

Event Report: BfE New Delhi SSCBS – Bridge & Beyond Networking Mixer

Date: 23 April, 2026

Event Overview

Bridges for Enterprise (BfE) New Delhi chapter at Shaheed Sukhdev College of Business Studies (SSCBS) organized **Bridge & Beyond**, an interactive networking mixer designed to bring together students across cohorts in a relaxed and engaging setting. The event provided participants with an opportunity to connect with fellow members, build meaningful relationships, and strengthen the sense of community within BfE.

Event Highlights

The networking mixer focused on creating an informal environment where participants could interact beyond their usual teams and cohorts.

1. Cohort Networking

- Participants interacted with members across different batches and teams.
- The event encouraged students to step outside their existing circles and build new connections within the BfE community.

2. Interactive Games & Activities

- A series of engaging games and activities were organized to facilitate interaction among participants.
- The activities encouraged teamwork, communication, and friendly competition while helping participants become more comfortable with one another.

3. Informal Conversations

- Participants had the opportunity to engage in casual conversations and get to know members from different cohorts.
- The relaxed setting allowed students to exchange experiences, interests, and perspectives beyond their regular academic and organizational work.

4. Community Building

- The mixer fostered stronger interpersonal connections among BfE members.
- It created an inclusive environment where participants could interact freely and develop a greater sense of belonging within the organization.

Key Takeaways

- **Cross-Cohort Networking:** Participants developed connections with members from different batches and teams.
- **Stronger Community:** The event helped foster a more connected and collaborative BfE community.
- **Teamwork & Interaction:** Games and activities encouraged communication and collaboration in an informal setting.
- **Peer Connections:** Participants gained an opportunity to build relationships beyond their regular work and responsibilities.

Conclusion

Bridge & Beyond successfully served as a networking mixer that brought BfE members together in an informal and engaging environment. Through interactive activities and conversations, the event encouraged cross-cohort connections, strengthened peer relationships, and contributed to a more closely-knit BfE community.

Acknowledgments

BfE New Delhi SSCBS extends its gratitude to everyone who contributed to organizing and participating in **Bridge & Beyond**. The enthusiasm and active participation of members played a key role in making the networking mixer a meaningful and engaging experience.
