EVENT REPORT

CAREER GUIDANCE

A Workshop on Building a Career in Consulting

Organized By	Skill Development Cell (SDC)
Institution	SSCBS, University of Delhi
Event Name	Career Guidance
Speaker	Mr. Bhavesh Gupta (Alumnus)
Date	11th September 2025
Total Participants	34
Document Type	Official Event Report

1. Event Overview

The Skill Development Cell (SDC), SSCBS, organized a “Career Guidance” workshop on 11th September 2025, taken by SSCBS alumnus Mr. Bhavesh Gupta. The workshop was centered around building a career in consulting, drawing on the speaker's own professional journey to offer participants a realistic, first-hand perspective. A total of 34 participants attended the session.

2. About the Activity

The session began with Mr. Bhavesh Gupta sharing his own career journey, walking participants through his five years of experience working at Bain & Company, one of the world's leading consulting firms. He spoke candidly about what the day-to-day work of a consultant actually looks like, the challenges he faced along the way, and the skills that proved most valuable in building a successful career in the field.

Building on his personal experience, the speaker outlined how students could realistically pursue a career in consulting, breaking down the pathway from where students currently stand to landing and succeeding in a consulting role. He shared practical advice on the skills to develop, the experiences worth prioritizing, and the mindset needed to follow a similar trajectory into the industry.

The session concluded with an open question-and-answer segment, during which participants asked Mr. Gupta a wide range of questions covering various aspects of a consulting career and the broader job search process. This interactive segment allowed students to seek clarity on their individual concerns and gain more personalized guidance directly from someone who had successfully navigated the path himself.

4. Conclusion

The Career Guidance workshop offered participants an invaluable, real-world perspective on building a career in consulting, drawn directly from the five-year journey of alumnus Mr. Bhavesh Gupta at Bain & Company. With 34 participants engaging closely throughout the session, including an active question-and-answer segment, the workshop succeeded in demystifying the path into consulting for aspiring students.

By connecting current students with an alumnus who has walked the path they hope to follow, the session reinforced the value of alumni engagement in career guidance. The Skill Development Cell looks forward to organizing more such sessions to continue giving students direct access to real, experience-driven career advice.
