ANNUAL ACTIVITY REPORT

ACTIVITIES & INITIATIVES / 2025–2026

CII Yi YUVA SSCBS conducted a range of activities during the academic year, creating opportunities for members to explore industry, develop leadership, participate in community initiatives, and strengthen civic and financial awareness.

1. Industry Exposure & Business Engagement

Corporate exposure and industry visits connecting classroom concepts with real business environments, helping members understand how organizations operate, build brands, and create value.

- **Ahujasons Corporate Visit** — Members visited the flagship store of Ahujasons in South craftsmanship. The interaction provided insights into legacy brand-building, luxury retail, customer experience, and brand positioning, while highlighting how a family-run business preserves its heritage and adapts to evolving consumer preferences.
- **I-Thum World Real Estate Industry Visit** — Members explored I-Thum World to gain an understanding of the commercial real estate industry and large-scale property development. The visit offered exposure to project infrastructure, commercial spaces, and the broader business environment, helping members appreciate the role of project execution, asset management, leasing, and sustainable urban development in shaping modern commercial hubs.
- **M S Acoustics** — Members visited M S Acoustics on 23 August 2026, gaining exposure to the technical and business aspects of the acoustics and audio-solutions industry. The visit offered an opportunity to understand the role of acoustic technology in product applications and industry requirements, while exploring areas such as product design, manufacturing, quality standards, and OEM associations. The experience helped members connect technical innovation with business operations and market opportunities.

Initiatives that encouraged young people to exchange ideas, explore future opportunities, develop innovative solutions, and showcase their abilities.

- **Youth Leadership & Future Perspectives**

  Future 5.0 — Focused on future-oriented thinking and innovation, encouraging participants to explore emerging trends, challenges, and opportunities shaping tomorrow.

  Delhi Yuva Conclave — Brought young people together for leadership, dialogue, and collaborative idea exchange, providing a platform to engage with youth-relevant themes and perspectives.

- **Innovation, Problem-Solving & Talent**

  Yi Impact-a-thon 3.0 — Challenged participants to develop practical, innovative solutions to real-world problems, fostering teamwork, analytical thinking, and collaborative problem-solving.

  Delhi Yuva Talent — Celebrated student creativity and talent, providing participants with a platform to express their abilities, build confidence, and engage with their peers.

2. Social Impact & Community Awareness

Initiatives aimed at promoting social responsibility, public awareness, and community well-being, encouraging individuals to adopt safer, healthier, and more sustainable practices

- **Road Safety Awareness Drive** — Promoted road safety and responsible behaviour by highlighting safe road-use practices and the importance of following traffic rules. The initiative aimed to encourage greater awareness of road safety and the role of individual responsibility in preventing accidents.
- **Climate Change** — Focused on building awareness about climate change and environmental sustainability, highlighting environmental challenges and the importance of responsible everyday choices. The initiative encouraged participants to recognise their role in promoting sustainable practices and protecting the environment.

- **Hygiene Awareness & Sanitary Pads Distribution Drive** — Addressed menstrual hygiene and health awareness by encouraging open conversations, challenging common misconceptions, and supporting access to essential hygiene products through sanitary pad distribution. The initiative aimed to promote health, dignity, and awareness within the community.

3. **Financial & Educational Literacy**
   Learning initiatives designed to build financial awareness, expand educational perspectives, and support informed decision-making, helping individuals develop essential knowledge for their personal and professional journeys.
   - **Financial Literacy Drive for Children** — Introduced children to the fundamentals of money management, covering concepts such as saving, budgeting, responsible spending, and understanding the value of money. Through simple explanations and practical examples, the initiative aimed to encourage healthy financial habits from an early age and build a foundation for informed financial decisions.
   - **Times Education Session** — Provided students with an opportunity to explore educational opportunities, academic pathways, and career-related perspectives. The session aimed to broaden awareness of available learning avenues and help participants understand the importance of informed academic choices, skill development, and continuous learning in shaping their future goals.

4. **Civic Awareness & Democratic Leadership**
   Activities promoting civic awareness, public speaking, and constructive democratic participation, while encouraging informed discussion and respect for diverse perspectives.
   - **Young Indian Parliament** — Engaged participants in parliamentary-style discussions and debates, strengthening civic understanding, critical thinking, public speaking, and respectful dialogue.
