Executive Summary

"Umang: The Ultimate Quiz Challenge" was conceptualized and executed by the NSS Unit of Shaheed Sukhdev College of Business Studies as an intellectual platform designed to foster critical thinking, general awareness, and healthy academic rivalry. Aimed at bridging the gap between rigorous knowledge and quick decision-making under pressure, the pan-Delhi University event successfully engaged academic minds across various colleges, culminating in a highly competitive offline finale.

Phase 1: The preliminary screening (online round)

- **Platform Host:** Unstop

- **Execution Metrics:** The initial phase saw a heavy influx of registrations from numerous Delhi University institutions.
- **Operational Mechanism:** This round consisted of a timed online evaluation comprehensively covering general awareness, logical deductions, and rapid-fire problem-solving. It served as a filter to measure cognitive quickness and accurately shortlist top-performing teams.

Phase 2: The grand finale (offline campus round)

- **Date & Location:** Hosted live on April 24, 2026, at the SSCBS campus in Rohini.
- **Shortlisting Protocol:** Following the rigorous preliminary filter, qualifying teams were officially notified and extended formal invitations to represent their respective institutions on campus.

On-Ground Execution & Event Dynamics

- The campus atmosphere on the day of the finals was charged with palpable focus and competitive energy. The NSS core team managed the registration, logistics, and smooth operations of the quiz rounds, ensuring professional execution.
- The structural difficulty of the questions kept the audience and participants highly engaged. The multi-segment finale pushed contenders to use deep strategic coordination, turning the quiz into a battle of nerves just as much as a battle of intellect.
