About Shaheed Sukhdev Thapar

(15th May 1907 - 23rd March 1931)

Shaheed Sukhdev Thapar was a prominent Indian revolutionary who dedicated his life to the struggle against British colonial rule. Born in Ludhiana, Punjab, he grew up witnessing the injustices and oppression of the British Raj, which deeply influenced his resolve to fight for India's independence. A close associate of Bhagat Singh and Shivaram Rajguru, Sukhdev co-founded the Naujawan Bharat Sabha to inspire and mobilize the youth toward the freedom movement. As a senior member of the *Hindustan Socialist Republican Association* (HSRA), he played a key role in organizing revolutionary activities across Punjab. He is best remembered for his involvement in the Lahore Conspiracy Case of 1928, linked to the assassination of British officer J.P. Saunders in retaliation for the death of Lala Lajpat Rai. Following the Central Assembly Hall bombings in Delhi on 8 April 1929, Sh. Sukhdev was arrested along with Sh.Bhagat Singh and Sh. Rajguru. After a high-profile trial, the three were sentenced to death and executed on 23 March 1931 in Lahore Central Jail. He was only 23 years old. His sacrifice, along with his comrades, is commemorated annually on **Shaheedi Diwas** (23 March), honoring their courage, patriotism, and enduring legacy in India's freedom struggle.

Vision, Mission and Objectives

Vision

- To create a center of excellence for learning, dedicated to meet the aspirations of society.

Mission

- To explore new frontiers of knowledge so as to nurture value driven, socially.

Objectives

- To provide a learning and teaching environment for preparing responsive and ethical managers, technocrats, entrepreneurs, and researchers.
- To develop and enhance the decision-making skills and administrative competence of our students and teachers through innovative and cutting-edge education and research.
- To establish linkages between industry and academia for fostering leadership in quality education, research, and consultancy.

About the College

Shaheed Sukhdev College of Business Studies (SSCBS) is one of the premier colleges of the University of Delhi, known for pioneering education in the fields of Management and Information Technology. It was established in August 1987 by the Government of the National Capital Territory of Delhi (GNCTD), on the initiation of the University Grants Commission (UGC) and the Ministry of Human Resource Development (MHRD).

Currently, the college offers three full-time undergraduate programs across its primary departments—the Department of Management Studies and the Department of Computer Science—leading to degrees in Bachelor of Management Studies (BMS), Bachelor of Business Administration (Financial Investment Analysis) [BBA(FIA)], and B.Sc. (H) Computer Science. The college also offers a Post Graduate Diploma in Cyber Security and Law (PGDCSL).

We focus heavily on an interactive mode of learning, supported by practical teaching methodologies designed to stimulate inquisitive minds and expose students to real-world corporate challenges. Direct industry exposure is achieved through guest lectures, industrial visits, live projects, internships, and corporate training. The true strength of SSCBS lies in its highly qualified faculty with corporate experience, a deeply ambitious student body, supportive non-teaching staff, an active network of illustrious alumni, and an encouraging governing body. Beyond academics, campus life is driven by around 47 active student societies. These groups cover everything from core professional domains like marketing, finance, tech, and entrepreneurship, to social outreach, environmental sustainability, and mental health awareness. This culture of high excellence is what gives SSCBS its competitive edge. We are constantly pushing our boundaries because, at SSCBS, we believe that complacency slows down progress—there is always room to grow. What truly sets us apart is the recognition that every student has unique strengths. The college avoids a "one-size-fits-all" approach, which is clearly reflected in our placement process. Recruiters from over fifteen diverse sectors—including management consulting, investment banking, IT, real estate, media, and financial services—regularly hire from our campus.

Ultimately, our curriculum and college ecosystem promote inquisitiveness, innovation, leadership, and team spirit. SSCBS students don't just possess a strong grasp of business fundamentals and corporate exposure; they are resourceful, versatile, and driven. It is this unique combination that allows our college to break its own records and set new benchmarks with every placement season.

Messages

Prof. **Yamini Gupt**, Chairperson
Department of Finance and Business Economics
University of Delhi

It is my privilege to write this message on the occasion of the release of the Annual Report 2025–26 of Shaheed Sukhdev College of Business Studies. An Annual Report reflects the vision, the mission, the objectives and achievements of an institution. In the case of Shaheed Sukhdev College of Business Studies, the vision is “to create a centre of excellence for learning, dedicated to meet the aspirations of society;” the mission is “to explore new frontiers of knowledge so as to nurture value driven, socially;” and the objectives are framed to achieve the vision and mission.

Established in 1987, this premier institution affiliated to the prestigious University of Delhi has been imparting high quality education in the area of Management Studies, Financial Investment Analysis and Computer Science. Keeping up with the needs of the industry the college also offers a postgraduate diploma course in Cyber Security and Law and is working towards offering more suitable courses. The achievements of the students and alumni of this institution are a testament to the all-round skill-base provided by this college in addition to the subjects taught. I would like to offer my heartiest congratulations to the Principal, Dr. Poonam Verma, for her commitment and effort to keep this college going from strength to strength. The teachers and administrative staff deserve deep appreciation for their tireless efforts to assist the Principal in achieving the vision and mission of the college.

It is an honour for me to be the Chairperson of the Governing Body of Shaheed Sukhdev College of Business Studies. On behalf of the Governing Body, I wish the SSCBS family great success in all its endeavours.

Prof. **Amita Gupta**, Treasurer
HoD, Department of Biochemistry
University of Delhi

With immense pride and pleasure, I share this message for the Annual Report 2025-26. The strong reputation, distinctive identity, and consistently high ranking of SSCBS reflect its unwavering commitment to excellence in education and nation-building. It continues to stand among the finest institutions of the University.

By fostering innovation, critical thinking, and an enterprising mindset, the college is contributing meaningfully to the development of responsible leaders and job creators for India's future—an effort that is both timely and impactful in the context of a Viksit Bharat.

The achievements highlighted in this report are commendable. The institution has successfully maintained a fine balance between academic rigour and co-curricular engagement, ensuring the holistic development of its students. It is equally heartening to see alumni excelling across diverse sectors, further strengthening the college's legacy and outreach.

The faculty and administration under the able leadership of Professor Poonam Verma deserve sincere appreciation for sustaining an enabling ecosystem that nurtures talent and innovation. I extend my best wishes for the continued success of the college in all its future endeavors.

Prof. **Poonam Verma**, Principal
SSCBS, University of Delhi

It gives me immense pleasure to present the Annual Report of Shaheed Sukhdev College of Business Studies for the academic session 2025–26, a year that has been particularly special as we celebrate 40 years of SSCBS.

Our 40th-year theme—Excellence, Impact and Inspire—beautifully captures the spirit of our journey. Excellence continues to define our academic and professional achievements; Impact is reflected in the opportunities we create and the difference we make; and Inspire represents our endeavour to nurture young people who have the confidence to dream, innovate and lead.

This year marked a landmark academic milestone for the University of Delhi, as SSCBS witnessed the successful completion of the first four-year undergraduate batch under NEP 2020 and the UGCF, across all three of our programmes—BMS, BBA (FIA) and B.Sc. (Hons.) Computer Science. This represents an important step towards a more flexible, multidisciplinary, experiential and research-oriented approach to undergraduate education. We also took an important step towards inclusive excellence with the launch of the Dell Aspire Scholars programme, with its first cohort of 30 students joining this year. Alongside this, alumni support enabled financial assistance to more than 330 plus students and further strengthened our culture of giving back. The year brought several other significant achievements, including 236 placement offers, a highest CTC of ₹27.69 LPA and an average CTC of ₹11.21 LPA, while more than 100 students secured admission to leading institutions, including the IIMs. Our innovation ecosystem through SIIF, growing alumni engagement, and the inauguration of our Digital Studio Malhaar further enriched this milestone year. As we celebrate four decades, I extend my heartfelt appreciation to our faculty, staff, students, alumni, Governing Body, industry partners and well-wishers whose collective efforts continue to take SSCBS forward.

Forty years of Excellence. A legacy of Impact. A future that continues to Inspire.

I am confident that SSCBS will continue to build on its rich legacy and remain an institution that not only creates successful professionals, but also responsible citizens and future leaders.

Prof. **Shikha Gupta**, Vice Principal
University of Delhi

It gives me immense pleasure to present the 39th Annual Report of Shaheed Sukhdev College of Business Studies, marking yet another milestone in our journey of excellence and growth. Ours has been a legacy of firsts. We were the first college in the University of Delhi to introduce an undergraduate honours programme in Business Studies, now offered as the Bachelor of Management Studies; we pioneered the semester system for undergraduate courses and were the first to appoint a full-time placement coordinator. In 1997, the year the college was renamed Shaheed Sukhdev College of Business Studies, we introduced our UG honours programme in Computer Science. Two years later, in 1999, SSCBS became the first in the University to offer an undergraduate honours programme in finance, now the Bachelor of Business Administration Financial Investment Analysis. We have since gone on to offer the Post Graduate Diploma in Cyber Security and Law (PGDCSL) under the Public-Private Partnership model.

This spirit of innovation and academic distinction continues at SSCBS. India Today ranked SSCBS the Best Undergraduate College (BBA stream) for the seventh consecutive year, alongside its “A+” NAAC grade. The college also secured third position in the University of Delhi under the Swachhta Pakhwada initiative. The SSCBS Innovation and Incubation Foundation (SIIF) remains a vital contributor to India’s startup ecosystem. Since inception, SIIF has onboarded 90 startups, of which 45 remain active and 24 have secured funding. Till date, SIIF disbursed over ₹2.84 crore to student ventures, which together posted a turnover exceeding ₹69 lakh, supported by 11 mentors and 16 partners. Placements remain one of our strongest pillars. This year, 231 offers were made to our students, with the highest CTC at ₹27.69 LPA and the average at ₹11.28 LPA. More than 50 students secured admission to premier institutes including IIM Ahmedabad, Bangalore, Calcutta, and Lucknow through CAT, alongside other leading postgraduate institutions across the country. This year was especially significant as SSCBS marked its 40th Foundation Day, launching a year-long celebration with the inauguration of its new logo and Digital Studio ‘Malhaar’, made possible through alumnus Mr. Pankaj Agarwal and SCOBSA. Alumni also continued to give back by instituting scholarships and providing laptops to students on a need-cum-merit basis. Financial assistance supported over 350 students, while the first cohort of 30 students joined the new Dell Aspire Scholars programme.

Governance

The Governing Body serves as the apex decision-making and executive authority of the College, overseeing its governance, strategic direction, and the management of its assets, funds, and other resources entrusted to the institution for fulfilling its academic and developmental objectives.

Governing Body Details for the year 2025-2026

Name	Designation	Term
Prof. Gunjan Gupta	Chairperson	08.04.2024 to 07.04.2025 08.04.2025 to 07.04.2026
Prof. Yamini Gupt	Treasurer Chairperson	17.12.2025 to 16.04.2026 17.04.2026 to 16.12.2026
Prof. Anupam Jha	Treasurer	17.12.2024 to 16.12.2025
Prof. Amita Gupta	Treasurer	17.04.2026 to 07.04.2027
Prof. Poonam Verma	Professor-Principal	Member Secretary
Ms. Kavita Rastogi	Teachers Representative (More than 10 years' service category)	30.12.2024 to 29.12.2025
Ms. Shalini Prakash	Teachers Representative (More than 10 years' service category)	30.12.2025 to 29.12.2026
Dr. Sonika Thakral	Teachers Representative (Less than 10 years' service category)	23.07.2024 to 22.07.2025
Dr. Onkar Singh	Teachers Representative (Less than 10 years' service category)	23.07.2025 to 22.07.2026
Ms. Archana Pandey	Non-Teaching Staff Representative (Special Invitee)	28.05.2025 to 27.05.2026
Mr. Pushpender Prajapati	Non-Teaching Staff Representative (Special Invitee)	28.05.2026 to 27.05.2027

Institutional Excellence

SSCBS is ranked No. 1 in the India Today–MDRA Best Colleges 2025 (BBA stream) for the sixth consecutive year and figures in the NIRF 2025 (College category) Top-150; the college also holds a NAAC A+ grade.

The College closed 2025–26 with its academic, entrepreneurial and student-development ecosystems all advancing in step, reaffirming its standing as one of the University of Delhi's most consistently high-performing institutions. The College's innovation ecosystem had a landmark year, supporting 94 startups across Artificial Intelligence, DeepTech, HealthTech, EdTech, FinTech, AgriTech, sustainability, legal-tech and social innovation, with 33 new ventures onboarded for structured incubation and mentoring. Cumulative funding facilitated since inception crossed ₹2.84 crore, including ₹75 lakh disbursed this year alone, while incubated ventures collectively generated more than ₹70 lakh in revenue. A defining milestone was the establishment of an advanced AI, Robotics and Makerspace laboratory in partnership with an external innovation studio, giving students and founders hands-on access to prototyping, robotics and digital fabrication. The ecosystem's momentum was reflected in a dense calendar of flagship initiatives — a national startup summit, an ideation-and-execution framework programme, a government-backed ideathon (won outright, with ₹3.5 lakh in prize funding), a national hackathon, investor-connect sessions, an international entrepreneurship immersion in Japan, and six new institutional partnerships signed during the year. Three incubated ventures were also recognised among the Top 100 startups at a citywide startup festival, each earning ₹1 lakh in recognition.

Alongside this entrepreneurial momentum, the College sustained a strong and expanding research culture. A core faculty of 27 members, supported by 41 guest faculty across the Departments of Management Studies, Financial Studies and Computer Science, published widely in Scopus, ABDC and SCIE/ESCI-indexed journals spanning sustainable supply chains, ESG investing and portfolio optimisation, cybersecurity and adversarial machine learning, public administration and business analytics — complemented by book chapters, conference presentations, invited talks, session chairs and editorial service to academic journals. This scholarly output, detailed further in the report's annexures, reflects a faculty body increasingly engaged with high-impact, industry-relevant research alongside its teaching and mentoring responsibilities.

Student achievement was recognised and supported just as broadly. The College's award ecosystem celebrated outstanding performance across academics, leadership, sports, culture and community service through merit scholarships, its highest student honour for all-round excellence, category- and need-based awards, and dedicated

recognitions for outstanding internships — many instituted and funded through alumni philanthropy. Financial assistance reached over 350 students during the year, a new alumni-backed scholarship programme welcomed its first cohort of 30 students, and roughly 30 laptops were distributed to students from economically weaker backgrounds. A newly instituted merit award, benefiting toppers across all three undergraduate programmes, extended the culture of recognition to nearly 2,000 students college-wide.

We partnered with the Dell Aspire Scholars program, an initiative of the Michael & Susan Dell Foundation, in the 2025–26 academic session through a seven-year partnership, expanding SSCBS's efforts to support high-achieving students on their journey from college to career. The program combines flexible financial support for tuition, technology, and housing with career development through mentorship, industry networking, and internships; sustained academic support through regular check-ins and personalized planning; and well-being resources to help students thrive through college and beyond.

These efforts translated into strong outcomes on the career front. Placements remained one of the College's strongest pillars, with 231 offers made during the year, a highest package of ₹27.69 LPA, an average of ₹11.28 LPA, and a gross CTC exceeding ₹25 crore across the graduating cohort. More than 50 students secured admission to premier institutes — including the IIMs at Ahmedabad, Bangalore, Calcutta and Lucknow — through the CAT examination, with others progressing to leading postgraduate programmes nationwide. A newly established skill development centre complemented these outcomes, training over 85 students across database management, spreadsheet analytics and business-intelligence programmes to strengthen industry readiness.

This spirit of excellence was matched by an equally vibrant campus life. A flagship national case competition attracted over 2,000 registrations from premier institutes; a TEDx event convened influencers and entrepreneurs before a full auditorium on themes of resilience and self-discovery, delivered by a 48-member student team; and cross-college networking mixers, seminars and alumni talks broadened the College's professional and social footprint. The Convocation ceremony celebrated over 200 graduates and honoured more than 50 award recipients, while student societies and cells drove a continuous programme of leadership summits, hackathons, cultural festivals, orientation events and community-outreach initiatives that extended learning well beyond the classroom. Sustained alumni engagement — through scholarships, mentorship, and campus infrastructure gifts — remained a defining thread across all of this activity, reinforcing a strong and growing culture of giving back to the institution.

Programs and Curriculum

National Education Policy (NEP) 2020

The National Education Policy (NEP) 2020 aims to transform the Indian education system by promoting holistic development, flexibility, multidisciplinary learning, creativity, critical thinking, innovation, ethical and Constitutional values, multilingualism, life skills, and research.
The Undergraduate Curriculum Framework (UGCF) 2022 incorporates these principles by providing students with greater flexibility in choosing their courses and learning pathways. It includes Discipline Specific Core (DSC), Discipline Specific Elective (DSE), Generic Elective (GE), Ability Enhancement Courses (AEC), Skill Enhancement Courses (SEC), and Value Addition Courses (VAC).
The framework provides multiple exit and re-entry options, promotes multidisciplinary education and multilingualism, and allows students to pursue minors through courses outside their core discipline. It also emphasizes research, internships, apprenticeships, projects, community outreach, student mobility, and entrepreneurship, thereby connecting academic learning with practical skills and innovation.
Overall, NEP 2020 seeks to create a flexible, multidisciplinary, skill-oriented, research-driven, and value-based higher education system that supports the holistic development of students and prepares them for future academic, professional, and societal challenges.

Bachelor of Management Studies (BMS)

A 4-year program aligned with NEP 2020, offering multiple entry/exit options, strong core coverage (Financial Accounting, Marketing, Business Economics, Organisational Behaviour, Quantitative Techniques, Strategic Management, Business Law), electives by interest, and a capstone in Year 4 (Research Dissertation, Entrepreneurship Project, or 11 Academic Project). Emphasis on experiential learning through case studies, internships, industry visits, workshops, and simulations.

Head of Departments: Dr. Anuja Mathur - July 1, 2025 - April 29, 2026
Dr. Neeraj Kumar Sehrawat - April 30, 2026 - till next two years

Bachelor of Business Administration (Financial Investment Analysis) – BBA(FIA)

The Bachelor of Business Administration (Financial Investment Analysis) [BBA(FIA)] is a flagship honours programme that integrates academic excellence with industry relevance to develop future-ready finance professionals. Designed with a strong emphasis on analytical rigor, research orientation, and experiential learning, the programme equips students with comprehensive knowledge of financial markets, investment management, banking, corporate finance, financial analytics, and risk management. The curriculum seamlessly blends theoretical foundations with practical applications, enabling students to master quantitative techniques, statistical analysis, econometrics, financial modelling, and data-driven decision-making. Aligned with the evolving needs of India's dynamic financial ecosystem, the programme also incorporates contemporary domains such as FinTech, digital finance, financial innovation, and sustainable finance, preparing graduates to excel in the rapidly transforming global financial landscape. Through industry interactions, internships, live projects, professional certifications, and technology-enabled learning, BBA(FIA) nurtures competent, ethical, and globally competitive finance professionals capable of driving innovation and creating value in the banking, investment, consulting, fintech, and corporate sectors.

Head of Department: Dr. Neeraj Kumar Sehrawat - July 1, 2025 -April 29, 2026
Prof. Kumar Bijoy - April 30 2026 - till next two years

B.Sc. (Hons.) Computer Science

The Department of Computer Science is committed to imparting quality education in the field of Computer Science and equipping students with the knowledge and skills required to thrive in an increasingly technology-driven world. With technology evolving at an unprecedented pace and innovation continually reshaping the way we live and work, the Department strives to provide a stimulating academic environment supported by modern facilities for teaching, learning, experimentation, and research.The curriculum is designed to develop strong *analytical, logical, and computational thinking*, while providing students with a sound foundation in the mathematical principles and core concepts underlying Computer Science. Beginning with programming and problem-solving, students progressively develop an understanding of how computational systems are designed, how information is represented and managed, and how efficient solutions can be developed for complex

problems. The programme combines conceptual understanding with practical application, enabling students to translate theoretical knowledge into effective computational solutions.As students advance through the programme, they are exposed to contemporary and emerging areas of computing and are encouraged to explore subjects aligned with their individual interests and aspirations. A diverse range of advanced electives provides the flexibility to develop greater depth in areas such as *Cyber Security, Data Science, and Advanced Theoretical Computer Science*, while retaining the broad perspective that is fundamental to the discipline.

Head of the Department: Dr. Sonika Thakral

Postgraduate Diploma in Cybersecurity and Law (PGDCSL)

Offered by SSCBS under the aegis of the Institute of Cyber Security and Law, University of Delhi, and run in a Public-Private Partnership (PPP) model with an industry knowledge partner, PGDCSL combines advanced penetration testing and information security training with legal and regulatory grounding in cyber law. The curriculum, developed with industry experts and delivered through a dedicated high-configuration lab and live demonstrations on test platforms, equips students with hands-on reverse-penetration skills across systems, networks, mobile, and web. The program has a strong track record, with alumni progressing to roles such as security analysts, product security engineers, and digital forensic examiners at organisations including Deloitte, EY, IBM, and MasterCard — reaching packages of 20–40 LPA within about five years of graduating — as well as entrepreneurs who have gone on to found their own ventures in the space.

Program Coordinator: Prof. Shikha Gupta

Certification courses offered during the year included: Data Analytics & Business Intelligence (125 hrs), Digital Marketing (100 hrs), Business Intelligence, Data Visualization & Automation (75 hrs), NSE Capital Market Professional (100 hrs), FinTech (60 hrs) and Accredited Wealth Planner with AV Financial Experts Network Pvt. Ltd. (FinX) started January 2025 and it is continuing with the third batch.

Admissions and Enrolment

For the academic session 2025–26, admissions to the BMS, BBA(FIA), and B.Sc.(H) Computer Science programmes were conducted as per the prescribed Delhi University guidelines. A total of 286 students were admitted to BMS, 144 to BBA(FIA), and 66 to B.Sc.(H) Computer Science.

Admission to PGDCSL requires a Bachelors or above in Science or Technology with following papers: Programming, Networking, Database management, Operating Systems, and Data Structure. The admissions are based on the merit drawn based on the marks obtained in eligible degrees. Altogether, 23 students were admitted in PGDCSL.

S.No.	Name of the programme	Programme Specialization	No. of seats Sanctioned	No. of seats (Including supernumerary)	No. of students admitted
1.	BMS	Management	231	311	286
2.	BBA(FIA)	Financial Investment Analysis	113	153	144
3.	B.Sc.(H)	Computer Science	57	79	66
4.	PG Diploma in Cyber Security & Law	Cyber Security & Law	64	73	24
	Total		465	616	520

First Batch of Fourth Year Students

The successful completion of the first four-year batch of the Bachelor of Management Studies (BMS) programme marks a significant milestone in the implementation of the National Education Policy (NEP) 2020 and the University of Delhi's Undergraduate Curriculum Framework (UGCF). The four-year structure has enabled the programme to move beyond a conventional undergraduate management curriculum towards a more multidisciplinary, skill-oriented, experiential and research-informed learning framework.

The enriched curriculum provides students with exposure to contemporary areas of management alongside the foundational disciplines. Courses such as Business Analytics, Digital Marketing, Entrepreneurship and Innovation, Behavioural Finance, Financial Econometrics, Strategic Corporate Finance, Consumer Behaviour, Brand Management, Integrated Marketing Communication, Human Resource Management, Business Research Methods and Operations Research provide opportunities to develop analytical, managerial, creative and problem-solving competencies. The curriculum also incorporates areas such as sustainability, global business, financial technology and emerging dimensions of the digital economy, thereby enhancing the relevance of the programme to contemporary industry and societal requirements.

A particularly significant feature of the fourth year is the opportunity for students to undertake advanced academic work through two distinct tracks—Dissertation and Academic Project. The Dissertation track provided students with an opportunity to undertake systematic, research-oriented work thereby providing a foundation for students interested in research, higher studies and evidence-based managerial inquiry.

The Academic Project track provided a more application-oriented pathway, enabling students to address a practical business or organisational problem through industry-oriented projects, field-based studies, data analysis and managerial recommendations. This track strengthens students' ability to translate classroom concepts into solutions for real-world business problems.

The successful implementation of the first four-year BMS cohort therefore represents more than a structural transition from three to four years. It reflects a broader shift towards flexibility, choice, experiential learning, research orientation and employability, which are central to the vision of NEP 2020. The experience of the first four-year cohort also provides valuable learning for the institution to continuously review and further

strengthen the programme in response to changing academic, professional and societal needs

Total Number of students enrolled: 42
Entrepreneurship Track: 3
Dissertation track: 13
Academic Project: 20

The student-wise topics undertaken under various tracks are presented in Annexure 8(d)

Academic Achievements

Out of the total strength of 42 enrolled across all 3 courses, 8 students secured a 9.0+ Year GPA and maintained quality by achieving this despite the other rigorous requirements of the 4th year curriculum. The records presented in Annexure 8(c).

Research & Project Achievements

Students of the 4th Year achieved notable recognition in research and project work during 2026:

- Vishwas Bhalla and Shivansh Sharda received the Best Paper Award in the Finance and Business Track at the NRC-ICSSR Sponsored National Seminar on "Reimagining the Indian Economy for Viksit Bharat 2047: Skill, Sustainability and Strategic Growth", held at Rukmini Devi Institute of Advanced Studies on 8–9 May 2026. Their paper, "Volatility: A Sectoral Analysis of Noise Trading in the Indian Equity Market using NSS", was mentored by Dr. Sushmita and Dr. Narander Kumar Nigam. The team received a cash award of ₹2,100.

- Sanah Dawan, Charvi Gera and Gunjan won the Best Paper Award in the Finance and Business Track at the 8th Biennial International Conference on "Frontiers in AI: Shaping the Future of Management", held at Sri Guru Gobind Singh College of Commerce, University of Delhi, on 9–10 April 2026. Their paper, "UPI Fraud and Cybersecurity Awareness Among Indian Youth in the Age of AI-Driven Threats", was mentored by Dr. Paridhi and Mr. Tushar Marwah. The team received a cash award of ₹10,000.

- Aryan Singh Chauhan, received a project award of ₹10,000 for his study titled "Financial Distress Contagion in Indian Firms: An Industry-Level Empirical Study" under UGREE scheme, DU mentored by Dr. Neeraj Kumar Sehrawat.

- Dashrath Kumar Meena,received a ₹3,000 award for his dissertation titled “Asymmetric Impacts of Geopolitical Risk on Renewable and Non-Renewable Energy Stock Prices” under UGREE scheme, DU mentored by Dr. Paridhi.

- Aditya Mehra, Srijan Tandon, Anamika Gupta, Sugandha Kaur. Preserving Cultural Aesthetics: Diffusion-Based Generative Frameworks for Indian Art. International Conference on Mathematical Sciences and Computational Intelligence (ICMSCI-2026), Feb 20-22,2026.

Poster Presentations at UGREE 2026

- Saurabh Ranjan: Photonic Convolutional Neural Network with Hybrid In-situ Training.

- Sharma Anurag Umesh: Application of Blockchain Technology in E-voting.

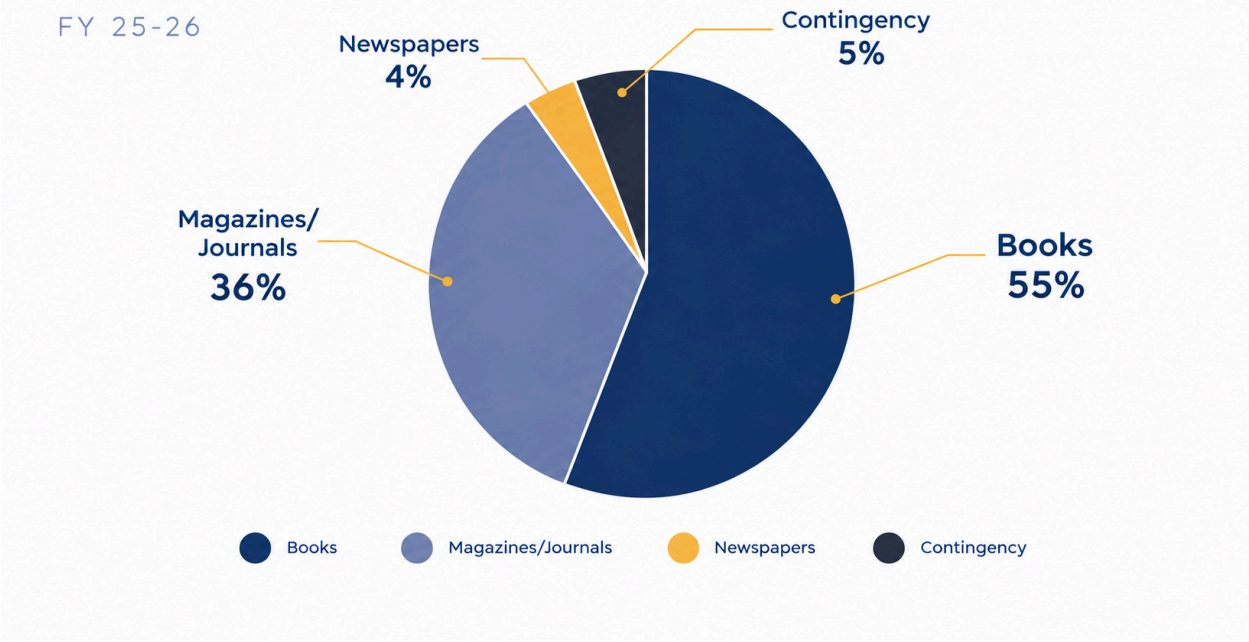

- Alkaif Ansari: Empirical Evaluation of On-device Generative AI on Consumer Hardware: Energy Efficiency, Thermal Behaviour and Privacy-preserving Image Generation on 4.0 GB VRAM Budget Laptops.

Library as a Learning Resource

The library is spread over two floors covering an area of approx. **1161 sq.m.** and has designated space for reading rooms for **218 students** and a research section for faculty members.

Total number of new titles added in the collection- **1,039**
Total number of books in the library- **27,140**
Total number of magazines and journals of national and international repute-**53**
Total number of newspapers- **13**

Library has spent total amount of **₹ 8,77,349/-** on the purchase of the following resources:
Books **₹ 4,80,088/-**
Magazines/ Journals: **₹ 3,22,071/-**
Newspapers: **₹ 33,679/-**
Contingency **₹ 41,511/-**

The library has institutional membership of DELNET and students are encouraged to access and make use of e-books and e-journals by organising the library orientation programs. Library digital resources in the form of online magazine, journals and newspaper clippings along with the useful links to the articles with the users.

All college library activities such as circulation, technical processing, serial control and system administration are automated using the cloud based Open-Source Solution i.e., KOHA version 25.05.04.000 It provides easy access to the library catalogue (OPAC) from anywhere anytime. It enables students, faculty and staff members to check the status of the library resources and also maintains transparency in all the transactions by providing access to their personal accounts. In addition, Library is providing the online renewal facility for the students using the following link http://sscbs.bestbookbuddies.com/ We are one of the leading college libraries of University of Delhi using KOHA Open Source Integrated library management software shifted from LIBTEK DOS based library software since May 2014.

The library verifies its stock every year using the bar-code technology. Library has its portal, https://sites.google.com/sscbsdu.ac.in/sscbslibrary/home which assimilates useful resources and serves as a gateway to easy access to a wide variety of resources like Web based OPAC (Online Public Access Catalogue), E-Resources, Rare Books, Syllabus, Question Papers and Annual Reports along with the Blog etc. Question Papers are arranged Paper-wise under its Semester & Year-wise under each program to provide one point easy access to the students and faculty. It has QR Code for the Library Website for fast access through smart devices.

Number per day usage of the library was calculated considering the physical footfalls of approx. 115 students per day and login data for online access to e-resources (DELNET, OPAC, and Library Website) by teachers and students is 493 students per day.

Apart from the print resources, teaching and research is also supported by accessing the large number of electronic resources (e-journals, e-books and databases) accessible through IP- based and Remote Access facility of DU eLibrary. It also provides access to eShodhSindhu resources accessible through DULS. The library has registered for the ONOS (One Nation One Subscription) to get access to e-journals through 30 renowned publishers.

Awareness of online resources such as Directory of Open Access Journals (DOAJ), Directory of Open Access Books (DOAB), Internet Archives, eShodhganga and National Digital Library with the faculty members and students were shared. IRNIS Instance has been created for faculty research publications to showcase their citations and H - index.

Library Internship was given to three interns for the period of one month to make them learn the functionality of the library services.

Infrastructure

IT Infrastructure

The college has six computer labs; 246 computers (229 academic), 25 printers, 1 scanner; campus-wide LAN/Wi-Fi with DU 100 Mbps and three connections from MTNL 1000 Mbps each; 133 access points; servers and licensed/open-source software stack across all departments. The continuous upgrades in IT infrastructure help and support in maintaining the college academics, administration, examinations and research-related activities.

All computer laboratories are equipped with LCD projectors to facilitate teaching and presentations. 25 printers and 1 scanner are available for students, teaching and non-teaching staff for academic and administrative purposes. Four internet connections, one from Delhi University with a speed of 100Mbps and another three from MTNL with a speed of 1000 Mbps each, are available through LAN and Wi-Fi in the whole campus (Classrooms, Labs, Placement & SIIF Area, Hostels, Canteen & Mess Area, Staff rooms, Administrative Offices, Accounts Section, Auditorium, Seminar Halls, etc.). Wi -Fi facility is made available through 133 Access Points (APs), centrally managed by one Wireless Controller (Zone Director). To control the overall network in the campus the college has installed 01 Nos NMS (Base NMS- 25 Devices / 250 Thin APS), 03 Nos Servers HP ProLiant DL380 Gen 9 Server with Windows Server Data Center Edition and for internet security it has also installed 01 Nos UTM (Fortigate FG1200D) with Fortiguard (IPS & Application Control, Antivirus, Web Filtering). The college has access to many licensed and open source software such as Dev C++, CPUSim 4.0, MS Excel, TORA, Ubuntu, Anaconda, Mathematica / Scilab, Eclipse, Turbo Assembler, NetBeans, Prolog, Xampp, Notepad++, Oracle, Android Studio, SPSS, Capital Line, Microsoft Office (professional edition), EViews, Windows Server 2016 Datacenter Edition, MySQL, Visual Studio, Google GSuite for Education, Tally, Adobe Acrobat Creative Suite which are used by students from all three departments of the college. These softwares are also updated as per the changing needs of the academic curriculum. The college, through its website, provides a platform for students to view their attendance on a real-time basis and internal assessment at the end of each semester.

For better connectivity in the campus, the college also has an intercom facility (EPABX,) which is a private telephone network used by college teaching and nonteaching staff for easy and effective communication. The college also ensures the safety of all individuals on the campus with the help of CCTV surveillance through 138 cameras,

including PTZ (rotating) on the different floors, library, labs, canteen & mess, open area & ground, lifts, entry and exit gates, hostels, auditorium, parking, etc.

Website and ERP

The SSCBS website, accessible at https://sscbs.du.ac.in/ showcases an outstanding design concept coupled with visually captivating content. Developed in-house using an open- source platform, the website seamlessly integrates with an internally built Enterprise Resource Planning (ERP) system while adhering to the General Data Protection Regulation (GDPR) guidelines regarding the usage of cookies. Moreover, the website ensures failover protection through automated backups and boasts robust security measures with the implementation of Sucuri, a server hardening software. Upon visiting the website, users are greeted by a strategically designed landing page that presents the college's recent achievements in a full-width format, igniting curiosity and engagement. With a unique design featuring colours inspired by the college's logo, the website enhances brand visibility. The website's content is optimised for search engines, ensuring minimal loading times and delivering an excellent mobile browsing experience.

The user-friendly interface of the SSCBS website organises primary tabs into detailed drop- down menus, facilitating hassle-free navigation and search. All information is systematically and aesthetically arranged, creating an intuitive browsing experience. Student-centric resources are readily available, including dedicated micro-sites for the library, career development, alumni network, college newsletter, and the SSCBS Innovation and Incubation Foundation (SIIF). The website also provides well-structured information on rankings and accreditations. Setting itself apart, the multilingual SSCBS website offers users an immersive virtual tour of the college. Furthermore, it features text-to-speech functionality, allowing users to listen to the content. Visitors can subscribe to notifications and explore a dynamic timeline that presents the college's rich history.

Transparency is a core value at SSCBS, and the college diligently adheres to all applicable rules and guidelines. The website serves as a comprehensive repository of information related to admissions, regularly updated to provide the latest details. Internal assessment guidelines, academic calendars, time-tables, syllabi, previous year papers, credit structures, and other essential information are readily available on the website.

SSCBS uses a robust ERP system to streamline academic and administrative processes for students, faculty, departments, and the library. It enables online management of attendance and internal assessments, providing students with access to their records and facilitating student- and faculty-wise reports, feedback collection, analysis, and action. The college website complements these efforts by providing a user-friendly, transparent, and comprehensive online platform for students, faculty, and visitors.

Campus and Facilities

SSCBS operates a 5-acre campus with a 500-seat auditorium, four seminar halls, and 35 air-conditioned classrooms equipped with audio-visual facilities. The two-level library, amphitheatre, hostels, cafeteria and mess, underground parking, and on-campus residential units support academic and residential life. Safety is maintained through monitored CCTV and fire-protection systems. Campus-wide accessibility is ensured through ramps and lifts, enabling all students and faculty to use the facilities comfortably.

Sustainability measures include rooftop solar and water-heating systems, an in-house Sewage Treatment Plant (STP), an air-quality monitoring station, and energy-efficient building materials and practices. Academic and administrative infrastructure comprises five computer labs, dedicated examination rooms, nine tutorial rooms, separate faculty rooms, a full floor housing the incubation centre and placement cell, and a separate alumni relations cell.

Facilities for Sports and Cultural Activities

The college places consistent emphasis on students' physical well-being and cultural expression, and treats both as integral to campus life. A half-acre playing field supports regular practice and friendly matches in football, cricket, volleyball, and kabaddi. Indoor facilities enable table tennis, carrom, and chess. A fully equipped open gym on the grounds encourages daily fitness routines for students across programmes. Usage is coordinated by the Sports Committee to ensure equitable access, with schedules shared in advance and basic first-aid available during organised activities.

Cultural activity is anchored by a large open-air stage at one end of the grounds. Student societies use it for rehearsals, auditions, workshops, and full-scale productions throughout the year. It serves as the centerpiece for Crescendo, the annual cultural festival, and supports a steady calendar of performances, competitions, and cross-college collaborations. The same venue adapts well to alumni meets, food

festivals, and other community events, allowing large audiences without disrupting academic spaces.

Both sports and cultural facilities are open to all students and are planned with inclusivity in mind. Together, these spaces help students build teamwork, confidence, and leadership while strengthening the college's sense of community.

Akash Ganga, the college auditorium is fully air-conditioned with seating capacity of more than 500 people and is set up to conduct a variety of cultural events, conferences and discussions. More focused activities can make use of any of the 4 similarly equipped but slightly smaller (at approximately 100 seats) seminar rooms. At the other end, a garlanded bust of our namesake, Shaheed Sukhdev Thapar and the gaily fluttering national flag provide a touch of poignancy and help to channelize our efforts for greater national good.

Social well-being Initiatives

On-campus counselling services are facilitated by Ms. Anisha Batra (clinical psychologist) to strengthen and promote the social and psychological well-being of students as an integral component of holistic education and campus life. The counselling support provides students with a confidential and supportive space to address academic stress, emotional concerns, adjustment difficulties and interpersonal challenges. It also contributes to greater mental health awareness, encourages timely help-seeking, and promotes emotional resilience and healthy coping mechanisms.

Financial Highlights and Infrastructure Growth

Particulars	Amount (₹)
Budget Allocated for Infrastructure Augmentation	₹2,49,812
Expenditure for Infrastructure Augmentation (17.12.2025–16.04.2026)	₹2,49,812
Total Expenditure (excluding Salary)	**₹9,32,91,638**
Expenditure on Maintenance of Academic Facilities (excluding salary for Human Resources)	₹74,36,379
Expenditure on Maintenance of Physical Facilities (excluding salary for Human Resources)	₹5,85,41,103

Faculty and Staff

During the academic year 2025–26, the College had a total faculty strength of **27 members** on roll, comprising **25 permanent on roll** faculty members and **2 ad hoc** faculty members. Academic activities were further strengthened by the engagement of **41 guest faculty** members across the Departments of Management Studies, Financial Studies, and Computer Science.

Recruitment against the sanctioned teaching positions is currently underway. Details regarding the department-wise sanctioned strength, filled positions, existing vacancies, and guest faculty engagement are provided in Annexures 1a–1c.

Faculty Transitions: Leave, Deputation, and Superannuation

During the year, **four** faculty members **resumed duties** after approved child care leave, **one** faculty member was sanctioned child care leave & **one** member served on deputation as the **Principal** at the School of Open Learning, University of Delhi. Annexures 2a–2d.

Administrative and Non-Teaching Staff

The college has **26** Permanent and **06** contractual non-teaching staff and **08** MTS outsourced working in the administration, library, computer laboratories and the placement cell.

Staff on Deputation

- The term of Mr. Ankur Aggarwal, as Section Officer on deputation basis was extended for a further period of one year w.e.f. 03.07.2025 to 02.07.2026.
- The term of Mr. Aniket Kumar, as Technical Assistant on deputation basis was extended for a further period of one year w.e.f. 31.12.2025 to 30.12.2026
- The term of Ms. Rekha Rani, as Technical Assistant on deputation basis was extended for a further period of one year w.e.f. 01.11.2025 to 31.10.2026.

Staff on Contractual Appointment

- Ms. Champa Negi was appointed as Junior Assistant on purely contractual basis from June 4, 2025 to December 3, 2025 and again from December 5, 2025 to June 4, 2026.
- Mr. Dharmender was appointed as Junior Assistant on purely contractual basis from July 17, 2025 to January 16, 2026 and again from January 20, 2026 to July 19, 2026.
- Mr. Sunny was appointed as Lab. Attending on purely contractual basis from February 7, 2025 to August 6, 2025 and again from August 8, 2025 to February 7, 2026 and again from February 10, 2026 to August 9, 2026.
- Mr. Rohit Kumar was appointed as Manager (Boys Hostel) on purely contractual basis from February 20, 2025 to August 19, 2025 and again from August 22, 2025 to February 21, 2026.
- Ms. Geeta Joshi was appointed as Matron (Girls Hostel) on purely contractual basis from April 17, 2025 to October 16, 2025 and again from October 22, 2025 to April 21, 2026.
- Mr. Nitish Kumar was appointed as System & Network Administrator on purely contractual basis from October 3, 2025 to April 2, 2026.

Ms. Rekha Rani, Technical Assistant availed child care leave from 23.02.2026 to 06.03.2026 and joined on 09.03.2026.

Our Pillars

SSCBS Innovation and Incubation Foundation (SIIF)

The Shaheed Sukhdev College of Business Studies – Innovation & Incubation Foundation (SIIF) is a Section 8 company established in 2016 under the Incubation Policy of the Government of the National Capital Territory (GNCT) of Delhi. As the official incubation centre of Shaheed Sukhdev College of Business Studies (SSCBS), University of Delhi, SIIF is committed to fostering innovation, entrepreneurship, and startup development by providing end-to-end support through incubation, mentorship, seed funding, investor connect, industry partnerships, capacity-building programmes, co-working facilities, and market access.

During 2025–26, SIIF further strengthened its position as a leading university-based incubation centre by supporting 94 startups across sectors such as Artificial Intelligence, DeepTech, HealthTech, EdTech, FinTech, AgriTech, Sustainability, LegalTech, Consumer Products, and Social Innovation. During the year, 33 new startup ideas and ventures were onboarded for structured incubation and business mentoring.

Since its inception, SIIF has facilitated over ₹2.84 crore in startup funding, including ₹75 lakh disbursed during 2025–26 to support product development, technology validation, market expansion, and venture growth. The Foundation also diversified its revenue streams through incubation and ecosystem activities, generating income from mentorship services, CCD interest, and sponsorships, thereby reinforcing its long-term financial sustainability. Our incubates generated a cumulative revenue of more than ₹70 lakh during the financial year 2025-26.

A major milestone during the year was the establishment of NAVONMESH MANDAP, an advanced AI, Robotics and Makerspace Laboratory developed in collaboration with STEAM Varsity. The facility provides students, startups, and innovators with hands-on access to robotics, artificial intelligence, rapid prototyping, digital fabrication, electronics, and experiential learning, while serving as a hub for innovation challenges, skill development, and prototype creation.

SIIF continued to expand the entrepreneurial ecosystem through a wide range of flagship initiatives including Startup Maha Kumbh, E-SUMMIT 2025, Entrepreneurship 3D Framework – Dream, Design & Deliver, DSIIDC Ideathon, Hustlers Camp, Smart India Hackathon, Founders Forge Bootcamp, AWS Bharat Startup Yatra, National

Startup Day& Startup Yuva Festival, GigNaati × Intel Session on Agentic AI, Chai with Titan Investor Connect, and the Global Entrepreneurship Mindset Programme (Japan) under the MEXT initiative. Notably, one SSCBS team won the DSIIDC Ideathon and secured ₹3.5 lakh in funding, while three SIIF-incubated startups were recognised among the Top 100 Startups at the Delhi Startup Yuva Festival, receiving ₹1 lakh each.

The Foundation also launched the Mentor India Academy (MIA) and ATL Saarthi initiatives to strengthen mentorship support for school innovation ecosystems and continued to actively promote innovation through the Institution's Innovation Council (IIC). During the year, SIIF signed six Memoranda of Understanding (MoUs) with academic institutions, industry partners, and innovation organisations to enhance collaboration in entrepreneurship, incubation, research, skill development, and startup ecosystem development.

The Foundation is guided by the Board of Directors comprising Prof. Poonam Verma (Chairperson), Dr. Pushpendra Kumar, Mr. Arvind Jha, Mr. Saurav Arora, Dr. Ramesh Kumar, Prof. Kumar Bijoy, Dr. Narander Kumar Nigam, and Dr. Amit Kumar. SIIF is led by Prof. Kumar Bijoy (CEO & Director), supported by Ms. Monika Chauhan (General Manager) and the incubation team, who continue to drive the Foundation's mission of nurturing innovation, entrepreneurship, and startup excellence.

SIIF at a Glance

- **94 startups** supported across diverse sectors.
- **33 new startups/ideas** incubated during the year.
- **₹2.84 crore+** cumulative funding facilitated since inception.
- **₹75 lakh** disbursed to startups during 2025–26.
- **₹3.5 lakh** won by SSCBS team at the DSIIDC Ideathon.
- Three SIIF startups recognised among the Top 100 Startups at Delhi Startup Yuva
- Festival, receiving ₹1 lakh each.
- NAVONMESH MANDAP established as an AI, Robotics and Makerspace Laboratory.
- Mentor India Academy (MIA) and ATL Saarthi launched.
- Six strategic MoUs signed with academic and industry partners.
- Continued implementation of Institutions Innovation Council (IIC) initiatives.

Placements

Career Development Centre (CDC)

The interface between the students and the companies. It helps students explore options through personal counselling and support, alumni mentoring and networking opportunities, etc. The inherent characteristics of the SSCBS initiative, leadership, teamwork, and inquisition, are reflected in the work of the team.

Major Statistics

Number of Offers - 252	Top 10% Average - ₹19,54,155

Prominent Recruiters

Higher Studies

In 2026, around **50+** students got an admission for their higher education at the prestigious **IIM Ahmedabad**, **Bangalore**, **Calcutta** & **Lucknow** after successfully acing the CAT Examination. Various others went to the top PG colleges of the country taking the total admission tally to 139 for higher education. Annexure 5 (c) .

Academic Results

The college follows a continuous system of evaluating students' performance through a system of tests, assignments, projects and presentations marked for internal assessment purposes followed by the University conducted semester-end examinations to ensure that high academic standards are maintained. The system enables the students to acquire considerable in-depth knowledge in different fields of their chosen discipline. Our students expend considerable effort in their academic endeavours and this shows in their academic performance during their college life and beyond. The academic results for various programs are as follows:

The total number of students appeared in three year UG/one year PG programmes (2025-26) are as follows:

Program	No. of students appeared	No. of students passed
BMS	273	Result pending from the University
BBA(FIA)	136	Result pending from the University Result pending from the University
B.Sc.(H) Computer Science	55	Result pending from the University
PGDCSL	23	Result pending from the University

The total number of students appeared in four year UG programmes (2025-26) are as follows:

Program	No. of students appeared	No. of students passed
BMS	25	Result pending from the University
BBA(FIA)	06	Result pending from the University
B.Sc.(H) Computer Science	11	Result pending from the University

Academic /Social Initiatives

Initiatives taken for Financial Support to Students

Shaheed Sukhdev College of Business Studies offers various scholarship programs every year. The University of Delhi also offers a scholarship to students who come from a weak economic background. Scholarship schemes at Shaheed Sukhdev College of Business Studies are mainly merit- based and there are some scholarships for the SC, ST, OBC, PWD categories. Students have received scholarship support from the government & non-government organizations.

Scholarship Support

The college has received financial support from various organizations/persons for supporting the students of the college. Complete list of Non-Government Scholarships is enclosed in Annexure 11(b)

Financial Assistance Extended by College

The college has provided financial support for students from economically weaker sections of the society on a need-cum-merit basis. 127 students in total were selected for this scholarship programme and the total amount disbursed was ₹21,55,244.5/- along with Tuition fee reimbursement was given to 176 students of ₹31,680 and also Fees amounting to ₹15,08,280/- were waived by the college for 62 PwD students.

Sponsorships

Total amount of ₹21,11,349.00/- sponsorships was raised by different student societies i.e., Kartavya, Crescendo, Enactus, Financial Literacy Cell, Kronos, Hack CBS, MIC, Synergy, CBS MUM Society, and Illuminati. Complete list of sponsorships is enclosed in Annexure 11 (c)

Skill Development Initiatives

Skill Development Centre

The Skill Development Centre (SDC), established under the aegis of the Internal Quality Assurance Cell (IQAC), Shaheed Sukhdev College of Business Studies (SSCBS), aims to bridge the gap between classroom learning and industry expectations by providing students with practical, market-oriented skills. During the Academic Year 2025–26, the Centre successfully organized three flagship programmes covering database management, spreadsheet analytics, and business intelligence. The programmes were designed to provide hands-on learning through expert-led and peer-led sessions, enabling students to acquire competencies highly valued by employers across technology, finance, consulting, and analytics domains. 40 new desktops have been purchased dated 16-02-2026 to set up Computer Lab Room No. 226 under the Skill Development Centre (SDC).
Faculty Coordinators: Dr. Narander Kumar Nigam and Dr. Satish Kumar Goel

Programmes Conducted

Programme	Duration	Mode	Resource Person(s)	Participants
SQL 101: Foundation and Beyond	24–27 February 2026 (8 Hours)	Expert-led	Mr. Moksh Ahuja (Tailnode Technologies – Nation with NaMo)	29 Enrolled (19 Certified)
MS Excel	March–April 2026 (9 Sessions)	Peer-led	Harman Singh Dhruv Bajesaria Nischal Vatsa Aryan Goyal Arya Pal Sanyam Kasera Vansh Bothra Japneet Kaur	23 Enrolled (7 Certified)
Power BI	March–April 2026 (11 Sessions)	Peer-led	Harman Singh Japneet Kaur Anvi Chugh Dhruv Bajesaria Raunav Agrawal Sanyam Kasera	34 Enrolled (15 Certified)

Key Learning Outcomes

Across the three programmes, participants developed competencies in:

- Database design and SQL programming
- Spreadsheet modelling and advanced Excel analytics
- Data cleaning and transformation
- Financial modelling and decision-support tools
- Interactive dashboard creation using Power BI
- Data visualization and business reporting
- Problem-solving using real-world datasets
- Industry-standard analytical and business intelligence practices

Overall Impact

The three programmes collectively strengthened students' technical and analytical capabilities while promoting experiential learning through practical assignments and hands-on exercises. The peer-led model adopted for MS Excel and Power BI encouraged collaborative learning, leadership, and communication among student instructors, whereas the expert-led SQL workshop exposed participants to industry practices and professional expectations.

Students appreciated:

- Interactive and application-oriented sessions
- Small batch sizes enabling personalized guidance
- Practical assignments after every session
- Real-world datasets and industry-relevant examples
- Continuous assessment instead of a single examination

Overall, the initiatives significantly enhanced students' employability by equipping them with essential skills in data analysis, database management, spreadsheet modelling, and business intelligence.

Three students Dhruv Bajesaria, Harman Singh and Japneet Kaur are awarded with Outstanding Teaching Contribution Award for their contribution.

Students Awards

The College's student awards recognise outstanding achievements in academics, leadership, sports, cultural activities, and community service. By celebrating excellence across diverse domains, these awards motivate students to realise their full potential, foster a culture of aspiration and inclusivity, and inspire the broader student community to pursue excellence in all spheres of campus life.

SSCBS Best All Rounder Award

The Best All-Round Student Award is the College's highest student honour, instituted to recognise individuals who exemplify excellence in academics, leadership, and campus engagement. Awardees consistently demonstrate outstanding scholastic achievement, actively contribute to college life, excel in inter-college competitions, and embody the core values of SSCBS—dedication, innovation, creativity, and a spirit of positive change.

Undergraduate	Postgraduate
	
Manav Mahajan BBA-FIA (23343)	Dhruv Sharma PGDCSL (25956)

Vanishree Award

Selection for the award is made on the basis of academic merit in the First-Year University Examinations, assessed through the cumulative GPA or the corresponding programme-wise rank derived from the combined results of Semesters I and II.

	
Aanya jain BMS (24001)	Pratyush Dugar BMS (24177)
	
Shaurya Mittal BBA (FIA) (24397)	Swadhin Panwar B.Sc (H) (24548)

Late Shri Ganpat Rai Agarwal Award

The award is given to the best third year student from the EWS category

Niharika Aggarwal BMS (23077)

Pratibha Merit Scholarship

One award is granted annually to a deserving second-year undergraduate student belonging to a family with an annual income of ₹5 lakh or below. The selection shall be

based on a weighted evaluation of the student's first-year CGPA and family income, and the candidate obtaining the highest composite score shall be eligible for the award.

Sahil Kumar
BMS (24204)

Udaan Scholarship Programme

Given to the topper of B.Sc.(H) Computer Science (Aggregate of the result of III & IV semester marks with family income less than ₹3 LPA)

Harshit Malviya
B.Sc (H) (23526)

Shri. Pooran Mal Award

One award is granted to the best-performing male and female students of the second or third year from the SC/ST category. Selection shall be based on the highest marks obtained in the previous semester, provided that the student has secured at least 60% marks and belongs to a family with an annual income of ₹5 lakh or below.

Aman Verma BBA (FIA) (24307)

Shyra Scholarship

The award shall be conferred on students who have secured the highest grade in the immediately preceding semester and whose annual family income does not exceed ₹5 lakh. In addition, the recipients must have maintained a minimum attendance of 75% in the previous semester, excluding any attendance waivers granted in accordance with institutional norms.

		
Atul Singh BMS (25053)	Jai prakash BMS (24291)	Manthan BMS (23202)

Shri Sultan Chand Memorial Scholarship

Given to the student who has secured the highest marks in the second semester of the Bachelors of Management Studies.

Sahil Kumar
BMS (24204)

Dr. S.S. Gulshan Scholarship

The award is given to the topper of BMS 1st year (Semester I and Semester II combined)

Samreen Jagga
BMS (24211)

Ms. Neha Rajput Award

The award will be given to a female student of BMS third year who secures the highest marks or grade in Human Resource Management-related papers

Arshpreet Kaur
BMS (23026)

Shri. Ved Prakash Abbey & Smt. Bimla Abbi Scholarship

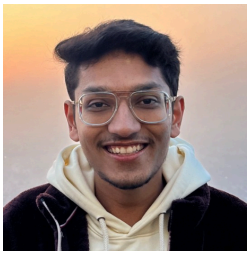

The student must be enrolled in one of the two undergraduate management programs offered by the college i.e. BMS & BBA (FIA). The student must be admitted in the Economically Weaker Sections (EWS) category, as verified by appropriate documentation. Only students who have successfully completed their second year of the UG course will be eligible.

	
Ayush Agarwal BMS (23159)	Chandransh Bhargava BBA (FIA) (23391)

Handa Agarwal Scholarship

Handa Agarwal Merit Award has been instituted as a Merit Award for Topper of each course to provide financial assistance

		
Arshpreet Kaur BMS (23026)	Avishi Sood BMS (23157)	Ananya Garg BMS (23138)

	
Snehal Srivastava B.Sc (H) (23546)	BBA (FIA) Manav Mahajan (23343)

Best CR Award

Handed to best class representatives over their tenure over the year

	
Samriddhi Chandran BMS (23103)	Eshika Grover BMS (23174)

SSCBS Best Internship Awards

Internship awards are based on evaluations conducted by both faculty members and corporate officials. Key criteria include the nature and relevance of the project, the intern‘s level of involvement and contribution, and their ability to articulate ideas and handle objections effectively. Faculty assess academic alignment, report writing, and analytical depth, while corporate evaluators focus on professional conduct, communication skills, and the practical Vanishree award 27 impact of the intern‘s work. The final assessment reflects a balanced view of academic rigor and workplace performance, recognizing interns who demonstrate initiative, clarity, and meaningful contributions during their internship experience.

Rank 1:

Rank 2:

		
Manav Bhola BBA (FIA) (23342)	Samyaa Goyal BMS (23293)	Snehal Srivastava B.Sc (H) (23546)

Rank 3:

		
Pratyush Sinha BMS (23089)	Anvesha Batra BMS (23024)	Pranay Anand B.Sc (H) (23439)

Principal Achiever’s List

The Principal‘s Achievers award recognizes the top one percentile of students in each programme for outstanding scholarship in a given academic year. Eligibility requires a semester GPA of at least 8.5, with programme -wise cutoffs applied after identifying the top one percentile. Students must have no essential repetitions that year, maintain at least 66.67% actual attendance without waivers, and have no record of academic or nonacademic misconduct. They must also participate in at least one society or intra-/intercollege activity, certified by a faculty member. Students who qualify with a perfect 10 semester GPA receive a specia l mention. The List celebrates work ethic, integrity, and engagement, and sets a benchmark for the college community. **Appendix 8 (a)**

Alumni Engagement

Building on its formal registration in December 2024, SCOBSA consolidated its presence this year with a full calendar of welfare, mentorship, and flagship initiatives, alongside provisional approval under Sections 12AB and 80G of the Income Tax Act.

- **Laptop Donation Drive**
  The Batch of 1999 and individual alumni donated 30 laptops (Dell, HP, Lenovo) to students from economically weaker sections across BMS, BBA (FIA), and B.Sc. (Hons.) Computer Science.
- **Infrastructure Development**
  Pankaj Agarwal (Batch of 2002) and Ruchita Agarwal, through the Handa Agarwal Foundation, funded a Recording Room-cum-Podcast Studio worth ₹15,00,000, with construction commencing April 2026.
- **Alumni-Funded Merit Award**
  The Handa Agarwal Foundation instituted the Handa Agarwal Merit Award (₹90,000/year; ₹30,000 per student) for toppers across BMS, BBA (FIA), and B.Sc. (Hons.) Computer Science, from Passing Out Year 2025.
- **Flagship Event – SCOBSA Business Conclave 2026**
  Themed "Bharat Means Business" (18th April 2026), the conclave featured Vivek Gambhir (Lightspeed India), Ashish Dhawan (The Convergence Foundation), and Aseem Kaushik (L'Oréal India), with a felicitation ceremony for distinguished alumni.
- **Participation in College Events**
  Neeti Macker and Shivansh Jindal spoke at TEDx SSCBS 2025. Chandni Trehan and Meenakshi Kolay addressed the incoming Batch of 2025–29 at Orientation, and Udit Jain delivered the Convocation Address for the Class of 2025.
- **Mentorship and Industry Engagement**
  With AROC, SCOBSA organised sessions on business valuation and VC (Sarthak Ahuja), career growth (Saurabh Bansal, Nimisha Garg), HR and placement prep (Sandeep Bhola), and entrepreneurship at CII-YUVA's Delhi Youth Conclave (Saurabh Bansal, Vikas Yadav).
- **The Learner's Circle Series**
  A new alumni-interaction series featuring Rithish Kumar (Pee Safe), Sanjay Menon (Publicis Sapient), Manisha Agarwal (PUMA India), Vandana Sood Aggarwal (Communique India), and Manoj Pardasani, held across Delhi and Bengaluru.
- **Academic Platforms**
  Anuradha Sastry (PwC India) and Sunondo Bhattacharya (Yotta Data) spoke at I-CAMP 2025, an international AI-in-management conference held with JIMS.

CONVERGENCE'25 - The Annual Leadership Summit

Shaheed Sukhdev College of Business Studies, University of Delhi, organised Convergence '25, the 22nd edition of the Annual Leadership Summit, on 14 November 2025 at the College Auditorium. The summit was centred on the theme "Viksit Bharat 2047: Entrepreneurship in the Age of Artificial Intelligence."

The event began with the inaugural ceremony, followed by the opening remarks of Principal Prof. Poonam Verma and an address by Prof. Gunjan Gupta, Chairperson, College Governing Body. Mr. Sanjeev Bikhchandani, Founder and Executive Vice-Chairman of Info Edge (India) Ltd., attended as Chief Guest and joined a fireside chat and a rapid-fire interaction with the audience. Through two keynote sessions and three panel discussions, the summit covered a wide range of topics — from young entrepreneurship and early-stage venture building to the future of work in the age of artificial intelligence, women in leadership and workplace inclusion, digital content creation and its social impact, and grassroots social entrepreneurship. The day concluded with a stand-up performance and the Vote of Thanks.

Speakers included Mr. Sanjeev Bikhchandani (Founder & Executive Vice-Chairman, Info Edge), Mr. Chinmaya Sharma (Partner, Info Edge Ventures), Mr. Mredul Sarda (Founding Partner, Riceberg Ventures), Ms. Vidyottama P. Sharma (Founder & CEO, Only Women), Ms. Anuradha Sastry (Director, PwC India), Major Vandana Sharma (Founder, VaMiKa Heritage), Ms. Nandini Sharma (Founder, TIA Education), Ms. Poorva Choudhary (Founder, Human-at-Ease), Mr. Bhavya Arora (Digital Creator, YJR), Ms. Sarita Chaudhary Chand (Founder & CEO, Skills Caravan), Mr. Yogesh Shinde (Founder-CEO, Bamboo India) and Mr. Akash Tandon (Founder, Pehchaan – The Street School).

Crescendo ‘25-26

- **Details of the Event**

Crescendo, the annual fest of Shaheed Sukhdev College of Business Studies, stood as a vibrant celebration of talent, creativity, and collective spirit. Blending art with intellect, the fest unfolded through a series of immersive experiences, bringing together students, alumni, artists, and creators in an energetic showcase of music, competitions, and performances. Held on **23rd and 24th April 2026**, Crescendo’26 emerged as a landmark success, attracting **7,000+ attendees** and generating a digital reach of 2+ crore impressions. With participation from 150+ colleges, 70+ subevents, and high-profile performances, the fest reflected SSCBS’s ethos of creativity, collaboration, and excellence. It stood as a testament to months of meticulous planning, seamless coordination, and student-driven innovation.

Theme & Logo: This year’s theme, **Arcade**, drew inspiration from the vibrant world of classic and modern gaming. It symbolized energy, competition, and the thrill of leveling up, capturing the spirit of students as they challenged limits and unlocked new experiences. The logo reflects a strong arcade and

retro gaming theme, highlighted by the pixelated design and the PacMan inspired graphic. It conveys a sense of nostalgia, playfulness, and high energy, aligning with the idea of competition and fun.

Financial Overview:

The total proposed budget for Crescendo'26 was ₹15.5 Lakhs, with the following breakdown:

- College Allocation: ₹10,00,000
- Sponsorships + Stalls: ₹5,50,000

Major Sponsors included: Hamdard- ₹75,000, Toing- ₹50,000, SBI - ₹1,00,000, Others – Too Yum, Lapinoz, Avataar, Chupa Chups, Mountain Dew, etc. The budget was majorly allocated towards the main and other artists, production, marketing, hospitality, security and event operations.

Events Organized under Crescendo: Crescendo Pre Event 2026, Palentine (in collaboration with QSA), Pre Prom, Prom Night, Crescendo Day1 & Day2

Outcome of Crescendo:

Crescendo'26 was certainly a festival. But it was also a movement. It was countless hours of preparation, late night discussions, unmarked memory interconnections, and a thousand moving parts that became a symphony. There was the emotional resonance from beginning to end- from the Pre-Event's sentiments and Prom Night's star-dust, from Day One's buzz to Maahi's magic, from the intellectual fierceness of the CBS
Championship to the warmth of relationships formed. Every element was an important chapter in a bigger story. Under the theme "Arcade", students didn't just create an event they created a memory that will outlast the banners and the stage lights. Crescendo'26 will not be remembered for one moment-but for every moment that occurred within it, big and small.

- **Description of Activities**

Palentine was a celebration of friendship, laughter, and the people who make college life a little more memorable. Filled with fun, music, and cheerful moments, the event brought friends together to celebrate the bonds that make every college memory special. From candid conversations to endless pictures and shared laughs, Palentine was all about appreciating the friendships that make the journey worthwhile.

Pre-Prom was the perfect build-up to the much-awaited Prom Night, filled with excitement, anticipation, and youthful energy. Students came together to celebrate the moments leading up to the big night, with music, laughter, pictures and plenty of memorable moments, Pre-Prom set the tone for an unforgettable evening ahead.

The **Crescendo Pre-Event** featured creators like Anil Sahu, Riya Dabas, and Maaz Khan sharing honest stories alongside an impactful student open-mic. This raw dialogue on fame and mental health shifted the festival's narrative, turning Crescendo into a meaningful platform for learning and vulnerability.

College Functions

Orientation 2025

Batch: 2028/29

Date: 2nd August 2025

Venue: Auditorium SSCBS

The Orientation Programme for the Batch of 2028/29 marked the official commencement of the students' journey at Shaheed Sukhdev College of Business Studies. The programme was organized to warmly welcome the incoming students and their parents, familiarize them with the academic framework, and introduce them to the values, opportunities, and culture of the institution.

Programme Highlights:

Inaugural Ceremony:
The programme began with the traditional lighting of the ceremonial lamp, followed by a graceful rendition of *Saraswati Vandana*, seeking blessings for a successful and fulfilling academic year.

Principal's Address:
Prof. (Dr.) Poonam Verma, Principal of SSCBS, addressed the gathering, highlighting the institution's vision, commitment to academic excellence, and emphasis on developing socially responsible and competent professionals.

Academic Orientation:

- Introduction of faculty members and Heads of Departments.

- Overview of the academic curriculum, course structure, and examination process.
- Explanation of academic regulations, student support services, and institutional resources.

Career and Student Society Overview:

- Briefing on the college's placement and internship opportunities.
- Introduction to the various cultural, technical, literary, and social societies, encouraging students to actively participate in co-curricular and extracurricular activities.

Cultural Segment:
The programme also featured engaging cultural performances that created a warm and welcoming atmosphere for the new batch.

The Orientation Programme 2025 laid the foundation for an inspiring and rewarding journey at SSCBS, instilling confidence, enthusiasm, and a strong sense of belonging among the newly admitted students.

Annual Day 2025

Date: 19th September

Venue: Auditorium, SSCBS

The Annual Day celebration provided an opportunity to commemorate the achievements of the academic year while recognizing the exceptional efforts and accomplishments of students and faculty members. The event reflected the values of excellence, innovation, and teamwork that are integral to the spirit of SSCBS.

Annual Awards Ceremony:

- Presentation of Academic Excellence Awards to students for outstanding academic performance.
- Society Awards recognizing exemplary leadership, dedication, and contributions to student-led initiatives.
- Internship and Scholarship Recognitions celebrating notable academic accomplishments and professional achievements.

The programme concluded with a Vote of Thanks, followed by the National Anthem and group photographs, bringing the Annual Day celebrations to a memorable and dignified close.

Freshers 2025

Batch: 2028

Date: 17th October 2025

Venue: Auditorium, SSCBS

Freshers' Welcome 2025

The Freshers' Welcome 2025 was organized to warmly receive the incoming batch and create an enjoyable environment where students could interact, showcase their talents, and begin their college journey with enthusiasm. The event celebrated the spirit of togetherness and helped new students feel at home within the SSCBS community.

Key Features:

Opening Address:
The programme commenced with a warm welcome address, setting an energetic and festive atmosphere for the evening.

Thematic Attire:
Following the event theme, students attended in traditional sarees (girls) and formal attire (boys), adding elegance and cultural vibrancy to the celebration.

Cultural Performances:

- Enthralling musical performances by Dhwani.
- Energetic dance performances presented by Blitz.

Open Mic Segment:
Students enthusiastically participated in an interactive open mic session, providing a platform for self-expression, creativity, and spontaneous engagement.

DJ Session:
Following the refreshments, the celebration continued with a lively DJ session featuring upbeat music and traditional beats, encouraging the entire batch to come together on the dance floor.

Crowning Ceremony:
The programme concluded with the announcement of the Mr. Fresher and Ms. Fresher titles, recognizing students for their confidence, enthusiasm, and remarkable stage presence.

The Freshers' Welcome 2025 successfully fostered friendships, strengthened the sense of belonging, and provided the new batch with a memorable beginning to their journey at SSCBS.

Shaheedi Diwas Celebration

Date: 23rd March 2026

Venue: Akash Ganga Auditorium, SSCBS

Event: 6th Shaheed Sukhdev Memorial Lecture

Theme:
"Rule of Law as a Pillar of Viksit Bharat"
"विकसित भारत का स्तंभ**:** विधि का शासन**"**

Shaheed Sukhdev College of Business Studies, University of Delhi, organized the 6th Shaheed Sukhdev Memorial Lecture to pay tribute to the enduring legacy of Shaheed Bhagat Singh, Shaheed Rajguru, and Shaheed Sukhdev. The event celebrated their ideals of patriotism, courage, justice, and selfless service while highlighting the significance of the rule of law in the vision of a *Viksit Bharat*.

Key Highlights:

- The programme commenced with the garlanding of Shaheed Sukhdev Thapar Ji, followed by the ceremonial lamp lighting, *Saraswati Vandana*, the University of Delhi *Kulgeet*, and *Vande Mataram*.
- Prof. Poonam Verma, Principal, addressed the gathering, emphasizing the role of education in shaping responsible citizens.
- Prof. Gunjan Gupta, Chairperson of the College Governing Body, delivered the welcome address.
- Chief Guest: Hon'ble Justice Jyoti Singh, Hon'ble Judge, Delhi High Court.

Discussions & Addresses:
The lecture focused on the importance of the Rule of Law as a foundation for a *Viksit*

Bharat, while also exploring themes of patriotism, constitutional values, youth empowerment, and the role of education in nation-building.

The programme concluded with a Vote of Thanks, the National Anthem, and refreshments, marking a meaningful tribute to the nation's martyrs and their enduring legacy.

Farewell

Farewell to the Batch of 2026

Organized by: College Functions Committee

Venue: SSCBS Campus

A memorable farewell was organized to bid adieu to the graduating Batch of 2026, celebrating their achievements and the lasting memories created during their time at SSCBS. The event blended heartfelt moments with vibrant celebrations, marking the beginning of a new chapter in the students' lives.

Highlights of the Evening:

- Wall of Memories and a Photo Booth gave students the opportunity to revisit cherished moments through photographs, messages, and shared experiences from their college journey.

Opening Performances:

- Dhwani captivated the audience with soulful musical performances.
- Blitz energized the gathering with lively and dynamic dance performances.

Addresses by the Principal and Faculty:
Prof. (Dr.) Poonam Verma, Principal, along with faculty members, shared inspiring words and reflected on the students' growth, accomplishments, and memorable journey at SSCBS.

Recognition & Celebrations:

- Achievers' Award recognized students for their outstanding all-round excellence.
- Society Awards, Internship Recognitions, and Scholarship Awards celebrated exceptional leadership, academic achievement, and professional accomplishments.
- The Open Mic Segment featured poetry, singing, comedy, and dance performances, creating an atmosphere filled with warmth, laughter, and nostalgia.
- A lively DJ Session brought the evening to a vibrant close, with students celebrating together to a mix of Bollywood hits and contemporary music.

Crowning Ceremony:
The event concluded with the announcement of the Mr. Farewell and Mrs. Farewell titles, recognizing students for their confidence, personality, and lasting contribution to the SSCBS community. The crowning ceremony served as a fitting finale to an unforgettable evening.

Extension and Outreach Activities

Overview: Extension and outreach activities this year spanned livelihood generation, healthcare, education, animal welfare, sustainability, and structured NGO/mentor engagement — reaching underprivileged communities, NGOs, and social organizations across Delhi-NCR.

Details of Outreach

- **Livelihood & Women Empowerment**
  Project Jyoti enabled underprivileged women to set up micro candle-making enterprises in collaboration with 3–4 NGOs, and was shortlisted as a Changeathon finalist. Project Utsav supported the potter community through field visits and market linkage, selling approximately 300 kulhads via campus partnerships.

- **Health & Hygiene Outreach**
  Project Sanjeevta raised awareness on disease prevention and first-aid readiness. The Fortis Escorts partnership provided free medical check-ups, ECGs, and vaccinations to women and children in homeless shelters. Project Chahat conducted maternal and child health sessions, distributing sanitary napkins and holding expert-led discussions on menstrual and maternal health. Additional NGO drives at Uttejana Foundation and Scope for Change included menstrual hygiene sessions and sanitary napkin distribution, and Project Amrit conducted WASH-focused cleanliness drives and sanitation kit distribution.

- **Community & NGO Outreach**
  Extensive reachouts were made to NGOs and community organizations for research, onboarding, and collaboration: 40+ organizations (including the National Association for the Blind, Blind Relief Association, and Bharat Blind School) were contacted for primary research; 30+ NGO visits were conducted; and community onboarding outreach exceeded 250+ organizations, including Ganga Social Foundation, Smile Foundation, Scope for Change, and Manav Sewa Charitable Society. Other community welfare activities included road safety sessions at educational NGOs, Project Ehsaas (a decentralized food and clothing drive), Project Muskaan (activities for children at a Rohini NGO), Rang De (mural painting with children), Project Udaan (interaction with differently-abled children at a special school), Utsav-e-Sneh (engagement with elderly residents at a Vridhaashram), and a clothes donation drive held on 31st March 2025.

- **Education, Awareness & Skill Development**
  A CUET-UG awareness session at a Shahbad government school benefited 100 students. Project Saksham delivered career guidance and skill-development information, including a Wishing Wall event, while Project Nayaab ran literacy sessions for underprivileged children. Project Unnati provided digital literacy and financial-awareness training to household staff. Separately, a field-survey outreach was conducted with corporates including Burger King, Haldiram's, etc.

- **Mentor & Technical Collaboration Outreach**
  60+ contacts were made for mentor onboarding and 60+ for technical association with academics and industry professionals from institutions including IIT Delhi, IIT Madras, TERI, and Reliance Industries. International collaboration and mentorship outreach (20+ organizations) included Vision Australia, RNIB, CNIB, Sightsavers, and the Perkins School for the Blind, alongside a mentorship meeting with the Director of Vision Aid.

- **Animal Welfare & Environmental Responsibility**
  Gaushala visits and animal-care awareness campaigns were carried out under Project Furry. Reflective neon collars were distributed to 20 stray dogs in Rohini to reduce low-light accidents. A plantation drive at a Rajouri Garden school saw 40+ saplings planted with the participation of 100+ students and 16 volunteers.

- **Sustainability & Innovation**
  Project Akriti recycled discarded hotel soap into new bars for distribution in low-income communities, aligned with SDGs 8, 9, and 11. Paper waste was recycled through the Green-O-Tech collaboration, and plastic bottles were donated to Bisleri for conversion into PET fabric.

- **Sensitization & Social Awareness**
  Project Sanyam fostered empathy and conflict-resolution through reflective, peacebuilding sessions. NGO partnerships enabled menstrual health and social-awareness outreach in marginalized colonies, and the street play *La-Ilaaj* was performed in Rohini to raise awareness on the corporatization of healthcare.

Key Outcomes

Professional connections were established with 50+ NGOs and social organizations for ongoing and future collaboration; 4+ NGO visits were completed to assess community needs and organizational functioning; onboarding discussions began for a new community partnership; and students strengthened their communication, networking, field-research, and professional interaction skills through sustained outreach engagement.

Michael & Susan Dell foundation- Dell Aspire Scholarship

We partnered with the Dell Aspire Scholars program, an initiative of the Michael & Susan Dell Foundation, in the 2025–26 academic session through a seven-year partnership, expanding SSCBS's efforts to support high-achieving students on their journey from college to career. The program combines flexible financial support for tuition, technology, and housing with career development through mentorship, industry networking, and internships; sustained academic support through regular check-ins and personalized planning; and well-being resources to help students thrive through college and beyond.

Students are selected for the Dell Aspire Scholars program through a rigorous, multi-stage process that considers academic achievement, financial need, and future potential. In the first year of our partnership, 30 SSCBS students were selected to join the Dell Aspire Scholars community.The partnership was steered at SSCBS under the leadership of Professor-Principal Poonam Verma, with Prof. Shikha Gupta, Dr. Amit Kumar, and Mrs. Rekha Rani coordinating its rollout on campus, ensuring our first cohort of Dell Aspire Scholars began their journey on firm footing. As the partnership enters its second year, it reflects our growing commitment to initiatives that reach beyond the classroom, into the sustained, long-term success of our students.

Annexure 3d: Invited Talks

- Kausar, A. delivered an invited talk on “Circularity-driven decision-making in closed-loop supply chains under imperfect production and screening errors” at 6th National Conference on Recent Advances in Mathematical Sciences & New Trends in Statistics, Dhanamanjuri University, Imphal, Manipur, India. January 16, 2026.
- Verma, M. delivered an invited talk on “Managing Aid in Crisis : The Role of Humanitarian Logistics” at International Conference on Application of Operations Research in Finance, Defence, and Industry (ICAORFDI-2026), 58th Annual Convention of the Operational Research Society of India (ORSI- 2025), Government Holkar Science College, Indore, India, March 06-08, 2026.

Annexure 3e: Workshops Organised

- Thakral S. organised a workshop on “Google AI Labs Bootcamp in collaboration with Hack2Skill” on August 14,2025 at SSCBS.
- Thakral S. organised a workshop on “Blockchain technology” with sessions spread across on October 3,2025 , October 11, 2025 and November 2 , 2025 at SSCBS.

Annexure 3f : Membership of Faculty in Editorial Boards of Journals

- Amrina Kausar. Guest Editor, OPSEARCH.
- Shikha Gupta. Associate Editor, IET Biometrics (Wiley), a Web of Science and Scopus-indexed international journal.
- Nidhi Kesari. Editorial Board, Global Journal of Commerce and Management Perspectives, a bi-monthly online peer-reviewed international research journal. ISSN 2319-7285.
- Nidhi Kesari. Reviewer, BEST: International Journal of Humanities, Arts, Medicine and Sciences (BEST: IJHAMS). ISSN (Print): 2348-0521; ISSN (Online): 2454-4728.

Annexure 4

Annexure 4a: List Of Non-Teaching Staff Members

ADMINISTRATIVE STAFF

SNo	Name of the Employee	Designation	Remarks
1	Mr. Ankur Aggarwal	Section Officer (Accounts) Administrative Officer (Officiating)	On deputation 03.07.2025 to 02.07.2026
2	Mr. Sumit Lamba	Sr. P.A. to Principal	
3	Mr. Surender Kumar Dagar	Sr. Assistant	
4	Mr. Sanjay Batra	Assistant	
5	Mr. Tapan Mandal	Junior Assistant-cum-Caretaker	
6	Mr. Rakesh Kumar	Driver	

7	Ms. Champa Negi	Jr. Assistant **(Contractual)**	04.06.2025 to 03.12.2025 and 05.12.2025 to 04.06.2026
8	Mr. Dharmender	Jr. Assistant **(Contractual)**	17.07.2025 to 16.01.2026 and 20.01.2026 to 19.07.2026
9	Mr. Drigpal	Daftri	
10	Mr. Suman Singh	Office Attendant	
11	Mr. Bhupal Chand	Office Attendant	
12	Mr. Chander Pal	Mali	
13	Mr. Baleshwar	Mali	
14	Mr. Karunesh	Safai Karamchari	
15	Mr. Deepak Kumar	Safai Karamchari	Expired on 04.06.2025
16	Mr. Vishnu Prasad	Waterman	
17	Mr. Vishal Rathi	MTS **(Outsourced)**	
18	Mr. Ravi Kumar	MTS **(Outsourced)**	
PLACEMENT CELL STAFF			
19	Mr. Deepak Tiwari	Placement Officer	
20	Mr. Manoj Kumar	MTS **(Outsourced)**	
LIBRARY STAFF			
21	Dr. Deepti Khatri	Librarian	
22	Mr. Pushpender Prajapati	Semi Prof. Assistant	
23	Mr. Basant Lal	Library Attendant	
24	Ms. Gayatri	MTS **(Outsourced)**	
25	Mr. Jayant	MTS **(Outsourced)**	
COMPUTER LAB STAFF			
26	Mr. Nitish Kumar	System & Network Administrator **(Contractual)**	03.10.2025 to 02.04.2026
27	Mr. Mayank Sahni	Sr. Technical Assistant	
28	Mr. Atul Bhardwaj	Technical Assistant	Retired on 30.11.2025
29	Mr. Jaivarsh Anand	Technical Assistant	
	Ms. Rekha Rani	Technical Assistant	On Deputation 01.11.2025 to 31.10.2026 And

30			CCL from 23.02.2026 to 06.03.2026 and joined on 09.03,2026
31	Mr. Aniket Kumar	Technical Assistant	On Deputation 31.12.2025 to 30.12.2026
32	Mr. Tulsi Ram Sharma	Lab Attendant	
33	Ms. Nidhi Arora	Lab Attendant	
34	Ms. Archana Pandey	Lab Attendant	
35	Mr. Sunny	Lab Attendant **(Contractual)**	07.02.2025 to 06.08.2025 and 08.08.2025 to 07.02.2026 and 10.02.2026 to 09.08.2026
36	Mr. Himanshu	MTS **(Outsourced)**	
37	Mr. Suresh	MTS **(Outsourced)**	
38	Mr. Rajesh	MTS **(Outsourced)**	
		HOSTEL STAFF	
39	Mr. Rohit Kumar	Manager (Boys Hostel) **(Contractual)**	20.02.2025 to 19.08.2025 and 22.08.2025 to 21.02.2026
40	Ms. Geeta Joshi	Matron (Girls Hostel) **(Contractual)**	17.04.2025 to 16.10.2025 and 22.10.2025 to 21.04.2026

Annexure 4b: Skill Building Initiatives for Non-Teaching Staff

- **Dr. Deepti Khatri**, Librarian participated in the Refresher Course on 'Smart Libraries: Leveraging AI based Technologies' held during the period 26th June to 09th July, 2025 in online mode organized by Malaviya Mission Teacher Training Centre (MMTTC) and Doctor Harisingh Gour Vishwavidyalaya (A Central University), Sagar (MP).

- **Dr. Deepti Khatri**, Librarian attended the Hybrid (Online) Short Term Programme on Artificial Intelligence in Higher Education, conducted by the Centre for Professional

Development in Higher Education (CPDHE), UGC – Malaviya Mission Teacher Training Centre (MMTTC), University of Delhi, held from 6th February 2026 to 12th February, 2026.

- **Dr. Deepti Khatri**, Librarian attended SWAYAM-NPTEL Online Certification course titled "Science Communication: Research Productivity and Data Analytics using Open Source Software," held during January-April 2026 (12 week course).

- **Mr. Ankur Aggarwal**, Section Officer attended a One Week Online Skill Enhancement Programme for Non-Academic Staff organized by Atma Ram Sanatan Dharma College from November 24, 2025 to November 28, 2025.

- **Mr. Surender Kumar Dagar**, Senior Assistant attended a One Week Online Skill Enhancement Programme for Non-Academic Staff organized by Atma Ram Sanatan Dharma College from November 24, 2025 to November 28, 2025.

Annexure 5

Annexure 5(a): Activities for Guidance on Competitive Exams

Conducted By	Session
Inside Bain Case Study Workshop	Recruitment Case Studies
The Consulting Mindset	Consulting Frameworks
Communication Session 1	Improving skill development of students in interviews, GDs, body language and overall personality
Summer School - Nigam Sir	Skill Development via financial modelling
HSBC	Business Problem Solving
Trinity Case Engagement Session	Business Casework
University of Exeter	Corporate Governance
ISB	Leadership Development

BITSOM	Informative Session over MBA
IFSA Talks	Regarding CFA, FRM
Torah Career	Placement Readiness
Lilacbuds	Study abroad pathways

Annexure 5(b): Career Counseling Sessions

Session	Conducted By
Career In consulting	BCG
Careers in Derivatives	Future First
Career in Front end Consulting	FTI
Career in technology	Axtria
Career In consulting	LEK
Career in Investment Banking	Houlihan Lokey
Career in Life Sciences	Trinity Life Sciences
How to crack case	BCN
Career in Political Consulting	NaMo
Career in FMCG	Silver Piston
Career in Oxane	Oxane Partners
Career in Impact Consuting	GDI
Career in Impact Consuting	Dalberg
Career in Finance	Axxela
Career in Private Equity	Xander
Pre Internshp Talk	Aon
Career in Edtech	Coral Academy
Career in Insurance	WTW
Career in FMCG	AB InBev
Career in Energy Sector	Hexa Climate
Career in BIg 4	KPMG
Career in Advisory Services	D&P Advisory
Career in Consumer Durables	Godrej
Career in Impact Consuting	Samagra
Career in Banking	ICICI Bank
Career in VC's	Funds Audit
Career in Netcarots	NetCarrots

Career in Edtech	EduDag
Careers overall	Helios Global Solution

Annexure 5(c): Progression to Higher Studies

Brief Write up of the Seminars / Workshops	Brief Write up of the Fests organised
Case Interviews Decoded: Focused on sharpening members' consulting and strategic-thinking abilities, our flagship annual session strengthened interview preparedness for consulting and strategy-oriented roles. Led by senior members, it walked participants through guesstimates, market-sizing, and structured case-study frameworks, with live practice on profitability, market-entry, and operations cases. Participants received hands-on feedback, learned to break down ambiguous problems methodically, and built the communication and prioritisation skills expected in real interviews, leaving with practical frameworks and far greater confidence in tackling case rounds.	Connexion: Connexion was a networking mixer that brought together 180DC chapters from top Delhi University colleges, with over 50 consultants gathering for an evening of open exchange and idea-sharing. To break the ice and get everyone engaged, we ran consulting-style games such as Character Twist that encouraged people to loosen up, collaborate, and connect across branches. Beyond the games, the event created space for members to swap experiences on live projects, competitions, and recruitment, helping tap into the wider 180DC network and build genuine relationships that extend well beyond our own chapter.
HSBC & GMCC Unpacked: This session brought together 180DC seniors who had excelled in the HSBC Business Case Competition and the Global Microfinance Case Competition to decode their winning approach. Through practical frameworks, structured problem-solving techniques, and firsthand accounts of how they scoped problems, built recommendations, and presented under pressure, the session demystified what strong competition performance actually looks like. Freshers came away with a clear roadmap for approaching case competitions, an awareness of common pitfalls, and the motivation to compete themselves, making	Networking Mixer with 180DC SRCC: In collaboration with 180DC SRCC, we brought both teams together for a highly interactive session built around hands-on activities, problem-solving challenges, quick-fire ideation pitches, and a terminology-based game that kept the energy high throughout. The format pushed members from both chapters to think on their feet, collaborate with new people, and learn from each other's approaches to consulting problems. It turned into a fun, engaging way to strengthen inter-chapter ties and lay the groundwork for future collaboration between the two branches.

it an engaging and genuinely valuable learning experience. Knowledge Sharing Sessions (KSS): We organised an internal speaker session featuring Nishant Shekhar, Managing Director & Partner at BCG, aimed at strengthening members' consulting and professional skill sets. The session covered core consulting frameworks, hypothesis-driven research and problem-solving methodologies, Excel proficiency for analysis and modelling, and foundational financial concepts. Drawing on real client-engagement experience, it helped participants adopt a more structured, evidence-based approach to problem solving and client work, and gave members a clearer sense of the day-to-day skills and mindset that professional consulting demands.	

Other Initiatives

- Knowledge Sharing Sessions (KSS): an internal speaker session with Nishant Shekhar (Managing Director & Partner, BCG) covering consulting frameworks, research methodologies, Excel proficiency, and core financial concepts.
- Mock Live Project (Mock LP): an end-to-end simulated client engagement spanning problem scoping, research, analysis, and recommendation-building, giving members hands-on experience with deliverable creation and client-facing communication.
- International Research Paper (180DC SSCBS × 180DC ITS, Indonesia): a co-authored comparative study benchmarking the India and Indonesia consulting landscapes across market size, service lines, key players, and regulatory drivers.
- Live Projects: delivered end-to-end consulting engagements for the following clients:
    - Maple Highways: 360° industry research, a double-materiality assessment, a Green Financing Framework, and a Community Liaison Program for the CDPQ-backed highway InvIT.
    - Shiksharth: a multi-channel fundraising campaign and a Volunteer & Intern Management SOP for the tribal-education NGO in Sukma, Chhattisgarh.
    - APAR Industries: a four-division, Excel-based quantitative impact model and an SROI framework for its OPGW and reconductoring projects.

    - Care Health Insurance: a rural preventive-healthcare strategy, a teleconsultation enhancement framework, and a Tier 2/3 partnerships-led expansion plan.
    - Climate Foundation: planning, execution, and outreach strategy for the India Cooling Climate Summit (August 2026).
    - Trishula India EatMee: an export and global-expansion plan, a funding and capital-management strategy, and a go-to-market and branding roadmap for the edible-cutlery venture.
- Case Buddy Program (180DC SSCBS × 180DC SVC): three rounds of peer mock case interviews (Profitability, Market Entry, and Market Sizing / Guesstimates) to sharpen participants' case-interview skills.
- Industry Primer (180DC SSCBS × 180DC MDI Gurgaon): a research-backed primer on investment opportunities and growth prospects across key sectors, shared as a public knowledge resource on social media.

ACM- SSCBS Chapter

Name : ACM SSCBS
Logo :

Achievement of the Society Members (Number) : 10+
Society Awards : 5+
Number of Inter-college competitions attended by your society members: 20+

Society members actively participated in several national-level hackathons, case competitions, innovation challenges, and technical events, representing SSCBS with distinction. Some of the notable achievements are:

- UDAAN 2026 (IIM Amritsar) – 1st position
- Productathon (IIT Roorkee E-Summit 2026) – National Finalist
- CaseQuest (IIT Roorkee E-Summit 2026) – National Finalist
- DataForge (IIT Roorkee E-Summit 2026) – National Finalist
- Imperium 2025 – Round 3 Finalist
- Armageddon 2025 – Round 2 Finalist

Society members also participated in several other prestigious competitions and industry events, including Hack4Delhi, Cognivia Hackathon, HACKHAZARDS '26, SRCC B-Conclave, Equinova (LSR), Build with AI, and many more, further strengthening ACM SSCBS's presence across technical, innovation, and business platforms.

Brief Write up of the Fest organised

- ACM SSCBS successfully organized **CodeFest 2.0**, its flagship technical fest, bringing together students from institutions across the country. The fest featured ACE(M) Hack, a multi-track hackathon encouraging participants to develop innovative technology-driven solutions, along with three exciting competitions- Blind Code, Code Phantom, and Design Apocalypse, designed to test coding proficiency, logical thinking, and creative problem-solving. The event received 1000+ registrations and was supported by esteemed partners including DevSpot, Roger n Reckon, Geek Room, HackShastra, Evepaper, and several other community and gifting partners.
- Additionally, under Crescendo 2026, ACM SSCBS organized **Code Twist 4.0**, featuring the engaging Web Auction competition, where participants strategically bid on web technologies to build optimal development stacks. Both events witnessed enthusiastic participation and provided students with an excellent platform to showcase technical expertise, creativity, teamwork, and innovation, further strengthening ACM SSCBS's culture of technical excellence.

Brief Write up of the Seminars/Workshops

- **Workshop on Patents:** ACM SSCBS organized a **Workshop on Patents** on **15th January 2026**, introducing participants to Intellectual Property Rights (IPR), patent laws, filing procedures, and the importance of protecting innovation through intellectual property.
- **Robotics & AI Masterclass:** In collaboration with **Techfest, IIT Bombay**, ACM SSCBS conducted a **Robotics & AI Masterclass**, offering participants hands-on exposure to robotics, artificial intelligence, and their practical applications through interactive learning sessions.
- **Industry Speaker Session:** ACM SSCBS hosted an **Industry Speaker Session** in collaboration with **Mahindra University**, featuring a case study on **Finance Strategy**. The session provided valuable insights into strategic decision-making, analytical thinking, and real-world business problem-solving.

Other Initiatives:

- Successfully organized the **Smart India Hackathon (SIH) Internal Hackathon** to shortlist teams for the national-level competition, providing participants with a platform to present innovative solutions.

Business Valuation Seminar: AROC organized an engaging alumni talk featuring CA Sarthak Ahuja (BFIA Batch of 2011), a distinguished entrepreneur, finance professional, and ISB Gold Medalist. The session on Business Valuation provided students with valuable industry insights and practical knowledge, while strengthening alumni-student engagement. **Book Launch of The Zen Hustle Code:** AROC organized the launch of The Zen Hustle Code, authored by distinguished SSCBS alumni Anupam Mukerji (BBS Batch of 1996) and Bhasker Jaiswal (BBS Batch of 1998). The event brought together students, faculty, and alumni for an engaging discussion on balancing ambition with mindfulness and personal well-being. The session featured an interactive conversation with the authors, a ceremonial book presentation to Principal Dr. Poonam Verma, and a book-signing interaction, providing attendees with valuable insights from the authors' professional and personal journeys.	AROC successfully supported the Convocation Ceremony for the graduating batches of 2023 and 2024, celebrating the achievements of over 200 graduates and recognizing more than 50 award recipients. The event brought together students, faculty, alumni, and families, with the team overseeing event coordination and alumni engagement. AROC also collaborated with Ubon to enhance the overall student experience and engagement during the ceremony. The Alumni Relations and Outreach Cell (AROC) proudly hosted the Annual Alumni Felicitation & Communion 2026 on the theme of "Entrepreneurship." The event celebrated the innovation, leadership, and impact of alumni who have built successful ventures across diverse industries. Bringing together distinguished alumni, faculty, and students, the evening provided a platform for sharing entrepreneurial experiences, insights, and success stories. A key highlight was the release of the Alumni Diary, The Entrepreneur's Way, a curated compilation showcasing the journeys, milestones, and contributions of the honoured alumni. The event underscored the courage, resilience,

Session with Adda247 Founders: AROC hosted an insightful interaction with the founders of Adda247, featuring SSCBS alumnus Saurabh Bansal. The session explored key issues in the education sector, the evolution of CUET preparation, and the impact of technology-driven learning platforms. Students also gained valuable perspectives on entrepreneurship, innovation, and the journey of building a successful venture, making the interaction both inspiring and informative **JIMS International Conference (I-Camp 2025)**: AROC collaborated with JIMS for the JIMS International Conference (I-Camp 2025), focused on the impact of AI on modern management practices. Featuring distinguished SSCBS alumni Ms. Anuradha Sastry and Mr. Sunando Bhattacharya, the session offered valuable insights into leadership, decision-making, and the importance of critical thinking in an AI-driven world, inspiring students to embrace innovation and lifelong learning. **Alumni Participation in TEDx**: SSCBS alumnus Shekhar Pandey was featured as a speaker at a TEDx platform this year, where he shared his inspiring journey and thought-provoking ideas. His participation brought pride to the college community and showcased the impact of SSCBS alumni on global platforms.	and vision required to transform ideas into reality while strengthening the bond between SSCBS and its alumni community. It also inspired students to think creatively, pursue ambitious goals, and become the innovators and changemakers of tomorrow. Shaheed Sukhdev College of Business Studies (SSCBS), in collaboration with the newly established SSCBS Alumni Association (SCOBSA), hosted the Alumni Conclave 2025, a landmark event in the college's journey. The event brought together alumni from 25+ different batches, making it a grand celebration of the values, achievements, and unity that define SSCBS. Throughout the day, alumni engaged in meaningful conversations, relived cherished college memories, and reflected on their professional journeys. The Conclave not only highlighted the success stories of our alumni but also underscored the powerful sense of belonging and community that continues to thrive beyond college walls. It was a testament to the legacy SSCBS has built, one that lives on through accomplishments and camaraderie of its graduates.

Other Initiatives

AROC has consistently worked towards bridging the gap between academia and industry through a combination of corporate collaborations, alumni engagement, and skill-development initiatives. The cell collaborated with Ashika Group to support portfolio diversification for family office clients by conducting startup scouting, screening, and investment research across emerging sectors such as AI/ML, healthcare, and deeptech. In partnership with UBON, AROC

successfully enhanced the brand's engagement with Gen Z and college-going audiences through interactive campaigns and experiential marketing initiatives. The cell also hosted an insightful session with SSCBS alumnus Pratik Khetan (D.E. Shaw, Ex-McKinsey, IIM Calcutta), who shared valuable guidance on careers in finance and consulting, internship and placement preparation, and navigating life at SSCBS. Additionally, AROC regularly conducts knowledge-sharing sessions on topics such as LinkedIn Networking, Optimization and Outreach, Canva, Deck Making, Excel, Case Competitions, and professional development, equipping students with practical skills, industry exposure, and career-ready expertise.

AI for Students: Practical Applications, Career Readiness, and Entrepreneurship A highly insightful seminar was conducted on the theme *"Artificial Intelligence and its Practical Applications for Students."* The session explored the evolution of AI and its growing influence on education, careers, governance, and entrepreneurship. The speaker shared valuable insights from their interdisciplinary journey across economics, law, and AI, highlighting how students can effectively leverage AI tools to enhance learning, productivity, and professional growth. The discussion also covered the changing academic landscape in the age of AI, the role of AI in policymaking and governance, and emerging opportunities in the AI ecosystem. Drawing from personal startup experiences, the speaker provided practical guidance for aspiring entrepreneurs and students seeking careers in technology. The seminar concluded with an engaging Q&A session, equipping participants with actionable	**Mantavya** "Mantavya" was conducted during the annual fest of our college, CRESCENDO 24. This HR case discussion/debate competition is a fun and engaging event that challenges participants to demonstrate their HR intellect and analytical skills through various activities. The competition is designed to cater to people of all levels of HR knowledge, from beginners to experts, providing a unique learning experience. **Inceptra** Inceptra'24 has been able to draw over 1200+ students from diverse academic backgrounds and disciplines. This includes participants from fields such as business, engineering, humanities, and more. This large and diverse participation reflects the growing reputation and impact of Anthropos within the student community. Inceptra'24 featured 3 competitions that

strategies to use AI responsibly and stay competitive in a rapidly evolving world.	provide a platform for participants to showcase their skills and knowledge: Deem Dilemma: HR-Based Case Study Competition: This competition challenges participants to analyze and solve real-world HR dilemmas through a case study approach. House of Trade: Mock Stock Competition: Held online in collaboration with Stockgro, this competition simulates a trading experience. Participants engage in a virtual trading environment, making decisions based on market trends and stock performance. Boardroom Charades: Boardroom Meeting Competition: This competition allows participants to simulate top management meetings. It tests their communication and leadership skills, as they work together to make strategic decisions and navigate complex business scenarios. **Poorvabhyaas – Mock Interview Competition** *Poorvabhyaas* was a mock interview competition designed to help students prepare for recruitment processes and develop essential professional skills. The event simulated real interview environments, allowing participants to experience both technical and HR interview rounds conducted by experienced evaluators. Participants were assessed on communication, problem-solving ability, confidence, domain knowledge, and overall presentation. Detailed feedback was provided to help students identify their strengths and areas for improvement. The event served as a valuable learning platform, enabling participants to enhance their interview readiness, build confidence, and gain practical insights into employer expectations in a competitive job market.

Brief Write up of the Seminars/Workshops	**Brief Write up of the Fest organized**
This semester, the society hosted a Just-In-Talks session on Warehousing Operations with Mr. Rakesh Singh, a logistics professional with over 14 years of experience specializing in warehousing operations, solution design, and quality management and a professional in FedEx. Mr. Singh brought a rich, on-ground industry perspective to the session, drawing on his experience as a sought-after speaker at IIMs. The session offered students an in-depth look at how warehousing strategies, operational solution design, and quality frameworks come together in real-world 3PL operations, sparking engaging discussions that helped attendees connect the classroom concepts to the practical realities of logistics management. The society also hosted a Study In session, featuring a consultant from Study In with over 4 years of experience in student counselling and overseas education. Building on insights from prior interest surveys, the session was tailored to address students' most pressing questions around studying abroad, giving serious applicants a focused space to connect directly with an	This semester, the society once again delivered on its commitment to experiential learning through two flagship events. Ascend, our flagship global supply chain case competition, returned with even greater scale, drawing participation from over 1500+ students representing top institutions, including the IIMs and colleges across Delhi University. Centered on semiconductor supply chain risk, the case challenged participants to navigate geopolitical disruptions and AI-driven demand volatility, pushing them toward sharper strategy. The judging panel comprised professionals Skiify, EY & Accenture. Alongside Ascend, the society hosted Just-In-Time Buzzinga, a two-round gamified treasure hunt designed to make supply chain concepts more accessible and engaging. The event drew participation from many teams and included a high-energy offline round at SSCBS's annual fest, where students navigated quizzes, riddles, and location-based clues to unlock supply chain themes in a hands-on format. Together, Ascend and Just-In-Time Buzzinga reflected the society's continued ability to blend academic depth with

expert counselor for personalized guidance on international education pathways. The session left students with a clearer roadmap for navigating overseas applications, reinforcing the society's role in connecting academic interests with real-world opportunities.	interactive, large-scale engagement.

Other Initiatives

Supply Chain Immersion Visits

To provide members with firsthand exposure to real-world supply chain operations, the society-initiated Supply Chain Visits, an experiential learning initiative that connected classroom concepts with industry practices. Members visited dark stores and fulfilment centres of leading quick-commerce and e-commerce players, engaging directly with operations teams to understand warehousing, inventory management, order fulfilment, and last-mile delivery processes.

Through on-ground observations and interviews with professionals, students gained valuable insights into the logistics networks and supply chain strategies that power modern commerce.

Highlights: Conducted visits to dark stores of leading platforms such as Blinkit and BigBasket, enabling members to study inventory flow, fulfillment operations, and delivery models firsthand. The initiative enhanced practical understanding of supply chain concepts while fostering industry awareness and analytical thinking through direct interaction with practitioners

Blitz

Name : Blitz
Logo :

Blitz, is the western dance society of SSCBS. It strives to give a platform to all the passionate dancers in the college to showcase their talent and helps them to develop and grow in the understanding of the art. We have reached new heights this year by reaching the final round. We promote dance as an art form and give chances to our members to grow as dancers and

show their talent on a national level. We recruit a choreographer in the beginning of the academic year and he trains us and prepares our 8-minute production.

Blitz acts as a platform for the students at the college level to pursue their interest in dance and gives them the opportunity to showcase their talent to the outside world.

Every year, we prepare a production of 8-10 minutes choreographed by well known choreographers in the industry. Following this comes the most exciting part of the year, the DU fests. We participate and compete in Western Group Dance competition all over Delhi NCR over a period of 3 months against other University dance societies.

Achievement of the Society Members :
Total Achievements: 14

- Winner (National Rank 1) – Pratyang, Maitreyi College
- Runner-up (National Rank 2) – Lasya, Hindu College
- Runner-up (National Rank 2) – Rangmanch, Ashoka University
- 2nd Runner-up (National Rank 3) – Spandan, NDIM
- 2nd Runner-up (National Rank 3) – Mudra, Lady Shri Ram College
- Special Mention – Aangikam Kalashree, ARSD College
- Special Mention – Virasat, Institute of Home Economics
- National Finalist – Mudra, Sri Venkateswara College
- National Finalist – Raas, DRC
- National Finalist – Natyamrit, SRCC
- National Finalist – Anushthaan, DTU
- National Finalist – Nrityadrishti, Ram Lal Anand College
- National Finalist – Aamad, Maharaja Agrasen College
- National Finalist – Mridang, Keshav Mahavidyalaya

Inter-college competitions attended society members:

Number of Inter-College Competitions Attended: 15

Brief Summary

Members of Blitz actively participated in numerous inter-college dance competitions organized by leading universities and colleges across Delhi NCR during the academic session 2025–26. Participation included events hosted by Maitreyi College, Hindu College, Ashoka University, Lady Shri Ram College, SRCC, DTU, Institute of Home Economics, Sri Venkateswara College, and

several others. The competitions provided valuable exposure to diverse performance styles and high levels of competition. Society members achieved notable success, securing winning positions, special mentions, and multiple national finalist placements. These accomplishments highlighted the talent, discipline, and dedication of Blitz members while strengthening the society's presence within the university cultural circuit.

Events organized by the society in the year:

ENCORE'26

Blitz – The Western Dance Society of SSCBS successfully organized its flagship event, ENCORE'26, as a part of Crescendo 2026 under the theme "Neon Arena." The event was conducted over two days, featuring a Solo Western Dance Competition on 22nd April 2026 and a Western Group Dance Competition on 23rd April 2026. The competitions witnessed participation from 10 colleges, with 8 solo dancers and 10 group dance teams competing on stage. The event celebrated creativity, expression, and technical excellence while fostering a competitive yet inclusive environment for dancers across Delhi University and beyond. Master Aman served as the judge for both competitions, offering valuable insights and evaluating performances based on choreography, synchronization, stage presence, and overall impact. With an audience of approximately 1,000 attendees, ENCORE'26 emerged as one of the highlights of Crescendo 2026, successfully promoting dance culture and inter-college engagement.

Workshops

To encourage student participation and identify emerging talent, Blitz organized two Freshers' Dance Workshops before the recruitment process for the academic session 2025–26. The workshops provided aspiring dancers with an introduction to the society's culture, training methodology, and performance standards. Participants learned choreography, foundational dance techniques, and the importance of teamwork and stage presence in competitive performances. These interactive sessions enabled freshers to engage with existing members, build confidence, and gain firsthand experience of the society's functioning. The workshops also served as an effective platform for identifying dedicated and talented individuals who could contribute to the society's future endeavors. Through these initiatives, Blitz continued its commitment to nurturing talent, promoting artistic expression, and strengthening the dance community within SSCBS.

Other Initiatives

Blitz remained actively involved in enriching the cultural environment of SSCBS throughout the academic session 2025–26. The society organized engaging open dance performances at prominent locations across the college campus, creating an energetic atmosphere and encouraging student participation in cultural activities. The team also performed at several

major college events, including Freshers' Orientation, Society Orientation Day, VITI, Farewell, and the Pre-Event of Crescendo 2026, contributing significantly to the vibrancy of campus life.

A major highlight of the year was the development of the society's annual production under the guidance of choreographer Shubham Sir. Through rigorous rehearsals and dedicated training sessions, the team prepared an 8-minute western dance production that showcased creativity, synchronization, discipline, and artistic excellence. The production reflected the collective effort of the members and strengthened their technical, artistic, and performance capabilities. Through these initiatives, Blitz continued to provide a platform for students to express themselves through dance while fostering teamwork, confidence, and a strong sense of community.

Achievement of the Society Members (Number) : 39
Society Awards : UN SDG Icons of Change Award 2025
Number of Inter-college competitions attended by your society members: 122

Our members participated extensively in competitions hosted by premier institutions, including the IIMs, IITs, IIFTs and leading Delhi University colleges such as SRCC, LSR, Hindu and St. Stephen's. These engagements spanned consulting, finance, product and case-study competitions, including STRAITS, Armageddon, Equinox, BCG x Ace the Case and The Product Arena. A notable achievement was a second-place finish at the Global Microfinance Case Competition (GMCC), with a member of our society being the sole representative from SSCBS on a team representing India at the competition. The society also recorded numerous podium wins, reflecting its culture of excellence and problem-solving.

Number of event(s)/sessions/activities/webinars organized by the society this year : 3

Brief Write up of the Seminars/Workshop

The society organised Bridge & Beyond, its annual networking mixer, during Crescendo. The event brought together students and delegates from institutions across Delhi University, creating opportunities for professional networking and cross-campus collaboration. Participants engaged in discussions on consulting, finance entrepreneurship, and social impact, fostering meaningful connections and knowledge exchange. The society also conducted Consulting 101, an introductory session designed to familiarise students with the fundamentals of consulting, problem-solving approaches, and case interview frameworks, helping participants build a strong foundation in the field.

In addition, the society organised Mentor Meets during its live project cycle, where members worked closely with experienced mentors to refine their analyses, recommendations, and deliverables. These interactions ensured that project outcomes remained aligned with founder objectives while enhancing the quality and impact of client engagements. Together, these initiatives recorded strong participation and contributed significantly to member development and community-building. Casebook Publication:

Other Initiatives

Capital Conquest – Case Competition:

Organised during the college fest Crescendo, this strategy-based case competition drew participation from over 200 students across institutions. The event provided participants with valuable exposure to real-world business challenges and an opportunity to strengthen their analytical and problem-solving abilities.

Casebook Publication:

The society published the third edition of the SSCBS Casebook during 2025-26. The publication featured consulting frameworks, solved cases, guesstimates, and interview preparation resources, and received accreditation from multiple national and international institutions.

We organised both an online and an offline MUN exclusively for society members to provide them with practical exposure to the Model United Nations. Additionally, we conducted a speaker session featuring Naman, who shared valuable insights into MUNs, including what they are, how they function, the role of delegates, strategies for participating effectively, and lessons from his personal experiences. The session helped students develop a stronger understanding of MUNs and build confidence before participating in conferences.	We volunteered as members of the Secretariat for an MUN conducted at SSCBS by Griffin Ventures, one of the biggest MUN organisers in the DU circuit. The two-day event witnessed the participation of over 1,000 delegates and provided students with valuable exposure to the workings of a Model United Nations conference. As Secretariat members, we contributed to the smooth execution of the event by assisting in its management and coordination, while gaining firsthand experience in organising and managing a large-scale competition.

CII YI Yuva SSCBS

Name : CII YI Yuva
Logo :

CII Yi Yuva SSCBS is the youth leadership and entrepreneurship chapter operating under the Confederation of Indian Industry – Young Indians (Yi). The society is committed to nurturing responsible leaders, fostering entrepreneurial thinking, promoting innovation, and creating meaningful social impact among students. During the academic year 2025–26, the society successfully organized flagship events, national-level competitions, leadership conclaves, industry interactions, sustainability initiatives, and community engagement activities. Through collaborations with industry leaders, entrepreneurs, policymakers, and social impact stakeholders, CII Yi Yuva SSCBS continued to provide students with opportunities for holistic development, practical learning, and meaningful contributions to society.

Achievement

Unstoppable Force of Yuva Award

CII Yi Yuva SSCBS was recognized by the Young Indians (Yi) Delhi Chapter with the prestigious "Unstoppable Force of Yuva" Award for its exceptional dedication, active participation, and significant contribution to the Yi Yuva movement during the academic year 2025–26.

Members of CII Yi Yuva achieved remarkable success in national-level case competitions, consulting challenges, business plan contests, and risk management events during 2025–26. Society members secured 6 first positions, 3 second positions, 4 third positions, and multiple finalist positions in competitions organized by prestigious institutions such as IIT Delhi, SRCC, IIM Calcutta, IIM Rohtak, NIT Raipur, Hansraj College, HSBC APAC, and Bain & Company. These achievements reflect the society's strong emphasis on analytical thinking, problem-solving, strategic decision-making, and professional excellence while competing against participants from leading institutions across the country.

Flagship Events & Initiatives

Delhi Yuva Conclave (DYC) 2025

The Delhi Yuva Conclave (DYC) 2025 served as the flagship leadership and entrepreneurship summit of CII Yi Yuva SSCBS, bringing together students, professionals, entrepreneurs, and industry leaders on a common platform. Cantered around the theme "Entrepreneurship as a Mindset," the conclave encouraged participants to explore innovation, leadership, resilience, and growth beyond conventional business perspectives. The event featured engaging panel discussions with accomplished startup founders, family business leaders, and distinguished alumni, providing attendees with practical insights into entrepreneurial journeys and business challenges. Through interactive sessions and meaningful networking opportunities, participants gained exposure to diverse perspectives on innovation and leadership.

Impact-a-thon 3.0

Impact-a-thon 3.0 was the flagship case competition organized by CII Yi Yuva SSCBS, attracting 1,000+ registrations from students across various institutions. Participants worked on real-world business challenges requiring innovative solutions and strategic recommendations. Following multiple evaluation rounds, the top 10 teams were shortlisted to present before a distinguished panel of judges during the grand finale. The competition fostered critical thinking, teamwork, business acumen, and problem-solving skills while creating a highly competitive learning environment.

Strategic Initiatives

During the academic year 2025–26, CII Yi Yuva SSCBS actively undertook several initiatives aimed at professional development, social impact, and industry engagement. Key activities included participation in the Delhi EV Summit, Saras Mela, Bharat Thalir Week, Future 5.0 Climate Action Seminar, corporate visits to Ahujasons and i-Thum World, participation in the CII Delhi State Annual Session and Delhi Technology Summit, and events such as Change-a-thon and Delhi Yuva Talent ’26. These initiatives provided students with opportunities for leadership development, industry exposure, sustainability awareness, innovation, and community engagement.

The discussion explored lucrative career opportunities, evaluated finance certifications based on their value and return on investment, and provided practical guidance for informed career planning.

MBA Guidance Session (80+ participants):

In collaboration with MBA Edge, the society organized an interactive session on domestic and international MBA opportunities. The session covered the benefits of pursuing an MBA, different program formats, and key considerations for selecting the right pathway aligned with participants' career aspirations.

Business & Entrepreneurship Session (70–100 participants):

In collaboration with Masters' Union, the society hosted an interactive session on business, entrepreneurship, and innovation. Participants explored the journeys of renowned founders and industry leaders, gaining insights into leadership, strategic thinking, startup building, and the principles behind creating impactful ventures.

CUET & IPMAT Preparation Session (70–100 participants):

In collaboration with SuperGrads, the students. The two-day flagship event brought together over 140 teams comprising selected Class XI and XII students from across the country, providing them with a platform to apply classroom concepts to real-world business challenges. The event aimed to cultivate analytical thinking, leadership, decision-making, and entrepreneurial skills through a rigorous competitive framework.

Participants progressed through four intensive eliminative rounds, beginning with a preliminary screening and advancing to on-campus simulations. These included dynamic stock market trading, strategic resource allocation, and business case-solving exercises that tested critical thinking, teamwork, and problem-solving abilities under pressure. Teams were evaluated on analytical rigor, innovation, and strategic decision-making. Outstanding performers were recognized with University of Delhi certificates and cash prizes, reinforcing Prodigy's long-standing reputation as one of the country's most prestigious student management competitions.

Networking Mixer Event (50+ Participants)

Confluence 2.0, organized by Communiqué, was a premier networking mixer aimed at bridging the gap between academia and the professional world. The event brought together over 50 high-achieving students from leading colleges, creating a platform for meaningful interactions, knowledge exchange, and collaborative learning. Through structured networking sessions, curated discussion forums, and interactive activities, participants engaged in insightful conversations, expanded their professional networks, and explored opportunities for cross-campus

society conducted a career guidance session for school students preparing for CUET and IPMAT. The session covered exam patterns, preparation strategies, time management techniques, and practical guidance to help students secure admission to leading undergraduate institutions.	collaboration. The initiative fostered peer-to-peer learning while encouraging the exchange of diverse perspectives on leadership, career development, and industry trends. By cultivating an ecosystem of collaboration and professional engagement, Confluence 2.0 strengthened inter-college relationships and provided participants with valuable exposure, reinforcing Communiqué's commitment to building a vibrant community of future business leaders.

Other Initiatives:

Live Projects:

As part of its commitment to fostering industry-oriented learning experiences, Communiqué facilitated a series of live projects in collaboration with esteemed organizations including Godrej, Patanjali, ICAI, Oben Electric, and Alpino Foods. These engagements provided members with the opportunity to work on real-world business challenges across domains such as market research, consumer behavior analysis, branding, strategy, and business development. By collaborating directly with industry professionals and aligning their work with organizational objectives, participants gained valuable practical exposure beyond the classroom environment. The initiative not only strengthened members' analytical and problem-solving capabilities but also enhanced their understanding of corporate processes and industry expectations, further reinforcing Communiqué's focus on experiential learning and professional development.

Publications and Sessions:

Beyond projects and collaborations, Communiqué continued to foster a culture of knowledge sharing and research-driven learning through multiple Knowledge Sharing Sessions (KSS) conducted throughout the academic year. These sessions were aimed at strengthening members' understanding of emerging industry trends, business practices, branding, marketing, and communication strategies. The society also contributed to academic and professional discourse through the publication of one Equity Research Report (ERR) and one Industry Research Report (IRR), providing members with opportunities to develop their analytical, research, and report-writing capabilities. Through these initiatives, Communiqué reinforced its commitment to intellectual growth, practical learning, and the professional development of its members beyond the traditional classroom environment.

YouTube Initiative:

As part of its efforts to expand the society's digital presence and create long-form value-driven content, Communiqué launched and strengthened the CMQ YouTube Initiative during the academic year. The initiative served as a platform to showcase student achievements, institutional milestones, alumni insights, and conversations with distinguished personalities from academia and industry, while also highlighting the vibrant culture and opportunities within SSCBS. Through curated video content and strategic storytelling, the initiative aimed to enhance the college's outreach, strengthen stakeholder engagement, and establish a sustainable repository of knowledge and experiences for current and prospective students alike. The YouTube initiative marked an important step in Communiqué's vision of leveraging digital media to amplify the SSCBS brand and foster meaningful engagement beyond conventional platforms.

Investment Fund:

The academic year also marked the launch of the Communiqué Investment Fund, an initiative aimed at fostering financial literacy, investment awareness, and practical exposure to financial markets among members. The platform was envisioned to encourage informed discussions around investment strategies, market trends, portfolio management, and wealth creation while bridging the gap between theoretical financial concepts and their real-world applications. By creating opportunities for collaborative learning and analytical thinking, the initiative sought to cultivate a deeper understanding of financial decision-making and strengthen members' preparedness for careers in finance, consulting, and related domains.

Intra-Society Case Competition:

Communiqué organized an intra-society case competition that challenged participants to devise innovative non-fare revenue generation strategies for Indian Railways. The competition provided members with an opportunity to analyze large-scale operational and market data, develop consulting-oriented recommendations, and propose sustainable solutions addressing revenue diversification and implementation feasibility. Through rigorous problem-solving and strategic thinking, participants gained valuable exposure to real-world business challenges and the fundamentals of case-based decision-making.

Brief Write up of the Seminar/Workshop organised

A session was given by Namrata Gogoi and Prabha Tiwari from CDF India in August explaining the working of CDF India, what they do and how they do it. Various projects under CDF India were showcased. They also explained how CDF creates impact and their initiatives and goals. Social entrepreneurship which is the core of CDF was also explained to the new batch of students. Around 50+ students attended the session and made it an interactive and engaging session introducing CDF to the first year students.

Brief Write up of the Fest

Introducing the **CDF Changemakers Cup**, a flagship Business Plan Competition organized by Connecting Dreams Foundation SSCBS. Designed to empower aspiring entrepreneurs, the competition encouraged students to develop impactful business ideas that go beyond profit, focusing on social good and sustainable change. With an overwhelming response of **1000+** registrations and **50+** quality submissions, the event saw participation from top institutions, showcasing a rich mix of creativity, strategic thinking, and problem-solving. After multiple competitive rounds, **Project Poshan** emerged as the winner for their innovative and socially relevant idea. **Project Dor** secured the second position with a unique and practical solution, while **Team Esscent** stood third with a well-executed business plan. **The Changemakers Cup** not only highlighted entrepreneurial excellence but also fostered a platform for youth-led innovation and collaboration, enabling students to turn bold ideas into real-world impact.

Other Initiatives

Project Baghban

We worked on the ideation and prototyping of a new project where we prepared manure using the method - Bokashi Composting. We contacted a few NGOs and nurseries for the intent to partner with them. Side by side we prepared our prototype and took our project ahead in a few business plan competitions.

Corporate Social Responsibility (CSR) Posts

As part of our content-driven awareness series, we analyzed various companies' CSR models, ESG strategies, and social impact frameworks. The initiative offered insights into how leading

businesses address sustainability, ethics, and governance.

Knowledge Sharing Sessions (KSS)

Over the years, the society conducted multiple internal knowledge-sharing sessions to upskill its members. Topics covered included Excel, Guesstimates, Case Frameworks, Canva Design, Resume Building, and B-Plan Development, equipping members for both case competitions and real-world applications.

Crescendo Event with CII-YUVA

Organised an auction based case competition- Change-a-thon, as a flagship event for the annual fest of our college, Crescendo. Participants from various top institutions turned for the event

School and NGO sessions

Organised 11 workshops/seminars in various schools and NGOs on the topic of Social Entrepreneurship. The sessions were delivered by our team members. We interacted with school students. We partnered with a government individual regarding a government competition of high school students on social entrepreneurship and pitching their respective ideas further. We explored their ideas and prototypes if they had one and delved deeper into each students' innovation and taught them how to pitch their brilliant ideas ahead properly.

Brief Write up of the Fest organized

Octaves, the flagship musical event of Dhwani at Crescendo 2026, held on 23rd–24th April 2026, was a resounding success, celebrating talent and musical excellence across genres. The event featured five prestigious competitions - Malhaar (Indian Solo Singing), Raagmala (Indian Classical Choir), Virtuoso (Western Solo Singing), Overture (Western A Cappella), and Pandemonium (Battle of Bands) - attracting over 50 participants from across the DU circuit and various colleges. Esteemed judges, including Alka Joshi, Simmi Kumari, Surabhi Sundram, Mr. Sangra, and Nakama Meitei, enriched the event with their expertise and insights. Backed by sponsorships worth over ₹1.5 lakh from Krispy Kreme, EazyDiner, and 2.0H!, Octaves drew a footfall of more than 1,000 attendees, establishing itself as one of Crescendo's most vibrant, impactful, and successful events.

Brief Write up of the Seminars/Workshops

Dhwani, the music society of Shaheed Sukhdev College of Business Studies, organized two memorable events that brought creativity and culture to the forefront of campus life.The first event was a Campus Photo & Music Walk at Laal Qila (Red Fort), where students explored the historic monument while immersing themselves in the rich musical and cultural heritage of Old Delhi. The walk blended photography, music appreciation, and heritage exploration into a unique experiential outing. The second event was an exclusive live concert held in the CBS auditorium, featuring acclaimed Sufi artist Bismil, who commands a massive following of over 2 million fans across social media platforms. His soulful performance captivated the audience and left a lasting impression on all attendees. Both events reflected Dhwani's commitment to celebrating music, art, and cultural expression on campus.

Eco Club

Name: ECOCLUB - SSCBS The Environment Chapter of Shaheed Sukhdev College of Business Studies
Logo:

DelhiUniversity What We Do? EcoClub SSCBS promotes sustainability through tree plantation, waste management, and educational seminars. They collaborate with local organizations, participate in clean-up drives, and encourage members to engage in environmental competitions. The club serves as a platform for idea exchange, eco-friendly projects, and mentorship programs, shaping students' eco-conscious mindset and preparing them for sustainable practices ahead.

Key Events in 2025-26

Waste Segregation Awareness Stall

The Eco Club organized a Waste Audit & Segregation Awareness Stall to promote responsible waste management and encourage sustainable habits among students through interactive learning. The initiative engaged participants in understanding the importance of segregating wet, dry, recyclable, and electronic waste using practical demonstrations, informative displays,

and hands-on activities. By fostering meaningful discussions on everyday environmental practices, the stall successfully raised awareness about waste segregation and reinforced the role of individual actions in creating a cleaner, greener, and more sustainable campus.

Yamuna Ghat Field Visit

The Eco Club conducted an environmental field visit to the Yamuna Ghat near Kashmiri Gate to assess the river's ecological condition and understand the challenges faced by surrounding communities. Through field observations, stakeholder interactions, and environmental assessment, the visit highlighted the severe impact of pollution, biodiversity loss, and inadequate waste management while emphasizing the need for sustainable restoration, stronger governance, and greater public awareness.

Cleanliness Drive at National Rail Museum

The EcoClub organized a cleanliness and conservation drive at the National Rail Museum, Chanakyapuri, to promote environmental responsibility while contributing to the preservation of a significant heritage site. Student volunteers worked together to clean the museum's outdoor premises by removing leaf litter and debris from heritage platforms, pathways, and exhibit areas, reinforcing the importance of youth participation in community service, civic responsibility, and heritage conservation

14-Days Impact Challenge

The Eco Club successfully organized the 2-Week Impact Challenge, a 14-day environmental campaign designed to foster sustainability, leadership, and active community engagement among students. Through a series of 14 structured activities including cleanliness drives, plantation, waste segregation, water and energy conservation, biodiversity awareness and green innovation, the initiative encouraged participants to translate environmental awareness into meaningful action while promoting long-term sustainable practices across the campus community.

Prakriti 3.0 – The Environment Fest of SSCBS

Prakriti 3.0, the flagship annual environmental fest of the Eco Club, SSCBS, brought together students from across Delhi and beyond to foster environmental awareness through intellectual engagement, innovation, and healthy competition. Conducted in a hybrid format, the fest featured three major events—EcoClash (Environmental Debate), Ecological (Case Competition), and EcoSankalp (Business Plan Competition), providing participants with opportunities to explore real-world environmental challenges, develop sustainable solutions, and showcase their analytical, entrepreneurial, and communication skills. With over 1,000 participants representing numerous institutions, Prakriti 3.0 successfully promoted collaborative learning, critical thinking, and youth-led environmental leadership, further strengthening the Eco Club's commitment to sustainability and impactful student engagement.

Samvad Podcast Session

The Eco Club organized Samvad, a podcast session on "Waste Management and Sustainability" in collaboration with Rotaract DUSC on 18 February 2026. The session featured Abhiir Bhalla as the keynote speaker, who shared valuable insights on sustainable waste management practices, environmental responsibility, and the role of youth in driving positive change. Attended by around 50 participants, the session encouraged meaningful discussions, enhanced environmental awareness, and inspired students to adopt more sustainable practices in their daily lives.

1. Open House Mockstock Challenge The Open House Mockstock Competition was conducted during recruitments to introduce students to stock markets and investing. Through a simulated trading activity, participants gained practical exposure to market movements, investment decisions, and basic financial concept. **2.Open House Simulation Challenge** The Open House Simulation Challenge tested participants' strategic thinking and problem-solving skills through business scenarios. The event encouraged critical thinking, decision-making under constraints, and practical application of analytical skills. **3. Fateh Education Session (20th February)** Ecovision hosted FATEH Education for a session on study-abroad opportunities. Students gained insights into higher education options, scholarships, application processes, and international career pathways. **4.Guest Speaker Session (23rdFebruary)**	**1.Elumiere'26** Elumiere'26, the Annual Economics Conclave of Ecovision – The Economics Society of SSCBS, was successfully conducted on 6th April 2026. The event comprised three flagship competitions: Enigma – The Flagship Case Competition, Vaults & Valuation – The MockStock Challenge, and Mastermind Matrix – The Excel Simulation Challenge, each designed to assess participants' analytical thinking, strategic decision-making, and problem-solving capabilities. The conclave attracted over 500 registrations from prestigious institutions across the country, including colleges from the DU circuit, SRCC, ISB, and several other reputed institutions. Featuring a prize pool of over ₹30,000 and evaluated by a distinguished panel of industry experts, the event witnessed enthusiastic participation, intense competition, and a highly enriching learning experience for all attendees. **2. CBS Simulation Challenge**

Conducted by Mr. Subhashish Nath, Founder & CEO of Global Risk Management Institute, the session focused on the 2026 Union Budget and its economic implications. It helped students understand contemporary economic developments and their impact on businesses and society. **5.Resume Building Session** Conducted by Madhu Jain, Ex IITian, an CFA Level II candidate, and LinkedIn Top Voice, the session focused on effective resume building. Students learned how to present their skills and experiences professionally and career opportunities.	The CBS Simulation Challenge was organized by Ecovision during Crescendo. Teams from several prestigious colleges, including SRCC, Hansraj and other institutions across the DU circuit, participated enthusiastically, making the event a highly engaging and competitive experience. Participants were required to analyser complex scenarios.

Other Initiatives

A key Initiative that was taken up by Ecovision was an inspiring Speaker Session by Rajat Arora, one of India's most renowned commerce educators with over 5 million followers on YouTube. The session offered students valuable insights into commerce, finance and career development encouraging them to look beyond academics. The session helped students how real world opportunities work and how they can make the best use of it.

Summary:

During the academic year, members of our society actively participated in numerous inter-college competitions organized by premier institutions including Indian Institute of Technology Bombay, Indian Institute of Technology Delhi, Shri Ram College of Commerce and Indian Institute of Management Ahmedabad. Many of these competitions witnessed participation from over 1,000 teams and individuals nationwide, providing a highly competitive platform for innovation and entrepreneurship. The society represented the institution through the presentation of its flagship business plan projects, Dravya and Pravah, highlighting their innovation, scalability and socio-economic impact. Demonstrating consistent excellence, our teams successfully advanced to the National Finals in a majority of these competitions.Such achievements significantly contributed to strengthening members' strategic thinking, business acumen and professional competencies while enhancing the society's visibility, credibility and reputation at the national level.

Number of event(s)/sessions/activities/webinars organized by the society in the year: 30

Brief Write up of the Fest organised	Brief Write up of the Seminars/Workshops
Abhivyakt'26, themed "Play the Game – Outsmart the System," was a social business plan competition organized by Enactus SSCBS on April 16th, 2026, at the Shaheed Sukhdev College of Business Studies campus. The competition attracted over 1,100 teams from premier institutions across India, including IIT Patna, NSUT, SRCC and KMC, demonstrating widespread national interest in social entrepreneurship. This year's edition introduced a distinctive card-driven competitive framework inspired by Alice in Borderland, where participants were required to adapt their business ideas to unexpected challenge scenarios that tested their resilience, creativity and real-world impact under pressure. 12 shortlisted finalists presented their ideas offline at the SSCBS campus. The esteemed judging panel comprised Meghna Joshi (SWAN Livelihood), Pranav Pant (MBA Karo) and Leena Joshi (Climate Conservancy & EcoVita). The event was supported by 10+ sponsors including Unstop, EaseMyTrip, EasyDiner, Bookchor, Uplearn by Upstox, Lazer Crazer, Talerang and The Shooting Village.	The academic year 2025–26 was a year of active learning and purposeful engagement for Enactus. The society organised field visits to organisations such as Basera, Navjyoti, the Blind Persons Association, and Ganga Social Foundation, giving members firsthand exposure to social issues and the realities of grassroots work. Public outreach stalls at the LSR Entrepreneurial Summit and Pehchaan NGO events raised awareness and gathered support for partner causes. A dedicated series of Knowledge Sharing Sessions covering Canva, research methods, stock markets, Excel, internship strategies, and CV building equipped members with practical skills. Speaker sessions including the Wadhwani AI Global Forum and HOCK International connected the team with global conversations on entrepreneurship and technology. Inter-college mixers with Gargi, Sri Venkateswara College, and JDMC fostered collaboration across Enactus chapters. Simultaneously, the society drove sustained innovation through prototyping workshops developing sustainable fuel briquettes, bio leather, bioplastic alternatives, and an affordable water filtration solution. Together, these efforts reflect Enactus's commitment to entrepreneurial action with meaningful, lasting social impact across communities.

Other Initiatives:
Project Dravya

Project Dravya is an Enactus SSCBS initiative that leverages Brewer's Spent Grain (BSG), a by-product of the brewing industry, to create multiple sustainable products through a circular economy model. Instead of allowing BSG to become waste, the project converts it into

bio-briquettes, vegan leather, and organic fertilizer, maximizing resource utilization while generating environmental and social impact. The briquettes provide a cleaner and more affordable fuel alternative for communities such as the Firozabad bangle-making industry, reducing dependence on traditional fuels. Simultaneously, BSG is processed into vegan leather as a sustainable material alternative and into organic fertilizer to support agricultural productivity and soil health.

Key Objectives

- Divert brewery waste from landfills and open dumping.
- Produce sustainable bio-briquettes as an alternative fuel source.
- Develop eco-friendly vegan leather from agricultural waste.
- Create organic fertilizer to support sustainable agriculture.
- Generate livelihood opportunities for underserved communities.
- Promote a zero-waste, circular economy approach.

Impact

- Environmental: Reduces industrial waste, emissions, and reliance on non-renewable resources.
- Economic: Creates value-added products from a low-cost waste stream.
- Social: Supports income generation and community development through decentralized production and supply chains.

Project Sensory Toys

Project Sensory Toys is an early-stage initiative by Enactus SSCBS focused on creating sustainable livelihood opportunities for visually impaired individuals while promoting accessible learning and recreation for blind children. The project was developed after extensive primary research and interactions with the visually impaired community across Delhi. To better understand the challenges faced by visually impaired individuals, our team conducted field visits to Blind Person Association, Uttam Nagar, Delhi and Blind Relief Association, Delhi. Through discussions with trainers, teachers and visually impaired individuals, we discovered that the major challenge was not a lack of talent or willingness to work. Many individuals had already received training in skills such as sewing, handicrafts, candle making, packaging work and basic computer applications. However, despite possessing these skills, they often struggled to find stable employment opportunities. One of the key observations from our visits was that a large number of visually impaired individuals depend on government jobs through the PwD quota. Since only a limited number of such opportunities are available, many skilled individuals remain unemployed. We also found that employers often lack awareness about the capabilities of visually impaired individuals, creating a significant gap between available talent and employment opportunities. During our visit to Blind Relief Association, we observed vocational training centres, computer training facilities and classrooms where visually impaired students were being trained in practical and technical skills. These interactions reinforced our belief that skill development alone is not enough without proper market linkages and employment pathways. As part of our research process, we also connected with Vision-Aid India and participated in a mentorship session with its director. Their work in digital accessibility training

and corporate employment pathways provided valuable insights into creating sustainable employability models for visually impaired individuals. This mentorship played a major role in shaping the final direction of our project. Based on our learnings, we developed a three-tier model. The first tier focuses on educated and highly motivated individuals who can be trained in areas such as creative writing, blogging and other employability-oriented skills and later connected with companies for placement opportunities. The second tier includes individuals who possess both educational and craft-based skills. Along with receiving training, they will participate in the production of sensory and tactile games that can be sold to schools and institutions. The third tier consists of individuals with limited formal education who can be trained and engaged primarily in the production of sensory toys and tactile learning products. Since the beginning of the project, we have completed two field visits, conducted extensive primary research, carried out multiple outreach efforts and completed two product prototyping sessions. We have also onboarded Vision-Aid India as a mentor and collaborative partner. Currently, we are exploring tactile versions of traditional games such as Chausar and other sensory products that can support the cognitive development of visually impaired children. Project Sensory Toys is still in its early stages. Our long-term vision is to build a sustainable ecosystem where visually impaired individuals can gain skills, access dignified livelihood opportunities and promote inclusion, self-reliance and meaningful social impact.

- Achieved Rank 1 at Ctrl + Alt + PR (LSR), Rank 2 at Bahulya 3.0 (JMC), and Rank 3 at The Pivot Point Challenge (IIM Calcutta), reflecting consistent performance in high-stakes competitive environments.

- Participated in finance-focused competitions including M&A Masterminds (IIT Delhi), Market Sphere (IIT Roorkee) and CBS Finance Challenge, applying valuation, market analysis and investment strategy skills in real competitive settings.
- Engaged in Mockstock competitions at top colleges like SRCC and Kirori Mal College, gaining hands-on experience in simulated stock trading, portfolio building and market decision-making under pressure.
- These competitions strengthened members' understanding of financial decision-making, corporate strategy and stock analysis, translating classroom learning into practical, industry-relevant experience.

Number of event(s)/sessions/activities/webinars organized by the society in the year: 20+

Brief Write up of the Fest organised

As part of FLC's goal to build practical financial knowledge among students, the society organised two major events this year: Equitex (under Opulentia'26) and Strataverse (under Crescendo event). Equitex was a stock pitch competition where participants researched listed companies and presented their investment ideas in front of a judging panel, giving them a taste of how equity research actually works in the real world. Strataverse, on the other hand, was a finance strategy case competition where students from different colleges came and pitched their solutions to real business problems, helping them sharpen their analytical and presentation skills. Both these competitions gave students a platform to apply what they learn in classrooms to real, market-based situations. By bringing together participants from various colleges, these events also helped FLC grow as a recognised name in the finance community, while staying true to its core objective of making financial learning more practical and engaging for everyone involved.

Brief Write up of the Seminars/Workshops

FLC organised a series of 15+ Knowledge Sharing Sessions (KSS) throughout the year, where senior members taught juniors important finance-related topics. These sessions covered a wide range of subjects including Excel Basics, Finance Basics, Technical Analysis, Relative Valuation, DCF Modelling and Equity Research (ERR), along with guidance on internship reachouts. Alongside these peer-led sessions, FLC also organised workshops with professionals from SEBI, NSE and the BFSI sector, giving students valuable exposure to industry practices, regulatory frameworks and real-world financial operations directly from experts in the field. This combination of peer learning and professional interaction allowed students to build both theoretical knowledge and practical, industry-relevant skills. Through these sessions, FLC continued to make complex financial topics easier to understand, staying committed to its larger goal of building a financially skilled and confident student community ready to take on opportunities in the finance sector.

Other Initiatives

- CFA Guidance Session to familiarize students with the CFA Program, including its structure, eligibility criteria, preparation strategy and career opportunities.
- NISM Certification Guidance Session introducing students to NISM examinations, their certification pathways and their relevance in the financial services industry.
- Knowledge Sharing Sessions (KSS) covering Basics of Finance, Relative Valuation, Technical Analysis, Discounted Cash Flow (DCF) Valuation and Corporate Finance.
- Interactive sessions on Cost of Equity, Cost of Debt, Capital Structure and Financial Modelling, strengthening members' understanding of core finance concepts.
- Excel Skill Development Sessions to enhance proficiency in data analysis, financial calculations and spreadsheet management.
- Canva and Presentation Skill Sessions aimed at improving financial communication, visual storytelling and presentation design.
- Internship Reachout Session providing guidance on internship opportunities, application strategies and career development.
- Peer-to-Peer Learning Initiatives fostering collaborative learning, knowledge exchange and continuous upskilling within the society.

Brief Write up of the Seminars/Workshops	Brief Write up of the Fest organised
Throughout the year, FinX organized a series of insightful speaker sessions and workshops aimed at bridging the gap between academic learning and industry practice. Under the Industry Dialogues initiative, students had the opportunity to interact with Vidur Vivek Sharma, Managing Consultant and Associate Director at Mastercard, who shared valuable insights on the evolving landscape of business, FinTech, and artificial intelligence in finance. The session provided students with a deeper understanding of emerging industry trends and career opportunities at the intersection of technology and financial services. Additionally, a dedicated Goldman Sachs workshop was conducted to guide students through the Summer Analyst Program recruitment process, offering practical advice on applications, interviews, and career preparation. Both	FINWIZ 2026 marked another successful chapter in SSCBS's legacy of hosting premier finance events, bringing together some of the brightest students from across the country. The festival featured three flagship competitions and attracted over 2,700 participants from institutions including IIMs, IITs, and leading colleges across the Delhi University circuit. The Case Competition on Valuation and Finance received more than 1,000 registrations and was judged by professionals from BlackRock, HSBC, and Kotak Investment Banking. The flagship Mockstock event, Bulls and Bears, saw participation from over 900 students, who were assessed on their ability to analyze market developments and make investment decisions. The Simulation event engaged around 800 teams in a challenging experience involving analytical reasoning and

events witnessed enthusiastic participation, with over 100 students attending each session. These initiatives significantly contributed to student learning, industry awareness, and professional development.	strategic problem-solving. The enthusiastic response, high-quality participation, and seamless execution of the fest reflected months of dedicated planning and teamwork, further strengthening SSCBS's reputation on the national finance and B-school circuit.

Other Initiatives

Knowledge Sharing Sessions (KSS):

A student-driven learning platform where members lead engaging sessions on essential finance concepts, including valuation, financial modeling, capital markets, and investment analysis. The initiative encourages knowledge exchange and continuous upskilling within the society.

Equity Research Reports (ERR):

Through this initiative, members undertake comprehensive research on publicly listed companies, leveraging both fundamental and technical analysis to develop detailed investment theses and professional-grade equity research reports.

Industry Reports (IR):

A research-oriented initiative focused on analyzing industries through frameworks such as SWOT Analysis, PESTLE Analysis, and Porter's Five Forces. Members study market dynamics, emerging trends, competitive landscapes, key players, and growth prospects to develop a holistic understanding of various sectors.

Nine2Three Series:

A dedicated market insights initiative where members track selected stocks, analyze price action and technical indicators, and share data-driven forecasts and observations on market movements.

FMA Talks :

We had the privilege of welcoming Mr. Ajay Narayan Jha, Former Finance Secretary of India, who shared his valuable insights on “Integrating Environmental Concerns into Economic Policy Making Processes.”

This was followed by a virtual interaction with Dr. V Anantha Nageswaran, Chief Economic Advisor to the Government of India, offering profound perspectives on policy, governance, and India’s economic landscape.

Case Competitions De-coded

This was a student-led interactive session, that attracted an audience of over 100 attendees. The session introduced first-year students to the fundamentals of case competitions, effective deck building, and structured problem-solving. Drawing from their own successful case competition experiences, they walked participants through a live case, demonstrating practical approaches and inspiring students to confidently begin their own case competition journey.

The Oberoi Group x Bidweiser 2026:

In the month of April, we organized Bidweiser, FMA's flagship bidding and strategy event that brought together participants to test their analytical thinking, decision-making, and competitive instincts. Through multiple rounds of dynamic bidding challenges and strategic problem-solving, the event encouraged participants to think critically under pressure while competing against some of the brightest minds. Bidweiser fostered healthy competition, sharpened strategic acumen, and provided an engaging platform for participants to showcase their business and financial aptitude.

FMA DU Mixer:

In the month of April, we organized the FMA mixer, a flagship networking event that brought together members from FMA chapters across the University of Delhi from colleges like SRCC, SGGSCC, Hansraj, KMC and more. The event provided a dynamic platform for participants to connect, collaborate, and build meaningful relationships through a series of engaging activities and interactive experiences. By encouraging conversations, teamwork, and the exchange of ideas, the Mixer strengthened inter-chapter bonds and reinforced the spirit of the FMA community.

Other Initiatives

Live Projects

Comviva Technologies (Tech Mahindra):

We conducted a domain-mapping project to reduce support costs and improve efficiency through automation. We benchmarked platforms such as Salesforce and Amdocs, mapped a three-tier support model, and evaluated RPA for routine queries, ADWIN for drift detection,

and MDP for customer journey routing. We also built process models to assess how automated ticketing and anomaly detection impact service cost reduction.

Oberoi Group:

We conducted a feasibility study and market research project to assess launching a new undergraduate program in luxury hospitality. This included competitor analysis of 12+ models, evaluation of academic and certification frameworks, and financial feasibility through space planning, cost analysis, and 5-year revenue projections.

Finstrat Fusion

FMA organized Finstrat Fusion in the month of August, a dynamic strategy-based case competition exclusively for first-year students. Participants stepped into the shoes of business leaders, tackled real-world challenges, developed innovative strategies, and presented their solutions before an esteemed judging panel. The event offered exciting rewards, valuable learning opportunities, and a platform for students to showcase their analytical and strategic abilities.

Peer learning

To inculcate the culture of peer-to-peer learning and equip all the members of FMA India with industry-needed skills, the society has organized various Knowledge Sharing Sessions covering topics including but not limited to MS Excel, Valuation, Technical & Fundamental analysis, and CV Building, Internships reach outs and communication skills etc. This initiative has contributed to 50+ achievements in various national & international competitions.

Research Report - The Next Global Pricing Anchor

The report published by FMA India explored whether oil would continue to be the world's dominant pricing commodity or be replaced by another resource. It examined multiple alternatives and concluded that copper was the strongest candidate due to its central role in electrification and clean energy. The report supported this argument through economic analysis and regression models. It also assessed how this global transition could have affected India by highlighting both the risks and opportunities it presented.

Research Report - Gold, Copper and The Indian Economy

Published a General Research Report (GRR) analysing the relationship between gold and copper price movements and their implications for India's macroeconomic performance. The report combined quantitative analysis, historical case studies, and a proprietary divergence framework to evaluate commodity prices as leading economic indicators

Bull & Bear Club – Finance Discussion Forum

The Bull & Bear Club is a discussion forum run by FMA to promote financial awareness and encourage meaningful conversations on the world of finance. The club provides a platform for members to discuss market trends, economic developments, investment strategies, and current financial events. Through regular discussions and knowledge sharing, it fosters analytical thinking, practical learning, and a deeper understanding of financial markets

Achievement of the Society Members (Number): 12+

Society Awards: 4

Number of Inter-college competitions attended by your society members:

During the year, society members actively participated in over 15 major inter-college theatre competitions and prestigious cultural venues. Notable engagements included competitive prelims and mainstage performances at ARSD, Jesus and Mary College (JMC), Christ University, Gargi College, Delhi Technological University (DTU), NSUT, Lady Irwin College, and Kamala Nehru College (KNC). Furthermore, the society proudly showcased its talent through ACT performances, NSD Plays, and at the India Habitat Centre (IHC). From rigorous internal practices to competitive external showcases, these diverse engagements provided immense exposure, allowing members to demonstrate exceptional dramatic prowess across the premier collegiate theatre circuit.

Number of event(s)/sessions/activities/webinars organized by the society in the year:

The society organized 8 major events and internal sessions, including Preface, Glimpses of Theatre, Reprise, Monologues, Short-plays, and the annual fest Raasa (Day 1 & Day 2) and

Finals.

- The society successfully organized "Raasa", a premier two-days theatre festival Raasa alongside the special showcase "Reprise", bringing together the collegiate dramatics' community. The event saw massive participation, hosting dozens of competing teams and drawing an audience of thousands of attendees. Through dedicated outreach and strategic planning, the organizing committee secured substantial sponsorships to fund the large-scale production. The festival's marketing campaign was highly successful, ensuring maximum visibility and engagement. These events provided a vibrant platform for budding artists to showcase their talent and significantly elevated the society's presence in the national university theatre circuit.

- To build a strong creative foundation, the society organized a series of impactful orientations and internal showcases. The academic year began with "Preface" and "Glimpses of Theatre," serving as an orientation showcase for auditions to introduce prospective members to the society's dramatic expression and stagecraft. This was followed by "Monologues" in September, allowing members to hone individual stage presence, and "Short-plays" in November, which included dedicated technical checks to master backstage coordination. These initiatives functioned as hands-on workshops, ensuring continuous training in script execution, lighting, and teamwork, thereby fostering logistical readiness for larger annual productions.

Other Initiatives:
Conceptualized and executed a dedicated theatrical performance on anti-ragging to promote awareness and advocate for a safe, inclusive campus environment.

Brief Write up of the Seminars/Workshops	Brief write up of the Annual Fest
1. Self-Defence Workshop - 29th August 2025 Girl Up Ruhi partnered with SPUWAC, Delhi Police, to organize a Self-Defence Workshop for 50+ female students at SSCBS. Senior officers and martial arts instructors demonstrated striking techniques, hold escapes, and attack blocking. A legal awareness session covered domestic abuse, sexual harassment, stalking, and women’s rights under Indian law. 2. Session on Psychological First Aid - 20th September 2025 In collaboration with Girl Up Rooh, Girl Up Ripple, Girl Up JMI, and Girl Up Rubaroo, an online PFA session with 100+ participants was led by Ms. Yashashvi Sharma (CBT Practitioner, PhD Scholar). The session covered WHO’s ‘Look, Listen and Link’ framework and the distinction between PFA and therapy. 3. Baal Vivah Mukt Bharat Campaign - 16th January 2026 Organized at the SSCBS seminar hall with 150+ participants and Advocate Rahul Kumar as resource person. The session addressed the social, legal, and ethical dimensions of child marriage, focusing on PCMA 2006 and its 2021 Amendment. Participants took a collective pledge to support a child-marriage-free India.	Valentine’s Week Activity - 10th February 2026 Girl Up Ruhi’s signature annual campus event was held at the Nescafe Area, SSCBS, from 12 Noon to 5 PM during the Crescendo fest season. Drawing over 300 students, the highest single-event footfall of the year, the event featured interactive zones: Spin the Wheel, a Wall of Love (song dedications), and a Compatibility Test Card Game encouraging reflection on healthy relationship dynamics. The event balanced festive energy with meaningful awareness, reinforcing the society’s commitment to creating inclusive, student-led spaces on campus.

Brief Write up of the Seminars/Workshops	Brief write up of the Annual Fest
4. Art of Communication and Personal Branding Session - 22nd February 2026 Co-hosted with Girl Up Rooh, this online speaker session featured Ms. Ishwin Kaur, a CA Finalist and an accomplished international-level speaker with ICAI. Ms. Ishwin, whose public speaking excellence was recognized on a Times Square Billboard in New York City, provided practical advice on using humor effectively, public speaking delivery, handling communication anxiety (systematic desensitization), and personal brand building for over 60 active participants. 5. Session on Empowerment through Sports - 14th March 2026 In collaboration with Girl Up Ruhi, Girl Up Ascent, Project Shakti, and the Women's Development Cell of Maitreyi College, an inspiring online session was hosted featuring Ms. Himanshi Malik. Ms. Himanshi is a 19-year-old international Wushu athlete from Chandigarh who won Gold medals at the Moscow Wushu Stars (2023 & 2024) and Silver at the World Junior Wushu Championship (2022). The session highlighted how sports build confidence, resilience, and leadership among young individuals, especially women.	

Other Initiatives:

NGO Drive on Daughters' Day - 28th September 2025

NGO Partner: Uttejana Foundation | Co-organized with: Girl Up Udaan, ARSD | Location: Kirti Nagar, New Delhi | Children Engaged: 60

On the occasion of Daughters' Day, Girl Up Ruhi in collaboration with Girl Up Udaan (ARSD) organized a donation drive and community outreach session at Kirti Nagar, supported by Uttejana Foundation. Volunteers distributed stationery and engaged 60 underprivileged children in drawing, creative coloring (depicting houses, trees, the National Flag, and Earth), fun-filled games (Stand Up - Sit Down, Kabaddi, Red Light - Green Light), and a short meaningful conversation on gender equality. The drive concluded with the distribution of refreshments, chocolates, and snacks.

VolFest 2026 - 28th & 29th March 2026
Host: Humans of Volunteering (Good Deeds Day) | NGO Partner: Uttejana Foundation | Venue: Baansera Park, Sarai Kale Khan, New Delhi | Contingent: 20 SSCBS students

Girl Up Ruhi collaborated with the Uttejana Foundation at VolFest 2026, a festival celebrating compassion, unity, and the power of volunteering. A 20-student contingent worked alongside the Foundation on collaborative volunteering assisting with outreach, awareness drives, and on-ground operations and took part in experiential workshops, addressing key issues, and inspiring story sessions on resilience and hope. VolFest, which has drawn over 10,000 attendees and 60+ NGOs across three years (with 5,500+ citizens participating in 2025 alone), gave students invaluable experiential exposure to large-scale social-impact initiatives.

Session on Development Management at ISDM - 4th April 2026

Through: Uttejana Live Project | Venue: ISDM Campus, Noida | Participants: 11 OC + 6 CC members

Through the Uttejana Live Project, 11 OC members and 6 CC members visited the ISDM Campus, Noida for an interactive session on Development Management. The session provided participants with insights into the development sector, social impact initiatives, and the role of effective management in driving sustainable change. Participants also engaged in a Q&A session, gaining a deeper understanding of opportunities and career pathways in the social sector. The visit was followed by interactions with the ISDM team and a glimpse of campus life, making it a valuable learning and exposure experience for all attendees.

Nari Shakti Adhiniyam Awareness Initiative - 13th April 2026

Venue: Manthan Room (032), SSCBS | Headed by: Ms. Shalini Prakash, Teacher In-charge | Student Participants: Vidhi Jain, Arya Sharma, Mattaparthi Jaswanth Ram, Shobhit Jaiswal

Girl Up Ruhi conducted a planning meeting and awareness discussion on the Nari Shakti Adhiniyam, mandating 33% reservation of women in legislatures. Three action steps were agreed upon: organizing a seminar on the Adhiniyam, collaborating with the Student Council to share women's helpline numbers via email, and displaying helpline numbers on college notice boards.

Sanitary Napkin Vending Machine and Pad Disposal Dustbin - CSR Initiative by KEI Industries Limited

CSR Partner: KEI Industries Limited | Venue: SSCBS Campus, Rohini, Delhi | Date: 18th May 2026

KEI Industries Limited provided a Sanitary Napkin Vending Machine and a Sanitary Pad Disposal Dustbin for installation within the SSCBS campus under their Corporate Social Responsibility (CSR) initiative. Girl Up Ruhi played a pivotal role in coordinating and facilitating this initiative. The installation of these facilities reflects KEI Industries commitment to promoting health, hygiene, dignity, and well-being among female students and staff, and creates a healthier, safer, and more supportive environment for women on campus. The contribution is also a meaningful step towards spreading menstrual hygiene awareness and empowering young women with better access to essential sanitary facilities. An official *Appreciation Letter* (Ref: SSCBS/CSRUC/2026-27/176) was issued by *Prof. Principal Poonam Verma, SSCBS*, on 18th May 2026, formally recognising KEI Industries Limited for this noble contribution and expressing the institution's commitment to continued association in

future community-oriented and socially beneficial programs.

Uttejana Live Project

Girl Up Ruhi, in collaboration with Uttejana Foundation, undertook a structured three-month Live Project (1st February - 30th April 2026). Members actively participated in organisational and on-ground activities including project planning, execution, monitoring, social media campaigns, content development, human resource support, volunteer coordination, and CSR implementation. Over the course of the project, 12 field visits were conducted, providing members with hands-on exposure to social sector operations, stakeholder coordination, and impact measurement. The project offered experiential learning opportunities, structured mentorship, and professional development aligned with the society's objective of fostering leadership, responsibility, and social awareness among students. Upon completion, participating members were eligible for an Official Offer Letter, Completion Certificate, and Letter of Recommendation from Uttejana Foundation.

Number of Inter-college competitions attended by your society members:

During the year, members participated in 41 inter-college competitions organized by institutions such as IIMs, IITs, SRCC, and various colleges of the University of Delhi across domains including case analysis, business strategy, entrepreneurship, finance and product management. Some of the other remarkable achievements included being National Finalists with a PPI at Accenture Strategy Connect, securing a National Top 8 position at the GMCC Microfinance Case Competition, and finishing among the National Top 20 at Brainwars. These experiences enhanced the Society's national presence while fostering analytical thinking, teamwork, problem-solving abilities, and a culture of experiential learning among members.

Number of event(s)/sessions/activities/webinars organized by the society in the year

Fests Organized: 3

During the year, the society successfully organized three major events that promoted experiential learning and strategic thinking among students. Ranneeti, a pre-recruitment Direct- PI case study competition themed around Friends, enabled participants to strengthen their problem-solving and presentation skills. The Society's flagship event, Invicta, featured a case study based on the men's fragrance industry and attracted participants from leading institutions across the country. The competition received over 2,000 registrations, with the top 10 teams presenting their solutions during the final round. Additionally, Echelon: The Simulation Challenge, conducted as part of Crescendo, engaged participants in a simulation inspired by Plants vs. Zombies, requiring them to make strategic decisions in a dynamic environment. These events significantly enhanced the society's visibility, encouraged healthy competition, and provided valuable learning opportunities for participants.

Seminars & Workshops Organized: 2

During the year, the society organized insightful workshops and seminars aimed at enhancing students' professional preparedness and analytical capabilities. On 21 August 2025, a session on "Decoding Case Studies" was conducted for the incoming batch to introduce them to the fundamentals of case competitions. The workshop covered key concepts such as case-solving frameworks, guestimates, structured thinking, and effective presentation techniques, equipping students with the necessary skills before participating in Ranneeti. Additionally, on 24 February 2026, the Society collaborated with Career Launcher to host a seminar on MBA preparation and career planning. The session provided participants with clarity regarding the importance of management education, the MBA admission process, examination strategies, and approaches to building a strong profile. These initiatives contributed towards creating awareness, fostering skill development, and supporting informed career decision-making among students.

Other Initiatives

Industry Research Reports (IRR):
Prepared and circulated four in-depth industry reports on Microfinance, Asset Management, Metal Recycling, and Defence, aimed at enhancing members' understanding of sectoral trends, market dynamics, and business opportunities.

Industry Primer:
Developed an industry primer on industries like Beverages, Cement, Gaming, Hospitality, Rare Earth Elements, Real Estate, and Semiconductors to provide members with concise yet comprehensive introductions to emerging and established industries. These primers helped members build industry awareness and strengthen their understanding of key market trends, business models, and sector-specific dynamics.

Live Projects (LPs):
Undertook three live projects in collaboration with Hobbeeme, Honasa Consumer Ltd., and Krafton India, providing members with an opportunity to work on real-world business challenges. The initiative bridged the gap between classroom learning and industry expectations while enhancing members' analytical and decision-making capabilities.

Knowledge Sharing Sessions (KSS):
Conducted sessions on topics including Introduction to Finance, Valuation, Fundamental Analysis and Core Finance; Cracking Cases and Guesstimates; Case Competitions 101; Making Familiar with Canva, Excel (Basic and Advanced), and PowerPoint; Building an Effective LinkedIn Profile and CV; and Preparing for Internships thereby promoting peer learning and skill development within the society.

Equity Research Reports (ERR):
Initiated the preparation of equity research reports on three listed companies, providing members with hands-on exposure to fundamental analysis, financial statement interpretation, valuation techniques, industry assessment, and investment recommendation frameworks. This ongoing initiative aims to strengthen members' practical understanding of equity research and financial analysis.

Inter-College Contingents:
The Society facilitated and coordinated student contingents for competitions and academic events hosted by institutions such as IIT Roorkee, Lady Shri Ram College, DTU, Miranda House, and other premier colleges. This initiative enabled wider student participation in national-level platforms, promoted peer learning and collaboration, and provided members with valuable exposure to diverse competitive environments and networking opportunities.

Speaker Session with Mr Himanshu Pahuja: This year, IFSA Talks had the privilege of hosting Mr. Himanshu Pahuja, Global Head of Portfolio Analytics at S&P Global. He delivered an insightful session on the evolving landscape of capital markets and the role of innovation in modern finance. Drawing from his extensive industry experience, he explored emerging trends, the	IFSA Branch Mixer: The IFSA Mixer motivated students from colleges like SRCC, St. Stephens, LSR, and Hansraj to participate in the eventful activities we had planned for them. The event comprised of a case competition and insightful games. This provided students with the opportunity to build

growing significance of data-driven decision-making, and the transformative impact of technology. The session offered members valuable perspectives on the future of global financial markets. Speaker Session with Mr Aswini Bajaj This year, IFSA Talks had the privilege of hosting Mr. Aswini Bajaj, Founder and CEO of Aswini Bajaj Classes. He delivered an engaging session on startups and business valuation, offering members an understanding of how businesses create value. He discussed the key drivers of startup growth, valuation methodologies, and the factors investors consider while assessing businesses. The session provided valuable insights into the startup ecosystem and equipped members with a stronger foundation in valuation.	connections across colleges. The event proved to be extremely fruitful for all its participants.

Other Initiatives

Completed an 8-week live project with RAV Partners, conducting research across US, China and crypto markets, shaping HNI oriented investments while evaluating the benefits of diversification via 10-year correlation analysis between Chinese, Indian and U.S Equities.

Completed an 8-week live project with 4700BC, analyzing consumer behavior, competitive positioning, and expansion opportunities across product, pricing, and distribution strategies. The project offered valuable exposure to FMCG consulting, market research, and data-driven decision-making in a fast-growing consumer brand.

Nurtured a vibrant IFSA Insights community of 3,000+ curious minds, providing daily bite-sized business updates and practical insights from leading global publications like The Economist, helping students within DU and beyond stay informed and engaged.

Organized a Finance Bootcamp featuring multiple knowledge-sharing sessions on topics such as financial analysis, equity research, consulting frameworks, and investment theory to train junior members.

Undertook the IFSA Youth Empowerment Program (YEP), introducing school students to finance, business, and leadership with engaging workshops. It's been a fulfilling journey for both the students and our team, who grew alongside.

Prepared stock analysis report and conducted regular discussions about the markets to make investment decisions under the student-run investment fund of IFSA. The junior members also conducted internal Equity Research to learn more closely about investment analysis.

Illuminati

Name: Illuminati
Logo:

ILLUMINATI, the Quizzing Society of Shaheed Sukhdev College of Business Studies, continued to foster a culture of curiosity, learning, and intellectual exploration through a diverse range of quiz-based initiatives conducted throughout the academic year. The society continued to provide a platform for quizzing enthusiasts to participate in both regular internal activities and larger inter-college events.

Inter-College competitions attended by the society members

Society members participated in several inter-college quizzing competitions and brought laurels to the society through strong performances. A few of the notable achievements include:

- Mahin and Shubhan's 1st Position at Sawaal Jawab, the annual flagship quizzing event of Lady Shri Ram College
- Aaditya and Mahin's 2nd Position at Annual Flag Trivia, hosted by the Department of Geography
- Shubhan's 1st Position at Annual Flagship quizzing event of Indian Institute of Foreign Trade
- Aaditya and Shubhan's 3rd Position at General Quiz of Faculty of Management Studies, hosted by Aryapriya Ganguly
- Vrishank and Shubhan's 2nd Position at Science-Business-Technology Quiz of Plaksha University

Weekly Quiz Sessions

ILLUMINATI conducted weekly quiz sessions across the year to keep members engaged and to maintain a consistent quizzing culture on campus. These sessions covered a variety of topics and formats, helping participants strengthen their knowledge, speed, and lateral thinking skills.

CBS QuizFest '26

One of the major highlights of the year was CBS QuizFest '26, held over 16th and 17th March. The event featured five quizzes across diverse themes, including General, Crossword, Sports & Gaming, SBT, and History–Politics–Geography. Two of the quizzes were hosted by external quizmasters who are popular among the circuit : Sujit Ray and Abhinav Dhar, adding variety

and a wider competitive experience.

The event saw an average engagement of 125 participants per day, making it one of the most successful events conducted by the society during the year.

Crescendo Quizzes

ILLUMINATI also organised quizzes as part of Crescendo, the flagship annual fest of SSCBS, on 23rd April. The lineup included three quizzes: the CBS Team General Quiz, Crossword Filler, and F1 Quiz. These events added an intellectual edge to the fest and were well received by participants.

The Crescendo quizzes recorded an average engagement of 75 participants per day.

GeoGuessr Duels

The society also hosted GeoGuessr Duels as an open invite event on 29th April at SSCBS. The event was open to U25 participants and tested geography instincts, observation, and quick decision-making in a fun and competitive format. It offered a fresh and interactive experience beyond traditional quiz formats.

Actuarial Session: 13th August 2025 IMA SSCBS, in collaboration with the Institute of Actuaries of India (IAI), organized an insightful session to introduce students to the rapidly growing field of Actuarial Science. The session was led by Mr. Gurpreet Babbar (FIA, FIAI), Team Leader at Accenture and an esteemed volunteer with IAI, who shared his extensive industry experience and provided a comprehensive overview of the profession. Participants gained valuable insights into the role of actuaries in insurance, banking, pensions, investments, and enterprise risk management, while also understanding the skills, examinations, and career pathways required to enter the field. The interactive discussion highlighted the global demand for actuarial professionals and the diverse opportunities available across industries. The session successfully broadened students' awareness of this niche yet rewarding profession, enabling them to make informed career decisions and explore emerging opportunities in risk analytics and financial consulting. Case Solving and Guiding Session: 28th August 2025 Organized a Case Solving and Guidance Session led by senior members who had	Chakravyuh 5.0: 20th March 2026 Chakravyuh 5.0, the flagship case competition of IMA SSCBS, successfully brought together 1,550+ participants from premier institutions across India, reinforcing the society's commitment to fostering strategic thinking and analytical excellence. The competition challenged participants to solve complex, real-world business problems through multiple rounds of rigorous evaluation, encouraging innovative, data-driven solutions. The grand finale featured presentations before an esteemed jury comprising Mr. Vineet Pawar, Regional Manager at IMA India, and Mr. Manglam Agarwal, President of the Delhi Chapter of the Institute of Management Accountants, who provided valuable industry insights and constructive feedback. With a prize pool exceeding ₹50,000, Chakravyuh 5.0 offered students an exceptional platform to demonstrate their problem-solving abilities, strategic decision-making, and presentation skills. Beyond the competition, the event facilitated meaningful engagement between aspiring professionals and industry leaders, strengthening IMA SSCBS's legacy of promoting experiential learning, professional development, and

achieved notable success in prestigious case competitions and challenges conducted by Cornell University, NEWME, GT, and the Institute of Management Accountants. The session provided participants with practical insights into structured problem-solving approaches, case analysis frameworks, presentation strategies, and competition best practices. Drawing from their first-hand experiences, the speakers shared actionable guidance on approaching case competitions effectively, developing compelling recommendations, and navigating different competition formats. The session served as a valuable learning opportunity for students aspiring to strengthen their analytical, strategic, and presentation skills while preparing for future case competitions.

Meeting with Vineet Pawar: 15th September 2025

Attended an insightful session with Vineet Pawar for IMA students, focused on the vision and growth of the IMA society. The discussion covered strategies to strengthen engagement, expand the IMA community, and foster greater collaboration among members. It was also an opportunity to interact with the head of IMA North and Central and gain valuable insights into building a more active and connected community.

CMA Speaker Session: 14th March 2026

Hosted an insightful CMA Speaker Session featuring Vineet Pawar, aimed at familiarizing students with the scope and significance of the Certified Management Accountant (CMA) qualification. The session provided a comprehensive overview of the CMA credential, its global recognition, and the diverse career opportunities it offers across management accounting, financial planning and analysis, corporate finance, and strategic decision-making. Mr. Pawar elaborated on the key motivations for pursuing the CMA excellence in management and finance education.

Management Maze: 23rd April 2026

Management Maze, organized under the banner of Crescendo for the first time, successfully engaged 650+ participants and generated 50,000+ impressions, reflecting its widespread reach and enthusiastic reception among students. With a prize pool exceeding ₹30,000, the event combined learning with entertainment through a series of interactive games, quizzes, and management-based challenges designed to test participant's creativity, problem-solving abilities, and strategic thinking in an engaging format. Beyond the competitive aspect, Management Maze served as a vibrant platform for students from diverse institutions to interact, collaborate, and build meaningful professional connections. The blend of fun activities and intellectually stimulating challenges fostered an atmosphere of camaraderie, healthy competition, and networking, making the event a memorable experience for all participants. Through its unique format and strong participation, Management Maze further strengthened IMA SSCBS's commitment to creating experiential learning opportunities and promoting community engagement among aspiring business leaders.

designation, emphasizing its industry relevance, practical orientation, and alignment with evolving business needs. The discussion also included an in-depth comparison between the CMA and CFA pathways, highlighting their respective focus areas, skill sets, and career trajectories. The session enabled students to gain clarity on the qualifications best suited to their professional aspirations and make more informed career decisions.	

Other Initiatives

Stratagem 3.0 – Direct PI Case Competition

A case competition designed exclusively for first-year students; **Stratagem 3.0** served as an immersive introduction to the world of business strategy and case solving. Participants engaged with real-world business challenges spanning market expansion, diversification, and growth strategy across leading companies such as Tesla, Netflix, Myntra, Zepto, and Zomato. Through structured problem-solving, framework-based analysis, and strategic recommendations, participants developed a strong foundation in case-solving methodologies while refining their presentation and communication skills. The competition successfully fostered analytical thinking, creativity, and business acumen among first-year members while strengthening the case competition culture.

Knowledge Sharing Sessions (KSSs) -

A series of domain-specific workshops designed to equip members with practical and technical skills. Topics covered:

A series of domain-specific workshops and peer-learning initiatives were conducted to equip members with practical, technical, and professional skills essential for success in case competitions, internships, and leadership roles. Topics covered included:

1. Advanced Excel and Data Analysis
2. Canva and Presentation Design
3. Case Solving Frameworks and Structured Thinking
4. Big Data Fundamentals
5. Guesstimates and Problem Solving
6. Video Editing and Content Creation
7. Corporate Outreach and Professional Communication

These sessions provided members with hands-on exposure to industry-relevant tools and methodologies while fostering a culture of continuous learning and knowledge sharing within the chapter.

Live Projects Undertaken

CashKaro – Strategy and Market Research Project

IMA SSCBS partnered with CashKaro to address lower adoption among Tier-1 college students. The team conducted competitive benchmarking across **8+ industry players** and surveyed students across premier institutions to understand awareness, trust, and usage patterns. Based on the findings, the team proposed **10 strategic initiatives**, including campus ambassador programs, referral campaigns, and targeted student marketing strategies to drive adoption and engagement.

PWI Global– Investment Banking and Strategy Consulting Project

Members collaborated with PWI Global Private Limited on an investment banking and strategy consulting project focused on sustainable pest management solutions. The project involved industry analysis, financial modelling, investor documentation, revenue planning, and branding strategy to support the firm's growth and fundraising efforts.

Podcast Series - Off The Cuff -

An exclusive podcast initiative by IMA SSCBS aimed at delivering candid insights from industry experts and entrepreneurs. The podcast covered topics ranging from startup journeys and financial leadership to AI in gaming and growth strategies. The series garnered over 16,000 views across platforms including YouTube, Instagram, and Spotify, contributing to the chapter's digital visibility and thought leadership. Featured guests included:

Featured guests included:

- Sahil Vaidya, Founder of The Minimalist
- Girish Vanvari, Founder of Transaction Square
- Anand Chowdhary, Founder of Oswald Labs
- Himanshu Gupta, Founder of Lawyered
- Shilpa Arora from Insurance Samadhan

Industry Research Report – Sustainable Fashion

IMA SSCBS published an Industry Research Report on Sustainable Fashion, exploring trends in ethical fashion, AI-driven supply chains, ESG frameworks, and global regulations. Supported by market analysis and case studies, the report highlighted key opportunities and challenges shaping the future of the sustainable fashion industry.

Social Media Financial Literacy Campaign –

Many original posts were created to promote financial awareness among students. Key topics

included:

1. Importance and scope of the CMA qualification
2. Introduction to IMA and its global network
3. Career opportunities in management accounting and finance
4. Professional development through IMA membership
5. Emerging trends in finance and accounting

These initiatives strengthened digital engagement while promoting financial awareness among students.

Number of Inter-college competitions attended by your society members: 45+

Kartavya members actively represented the society in several prestigious inter-college competitions, particularly social case competitions that challenged participants to devise innovative and practical solutions to real-world issues. Events such as Socio-Sphere, Global Strategy Challenge, Beyond the Bid: From Dust to Dynasty, Blood and Bonds: Family Ties and Fiscal Lies, and the Blood Donation Case Competition tested participants' strategic thinking, research, problem-solving, and presentation skills. Through these competitions, members competed against teams from various institutions, gained valuable exposure to diverse perspectives, and enhanced their ability to address social challenges using structured and impactful approaches.
Number of event(s)/sessions/activities/webinars organized by the society in the year

Brief Write up of the Fest organised

Kartavya organized two flagship events during the academic year Viti, the Diwali Fest, and Vivante, the annual philanthropic fest. Through Viti, we celebrated the festival of lights while promoting social responsibility by organizing a Diya Painting Drive with NGO children, an Animal Feeding Drive in collaboration with a gaushala, and a Food Donation Drive for old-age

homes. The celebrations also included an engaging on-campus Diwali fest for the college community. Vivante focused on creating meaningful social impact through initiatives such as Quest for Change, a social case competition encouraging innovative solutions to real-world challenges, and the Wishing Wall, where wishes of NGO children were displayed for students to fulfill, fostering empathy and community participation. Together, these events reflected Kartavya's commitment to combining celebration with service and inspiring students to contribute towards social welfare.

Brief Write up of the Seminars/Workshops

Kartavya, in collaboration with CIMA (Chartered Institute of Management Accountants), organized a career guidance seminar to introduce students to the Chartered Global Management Accountant (CGMA) qualification and its global career prospects. The session highlighted the relevance of management accounting in today's dynamic business environment, covering emerging areas such as artificial intelligence, sustainability, risk management, and digital transformation

Other Initiatives

Project Saksham

Project Saksham is Kartavya's teaching initiative focused on empowering children from NGOs through education and engagement. Volunteers conduct regular teaching sessions on various academic and life-skill topics while also organizing creative activities, games, and interactive workshops to make learning enjoyable. The project aims to promote holistic development, confidence, and curiosity among the children.

Brief Write up of the Fest organised	Brief Write up of the Seminars/Workshops
Our fest initiatives provided students with a dynamic platform to showcase their creative talents through various high-energy competitive events. Under the VITI Diwali Fest organized by Kartavya on 18/10/2025, we conducted a Mandala Art Competition and a Diya Painting competition, where participants beautifully blended cultural symbolism with personal creativity. These events added immense vibrancy to the festive spirit, offering a meditative and visually captivating experience that resonated deeply with the entire student body and successfully celebrated the festival of lights with enthusiasm. Continuing our commitment to artistic excellence, we organized several flagship events under the "Alla Prima" umbrella that fostered healthy competition and collaboration. We hosted an engaging Evidence Room event, followed by a comprehensive Art Exhibition, which featured a wide range of creative displays. To further challenge our participants, we also held the Double Trouble Competition, the Dare-to-Trade Art Competition, and a Monochrome Art Competition. These efforts collectively provided a vibrant space for students to explore diverse art forms and express their unique talents.	Our society prioritized skill development and cultural engagement through diverse interactive activities. We successfully set up a vibrant Face Painting Stall during the Diwali Fest and conducted a hands-on Canvas Board activity to bring students and faculty together in a celebration of creativity. To foster design thinking and practical proficiency, we hosted a technical Knowledge Sharing Session on Canva via Google Meet, equipping our members with essential tools for digital design and content creation. This initiative encouraged participants to explore creative problem-solving and modern digital workflows. Finally, we focused on building social awareness and honoring our heritage. We organized an impactful Anti-Ragging competition to encourage artistic expression around vital social themes. Furthermore, we consistently crafted intricate Rangoli designs, which served as symbolic highlights across numerous occasions on 02/08/2025, 19/09/2025, 26/09/2025, 14/11/2025, and 23/03/2026. These initiatives collectively strengthened our community bonds and promoted a deep appreciation for collaborative, art-focused engagement.

Other Initiatives

Lit-Art walk: Successfully organized an immersive Lit-Art Walk in collaboration with Litsoc, where participants visited Lodhi Gardens and the National Gallery of Modern Art (NGMA). Blending nature with visual and literary expression, attendees were encouraged to embrace their surroundings and channel their observations into creative writing and artistic reflection.

Brief Write up of the Seminars/Workshops	Brief Write up of the Fest organised
During the past year, we successfully organized six workshops and seminars to equip students with practical industry knowledge and emerging technical skills. The series began with a workshop by the Gigabyte team from Taiwan, where students explored advancements in AI powered laptops and learned how embedded AI is shaping the future of personal computing. We also hosted two sessions with Qyrus, covering smarter and faster methods to validate product prototypes, followed by a hands-on technical walkthrough to help participants get started with the platform. An AWS workshop introduced students to cloud computing fundamentals and industry best practices. In collaboration with MLH, we conducted a workshop on Git and GitHub, enabling students to build strong version control and collaborative development skills. Finally, the AI Impact Pre Event Summit brought together students to discuss the transformative role of artificial intelligence across industries, inspiring them to explore innovation and real world applications of AI.	hackCBS 8.0, the flagship hackathon of Kronos, was successfully organized on 8th-9th November as one of the largest student run hackathons in the country. The event witnessed over 5,400 registrations from students across India, with 500 participants from more than 350 colleges with a prize pool of $220,000+ attending the 24 hour offline hackathon. Participants collaborated in teams to develop innovative solutions across multiple technology domains while receiving guidance from experienced mentors and industry professionals. The event featured technical workshops, mentoring sessions, project evaluations, networking opportunities, and exciting sponsor activations. Backed by leading industry partners including Base44, Qyrus, Gigabyte, Brave, Devfolio, MLH, Google Cloud, MongoDB, DigitalOcean, and several others, hackCBS 8.0 provided students with access to cutting edge technologies and career opportunities. Beyond coding, the event fostered collaboration, innovation, and entrepreneurship, creating an ecosystem where aspiring developers, designers, and builders could learn, network, and transform their ideas into impactful solutions.

Other Initiative

AI Hiring show:

The AI Hiring Show was a first of its kind recruitment initiative organized by Kronos in collaboration with Rabbitt learning to bridge the gap between student talent and the rapidly evolving AI industry. The event brought together aspiring developers, AI enthusiasts, and recruiters on a common platform, where participants showcased their technical skills through practical assessments and interacted directly with hiring teams. The initiative provided students with valuable exposure to industry expectations while creating meaningful career opportunities in the field of artificial intelligence.

Number of Inter-college competitions attended by your society members:

Throughout the academic year, our team actively participated in 15+ inter-college competitions, including case competitions, trade simulations, business strategy challenges, and entrepreneurship events such as Founders Forge. These competitions were organized by reputed institutions, including IIM Ahmedabad (IIMA), IIM Rohtak, and other leading colleges across India. Through these engagements, we enhanced our analytical thinking, problem-solving, strategic decision-making, and teamwork abilities. Our team performed commendably in numerous competitions, including securing a National Rank 4 in one of the events, gaining valuable exposure to real-world business challenges and competitive environments. These experiences strengthened our capacity to collaborate effectively, develop innovative solutions, and present ideas with confidence before diverse audiences.

During the academic year 2025–26, Lawrence - The Law Forum of SSCBS organized three significant events to promote legal awareness, constitutional values, and social responsibility among students. An awareness session on *Women Empowerment and Digital Safety* educated participants about women's rights and online safety laws. The session on *Legal Foundations for New Businesses* provided practical insights into business structures, compliance, and entrepreneurship-related legal requirements. The Forum also observed *Constitution Day* through a movie screening and the live streaming of the Hon'ble President's address, encouraging reflection on democratic principles and civic duties. These initiatives successfully enhanced students' legal understanding and civic consciousness.	Jurisprudence: Policy Maker's Dilemma, the annual flagship event of Lawrence - The Law Forum of SSCBS, was organized as part of Crescendo 2026 at Shaheed Sukhdev College of Business Studies, Delhi University. The competition brought together over 150 participants who assumed the roles of policymakers, regulators, and legal strategists to address complex issues relating to education law, policy, and governance. The event provided a unique platform for participants to demonstrate their legal reasoning, policy foresight, and strategic decision-making abilities while navigating real-world challenges. Judged by an esteemed alumnus of Shri Ram College of Commerce (SRCC), the competition witnessed enthusiastic participation and intellectually stimulating discussions. Jurisprudence successfully upheld its legacy as a premier platform for fostering critical thinking, legal acumen, and policy-oriented leadership among students.

Other Initiatives

Throughout the year, Lawrence - The Law Forum of SSCBS conducted regular Group Discussions and Knowledge Sharing Sessions (KSS) to foster continuous learning and skill development among its members. These sessions focused on practical and professional competencies, including Canva designing, research methodologies, LinkedIn optimization, and effective cold outreach strategies. Through interactive discussions and peer-to-peer learning, members enhanced their communication, analytical, and networking skills while

gaining hands-on exposure to tools and techniques essential for personal and professional growth. These initiatives played a vital role in creating a collaborative learning environment and strengthening the overall capabilities of the society's members.

Events/sessions/activities/webinars organized by the society in the year:

Excelsior '26

a premier pan-India Management and Marketing conclave, redefined the student perspective on marketing with its bold and unconventional theme, "Balance of Brilliance" This one-of-a-kind event captivated audiences nationwide, sparking discussions on the art of persuasion and strategy. With an overwhelming response, Excelsior '26 saw 1000+ enthusiastic teams engage in an experience that challenged traditional marketing norms. It served as a dynamic melting pot where students, industry leaders, and visionary speakers converged to rethink marketing in the modern era. Designed to push boundaries and challenge conventional wisdom, the conclave sparked innovative discussions among top minds from Delhi University and beyond. With a sharp focus on innovation and holistic management, the event delved into the shifting paradigms of marketing, unveiling its untapped potential across various business landscapes. More than just a conclave, Excelsior '26 was a bold reimagination of marketing's future, one where creativity, strategy, and persuasion took center stage.

Mark-It successfully organized two impactful on-campus initiatives. The Career Launcher CAT stall,set up at Nescafe on 27–28 August 2025, offered students practical CAT guidance through a visible, well-branded activation, brochures, and one-on-one counselling, helping generate awareness and leads among aspirants. The P&G donation drive on 21 August 2025 focused on menstrual hygiene awareness, distributing free feminine hygiene kits to students after a quick registration process. With strong footfall and smooth volunteer coordination, the drive promoted both student wellness and responsible outreach. Together, these events reflected Mark-It's ability to execute meaningful brand collaborations with high engagement and campus impact.

Other Initiatives

- mADlibs event hosted by Mark-It, it is an ad-making competition which functions as a great opportunity for students to showcase their creativity and marketing skills
- Set up a workshop in collaboration with P&G in the college and distributed free hygiene products worth 10 Lakhs+ to the students and college staff.
- Organised an NGO visit in collaboration with Rotaract Club of SSCBS.

No. of Seminars - 03

In our knowledge-sharing sessions, we've covered topics that help us in different areas of our work. We learned how to use Canva and Figma to create eye-catching graphics and presentations, essential for communication, design, and marketing. Our workshops on data analytics with Excel, Power BI, Python, and SQL strengthened our ability to interpret data and make informed decisions. Sessions on finance and derivatives deepened our understanding of markets and risk.
Continuing our MIC'd Up podcast series, we hosted two engaging episodes featuring Soumajit Bhowmik of Styched and Nikita Baliarsingh of Nexus Power. Through candid discussions on entrepreneurship, innovation, and business growth, they shared valuable insights and real world experiences with our student audience. Building on the success of the series, these episodes helped us reach 10,000+ listeners across platforms, further strengthening MIC'd Up as a platform for learning and inspiration.
In collaboration with LilacBuds, we hosted a Postgraduate Education Masterclass led by Karan Sharma, Co-Founder of LilacBuds, focusing on higher education opportunities in India and abroad. The session attracted 100+ attendees and provided valuable insights into university selection, admissions strategies, career pathways, and international education prospects.

No. of Fests - 03

This year, we proudly organized three of our most impactful and engaging events-TEDxSSCBS 2026, Case-Ino-Royale, and the Networking Mixer with MIC, JMC (under the college's annual fest, Crescendo). These events brought together industry leaders, innovators, and students, creating opportunities for learning, collaboration, and meaningful professional connections while further strengthening our culture of innovation and knowledge-sharing.

TEDxSSCBS 2026, themed "The Inner Battlefield," was hosted at the Akashganga Auditorium and featured an inspiring lineup of speakers, ranging from renowned influencers to accomplished entrepreneurs. Through their stories of resilience, growth, and self-discovery, they encouraged the audience to navigate challenges, embrace personal transformation, and redefine success on their own terms. The event was brought to life by a dedicated 48-member student team, who managed every aspect of execution-from speaker curation and content development to operations and logistics-creating a memorable experience that resonated deeply with attendees and beyond.

Case-Ino-Royale, our flagship national-level case competition, witnessed 2,000+ registrations from premier institutes across the country. Participants tackled real-world business challenges, showcasing their strategic thinking and problem-solving abilities through multiple competitive rounds. With a prize pool of ₹23,000, the competition provided an exciting platform for aspiring consultants and business leaders to test their skills and gain industry exposure.

During this year's annual college fest, Crescendo, we successfully organized the Networking Mixer with MIC, JMC bringing together over 100 students from Jesus and Mary College and

SSCBS. The event provided a vibrant platform for participants to network, exchange ideas, and build meaningful connections through engaging activities and interactive sessions. To encourage collaboration and participation, the mixer also featured a series of games and challenges with a prize pool of ₹20,000, making it both a rewarding and enriching experience for all attendees.

Other Initiatives

- Organised multiple KSS among our members to foster continuous learning across domains like finance, strategy, and analytics
- Curated and published detailed Industry Research Reports to develop sectoral understanding and enhance industry-oriented thinking.
- Completed live consulting project with Peesafe, providing members hands-on exposure to real business challenges.
- We also organized an industrial visit to Dabur India's manufacturing facility in Ghaziabad, providing students with firsthand exposure to large-scale production and operational processes.
- We also sent a 10+ member contingent to IIT Roorkee's E-Summit, where students gained exposure to entrepreneurship through workshops, networking sessions, and case competitions. The experience provided valuable learning opportunities and industry insights.

NSS SSCBS encouraged volunteers to participate in the first session of the National Road Safety Webinar Series, "Policy in Practice: Good Samaritan Law & the Promise of Cashless Trauma Care," organized by Crashfree India. The session provided participants with valuable insights into the Good Samaritan Law, the newly introduced cashless trauma care scheme, and the importance of policy in strengthening India's trauma care system. The initiative aimed to enhance awareness of road safety, emergency response, and responsible citizenship among volunteers.

NSS SSCBS organized a career guidance session in collaboration with the Chartered Institute of Management Accountants (CIMA). The session introduced volunteers to global career opportunities in finance and business while highlighting future-ready skills such as artificial intelligence, sustainability, risk management, and digital transformation. It provided valuable insights to help students prepare for evolving industry demands.

NSS SSCBS encouraged volunteers to participate in an Investment Awareness Session organized by the Financial Literacy Cell, SSCBS in collaboration with BFSI SSC. The session focused on personal finance, smart investing, and financial literacy, equipping students with essential knowledge to make informed financial decisions and foster responsible financial planning.

NSS SSCBS conducted the Ageing with Dignity pledge initiative under the Ministry of Social Justice & Empowerment. Volunteers took an online pledge to promote respect, care, and dignity for senior citizens, reinforcing the values of compassion, social responsibility, and inclusive community development.

On September 29, 2025, the NSS unit and Kartavya, the Social Service Forum of SSCBS, successfully organized Udyam'25 - the annual Social B-Plan Competition. The event brought together NSS units from various colleges to tackle a compelling socio-tech problem statement, promoting innovative thinking and social entrepreneurship. With over 500 registrations, participants competed across two rounds: an initial submission round followed by a final presentation round featuring the top teams. Udyam'25 served as a dynamic platform for aspiring changemakers to showcase their problem-solving abilities, creativity, and commitment to building technology-driven solutions for social impact, reflecting our continued effort to nurture socially conscious leaders of tomorrow.

The NSS Unit of Shaheed Sukhdev College of Business Studies successfully organized Umang: The Ultimate Quiz Challenge, a pan-Delhi University quiz competition aimed at fostering intellectual curiosity, critical thinking, and healthy academic competition among undergraduate students. The event was conducted in two phases. The preliminary online round, hosted on Unstop, assessed participants on general awareness, logical reasoning, and analytical aptitude, with top-performing teams advancing to the offline grand finale held at the SSCBS campus on 24 April 2026. The final round featured multiple engaging segments that tested participants' knowledge, teamwork, strategic thinking, and decision-making under pressure. The event witnessed enthusiastic participation from students across the University of Delhi and concluded with a prize distribution ceremony recognizing the outstanding performances of the winning teams.

Through Umang, NSS SSCBS reaffirmed its commitment to promoting academic excellence, collaborative learning, and the

NSS SSCBS facilitated a session on Financial Wellness & Careers in Capital Markets in collaboration with the Financial Literacy Cell, SSCBS. Led by an industry expert, the session provided students with insights into personal finance, investment avenues, career opportunities in capital markets, and cyber fraud prevention, promoting financial literacy and informed career planning. NSS SSCBS facilitated a speaker session in collaboration with Enactus SSCBS and HOCK International on "The US CMA Advantage: Building Global Careers in Accounting & Finance." Led by an industry expert, the session provided students with insights into global career opportunities, industry expectations, and the role of professional certifications in advancing careers in accounting and finance. On the occasion of International Yoga Day, NSS SSCBS organized an online awareness session on the theme "Yoga for One Earth, One Health." The session highlighted the importance of yoga in promoting physical, mental, and emotional well-being while encouraging volunteers to adopt a healthy and balanced lifestyle.	holistic development of students.

Other Initiatives

- Organized two blood donation camps within the college premises. The event aimed to encourage students and faculty to contribute to the noble cause of blood donation.

- NSS SSCBS participated in the Vriksh Raksha Bandhan initiative by the National Edu Trust of India. Volunteers tied rakhis to trees as a symbolic pledge to protect the environment, promoting environmental awareness and encouraging a sense of responsibility towards nature.

- NSS SSCBS, in collaboration with House of Clove, conducted a comprehensive Health Checkup Camp offering services like dental, eye, hair, and skin checkups. The camp also included lab tests, physician consultations, and personalized diet recommendations.

- To commemorate Constitution Day, NSS SSCBS conducted a Constitution Pledge across all classrooms in the college. Volunteers administered the pledge to students, encouraging them to uphold the values of justice, liberty, equality, and fraternity as enshrined in the Constitution of India.

- NSS SSCBS, in collaboration with NCC SSCBS, organized the 79th Independence Day Flag Hoisting Ceremony on the college campus. The event brought together students and faculty to celebrate the spirit of patriotism and pay tribute to the nation's freedom and democratic values.

- NSS SSCBS organized a Flood Relief Collection Drive in collaboration with Goonj to support families affected by floods. Volunteers and students contributed essential materials and relief kits, demonstrating compassion and solidarity while extending meaningful assistance to communities in need.

- NSS SSCBS organized a Food Donation Drive to collect food items for individuals and families in need. Volunteers actively managed the collection process, encouraging community participation and promoting the values of compassion, service, and social responsibility.

- NSS SSCBS participated in the Mega Awareness Event organized under the Nasha Mukt Bharat Abhiyaan on the occasion of the International Day Against Drug Abuse and Illicit Trafficking. Volunteers joined the awareness campaign to promote a drug-free society and spread the message of healthy and responsible living

Logo:

Achievement of the Society Members (Number) : 3 Awards | 8+ Inter-College Competitions | 21 Teams in Football Tournament | ~800 Total Footfall

Society Awards :

- 2nd place - Group Dance Competition in NEST FEST'2025 organized by My Home India (NGO), an annual event celebrating Northeastern culture in Delhi.
- 1st place - TUG of War at the annual inter college sports meet organized by the North East Students' Union Delhi University (NESSDU), in collaboration with Shri Ram College of Commerce (SRCC).
- 1st Place – Precipice, the Marketing Case Competition organized by Indian Institute of Management, Indore.

Number of inter-college competitions attended: 8+

The Northeastern Student Welfare Committee demonstrated consistent and wide-ranging representation across inter-college and inter-university platforms throughout the academic year. Members competed at NEST FEST 2025, organised by My Home India, where the team clinched the Runners-Up position in the group dance category. Beyond cultural competitions, the committee made its mark on the sporting circuit as well — participating in volleyball at ARSD College; football tournaments at MLNC, DDUC, KMC, and Satyawati College; and a

dance competition at Shyam Lal College. At the NESSDU Annual Sports Meet, the committee competed across nearly all sport categories, culminating in a 1st place finish in Tug of War in collaboration with Shri Ram College of Commerce (SRCC). Members also performed at Vasant Utsav, a cultural programme organised by the Delhi Government on the SSCBS campus. Across disciplines cultural, artistic, and athletic the committee upheld its commitment to holistic representation of the Northeastern student community.

Events / Sessions / Activities / Webinars Organized: 3

Pre-Event: Engagement Zone — Northeastern Cultural Introduction (March 2026)

In the lead-up to the main annual event, the committee curated a high-energy cultural engagement zone strategically positioned near the Amul Café and Nescafé outlet on campus, ensuring maximum organic footfall. The initiative offered students a direct, sensory encounter with Northeastern India — through authentic Northeastern attire, which students could try on, and a curated spread of regional culinary specialties. The event drew a footfall of approximately 300 students and served as a bold, immersive introduction to Northeastern culture for the broader SSCBS community, generating widespread curiosity and enthusiasm ahead of the main event.

Main Annual Cultural Event (April 13, 2026)

The flagship annual cultural event of the Northeastern Student Welfare Committee was held on April 13, 2026, in the college auditorium, drawing a footfall of approximately 500 students. The event was graced by the Chief Guest, the Head of Department of African Studies, University of Delhi, whose presence lent the occasion institutional distinction. The cultural showcase featured solo and group dance performances rooted in Northeastern folk and classical traditions, a ramp walk spotlighting the region's diverse traditional attire, and a singing competition that filled the auditorium with the soulful sounds of the Northeast. The evening was a powerful affirmation of Northeastern identity and cultural pride, bringing the heart of the region alive on the SSCBS campus and leaving a lasting impression on all who attended.

Inter-College Football Tournament (April 12–13, 2026) — A Historic First

Held on April 12 and 13, 2026, this was the first-ever inter-college football tournament in the history of Shaheed Sukhdev College of Business Studies (SSCBS) — a milestone conceived, organised, and executed end-to-end by the Northeastern Student Welfare Committee. The tournament brought together 21 competing teams, making it not only a landmark sporting event but also a major logistical undertaking by a student-run body. The sheer scale, discipline, and competitive energy of the tournament were widely lauded across the college, cementing the committee's reputation as a force capable of delivering initiatives that go far beyond cultural programming.

Other Initiatives

Cultural Performance at Vasant Utsav:

Members of the committee delivered a spirited dance performance at Vasant Utsav, a cultural programme organised by the Delhi Government on the SSCBS campus, representing the Northeast on a prestigious platform and showcasing the region's artistic richness to a wide audience.

Tribute Ceremony for Late Shri Zubeen Garg:

The committee organised a heartfelt tribute ceremony in honour of the legendary Assamese singer and cultural icon, Late Shri Zubeen Garg. The event was a deeply emotional collective expression of grief and reverence by the Northeastern student community at SSCBS, bringing together students to celebrate his unparalleled contribution to Assamese music and the cultural identity of the Northeast.

Traditional Northeastern Movie Screening:

The committee organised a screening of a traditional Northeastern film on campus, creating a space for students to connect with the storytelling, language, and visual culture of the region. The initiative was designed to foster cultural awareness and a sense of belonging among Northeastern students, while also offering non-Northeastern peers an authentic window into the region's cinematic heritage.

Excel at Excel: An online engagement session was organised on 14th August 2025, open to all college students exploring Excel from scratch witnessing 100+ registrations. Simulation 101: An introductory session on Excel-based simulations witnessing participation from 250+ students. The session explored simulation techniques and their application in Excel for data-driven decision-making and problem-solving. Business First Approach to Achieving Success in Any Role Through Data: An online speaker session by Mr. Sahil Bhatia on 21st February 2026, focusing on the role of data in achieving business success Responsible AI in the Era of Generative AI: An on-campus speaker session by Mr. Bhaskarjit Sarmah on 25th February 2026, discussing responsible AI practices and governance in the era of generative AI. Business Analytics in Stock Broking: An online session by Mr. Shripat Sharma on 5th March 2026, highlighting the application of analytics in stock broking and financial decision-making. Power BI Bootcamp: A 3-day Power BI Bootcamp was organised from 2nd May to 4th May 2025,	The Analytics Conclave 2026: Conducted from 19th February to 27th February 2026, the conclave featured Epsilon 7.0, an analytics case competition, Zeta 3.0, an Excel-based simulation challenge, and The Analytics Gurus speaker series. Witnessing participation from 2400+ students and 80,000+ digital impressions, the conclave brought together participants from reputed institutes nationwide and provided valuable exposure to analytics, data-driven problem-solving, and industry applications. IPL Auction Simulation: Conducted on 22nd April 2026, the IPL Auction Simulation featured 10 teams and 450+ participants, providing an engaging platform to test participants' strategic thinking and analytical decision-making.

witnessing 5310+ registrations. The bootcamp provided 6+ hours of hands-on learning, enabling participants to gain practical exposure to Power BI and data visualization.	

Other Initiatives

Knowledge Sharing Sessions

Nucleus, the only Analytics Society of the college, continued its tradition of conducting Knowledge Sharing Sessions (KSS) on industry-relevant tools and technologies. Throughout the year, members were trained in applications such as MS Excel, Python, Power BI, Tableau, SQL, and other analytics-oriented platforms that are widely used across industries. These sessions are designed to bridge the gap between classroom learning and practical business applications, enabling members to develop analytical and problem-solving skills that align with current industry requirements.

Intra-Society Competitions

To reinforce learning and encourage practical application, Nucleus regularly organized intra-society competitions based on the tools and concepts covered during the KSS sessions. Designed and conducted by senior members, these competitions provided participants with opportunities to solve real-world business and analytics problems, strengthening both their technical proficiency and critical thinking abilities. This hands-on approach remains one of the society's distinguishing features and plays a key role in fostering a culture of continuous learning and healthy competition.

Live Projects

Nucleus has consistently maintained strong industry engagement by providing members with opportunities to work on live projects that offer exposure to real-world business challenges. These initiatives enable students to apply analytical frameworks, research methodologies, and data-driven decision-making techniques in professional settings while gaining valuable industry experience.

JCB India:

This year, the society collaborated with JCB India on a strategic market expansion project focused on strengthening its rock breaker attachment business across mining-intensive regions of East and South India. Members conducted comprehensive market research and competitive benchmarking, analyzing major industry players, regional demand patterns, and customer behavior to assess growth opportunities. The team developed market sizing models, evaluated key barriers to market penetration, and proposed strategic recommendations aimed at improving competitive positioning, expanding market reach, and enhancing operational efficiency. The project also explored data-driven approaches to predictive maintenance and service optimization, providing members with first-hand exposure to strategic consulting, market intelligence, and business analytics in a large-scale industrial context.

ITC Limited:
This year, the society collaborated with ITC Limited's Agri-Business Division (ABD) on multiple strategic consulting projects spanning agri-sourcing, exports, biomass procurement, and rural engagement. Members automated key workflows, analyzed large-scale trade and market data to identify export opportunities, developed sourcing and procurement strategies, and designed frameworks to enhance farmer outreach and procurement efficiency. The projects provided hands-on exposure to data analytics, supply chain optimization, and business strategy while addressing real-world challenges in the agricultural sector.

The project significantly enhanced members' understanding of how analytics, market research, and strategic decision-making are applied within organizations, while providing valuable experience in solving complex business problems for a leading industry player.

Brief Write-up of the Events Organized

CBS Cricket League (CCL)

The CBS Cricket League featured 8 auction-based teams, delivering two weeks of electrifying matches and intense rivalries. With packed sidelines and close finishes, the event exemplified strategic gameplay, leadership, and team bonding. CCL emerged as a thrilling celebration of cricket and college unity, leaving a lasting impact on participants and spectators alike.

Women's Cricket League

Promoting inclusivity and empowerment, the Women's Cricket League saw 4 enthusiastic teams compete in a spirited format. The matches showcased skill, resilience, and teamwork, earning widespread appreciation. The league set a

benchmark for female participation in campus sports, inspiring greater engagement and confidence.

CBS Football League (CFL)

With 6 competitive teams, the CBS Football League delivered a high-octane, week-long tournament. Auction-based team formation and intense matches kept the energy high throughout. CFL was a perfect blend of emerging talent, teamwork, and crowd engagement, becoming a highlight of the sports calendar.

E-Sports Tournament (BGMI)

The BGMI Tournament offered a professional platform for gamers to showcase reflexes, coordination, and strategy. With structured rounds and active viewership, the event sparked digital excitement across campus. It highlighted the growing stature of e-sports and connected gaming with competitive college spirit.

Adrenaline – Annual Sports Event

Adrenaline, our flagship sports festival, celebrated fitness, unity, and participation through diverse games like chess, table tennis, and indoor challenges. Drawing strong turnout from all courses, the event energized campus life and promoted wellness, inclusivity, and spirited competition.

CBS Volleyball League

Conducted under Adrenaline, the Volleyball League saw 6 enthusiastic teams battle it out in action-packed matches. The league highlighted agility, teamwork, and coordination, with roaring support from peers. It successfully elevated volleyball as a key sport and showcased the depth of talent on campus.

Staff-e-Arena – Teachers' Day Special

Staff-e-Arena, held on Teachers' Day, brought students and faculty together through fun activities like badminton, UNO, chess, and cricket. This light-hearted celebration strengthened bonds and fostered mutual respect beyond academics, creating warm and memorable interactions.

Other Initiatives

Celebrating Teacher's Day, we organized a series of friendly competitions, including chess, badminton, table tennis, carrom, and a special cricket match. These engaging activities were designed to strengthen the bond between students and teachers, creating moments of laughter, learning, and shared enthusiasm. This initiative aimed to nurture a spirit of

teamwork, camaraderie, and mutual respect within the college community, reminding us all that sports and simple games can bring people closer in the most meaningful ways.
Organized the Volleyball League successfully for the second time, managing team auctions, fixtures, and event execution, resulting in high player participation and strong audience engagement.

Palentine is our annual flagship event celebrating love, friendship, and inclusivity. This year, the event witnessed a footfall of 500+ attendees and reached over 20,000 people digitally. We hosted 5+ interactive stalls, a live DJ, fun games, and engaging activities that created a lively and welcoming atmosphere for everyone. One of the highlights was the distribution of 250+ handwritten letters, allowing students to express appreciation and strengthen connections. The event successfully fostered a sense of community while encouraging meaningful interactions in a fun and inclusive environment.

During VITI, we organized the Wall of Expression, an interactive awareness initiative that attracted a footfall of 2,000+ people. The installation showcased artwork, stories, and messages celebrating the queer community while encouraging conversations around identity, acceptance, and inclusion. It served as a safe space for students to engage with diverse perspectives, reflect on lived experiences, and express themselves freely, making it one of our most impactful awareness initiatives.

We hosted an interactive webinar with our college senior, Vishudh, to provide students with valuable insights and guidance. During the session, he shared his experiences, spoke on a range of relevant topics, and answered thoughtful questions prepared by our team. The webinar created an open space for learning and discussion, allowing participants to gain practical advice, clarify their doubts, and learn from someone who had successfully navigated similar experiences.

Other Initiatives

Espresso Yourself was a pre-recruitment engagement event designed to help prospective members connect with our society in a relaxed and welcoming environment. The event brought together 15+ participants for interactive games, casual conversations over coffee, and meaningful discussions about the society and its values. Beyond introducing students to our work, the initiative focused on building genuine connections, encouraging open dialogue, and creating a comfortable space for participants to get to know the team before the recruitment process.

- Delhi Technological University – 1st Position
- Ramjas College – 1st Position
- Sri Venkateswara College – 1st Position
- Jesus and Mary College – 2nd Position
- Dyal Singh College – 2nd Position
- Sri Guru Tegh Bahadur Khalsa College – 3rd Position
- Shri Ram College of Commerce – 3rd Position
- MDI, Gurgaon – 3rd Position
- IIFT Delhi – 3rd Position

Number of Inter-college competitions attended by your society members: 70+

During the tenure 2025-26, members represented Rotaract SSCBS across 70+ prestigious inter-college business plan and ideation competitions. From premier national platforms like the IITs and IIMs to prominent Delhi University circuits, teams tackled pressing challenges in innovation, sustainability, and social entrepreneurship while proudly representing the institution. Furthermore, these competitions served as a vital platform to spread awareness regarding the society's own sustainable initiatives among a wider audience. Pitching alongside top talent and engaging in intense business simulations not only sharpened strategic and financial skills but also championed impactful, real-world social change on a regional scale.

Number of event(s)/sessions/activities/webinars organized by the society in the year

Number of Seminars/Workshops: 20
Throughout the year, Projects Srijan and Kamakhya remained central to our community service initiatives, promoting sustainability, menstrual health awareness, and community engagement. Project Srijan: ● RWA Outreach Drives – Sector 11 & Sector 9, Rohini ● Bin Placement & Sensitisation Sessions – JIMS Kalkaji, Dyal Singh College & DTU East Campus Project Kamakhya: ● Menstrual Health Awareness Sessions – Sampurna NGO, Lakshyam NGO (March & April), and iLight Global NGO Rotaract SSCBS also organised a series of student-focused initiatives, including Placement Talks, First Impressions Matter, Digital Detox, Digital Myths' Debunking, Schemes for Change, Projects Navchetna & Women Rise Network, Project Venturify, Organ Donation Sensitisation, Stress Management, and Project Healthy Lifestyles. These sessions focused on career readiness, leadership, digital literacy, mental well-being, civic awareness, innovation, and holistic health. Together, these initiatives strengthened community participation, encouraged informed decision-making, and equipped students with valuable life skills, reflecting the club's commitment to meaningful service and social impact.

Other Initiatives:

Rang De

Rang De was organised at Seerohi NGO to transform blank walls into vibrant, value-based murals while creating meaningful moments with children. Volunteers worked alongside the young participants to paint colourful educational artwork that brightened the space and conveyed positive messages. The day also included fun games, conversations, and the distribution of snacks, making it an enjoyable and memorable experience for everyone involved. Through art, creativity, and shared laughter, the initiative strengthened bonds between volunteers and children while encouraging learning in an engaging way. More than

just a wall painting drive, Rang De celebrated community, collaboration, and the power of creativity to inspire and educate.

Dard-E-Disco

Dard-E-Disco took an interactive approach to menstrual health awareness by introducing participants to a Period Pain Simulator. The activity encouraged individuals to experience simulated menstrual cramps, helping them better understand the physical discomfort many people face during menstruation. The experience sparked thoughtful conversations around menstrual health, empathy, and the stigma often associated with the topic. Volunteers guided discussions, answered questions, and created a safe space for open dialogue and learning. By replacing misconceptions with understanding, Dard-E-Disco promoted compassion, awareness, and inclusivity, encouraging participants to become more informed and supportive allies in conversations around menstrual health.

Project Aabha

Project Aabha brought together seven Rotaract Clubs to organise a series of webinars promoting awareness about preventive healthcare and healthy living. Covering topics such as mental wellness, nutrition, lifestyle diseases, and early detection, sessions under initiatives like *Swasthya Sanket*, *Drishti*, *Nirogya*, and *Nourish to Flourish* encouraged participants to make informed health choices. The webinars reached over 400 individuals, primarily college students, creating a platform for learning and discussion. Through expert-led sessions and collaborative efforts, Project Aabha inspired young people to prioritise their well-being and adopt healthier habits in their everyday lives.

Project Shrushti

Project Shrushti focused on promoting maternal and child health through a combination of community outreach and online awareness initiatives. Volunteers distributed sanitary napkins during community visits and door-to-door drives while engaging women in conversations about menstrual hygiene, childbirth, and overall health. The project also supported the pad distribution drive organised by the Rotaract Club of Hansraj College under Project Aanchal. In collaboration with the Rotaract Club of Ardent Creators and the Rotaract Club of BPIT, informative webinars on maternal care and child wellbeing were conducted. By combining on-ground action with digital engagement, the initiative positively impacted over 330 individuals.

Project Vasudha

Project Vasudha celebrated the spirit of environmental responsibility through a youth-led plantation drive dedicated to building greener and healthier communities. Volunteers came together to plant saplings while spreading awareness about the importance of biodiversity, climate action, and sustainable living. The initiative encouraged participants to recognise the long-term value of protecting the environment through simple yet meaningful actions. More than just planting trees, the drive inspired a sense of collective responsibility towards nature and reinforced the idea that lasting environmental change begins with consistent community efforts. Project Vasudha served as a step towards creating a cleaner, greener, and more sustainable future.

Project Kalam

Project Kalam was organised to inspire young minds through interactive learning sessions and book donation drives. Volunteers engaged children in educational activities that encouraged curiosity, creativity, and active participation while providing them with books to support their learning journey. The initiative aimed to nurture a love for reading and make educational resources more accessible to those who needed them most. By creating an enjoyable learning environment and encouraging meaningful interactions, Project Kalam reinforced the belief that education is a powerful tool for personal growth and opportunity. The experience left both the children and volunteers motivated to continue learning and giving back.

Project Unnati

Project Unnati focused on empowering communities through digital sessions centred on economic awareness and financial literacy. The initiative introduced participants to essential concepts such as budgeting, responsible financial planning, savings, and informed decision-making. Through interactive discussions and practical examples, the sessions aimed to make financial knowledge simple, relevant, and accessible to people from different backgrounds. By encouraging informed economic choices and greater financial confidence, Project Unnati sought to equip individuals with skills that could positively influence their daily lives. The initiative highlighted the importance of financial awareness as a key step towards building stronger and more self-reliant communities.

Project Nira

Project Nira was organised to promote hygiene awareness among children through engaging and interactive health education activities. Volunteers conducted informative sessions using fun discussions and age-appropriate activities to teach the importance of personal hygiene, handwashing, cleanliness, and healthy habits. The initiative encouraged children to adopt simple practices that contribute to their overall well-being while making learning enjoyable and easy to understand. By combining education with interaction, Project Nira created a positive learning environment that inspired children to care for their health and share these habits with those around them, helping build healthier communities from a young age.

Project Saanjh

Project Saanjh was organised to promote peace, understanding, and meaningful dialogue through a series of informative virtual discussions. Bringing together participants from diverse backgrounds, the sessions encouraged open conversations on empathy, cooperation, and the importance of peaceful coexistence. The initiative provided a safe platform for sharing perspectives, exchanging ideas, and learning from one another in a respectful environment. By fostering thoughtful discussions and encouraging active participation, Project Saanjh highlighted the value of communication in resolving differences and strengthening communities. The project reaffirmed the belief that lasting peace begins with awareness, understanding, and meaningful conversations.

Project Disha

Project Disha was organised in collaboration with all seven clubs of Rotary Zone 2 to provide free career counselling for underprivileged students across multiple locations. Volunteers conducted interactive sessions on career opportunities, higher education, and skill development, helping students make informed decisions about their future. At Kishalaya Salaam Baalak Trust, members of Rotaract SSCBS and RAC Delhi North guided children through personalised counselling, while similar sessions were held at schools in Kamla Nagar,

Sonipat, and Alipur. Reaching nearly 200 students, the initiative offered encouragement, practical guidance, and hope, empowering young learners to confidently pursue their educational and career aspirations.

Project Abhyaas

Project Abhyaas was organised with the aim of spending meaningful time with the students of Abhyas Learning Special School, Model Town. Our volunteers conducted interactive games, engaging activities, and joyful conversations that encouraged participation and built a warm, inclusive environment. Chocolates and small treats were distributed to make the visit even more memorable, bringing smiles to every child's face. The experience was both heartwarming and inspiring, reminding us of the importance of empathy, inclusion, and genuine human connection. Through simple moments of laughter and togetherness, the initiative celebrated every child's unique abilities while creating memories that our volunteers will always cherish.

Project Lifeline

Project Lifeline brought together Rotaract clubs and Child Help Foundation to organise a blood donation camp at Shaheed Sukhdev College of Business Studies. The camp encouraged voluntary blood donation while spreading awareness about its life-saving importance. Medical professionals ensured a safe and smooth donation process as volunteers assisted donors throughout the event. The initiative inspired several first-time donors to step forward and contribute to the cause, reinforcing the value of regular blood donation as a social responsibility. By uniting students, volunteers, and healthcare professionals, Project Lifeline successfully created awareness while making a meaningful contribution towards supporting those in medical need.

Rotaract Street Stories

Rotaract Street Stories celebrated the power of human connection by capturing inspiring stories from people across Delhi. Volunteers interacted with individuals from diverse backgrounds, documenting their journeys, experiences, and life lessons to share with a wider audience. Alongside storytelling, the initiative included small skill-building sessions focused on communication, confidence, and digital awareness, encouraging personal growth within the community. The campaign not only amplified unheard voices but also fostered empathy, understanding, and meaningful conversations. By combining storytelling with learning, Rotaract Street Stories highlighted the impact of listening, sharing experiences, and building stronger connections within society.

Project Imprints

Project Imprints encouraged participants to pause, reflect, and reconnect with their aspirations through a creative self-growth activity. Using thumbprint art and letters addressed to their future selves, participants expressed their goals, values, and personal commitments in a thoughtful and engaging way. The activity provided a unique space for introspection while inspiring individuals to think about the future they wished to create. By blending creativity with self-reflection, Project Imprints promoted mindfulness, self-awareness, and accountability. The initiative served as a gentle reminder that personal growth begins with small, intentional steps and the courage to believe in one's own potential.

Project Paws & Care

Project Paws & Care was organised to improve the safety of stray dogs during foggy nights and low-visibility conditions. Volunteers travelled across Sector 16, Rohini, fitting neon reflective collars on stray dogs to reduce the risk of road accidents. The initiative combined compassion with practical action, creating safer streets for both animals and commuters. Working in teams, volunteers covered different areas and successfully reached numerous stray dogs. The activity reinforced the importance of kindness towards animals while promoting responsible community action. Through this effort, Project Paws & Care highlighted that even small acts of care can create a safer and more compassionate society.

Project Joynest

Project Joynest was organised to spread happiness among children at Pankh NGO through simple yet meaningful interactions. Volunteers conducted a teddy bear drawing activity that encouraged creativity, imagination, and enthusiastic participation from the children. The session was filled with laughter, excitement, and shared moments of joy, creating a welcoming and cheerful atmosphere. Chocolates were distributed at the end of the visit, making the occasion even more special for the children. More than just an outreach visit, Project Joynest celebrated kindness, compassion, and the value of spending quality time with young minds, leaving lasting memories for both the children and volunteers.

Project Yamuna

Project Yamuna brought volunteers together for a cleanliness drive at Vasudev Ghat with the aim of protecting the Yamuna River and promoting environmental responsibility. Participants collected waste from the riverbank while learning about the importance of sustainable practices and community action in preserving natural ecosystems. The initiative encouraged volunteers to reflect on their role in protecting the environment and demonstrated how collective efforts can lead to meaningful change. Beyond cleaning the surroundings, the drive inspired a stronger sense of civic responsibility and environmental awareness, reinforcing the belief that every small step contributes towards a cleaner and healthier future.

Project RaktSetu

Project RaktSetu was organised in collaboration with the Delhi University Students' Council to encourage voluntary blood donation and spread awareness about its importance. Held at Shaheed Sukhdev College of Business Studies, the drive brought together students, volunteers, and medical professionals to ensure a safe and seamless donation process. Alongside the donations, participants were guided through common myths and misconceptions surrounding blood donation, helping many first-time donors feel more confident about contributing. The initiative promoted compassion, social responsibility, and the spirit of giving, while reinforcing the message that a single donation has the power to save multiple lives.

Project Nanhe Kadam

Project Nanhe Kadam was organised at Nipun NGO to support the learning and development of young children through engaging educational activities. Volunteers spent the day conducting painting sessions, teaching nursery rhymes, and introducing basic alphabet learning in a fun and interactive way. The children participated enthusiastically, filling the space with laughter, creativity, and curiosity. Beyond academics, the visit focused on building confidence, encouraging self-expression, and creating meaningful connections with the children. The initiative highlighted the importance of nurturing young minds through care,

creativity, and community involvement, making the experience enriching for both the children and volunteers.

Project VastraSewa

Project VastraSewa was organised to support underprivileged communities through a clothes donation drive that encouraged compassion and collective responsibility. Volunteers collected, sorted, and distributed wearable clothing to individuals and families in need, ensuring that every contribution reached those who could benefit the most. The initiative witnessed generous support from donors and enthusiastic participation from volunteers, reflecting the community's willingness to come together for a meaningful cause. More than a donation drive, Project VastraSewa celebrated the spirit of sharing, reminding us that small acts of kindness can provide comfort, dignity, and hope to countless lives.

Brief Write up of the Session	Brief Write up of the Fest organised
Neuroplasticity Workshop: Rewiring the Mind - Neuroplasticity for Personal Growth Sadhana hosted a transformational workshop on Neuroplasticity Dated 25th & 28th August 2025 facilitated by the dynamic trio, "Dr. Durga", "Dr. Gagandeep" and "Dr. Deepika", with more than 30 participants whose approach blended science, psychology, and embodied practices to guide students on a journey of self-awareness and personal growth. Rooted in the powerful idea that the brain can change its structure and function throughout life, the workshop aimed to help students consciously shift their thought patterns, behaviours, and emotional responses. In order to promote personal growth through multiple activities were conducted prescribed under the neuroplasticity workshop such as free flowing dance to understand about our body , patterns, mind and release the tension and anxiety , also multiple group activities were held that helped students to open up and put their opinions, thoughts comfortably and each individual was given explicit attention by the facilitators in understanding their issues, providing them 1 to 1 guidance as well and creating a safe space, It truly helped students better understand themselves, their personalities, thought processes, and behavioural patterns and significantly helped them to shape their thoughts in a better way , assisted them to perform better in daily life. **Youth Empowerment & Well-being: AOL YES+ Programme** The AOL YES+ Workshop (Youth Empowerment and Skills Programme) from 15th–18th September 2025 was conducted in partnership with the Art of Living Foundation to promote and support education, well-being, mental health and resilience, covering aspects such as youth empowerment, managing stress, and behaviour, emotional health and personal growth. The workshop was run in partnership with Ms. Heena and Mr. Nihar Khurana using experiential	**AntarYog'26** The first annual inter College yoga festival/competition of Sadhana, held on 24th April 2026. The event had over 160 participants and attendees including participants, volunteers, judges, wellness Enthusiasts from various institutions. AntarYog'26 was organized to promote physical fitness, mindfulness, discipline and holistic well-being, which allowed Sadhana's students to showcase their dedication to the practice of yoga, while encouraging interactions among like-minded individuals passionate about wellness and personal growth. The four competitive events were as follows :- **Aarohan – Traditional Yog asana Excellence (Boys) :-** Participants performed a series of compulsory and optional asanas. Participants were judged on the strengths of their postures, balance,stability, flexibility and technical accuracy. **Prerna – Traditional Yog asana Excellence (Girls) :-** Participants performed a series of yoga asanas and were judged on the strength, control, flexibility and discipline in the execution and the precision in correcting the yoga asanas. **Layam – Artistic Yoga Performance (Boys) :**

learning, breathing techniques, guided activities, meditation practices and a series of kriyas to support youth in developing confidence, resilience and confidence to better manage of academic pressures, relationships with peers, challenging emotions and uncertainty about the future. The session viewed by more than 50 participants, The programme provides students with practical tools and resources to build confidence, emotional resilience and a healthier positive outlook on life. The kriyas introduced to students are sustainable tools they can practice globally to support their long-term mental well-being and inner peace. During the four days of the programme, participants were grouped into teams and participated in various activities which promoted teamwork, leadership, communication and social interaction. The activities facilitated participants to get out of their comfort zone, interact with participants with different backgrounds and build social bonds in a friendly, conducive environment. As the grand finale of the workshop, teams were to participate in multiple group challenges such as a no-fire cooking competition, skit, and dance performances on the last day, earning points for creativity, teamwork and participation. These concluding activities of the workshop not only consolidated the learnings of the whole four-day programme but also made the atmosphere colourful and enjoyable. It ended with a Bhajan Jamming session which gave the participants an opportunity to relax, celebrate the experiences and enjoy themselves with music, meditations, and activities.

The Reflective Well-being and Journaling Session

This session held on 12th September 2025 combined recreational games with guided journaling exercises to create a relaxed and engaging environment for participants. The activities were designed to reduce stress, encourage social interaction, and promote self-reflection. More than 15 members express their thoughts and emotions freely, while the games added an element of fun, making the session both therapeutic and enjoyable for everyone involved. It encouraged the practice of reflective thinking, creativity and self-awareness

Performers performed a synchronized sequence of yoga postures to music. This event tested technical excellence, creativity, expression, flow and presentation.

Spanda – Artistic Yoga Performance (Girls) :-
Performers performed a synchronized blend of yoga and artistic performance highlighting flexibility, composure, creativity and confidence.

All performances were judged by a panel of experienced judges and promotions were rewarded based on the parameters such as posture, stability, flow, presentation, creativity, difficulty level and overall performance. Trophies, certificates and prizes were awarded to winners and outstanding performers. Apart from the competitive aspects of the event, AntarYog'26 has created a peaceful, constructive and positive environment for students to meet and develop relationships with one another.

The Celebration of yoga, discipline and healthy competition was one of the many ways this event promoted mental well-being, emotional balance, resilience, and holistic development.

through various journaling activities. **Mindful Conversations: AOL Talks Series** Sadhana conducted AOL Talks in association with Art of Living Foundation from 10th–12th September 2025 under the guidance of Ms. Tannu and Mr. Nihar Khurana. More than 350 students took part in these initiatives that covered aspects such as stress management, well-being, emotional health, mindfulness and holistic education. The sessions also introduced the students to practical methods and techniques that could help them better take care of their mental well being amidst pressures associated with academics, personal and professional life. **Student Wellness & Counselling Initiative** The counsellor sessions provided a safe and supportive platform for first year students to discuss their personal and academic concerns. It was Conducted on 24th and 25th September 2025 by professional counsellors, these sessions included both individual and group interactions (with a massive participation of 400+ participants). Participants received guidance on managing stress, anxiety, and emotional challenges. The initiative aimed to promote mental health awareness and ensure that students felt heard, supported, and understood. **Creative Expression & Design Skills Workshop** The Canva KSS Workshop, conducted on 8th October 2025 and facilitated by Coordinator Disha Verma, was designed as a creative mental health activity that encouraged participants to express their thoughts, emotions, and perspectives through visual art and design. While introducing students to Canva as an accessible design platform, the workshop primarily focused on promoting self-expression, emotional awareness, and positive mental well-being. Participants were invited to create posters and digital artwork centred around themes such as peace, positivity, gratitude, self-growth, resilience, mindfulness, and emotional wellness. Through these creative exercises, students were encouraged to reflect on their personal experiences, aspirations, and emotions in a safe and non judgmental environment. The activity highlighted how creative expression can serve as	

a valuable tool for stress relief, self-reflection, and emotional processing. With the participation of more than 20 members, the workshop successfully blended creativity with mental health awareness, enabling students to communicate meaningful messages while fostering self-confidence, empathy, and a deeper understanding of emotional well-being. The session reinforced the idea that art and design can be powerful mediums for promoting mental wellness and encouraging healthy conversations around mental health **Mental Health Matters: World Mental Health Day Webinar** Organized on the occasion of World Mental Health Day (10th October 2025), this webinar focused on spreading awareness about mental health issues and breaking associated stigmas. The session highlighted the importance of self-care, emotional resilience, and seeking professional help when needed. Participants (50+) gained valuable insights into maintaining mental well-being and were encouraged to prioritize their mental health in their daily lives. **Harmony & Healing: Inter-College Bhajan Jamming** This collaborative event with DTU & Art of Living (AOL) on 30th January 2026 brought more than 100 students together for a soulful bhajan jamming session. The activity aimed to promote relaxation and inner peace through music and collective participation. It created a positive and calming atmosphere where participants could unwind from academic stress. The event also strengthened inter-college connections and encouraged cultural and spiritual engagement among students. **Breath, Balance & Mindfulness Workshop** The Mindfulness & Breathing Workshop, conducted on 11th February 2026 by Mr. Ashok Bhatt, was organized with the objective of promoting mental well-being, emotional balance,	

and healthy lifestyle practices among students. The session witnessed the enthusiastic participation of more than 30 students, who engaged in a series of interactive discussions and guided exercises focused on holistic wellness. The workshop covered key topics such as mindfulness, circadian rhythm, diaphragmatic breathing, stress management, and the importance of maintaining a balanced lifestyle. Participants were introduced to various breathing techniques and mindfulness practices designed to improve concentration, emotional regulation, self awareness, and inner calm. Through guided activities, students experienced the benefits of present-moment awareness and learned practical strategies to manage academic stress, regulate emotions, and cultivate healthier mental habits, by emphasizing the connection between physical health, daily routines, and psychological well-being, the session encouraged participants to adopt sustainable wellness practices in their everyday lives. The workshop served as a meaningful step towards fostering a culture of mindfulness, resilience, and proactive mental health care among students **Nurturing Young Minds: Mental Health and Life Skills Outreach Programme** Sadhana, in partnership with Shubhakshikha Educational Society, initiated a Mental Health and Life Skills Outreach Programme on 21st February 2026. The programme was successfully implemented by 10 student volunteers who engaged with over 120+ students from Classes 1 to 3 in activities such as drawing competition, singing, dance activities, games, and prize distributions. Approaching each student at an appropriate age level, volunteers led a discussion on kindness, empathy, friendship, self-confidence, personal hygiene, gratitude, and the concept of positive behaviour. The Primary Focus of the program was to create an environment of joy, creativity, and learning for young children and to introduce them into the concept of mental health at an early age, the Life Skills and key concepts of Mental Health. As well as benefiting the children, this initiative also helped students develop empathy, leadership, communication skills and social responsibility.	

From Worry to Wellness: Stress Management & Effective Communication Organized a workshop titled "From Worry to Wellness: Stress Management and Effective Communication." The session was conducted by Mr. Nihar Khurana on 23rd February 2026 and focused on helping more than 30 individuals, manage stress arising from academic pressure and daily responsibilities. It also emphasized the importance of effective communication in maintaining healthy relationships and achieving personal goals. Through practical insights and relatable examples, participants learned techniques to maintain emotional balance, improve clarity in expression, and develop a more confident and composed approach in challenging situations **The Power of Positive Self-Talk** In collaboration with Talk to Angel, an insightful virtual session titled *"The Power of Positive Self Talk."* was organized on 7th March 2026 with over 101 participants. The session was conducted by Ms. Arushi Srivastava, a counselling psychologist specializing in CBT and ACT techniques. It focused on helping participants understand the impact of self-talk on mental health, self-esteem, and emotional regulation. Participants were taught to identify negative self-talk, to challenge the same and develop healthier coping strategies while practicing the art of positive self-talk. Managing anxiety and stress was also given due attention, The session consisted of multiple fun activities which gave individuals several choices and according to their choices and life decisions, shown how would their mental health get affected, leading to an open-ended interactive session. **Period Diaries: Decoding the Menstrual Cycle & Its Emotional Journey** On the occasion of International Women's Day (8th March 2026), we organized an insightful virtual session titled *"Period Diaries: Decoding the Menstrual Cycle & Its Emotional Journey."* The session was conducted by Ms. Sushmita	

Tatuskar, a menstrual health educator from Safe N' Happy Periods. It focused on understanding the science behind the menstrual cycle, hormonal changes, and their impact on mood, energy, emotions and mental health. The session provided a safe and open platform for participants which were about 103 to ask questions, break myths, and build awareness about menstrual health, encouraging self acceptance and empowerment. The session was open to all individuals and was not restricted to only females, included a deep dive into the science of the menstrual cycle, how the fluctuation in hormone levels affect moods, energies, emotions, and mental health. By providing a platform for openly discussing menstrual health and its intersection with emotional well-being, the session helped participants further their knowledge and understanding of the associations between menstrual health and emotional well-being, as well as informed, self-care, self-awareness, and conversations around women's health. It also unveiled a key role played in breaking myths and reducing the stigma attached to menstruation. **Building Meaningful Relationships, Communication & Emotional Intelligence** Sadhana hosted a session on Relationship Management conducted by Ms. Tanu Kanchan, HR Professional, ICBI Certified Soft Skills Trainer & Image Coach, with more than decade of experience. The session in partnership with the Rotaract Club of Visioner's League was held on 25th March, 2026 with over 35+ individuals. In this session, emphasis was given on emotional intelligence, networking skill, healthy interpersonal relationship, professional communication. Ms. Tanu interacted with students with various activities and discussions. The students shared feedback and how this session helped them deeply in understanding the dynamics of good relationship and communication skill and also more perspective with the help of which could be used in their life. As part of the end-of-seminar exercise, participants were asked to write a letter to their future selves to reflect on how they looked at themselves, their future, your relationships and lessons you wanted to carry with you. The exercise was a very fitting way to wrap up the day and to reflect deeply, set goals and	

understand oneself. **Overthinking: How Much Is Too Much?** Based on its ongoing efforts towards creating awareness about mental health, Sadhana partnered with Vandrevala Foundation, one of India's largest mental health and crisis support organizations, to organize an online session "Overthinking: How Much is Too Much?" on 5th April 2026, over the occasion of International Day of Conscience. The session was conducted by Ms. Preeti Gupta and Sri Pooja C. who were counselling psychologist, crisis counsellors and group therapy facilitators, who guided the students as to why overthinking is a problem, described it's stages, highlighted how much is exactly too much, when it starts affecting their emotional health and how to bring clarity of thought. The anonymous format of the session encouraged students to openly express their thoughts and emotions in a safe, judgment-free space. Participants were invited to join using their favourite cartoon-inspired names, adding a fun and comforting element to the session. This unique approach helped reduce inhibitions, encouraged active participation, and created a warm environment for honest conversations around mental health and emotional well-being.	

Other Initiatives:

Strengthening Digital Presence:

Sadhana actively maintained its Instagram platform by consistently sharing updates about events, workshops, awareness campaigns, and society activities. Through consistent engagement and timely dissemination of information, the society enhanced its visibility and kept students informed about opportunities related to mental health and wellness.

Development of Official Sadhana Website:

To create a centralized and accessible platform for students, work is currently underway to establish the society's official website. The website aims to serve as a repository of resources, event archives, society information, and opportunities for student engagement, thereby strengthening Sadhana's long-term outreach efforts.

Expansion of Digital Knowledge-Sharing Platforms:

The society also began the process of establishing its YouTube presence to make mental health and wellness content more accessible. Plans are underway to share knowledge sessions, expert talks, awareness content, and educational resources, enabling students to benefit from these initiatives beyond physical events.

Peer Connect - (150+ participants) Peer Connect was an online mentorship and guidance initiative organized by the society to support CUET aspirants navigating the college admission process. The session provided students with first-hand insights into CUET preparation strategies, college selection, preference filling, admission procedures, and student life at premier institutions. Conducted by current college students, the initiative created an interactive platform where participants could seek personalized guidance and have their queries addressed in real time. By sharing experiences, practical tips, and valuable resources, Peer Connect helped reduce uncertainty surrounding admissions while enabling aspirants to make informed academic decisions. The initiative reflected the society's commitment to fostering community engagement and supporting students beyond the boundaries of the college campus.

Careers in Finance (70-100 participants): In collaboration with Jaipuria Institute of Management, Noida, Synergy organized a seminar on careers in finance, covering opportunities in investment banking, consulting, asset management, and financial analysis. The session highlighted key skills, certifications, and career pathways through expert insights and interactive discussions.

What Next After Graduation: Job or Higher Studies? (70-100 participants): In collaboration with GNIOT Institute of Management Studies (GIMS), Synergy conducted a workshop helping students evaluate career and higher education options, offering practical guidance on making informed post-graduation decisions.

Mastering Quants: CAT 99+%iler Strategy (70-100 participants): In collaboration with IMS, Synergy organized a seminar on CAT quantitative aptitude, focusing on problem-solving

Vincenza 7.0 -

(4000+ participants)

Vincenza 7.0, the flagship annual corporate fest of Synergy -The Corporate Society of SSCBS, was organized in association with EY as the Title Partner and hosted on Unstop. Designed as a premier platform for experiential learning, the fest brought together students from across the country to compete in high-impact corporate simulations spanning consulting, strategy, marketing, and business problem-solving.
Participants engaged in events such as *Corporate Clash* and *Mark-O-Nova*, which challenged them to develop data-driven solutions, strategic recommendations, and go-to-market plans for real-world business scenarios. With a prize pool exceeding ₹1,00,000 and pre-internship interview opportunities at EY and Crowwd, Vincenza 7.0 provided participants with valuable industry exposure. The fest was further supported by renowned partners and sponsors, reinforcing its position as one of the leading corporate competitions in the student ecosystem.

Synova Mixer Event -

(**100+** participants)

Synova Mixer, organized under Crescendo, served as a dynamic networking and collaboration platform bringing together students from leading colleges across the University of Delhi. The event witnessed participation from members of prominent societies from institutions including SRCC, Hansraj College, Kirori Mal College, and several others. Designed to foster meaningful professional connections, Synova provided an engaging environment for interaction, idea exchange, and cross-institutional learning. Through structured networking activities and informal discussions, participants explored opportunities for collaboration,

techniques, time management, and preparation strategies adopted by top performers. **LinkedIn Essentials Seminar (70-100 participants):** In collaboration with IIDE, Synergy conducted a seminar on LinkedIn profile optimization, personal branding, and networking strategies, enabling students to strengthen their professional presence and career prospects. **IMS CAT Preparation Webinar (70-100 participants):** In collaboration with IMS, Synergy hosted a webinar on CAT preparation, covering exam strategy, aptitude development, and structured preparation techniques for management entrance examinations	shared insight from their respective societies, and expanded their professional networks. The event successfully strengthened inter-college relationships while promoting a culture of knowledge sharing, leadership, and community building among students from diverse academic and professional backgrounds.

Other Initiatives:

Live Projects:

Synergy facilitated four live project opportunities in collaboration with ICAI, Rapido, Alset, and Meteor Ventures, enabling students to work on real-world business challenges involving research, market analysis, strategy formulation, and problem-solving. As part of the collaboration with ICAI, members also participated in an industry field visit, gaining first-hand exposure to professional practices and organizational operations. Through direct engagement with industry stakeholders, these initiatives strengthened practical learning and enhanced members' readiness for internships and corporate roles.

Knowledge Sharing Sessions (KSS):

Synergy conducted multiple Knowledge Sharing Sessions (KSS) throughout the academic year to promote continuous learning beyond the classroom. Covering diverse business domains and industry trends, these sessions encouraged peer-to-peer learning, enhanced conceptual understanding, and equipped members with practical insights relevant to the corporate world.

Research & Publications:

Continuing its emphasis on research-driven learning, Synergy published three Equity Research Reports, one Industry Research Report, and one White Paper during the academic year. These publications provided members with opportunities to develop analytical thinking, financial analysis, industry research, and report-writing skills while fostering a culture of intellectual curiosity and evidence-based decision-making.

Student-Run Investment Fund:

Synergy continued to strengthen its student-run investment fund, providing members with

practical exposure to equity research, portfolio analysis, and investment decision-making while enabling them to apply financial concepts in a collaborative learning environment.

Website Launch:

Synergy successfully launched its official website this year, creating a centralized platform to showcase the society's initiatives, publications, achievements, events, and industry collaborations while strengthening its digital presence.

The CBS Post

Name: The CBS Post
Logo:

Achievement of the Society Members (Number): 0

Society Awards: N/A

Number of Inter-college competitions attended by your society members: 25

Members of the society actively represented the institution in 25 inter-college competitions spanning a diverse range, with significant participation in literary and media-focused events such as *Write of Passage* (IIM Lucknow), *Marginally Interesting* (LSR), *Rasdhara* (IIM Nagpur), and *Drishtikon* (Maitreyi College). These platforms allowed members to showcase their writing, critical thinking, and creative expression, reflecting the society's editorial ethos. Members also participated in case competitions, strategy challenges, and product management contests hosted by institutions including IIT Delhi, IIM Indore, IIT Kharagpur, XLRI, and SRCC, demonstrating versatility and well-rounded development.

Number of event(s)/sessions/activities/webinars organized by the society in the year:

Event

The Crescendo Pre-Event 2026, organized in association with The CBS Post, served as a vibrant curtain-raiser to the college's flagship annual fest. The event showcased the society's

strengths in communication, curation, and creative expression through a thoughtfully designed programme.

A key highlight was the panel discussion featuring prominent content creators, an alumnus, and distinguished personalities, moderated by society members, which explored storytelling, digital influence, and personal growth. The literary essence of the society was further reflected through poetry performances by members and a special poetry session by an invited poet, celebrating the power of words and artistic expression.

Complementing these segments were captivating classical and western dance performances, an open mic platform encouraging student participation, and a ramp walk that highlighted confidence and individuality. The event successfully blended dialogue, literature, and performance, creating an engaging and memorable experience for the college community.

Speaker Session

The CBS Post successfully organized a speaker session featuring renowned content creators and influencers Maaz Khan, Anil Sahoo, Tvisha Tuli, Riya Dabas, and Shiv Vats. The session provided students with valuable insights into content creation, personal branding, digital media, and the evolving creator economy.

The speakers shared their professional journeys, challenges, and key learnings, offering practical perspectives on building a digital presence and navigating the changing media landscape. Through interactive discussions, students engaged directly with the speakers, gaining knowledge from real-world experiences and industry insights.

The event witnessed enthusiastic participation and fostered meaningful conversations between students and creators. It reflected The CBS Post's commitment to promoting learning, creativity, and professional development by creating opportunities for students to interact with emerging voices in the media and content creation space. The session served as an inspiring platform for knowledge exchange and skill development.

RUBBISH REPORT (CCL)

The CBS Post played a key role in covering the College Cricket League (CCL), ensuring that the excitement and competitive spirit of the tournament reached the wider college community through comprehensive media coverage, the team documented matches, player performances, key moments, and behind-the-scenes highlights across various platforms.

Members were actively involved in photography, videography and social media updates, providing real-time coverage and engaging content throughout the tournament. The coverage not only captured the intensity of the matches but also celebrated sportsmanship, teamwork and student participation.

The initiative showcased The CBS Post's ability to deliver timely and impactful media coverage while strengthening its presence within the college ecosystem. By bringing the

stories of players and teams to the forefront, the society contributed to enhancing the visibility and success of the College Cricket League, making it a memorable experience for participants and spectators alike.

NEWSLETTERS (Edition : 11, 12, and 13)

During this tenure, the Editorial Department of The CBS Post continued its commitment to fostering storytelling, expression, and intellectual engagement within the SSCBS community. The department successfully published the 11th and 12th editions of its flagship newsletter, themed *Nazariya* and *Dhaage* respectively, each bringing together diverse perspectives, experiences, and creative contributions from students. Building on this legacy, the 13th edition, *History Repeats Itself*, has been curated and is set for publication. Through these editions, the department provided a platform for meaningful dialogue, reflection, and student voices, further strengthening the culture of writing and editorial excellence at SSCBS.

Other Initiatives (Interviews, media, etc.):

The CBS Post continued to strengthen its role as The College's Editorial and Media platform through a diverse range of content-driven initiatives during the academic year. The society published editions of its flagship Newsletter, featuring articles, opinion pieces, poetry, creative writing and student perspectives that reflected the intellectual and cultural spirit of the college.

Beyond its publications, the society expanded its focus on meaningful conversations and community engagement. A notable highlight was an exclusive interview with Dr. Kumar Bijoy , Associate Professor of Finance and Director of the SSCBS Innovation and Incubation Foundation, covering topics such as career development, entrepreneurship, and lifelong learning. The society also conducted student interviews to gather perspectives on the Transgender Bill, providing a platform for informed dialogue and amplifying student voices through its social media channels.

Additionally, Briefly Weekly continued as a regular initiative, presenting major current affairs and global developments in a concise, accessible, and engaging format. Regular Writing Room sessions and skill-building workshops further encouraged creativity, critical thinking, and collaborative learning among members. Together, these initiatives reinforced The CBS Post's commitment to informed discourse, creative expression, and active student engagement within the college community.

Report on Extension and Outreach Activities in the year 2025-26:

During the academic year 2025-26, The CBS Post undertook an outreach initiative aimed at fostering literary engagement beyond the college community. The society established contact with literary and editorial societies across various institutions to explore opportunities for collaborative creative activities. A key focus of these discussions was the expansion of the society's in-house "Writing Room" initiative, a platform where participants engage in

spontaneous writing exercises based on a common theme and subsequently share and discuss their work. Through these outreach efforts, the society sought to create an inter-college space for creative expression, literary exchange, and peer learning. While the proposed collaborations are currently in the planning and coordination stage, the initiative successfully laid the groundwork for future partnerships and strengthened connections with like-minded student communities. This effort reflects the society's commitment to promoting literary culture, collaboration, and intellectual engagement beyond institutional boundaries.

  - Interactions - 4K+

BRIEF WRITE UP OF SEMINARS/ACTIVITIES :

Throughout the year, Darkroom remained committed to nurturing creativity and developing the technical skills of its members through a range of learning and hands-on experiences. The society conducted 10+ Knowledge Sharing Sessions (KSS) covering tools such as Canva, Figma, Adobe Lightroom, Photoshop, Premiere Pro, and CapCut, enabling members to build proficiency in photography, design, editing, content creation, and visual storytelling. These sessions fostered a culture of peer learning and creative collaboration while providing practical exposure to industry-relevant skills.
To complement classroom learning, Darkroom also organized multiple Photo Walks across iconic locations including Red Fort, India Gate, and Lodhi Garden. These outings offered members the opportunity to explore street photography, composition, framing, lighting, and storytelling in real-world settings. By engaging with diverse environments and perspectives, participants strengthened their creative vision, improved their technical abilities, and developed a deeper appreciation for the art of visual storytelling.

BRIEF WRITE UP OF EVENTS :

Shot Stories : Short Film Competition
The Darkroom organized Shot Stories, a short film competition aimed at encouraging students to explore the art of filmmaking and visual storytelling. The event provided participants with a platform to present original films that showcased their creativity, direction, cinematography, editing, and narrative skills. Judged by acclaimed industry professionals, Utkarsh Chaturvedi (Film Director) and Abhimanyu Sharma (Cinematographer & Director), the competition offered valuable insights and constructive feedback, inspiring participants to refine their craft while fostering a culture of cinematic excellence within SSCBS.

Photo Revolution : On-The-Spot Photography Competition
The Darkroom conducted Photo Revolution, an on-the-spot photography competition designed to challenge participants' creativity, observation, and storytelling abilities. Participants were tasked with capturing compelling photographs within a limited timeframe,

encouraging them to think creatively and transform everyday moments into meaningful visual narratives. The event celebrated originality, technical proficiency, and artistic expression while providing photography enthusiasts with an exciting platform to showcase their talent.

Photo Exhibition : Annual Photography Showcase
The Darkroom organized its annual Photo Exhibition, featuring a curated collection of photographs captured by society members throughout the academic year. The exhibition showcased a wide range of themes, perspectives, and artistic styles, reflecting the creativity, technical expertise, and storytelling abilities of the photographers. Visitors had the opportunity to experience diverse visual narratives, making the exhibition a celebration of photography as both an art form and a powerful medium of expression.

Wall of CBS : Portrait Showcase
The Darkroom conducted Wall of CBS, a unique portrait showcase dedicated to celebrating the students who define the spirit of SSCBS. Featuring portraits of individuals from across the college, the initiative created a nostalgic and interactive experience that highlighted the diversity, memories, and vibrant campus culture of the institution. The installation became one of the major attractions of Cynosure'26, allowing students to reconnect with familiar faces while celebrating the community through the lens of visual storytelling.

Other Initiatives :

- Documented Class & Society Photographs, preserving memories across SSCBS.
- Covered major college events including Yuva, SIIF, Viksit Bharat Yuva Connect, Prom, and various society initiatives.
- Organized the "Say No to Ragging" Poster Making Competition to promote awareness and creativity before recruitments.
- Conducted a Music Photowalk at Red Fort, blending photography with musical expression.
- Conducted theme-based photography assignments for OC and CC members to enhance technical and creative skills.
- Secured ₹40,000 in sponsorships, with Farmley as the title sponsor, and ₹50,000 in sponsorship with Not Just Wafflez and successfully delivered all partnership commitments.

THE LITERARY SOCIETY, SSCBS

Achievement of the Society Members (01):

Mr. Arman (25040) won first prize in The Bookpreneur Showdown (Publishing Pitch) at Zephyr'26 organized by the English Literary Society, Shri Ram College of Commerce, DU.

Society Awards: Nil

Number of Inter-college competitions attended by your society members (03):

Our members participated in a range of intercollegiate literary and cultural competitions, showcasing their creativity, innovation, and literary acumen across diverse platforms.

- Open Quill– Creative Writing Competition, organized by Shyam Lal College on 19th March 2026 provided a platform for showcasing creative writing, originality, and literary expression.
- Abhivyanjana'26, organized by Motilal Nehru College on 1 April 2026, brought together students from various institutions through literary and cultural events, encouraging intellectual exchange and creative engagement.
- The Bookpreneur Showdown (Publishing Pitch) at Zephyr'26, organized by the English Literary Society, Shri Ram College of Commerce (SRCC) on 27 April 2026.

Number of event(s)/sessions/activities/webinars organized by the society in the year (04):

- Anti-Ragging Essay Writing Competition

  The Literary Society organized the Anti-Ragging Essay Writing Competition on 13 August 2025 in Room 338A, SSCBS, centred around the theme "Say No to Ragging – Building a Safe and Inclusive Campus." The initiative sought to encourage students to reflect on the importance of fostering a respectful, safe, and inclusive academic environment through the power of written expression. The competition featured

  - Creative Expression: Participants penned original essays exploring the impact of ragging and the collective responsibility of building a supportive campus culture.
  - Critical Engagement: Essays were evaluated on relevance to the theme, originality of thought, and clarity of expression.
  - Recognition of Excellence: Mr. Arman (25040) secured the First Position, while Mr. Tejas (25236) was awarded the Second Position for their outstanding entries.

  Open exclusively to SSCBS students, the competition witnessed enthusiastic participation and provided a meaningful platform for students to voice their perspectives on empathy, respect, and inclusivity, reinforcing the college's commitment to a ragging-free campus.

- LIT–ART WALK

  Organized jointly by Kriti and The Literary Society on 31 August 2025, the LIT–ART WALK brought together around 50 participants, including freshers and society members, for a day dedicated to art, literature, and community building. The event offered students a unique opportunity to explore Delhi's cultural heritage while fostering meaningful interactions beyond the classroom. The event featured:

  - National Gallery of Modern Art (NGMA): Participants explored a diverse collection of Indian artworks, engaging in discussions on art, creativity, and aesthetics.
  - Lodhi Garden: The outing continued with recreational and literary activities, including games, reading sessions, and sketching amidst the natural surroundings.
  - Freshers' Engagement: The informal setting encouraged interaction between freshers and senior members, strengthening interpersonal bonds and society camaraderie.

    By blending cultural exploration with creative expression and leisure, the LIT–ART WALK provided an enriching and memorable experience, fostering a deeper appreciation for art and literature while reinforcing the spirit of collaboration and community within the society.

- Author Session'26

The Literary Society organized Author Session'26 on 14 April 2026 as an online interaction with Mr. Siddhant Shekhar, a Delhi University and XLRI alumnus and the author of *Web of Ties*, a contemporary young-adult novel that beautifully captures the nuances of college life, friendships, and self-discovery. The session aimed to provide students with an opportunity to engage with a contemporary author and gain valuable insights into the art of storytelling and the publishing industry.
The session featured:

- Author Interaction: Mr. Siddhant Shekhar shared his journey from student life to becoming a published author, discussing the inspiration behind *Web of Ties* and the experiences that shaped his literary voice.
- Writing and Publishing Insights: Participants explored the creative process, the challenges of publishing, and the evolving landscape of contemporary literature.
- Interactive Q&A: Students actively engaged with the speaker through thoughtful discussions on creativity, storytelling, and career opportunities in writing.

  With the enthusiastic participation of over 45 students, the session fostered meaningful dialogue between aspiring writers and an emerging literary voice. By combining personal experiences with practical insights into the writing process, Author Session'26 encouraged students to pursue creative expression and strengthened the literary culture within the college.

- Bibliotheca'26

The Literary Society hosted its flagship annual literary festival, Bibliotheca'26, on 23–24 April 2026 in Room 627A, SSCBS. One of the most anticipated literary fests in the DU circuit, Bibliotheca brought together students from across colleges to celebrate creativity, expression, and meaningful dialogue through a diverse range of events.
The festival featured:

- Hearsay– The Human Library, the flagship event of Bibliotheca, featuring eminent speakers Ms. Tanvi Nishchal and Mr. Srijal Gupta, who shared their inspiring personal and professional journeys with the audience.
- Khwaab– Trilingual Poetry Slam, judged by acclaimed poets and performers Mr. Ashish Dwivedi, Ms. Heena Alam, and Mr. Vaibhav, providing a platform for budding poets to showcase their talent.
- Mirage– Creative Writing Competition, encouraging participants to explore their imagination through original literary compositions.
- Treasure Hunt, themed around *Alice in Borderland*, engaging participants in an interactive adventure of wit and teamwork.
- Book Bumble, a literary-themed social event connecting participants through shared reading interests and literary affinities.

The festival concluded with enthusiastic participation and spirited competition. Ms. Nidhi Kumari and Mr. Lakshaya secured the first and second positions, respectively, in Khwaab, while Mr. Jai Chaudhary and Ms. Mahi Gupta emerged as winners of the Treasure Hunt, followed by Ms. Videsha Ruhela and Mr. Priyansh Gupta as runners-up.

Supported by sponsorship hampers from *The Soultalk*, Bibliotheca'26 successfully fostered literary engagement, creative expression, and community building, reaffirming its place as one of the premier literary festivals in the DU circuit.

Other Initiatives:

- Quadrangle'26

  The Literary Society is set to publish Quadrangle'26, the annual college magazine and yearbook, centred around the theme "Anitya – Impermanence." Inspired by the transient nature of life, relationships, and experiences, this edition seeks to capture moments of change, growth, and reflection through diverse literary and creative expressions. The publication features:
  - Student and Society Contributions: Original poetry, prose, artwork, and creative pieces by members of The Literary Society and the wider student community.
  - Theme-Based Curation: A thoughtfully curated collection of works exploring the philosophy of impermanence and the evolving nature of human experiences.
  - Campus Memories: In collaboration with The Darkroom Society, the magazine includes class and society photographs, preserving the memories and milestones of the academic year.

  Blending literature, art, and visual storytelling, Quadrangle'26 serves as a lasting record of the college's creative spirit, celebrating the voices, experiences, and memories that define the SSCBS community.

- Digital Presence

  The Literary Society continued to strengthen its digital outreach during the academic year through its social media and blogging initiatives, fostering literary engagement and amplifying student voices across online platforms.
  The society's digital initiatives included:
  - Instagram Outreach: The official Instagram page cultivated a community of 1.8K+ followers and garnered 30K+ annual views through strategically curated posts, reels, and stories, enhancing audience engagement and promoting the society's events and activities.
  - LitSoc Blog: Serving as a creative platform for student writers, the blog published original literary works across diverse genres and maintained a consistent readership of over 100 monthly readers, encouraging creative expression and intellectual discourse.
  - Community Engagement: Through regular digital content and interactive initiatives, the society expanded its reach while fostering a vibrant and inclusive literary community.

  By integrating social media with literary publishing, The Literary Society successfully enhanced its digital footprint, strengthened its connection with the student

community, and created accessible platforms for creativity, collaboration, and cultural exchange.

- Intercollegiate Literary Outreach
  As part of its literary outreach initiatives, The Literary Society encouraged members to contribute to Oblique'26, the annual magazine of Gargi College. This initiative provided student writers with an opportunity to showcase their creative works on a prestigious intercollegiate platform, fostering literary exchange and extending the society's creative presence across the wider university community.

Brief Write up of the Seminars/Workshops	Brief Write up of the Fest organised
During its tenure, Yuva, The Entrepreneurship Cell of SSCBS hosted three enriching seminars to foster entrepreneurial and global perspectives among students. The first seminar was conducted in collaboration with NITI Aayog as part of the launch of the Atal Innovation Mission (AIM) Cluster initiative. The event brought together school students, educators, and innovation mentors, introducing participants to entrepreneurship, and innovation-driven problem-solving. Mentors from the cluster shared insights on fostering creativity, startup culture, and grassroots innovation. The second seminar was conducted with IMS, prominent Study Abroad organization. It aimed to guide students through the process of pursuing higher education overseas, covering key areas such as applications, scholarships, and long-term career planning. The session emphasized how international education can align with entrepreneurial ambitions and global career goals. The third seminar was conducted in association with the International Conference on Innovative Computing and Communication. The session introduced students to the significance of research, innovation, and emerging developments in computing and communication technologies. It also highlighted opportunities for academic collaboration, participation in global research communities, encouraging students to explore the intersection of	Yuva, The Entrepreneurship Cell of SSCBS, organized three impactful fests during its tenure, each designed to foster entrepreneurial spirit and skill-building. E-Summit 2026, was Yuva's annual flagship event aimed at promoting entrepreneurial thinking and industry exposure. It featured a high-stakes B-Plan Competition where students pitched innovative ideas evaluated on feasibility and market potential. The Speaker Session hosted renowned global founders and global industry leaders, drawing over 13.5k online impressions and 300+ registrations. The highlight was Udyami 5.0, a Shark Tank-style pitch round where startups presented their ventures to VCs, gaining access to mentorship and funding opportunities. Yuva also successfully organized two flagship entrepreneurial bootcamps during the academic year, Hustlers Camp in August 2025 and Founder's Forge in January 2026. The bootcamps were designed to equip participants with essential professional and entrepreneurial skills through hands-on workshops on PowerPoint, Excel, Design Thinking, and structured problem-solving. The programs incorporated field visits, interactive sessions, and experiential activities. Through these initiatives, Yuva fostered an entrepreneurial mindset among

entrepreneurship, technology, and innovation. The seminars served as valuable learning experiences, offering students industry exposure and actionable knowledge. Through such initiatives, Yuva continues to equip aspiring entrepreneurs with a broader, future-ready outlook	students while enabling them to develop industry-relevant skills, collaborate with peers, and gain valuable insights into innovation and venture creation. Together, these events reinforced Yuva's mission to build a startup ecosystem.

Other Initiatives

Student-Led Startups:

Through continuous mentorship and ecosystem support, Yuva members successfully launched 7 startups during the academic year across diverse sectors including hospitality, education, healthcare, and consumer services. These ventures highlight the growing entrepreneurial culture fostered by the society and its efforts to encourage innovation-driven problem solving

NDTV Yuva 2026:

We participated in NDTV Yuva 2026, a premier youth leadership conclave featuring entrepreneurs, industry leaders, policymakers, and changemakers from across India. The event enabled students to present innovative ideas on a national television platform while engaging with renowned entrepreneurs and industry experts. It provided valuable exposure to leadership insights, emerging trends, and entrepreneurial opportunities through meaningful networking and discussions.

Industry-Focused Live Projects
We organized industry-focused live projects in collaboration with leading corporations, providing students with hands-on exposure to real-world business challenges. Participants worked directly on problem statements shared by partner organizations, conducting market research, strategic analysis, and solution development to deliver actionable business recommendations.

- **American Express Global Business Travel (AmEx GBT)**
  Conducted industry, competitor, and revenue model analysis for a live consulting project in the corporate travel sector. Developed AI-driven growth, supplier strategy, and customer retention recommendations to enhance competitiveness and customer experience.

- **PepsiCo (Mountain Dew)**

Worked on a live marketing strategy project to strengthen Mountain Dew's engagement with Gen Z consumers. Developed integrated campaign ideas, digital activations, and experiential marketing recommendations based on consumer and competitor insights.

- **ITC Limited (Aashirvaad Ghee)**
  Conducted market and consumer research to identify growth opportunities for Aashirvaad Ghee in the premium ghee segment. Proposed influencer marketing, retail activation, pricing, and partnership strategies to improve brand visibility and adoption.

- **Suprajit Engineering Ltd.**
  Analyzed automotive industry trends, EV adoption, and competitive dynamics to assess growth opportunities for Suprajit Engineering. Developed strategic recommendations to strengthen market positioning and support long-term innovation and expansion.

Ecosystem Partnerships (SIIF, IIC & Atal Innovation Mission)

Yuva significantly strengthened its engagement with the entrepreneurial ecosystem through its close association with the SSCBS Innovation and Incubation Foundation (SIIF). As a key ecosystem partner, SIIF collaborated with Yuva in facilitating startup-focused initiatives, founder interactions, networking opportunities, and ecosystem-building activities that exposed students to real-world entrepreneurship and innovation.

Through SIIF's network and support, Yuva further collaborated with institutions and initiatives such as the Institutions Innovation Council (IIC) and the Atal Innovation Mission (AIM), enabling members to engage with startup founders, investors, incubators, and industry experts. These partnerships enhanced students' understanding of venture creation, incubation, fundraising, and innovation management while fostering a stronger entrepreneurial culture within the institution.

Internal Skill-Building:

To strengthen member capabilities, Yuva conducted structured internal training sessions focused on research, problem-solving, strategic thinking, business communication, presentation design, and consulting methodologies. These initiatives ensured members were well-prepared to contribute effectively to client engagements and deliver high-quality outcomes.
