KARTAVYA- THE SOCIAL SERVICE FORUM OF SSCBS

SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES

ANIMAL FEEDING DRIVE

Date: 11th October 2025

Organised By: Kartavya

Event: VITI'25

Introduction:

Kartavya, the Social Service Forum and NSS Unit of SSCBS, organised an *Animal Feeding Drive* on 11th October 2025 to promote kindness and love for the animals that live alongside us on this planet. This initiative was undertaken with the help of Hari Govind Gaushala, to address the nutritional and safety needs of strays and sheltered animals, and instill the values of empathy, compassion, and responsibility of coexistence within the student.

Execution:

The drive was carried out with active volunteers from both NSS SSCBS and Kartavya coming together to feed and care for the animals at shelter. Special attention was given to distribute nutritious fodder and feed to the cows. In total, 100+ cows, rabbits, and more were fed and taken care of. The drive not only helped students and animals to connect on a deeper level, it encouraged reflection of extending support beyond human needs and means.

Conclusion:

The Animal Feeding Drive was a resounding success, pushing for impactful initiatives and action to be taken by the students and reinforcing Kartavya's commitment to takle & uplift social and environmental issues. By feeding over a 100 animals, we were able to make real, tangible impact for these little ones, highlighting animal welfare and the power of collective action. Initiatives like these are a reminder for the responsibility each one of us hold towards every other living being, and Kartavya strives to continue efforts in making a more compassionate and kinder world.
