Dear Student,

Congratulations!

We are pleased to inform you that your team has successfully qualified for Round 2 of the NationBuilding Case Study Competition 2026 - the Presentation Submission Round. In this round, teams are required to submit a 5-slide presentation based on the given problem statement.

Submission Guidelines:

- Number of slides: Maximum 5 slides, excluding annexure and cover slide
- Submission deadline: 18th January 2026, 11:59 PM
- Submission platform: Unstop
- Format: PDF

Additionally, we have attached the Problem Statement Booklet and detailed guidelines for the round here. Please note that the use of AI is strictly prohibited.

Verification

- All participants are required to submit a scanned copy of their college identity cards. Both identity cards must be included in a single PDF file. Separate PDFs will not be accepted. You can submit this on Unstop.
- To proceed to the second round, all the single-member teams must pair up with a teammate from their college. We will shortly be releasing a Google Form wherein you can add your team members' details.

Communications

All teams qualifying for Round 2 are requested to join the official WhatsApp group links for your respective zones. This group will be the primary channel for all further communication, updates, and instructions related to the competition.

- North Zone: Link
- Central Zone: Link
- South Zone: Link
- East Zone: Link
- West Zone: Link

Please read the attached Problem Statement Booklet carefully before starting your work.

We wish you the very best for the next round and look forward to your ideas and solutions.

Thanks and Regards,
Team Nation Building
