Dear Team,

Thank you for showing interest.

After internal discussions, we felt that the earlier structure might lead to an unfair advantage for Team Yuva participants, especially considering that only **10 teams advance to the final round**.

Instead, we would like to offer your teams **3 direct entries into Round 2**, where **25 teams are shortlisted overall**.

As part of Round 2, participants will also receive:

- **TechnoSport garments** for evaluation, and
- **Mentorship support for the jury round** after the 2nd round screening, provided based on the quality and potential of the submitted entries.

Please note that we will want **all 3 teams to make their submissions through Unstop for the 1st round**, as this will be the official platform for evaluation and tracking. We will take care of the advancement.

We expect the same from you to ensure fairness. We hope this works for you and look forward to your confirmation.
