We organized seminars and speaker sessions to broaden participants' entrepreneurial mindset and global outlook. In collaboration with Samsung, Yuva conducted an engaging seminar on Design Thinking and Entrepreneurship. The session introduced students to innovative, user-centric problem-solving approaches and the importance of design in building impactful startups. Experts from Samsung shared valuable insights into how large corporations nurture innovation and empower entrepreneurial ecosystems. Another seminar was hosted in partnership with a leading Study Abroad organization, aimed at guiding students through the process of pursuing international higher education. The session covered essential aspects like applications, scholarships, and aligning overseas education with long-term entrepreneurial and career goals. These seminars provided students with real-world insights and actionable knowledge. Through such initiatives, Yuva continues to empower aspiring entrepreneurs with a future-ready and globally aware perspective.	We organised two impactful fests under Yuva – The Entrepreneurship Cell of SSCBS, both crafted to ignite entrepreneurial thinking and foster skill-building among students. **E-Summit 2025** E-Summit 2025 marked Yuva's annual flagship event, drawing wide participation and industry attention. With 300+ registrations and 13.5k+ online impressions, the fest brought together students, founders, and professionals for a dynamic entrepreneurial experience. It featured the following events: Udyami 4.0 – A Shark Tank-style pitch round where emerging startups presented their ventures to VCs and industry experts. This platform provided funding and mentorship opportunities, bridging the gap between student ideas and real-world impact. B-Plan Competition – A high-stakes competition where students pitched innovative business ideas. Entries were evaluated based on feasibility, scalability, and market potential, encouraging creative thinking and structured business planning.

	speaker Session – The session welcomed renowned founders and leaders, offering participants valuable industry insights and entrepreneurial wisdom. The interaction helped students understand practical challenges and opportunities in the startup world.
	Founder's Forge
	The second major event was Founder's Forge, a three-day entrepreneurial bootcamp organised in collaboration with SIIF, open to students from SSCBS and other colleges.
	The bootcamp focused on practical skill-building, including:
	- PowerPoint for Business Pitching - Excel for Financial Modelling - Design Thinking for Innovation
	The event concluded with a field visit, giving students hands-on exposure to entrepreneurial environments and the operational side of startups.

5. **Other Initiatives**
- Collaborated with McCain Foods India and Indigo Airlines for live consulting projects focused on market research and strategic recommendations, delivering actionable business insights.
- Provided strategic consulting to startups like GoEV Mobility and Pee Safe, offering support in business model refinement, market entry strategy, and growth planning.
- Executed a tech consulting project with Rabbit Invest, a fintech startup, involving deep product research and user acquisition strategy development.
- Conducted primary research and market analysis across various domains, enabling data-driven insights for both corporate and startup clients.
- Held structured Knowledge Sharing Sessions (KSS) for internal members covering Excel, PowerPoint, research techniques, design thinking, and problem-solving frameworks.
- Engaged in internal brainstorming sessions to encourage innovation and develop new entrepreneurial ideas within the team.
