KARTAVYA - The Social Service Forum of SSCBS

Chartered Institute of Management Accountants

SESSION REPORT

Kartavya, the Social Service Forum and NSS Unit of SSCBS, in collaboration with the Chartered Institute of Management Accountants (CIMA), a globally renowned professional management accounting body based in the United Kingdom, held an exclusive session to inform students about potential career choices in the path of being a Management Accountant.

The session was designed to help students become aware on how they could boost their careers by becoming a Chartered Global Management Accountant (CGMA), unlocking worldwide opportunities in finance and business. It is a globally renowned profession for management accounting, offered jointly by Association of International Certified Professional Accountants (AICPA) and CIMA. Representatives of CIMA educated the attendants on the eligibility, application process, and benefits of aiming for the CGMA profession.

The event saw fervent participation from 120+ students, enthusiastic to learn more about the profession and exploring future career options. An engaging discussion was held between the students and the speaker, providing clarity on the profession's flexibility, sustainability, and transformation during this era of AI. The presentation aided in providing students with real world examples and growth opportunities for growth in career and practical skills.

The orientation concluded with a highly engaging Q&A session, where students addressed their queries related to profile building, deadlines, and long-term career prospects. The session proved to be insightful, inspiring students to plan ahead and take strategic steps toward their professional journeys.
