# About SSCBS

SSCBS, or the Shaheed Sukhdev College of Business Studies, is a premier undergraduate business college under the University of Delhi that offers specialized business degrees and is known for its rigorous curriculum, focus on practical skills, and thriving student life. Founded in 1987 and located in Rohini, Delhi, it has been consistently ranked as a top undergraduate management institute in India and is named after the freedom fighter Sukhdev Thapar.

To explore new frontiers of knowledge so as to nurture value driven, socially responsive, committed and ethical citizens of the world is their mission.

To create a centre of excellence for learning, dedicated to meet the aspirations of society is their long term vision.

SSBCBS has an incubation and innovation centre focussed at offering many entrepreneurial courses for a better future.

# About the Conference

The International Conference on Entrepreneurship, Leadership, and Change Management is designed as a dynamic platform for academics, industry professionals, policy makers, and emerging entrepreneurs to exchange insights and best practices in today's rapidly evolving global environment.

In an era marked by technological disruption, shifting market demands, and complex social challenges, the conference explores how visionary leadership and innovative entrepreneurial strategies can drive sustainable growth and transformative change. Sessions will feature keynote addresses, interactive panel discussions, and case-study presentations that highlight real-world applications of leadership principles and change-management methodologies.

Recognizing that entrepreneurship is a driving force of innovation, leadership the anchor of vision, and change management the pathway to sustainability, the conference seeks to explore the interconnections among these domains within a rapidly globalizing world. By connecting scholars, practitioners, and young leaders, the conference aims to cultivate collaborative networks and inspire actionable solutions that contribute to economic development and social impact worldwide.

It is envisioned as a space where ideas are critically examined, collaborations are forged, and pathways are charted for nurturing leaders and entrepreneurs capable of steering change in uncertain times.
