

# **AWARENESS SESSION ON WOMEN EMPOWERMENT & DIGITAL SAFETY**

**VENUE: SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES  
DATE: 11TH NOVEMBER, 2025**

# INTRODUCTION

Lawrence – The Law Forum of SSCBS organized an Awareness Session on Safeguarding Women: Legal Perspectives on Digital Harassment, featuring Aanya Wig, Founder of Her Haq and LinkedIn Top Voice. The session focused on strengthening understanding of women's rights, digital safety laws, and the practical steps individuals can take to stay protected in online spaces.

The initiative aimed to empower students with legal awareness, promote responsible online behaviour, and encourage collective participation in building safer digital environments.

## OBJECTIVES OF THE SESSION

- To raise awareness about legal protections available to women facing digital harassment.
- To highlight the role of law, reporting mechanisms and digital literacy in ensuring online safety.
- To encourage young individuals to identify, prevent and respond to online misconduct responsibly.
- To foster a culture of collective responsibility in maintaining respectful digital spaces.
- To provide students with insights from lived experiences and expert perspectives.

# SESSION DETAILS

- Date & Venue: 11th November, 2025; 4th Floor Seminar Hall, SSCBS
- Organized by: Lawrence – The Law Forum of SSCBS
- Target Audience: Students across all courses
- Mode: Offline Interactive awareness session with presentation and discussion
- Resource Person: Aanya Wig, Founder of Her Haq

Aanya discussed the realities of digital harassment, legal remedies available under Indian law, and the importance of awareness in combating online abuse. She explained practical approaches for identifying digital threats, using reporting tools effectively, and supporting victims with sensitivity.

## KEY HIGHLIGHTS

- Clear explanations on rights and protection mechanisms for women.
- Real-life examples illustrating how digital harassment occurs and how it can be tackled.
- Insightful discussion on the psychological and social impact of online abuse.
- Active participation from students through Q&A, sharing concerns and experiences.
- Stress on the importance of collective responsibility in building safer online spaces.
- Strong turnout, with 100+ students attending the session.

# CONCLUSION

The awareness session successfully deepened understanding of the legal and social dimensions of digital harassment. It empowered students with knowledge, encouraged responsible digital conduct and reinforced the need for solidarity in ensuring women's safety online.

The event set the foundation for future initiatives aimed at promoting gender sensitivity, legal awareness, and a safer digital ecosystem for all.
