

KARTAVYA - The Social Service Forum and NSS Unit of SSCBS

What We Do?

We are a community of socially conscious individuals united by the belief that *"We rise by lifting others."* Our mission is to contribute towards building a more inclusive society by empowering underprivileged communities through impactful initiatives, meaningful projects, and dedicated volunteer service.

Key Achievements in 2025-26

Project Saksham

Project Saksham is an initiative committed to fostering holistic development by spreading awareness about education, career opportunities, skill enhancement, and government welfare schemes among underprivileged communities. Designed to benefit individuals across diverse age groups, the project aims to promote financial independence through knowledge and empowerment. At Saksham, we believe education extends far beyond textbooks, embracing practical learning and essential life skills.

Project Furry

Project Furry is dedicated to ensuring the well-being of domestic and stray animals, including dogs, cats, and cows, by creating a safer and more compassionate environment for them. Through the collective efforts of our volunteers, we provide food, shelter, and medical assistance while actively promoting awareness about animal welfare. We also organize adoption drives to help rescued animals find loving and permanent homes.

National Service Scheme Activities

As the official NSS Unit of SSCBS, Kartavya spearheads volunteer-led initiatives aimed at promoting community engagement, social responsibility, and youth participation.

- **Donation Drives:** Conducted food donation drives throughout the year to support underprivileged communities and address their essential needs.
- **Industry Partnerships:** Collaborated with industry leaders to bridge the gap between academic learning and practical exposure, enabling students to gain valuable insights into industry trends, career opportunities, and skill development.
- **Collaborations with NGOs:** Strengthened partnerships with NGOs such as **Pankh NGO** and **Nanhe Pakshi NGO** to implement grassroots initiatives and drive meaningful community development projects.
- **Blood Donation Drives:** Reinforced our commitment to public health and social welfare by successfully organizing blood donation camps that encouraged active student participation.

Key Events in 2024-25

VITI'25 - Annual Diwali Fest

VITI'25 brought together the spirit of celebration, culture, and social impact through a vibrant lineup of activities. The event featured:

- Treasure Hunt
- Mandala Art Competition
- Open Mic
- Social Collaboration Activities
- DJ Night
- Diya Painting
- Animal Feeding Drive
- Food Donation

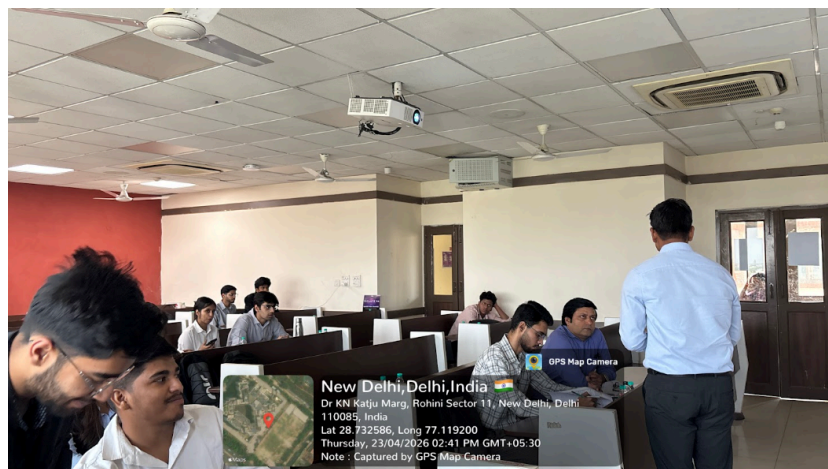

VITI'25 seamlessly combined festive celebrations with social responsibility, creating an engaging and memorable experience while encouraging students to contribute meaningfully to society.

VIVANTÉ'26 - Annual Philanthropic Fest

VIVANTÉ'26 continued to uphold the values of compassion, inclusivity, and social responsibility by bringing together students and volunteers through impactful initiatives such as:

- Social Case Study Competition (*Quest for Change*)
- Wishing Wall, where wishes of children associated with NGOs were collected and fulfilled through generous contributions

The fest witnessed enthusiastic participation from students across Delhi University, further strengthening the collective spirit of giving back to the community.

Expert Speaker Sessions

Kartavya organized insightful speaker sessions featuring experts from diverse fields, exposing students to career opportunities and national development initiatives.

Sessions included a CIMA talk on the CGMA qualification and discussions on Viksit Bharat 2047 and the significance of Vande Mataram, inspiring students to contribute towards India's future.
