To whomsoever it may concern,
We are writing to request an official confirmation of our status as National Rank 4 in Trajectory by Monetrix, a Flagship Equity Research Case Competition in Collaboration with Skilled Sapiens & Caplexus Capital

While we have received our certificates, this confirmation is required by our college's Career Development Cell (CDC) for approval and documentation.
We would greatly appreciate your assistance in providing this at the earliest. Thank you for your support.
A simple "approved" will suffice.
