

KARTAVYA - The Social Service Forum and NSS Unit of SSCBS

What We Do

We are a collective of socially driven individuals who believe in the motto *"We rise by lifting others."* Our aim is to build a better society by uplifting underprivileged sections of the community through meaningful initiatives and active volunteerism.

Key Achievements in 2024-25

Project Saksham

An initiative that promotes holistic development by spreading awareness about education, career opportunities, skill-building, and government policies among the underprivileged. The project caters to multiple age groups, with the ultimate goal of enabling financial independence. At Saksham, we believe education extends beyond books, encompassing practical knowledge and life skills.

Project Furry

Dedicated to creating a safe and compassionate environment for domestic and stray animals including dogs, cats, and cows. Our volunteers work towards providing food, shelter, and medical treatment, while also spreading awareness about animal care. With consistent efforts, we also facilitate adoption drives to help animals find loving homes.

National Service Scheme Activities

As the official NSS unit of SSCBS, Kartavya organizes and leads volunteer-driven activities aimed at youth engagement and community service.

- **Donation Drives:** Successfully conducted food donation drives throughout the year to support underprivileged sections of society.
- **Industry Partnerships:** Collaborated with industries to bridge the gap between academics and real-world application, offering students insights into trends, careers, and skill development.
- **Collaborations with NGOs:** Strengthened ties with NGOs such as **Shubhashiksha** and **Scope for Change** to work on grassroots-level initiatives and community projects.
- **Blood Donation Drives:** Continued to uphold our commitment to health and well-being by organizing impactful blood donation camps.

Key Events in 2024-25

VITI'24 - Annual Diwali Fest

VITI'24 was a blend of culture, celebration, and social impact. The event included:
