

Google AI Labs Bootcamp in Collaboration with Hack2Skill

A Google AI Labs Bootcamp, in collaboration with Hack2Skill, was conducted on 14th August 2025 at Shaheed Sukhdev College of Business Studies (SSCBS). The workshop was held in two sessions: 9:00 AM to 12:30 PM and 2:00 PM to 5:30 PM at the 7th Floor Seminar Hall.

The event witnessed the participation of more than 240 students. During the workshop, participants gained hands-on knowledge of Generative AI (GenAI) and Agentic AI, exploring their concepts, applications, and real-world use cases. As part of the practical learning experience, attendees also built a basic AI agent under the guidance of the mentors. Refreshments were served during both sessions as per the respective time slots. The workshop concluded successfully with active participation from all attendees.
